199TH OF THE GENERAL ASSEMBLY

No. 52

### HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

**THE SPEAKER (MIKE TURZAI)  
PRESIDING**

#### PRAYER

HON. JOHN A. LAWRENCE, member of the House of Representatives, offered the following prayer:

Colleagues, the prayer I am going to offer this morning was first offered in this chamber in June of 1964 by Eugene Smith, the father of our former Speaker, Sam Smith.

Let us pray:

Eternal and everlasting God, we pause this morning to give Thee thanks, thanking Thee for the blessings we enjoy in this bountiful land and for the privileges and opportunities which we have. We ask for the guidance of Thy Holy Spirit that what we say and do this day might be to Thy honor and glory. Help us to realize, Lord, that we have a responsibility to our fellowman and a greater responsibility to Thee. We ask this prayer, Lord, not because we are so worthy, but rather because we are so much in need of Thy guidance. As we receive this Divine guidance today, Lord, help us to continue praising Thee forever and ever, in the name of Jesus Christ, our Lord and Savior. Amen.

**STATEMENT BY MRS. HARHART**

The SPEAKER. On unanimous consent, we recognize Representative Julie Harhart. You may proceed.

Mrs. HARHART. Thank you, Mr. Speaker.

I am here to announce the retirement of Michele Warren, who has worked for the House for 36 years. She has worked for me for 6 1/2 years. And the best way I can describe Michele is I think she is a superwoman. That is the only thing that could come to mind. Honestly, Michele, I have to say, has been a loyal employee to me. I never had to ask her for anything. Everything was always there. All my needs were met, and believe me, I could be a challenge. So this woman, really, really was a very loyal employee to me.

And Michele came to the caucus when she was right out of high school, and the Representative that is sitting right here said she still looks like she is in high school. So, Michele, that is a compliment. But anyway, she has worked for the caucus for 36 years. I think HR (Human Resources) is really going to miss her, because she not only was my administrative assistant but she also was the floor supervisor, she was an administrative assistant trainer, she authored the AA training manual, which is constantly being updated and reflects the changes in policy and staff.

So with that, I would like to say congratulations to you, Michele. I wish you the best in your new adventure. And I want to thank you for your service to the House, to me, and also

I thank you for being my friend when I needed you to be there as well. So congratulations to you.

The SPEAKER. Members, as Chair Julie Harhart said, Michele Warren is retiring after 36 years of service to the House Republican Caucus, and with her today are her husband, Brad – Brad, if you will stand – and also her son, Adam. Adam, if you will stand.

Michele, it is so great to have you here with Adam and Brad. We love having you. We are going to miss you. Thank you.

**STATEMENT BY MS. PICKETT**

The SPEAKER. Representative Tina Pickett, on unanimous consent.

Ms. PICKETT. Thank you, Mr. Speaker.

Oh, my goodness, Mr. Speaker. It is here. I am finally going to have to come out of denial. I am going to have to admit that Jill Brightbill is retiring. This makes it really official, Jill.

So I hate to see you go. It has been a wonderful time, but I know you have got some good things going, some good plans. So I wish you well.

But Jill came to my office 6 years ago after working 12 years in the communications department and starting out with my predecessor, Scot Chadwick, whom some of you may know.

In the past few years that we have been paired up together, I can tell you she has been a hard worker and someone with whom I have had a great pleasure working. It would be a rarity to find Jill without a bright smile and a ray of sunshine in our office. I do not think I have ever seen her with anything but a great positive and professional attitude. It goes a long way in the business that we are in, and I really appreciate it.

As someone with a district that sits on the New York border line, the New York State border line, I have relied on Jill, along, of course, with Sara, who works in my office also, to be my eyes and ears here in the Capitol when I am not here and I am that far away. And the one thing that I will always remember about Jill and I have always appreciated is that she has very excitedly wanted to learn the district, our 110th District, and the northern tier. And as busy as we can be, Jill still took the challenge of learning so much more about Bradford, Sullivan, and Susquehanna Counties, and even has made very many visits to the north to be sure that she is involved in the district and that she understands the district.

One of the highlights up there, if any of you happen to remember Aaron Kelly, who was on the "American Idol," one of the "American Idol" finalists, he is from Sonestown in Sullivan County, part of our district, and Jill went up and even had a sign made that would welcome him back to his hometown. So that is how involved she was, and it was very appreciated by everybody up there.

So I think I can speak for the entire chamber when I say that our staff members become part of our families. We spend as much time with them, sometimes even more this time of year, as we do with our families. Marty, you can see it. You saw what just happened here. So I am going to miss Jill and all that she brought to our office. And I would like to thank her for her nearly 20 years of dedicated service to the House of Representatives. And I do wish her the very best in her retirement, even though I hate to let go of her. So best wishes, congratulations. Stay in touch.

The SPEAKER. Jill, thank you so much for your 20 years of service to the House of Representatives and, in particular, to our Republican Caucus.

And also, you are here with your husband, Martin. If, Jill, you and your husband, Martin, if you could stand as well. Thanks for being with us today with Jill. We greatly appreciate your being here. Jill, we are going to miss you. Thank you.

The following resolution was read:

COMMONWEALTH OF PENNSYLVANIA

THE HOUSE OF REPRESENTATIVES  
CONDOLENCE RESOLUTION

WHEREAS, The House of Representatives of Pennsylvania wishes to honor the memory of the Honorable Victor Robert Hewlett Yarnell, a former member of the House of Representatives of Pennsylvania who served the 1st Legislative District and passed away at the age of ninety-five on January 22, 2015; and

WHEREAS, Mr. Yarnell was born in Canada, served in the British Army in World War II and shortly thereafter moved to Berks County, Pennsylvania. As a Left Lieutenant in the British Army, he was a part of the Normandy invasion on D-Day, which led to the deliberation of Europe and the defeat of the Axis powers. After visiting his father, who worked in Reading, Mr. Yarnell met his wife, Louise Nancy Ahrens Yarnell, to whom he was married for nearly seventy-seven years. After graduating from Albright College, he began his life of public service to the people of Berks County by accepting a position as a teacher. Mr. Yarnell was elected to the House of Representatives of Pennsylvania in 1962, and served during the 1963-1964 legislative session. After opting not to stand for re-election, he was subsequently elected Mayor of Reading in 1968 and brought many progressive changes to the city. During his tenure as Mayor, Mr. Yarnell became a strong advocate for the need for a community college, led campaigns to gain its approval, played an integral role in urging the Reading School District to assume sponsorship of Reading Area Community College (RACC) in 1970 and remained an active member of the RACC Board of Trustees for the remainder of his life. After his service as Mayor, he was appointed by Governor Milton Shapp to the position of Deputy Secretary of Commerce and later to the position of Deputy Director of the Office of State Planning and Development. Mr. Yarnell served this Commonwealth with integrity and distinction in many roles throughout his career and never stopped working for the betterment of his home city of Reading; now therefore be it

RESOLVED, That the House of Representatives of the Commonwealth of Pennsylvania express its sadness upon the passing of its former colleague, the Honorable Victor Robert Hewlett Yarnell; and extend heartfelt condolences to his family and friends; and be it further

RESOLVED, That a copy of this resolution, sponsored by the Honorable Thomas R. Caltagirone on June 10, 2015, be transmitted to Louise Ahrens Yarnell.

Thomas R. Caltagirone, Sponsor  
Mike Turzai, Speaker of the House

ATTEST:

Anthony Frank Barbush, Chief Clerk of the House

On the question,  
Will the House adopt the resolution?

The SPEAKER. On the resolution, the Chair recognizes Representative Caltagirone.

Mr. CALTAGIRONE. Thank you, Mr. Speaker.

It is kind of an honor to have known and been a close friend of Victor Yarnell. He was at Dunkirk, which I think many of you understand what Dunkirk was all about, with the Canadian Army; D-day; invasion of Normandy, he was there as an infantryman. He was a very close, dear friend of mine, a mentor. He served this country and served it well. He was a very active participant in many of the area community functions. The Reading Area Community College, a strong advocate for that. He was a decent human being and lived a long life, and a dear, dear friend.

And thank you, Mr. Speaker, and thank you, members of the House.

The SPEAKER. Thank you, sir.

Those in favor of the resolution will rise and remain standing as a mark of respect for the deceased former member. Guests, please also rise.

(Whereupon, the members of the House and all visitors stood in a moment of silence in solemn respect to the memory of the Honorable Victor Robert Hewlett Yarnell.)

The SPEAKER. Members, the resolution has been unanimously adopted.

The Sergeants at Arms will open the doors of the House.

## RESOLUTION PURSUANT TO RULE 35

Mr. FRANKEL called up **HR 414, PN 1948**, entitled:

A Resolution honoring the life, memory and legacy of Allegheny County Councilwoman Barbara Daly Danko and extending condolences to her family, friends and colleagues.

On the question,  
Will the House adopt the resolution?

## REMARKS SUBMITTED FOR THE RECORD

The SPEAKER. Representative Frankel, on the resolution.  
Mr. FRANKEL. Thank you, Mr. Speaker.  
I have remarks for the record. Thank you.  
The SPEAKER. Yes, sir. Those will be accepted.  
Mr. FRANKEL. Thanks.

Mr. FRANKEL submitted the following remarks for the Legislative Journal:

On May 6 of this year, Allegheny County lost one of its finest public servants, Councilwoman Barbara Daly Danko.

I had the pleasure to know Councilwoman Danko and call her a friend, as she was my county representative and a fixture in Pittsburgh politics for decades. She never wavered in her commitment to serve the public admirably, always doing what she thought was right in the end. Respected by colleagues and friends on both sides of the political spectrum, some of the causes near and dear to her heart included the environment, women's rights, and minority-owned businesses.

Although Councilwoman Danko was born in Washington, DC, it is Pittsburgh she called home. As a proud resident of Regent Square since 1985, Barbara was a fixture of the city's East End politics and served the community for many years as the chair of the 14th Ward Democratic Committee. In 2011 she was elected to serve on Allegheny County Council, representing the 11th District with honor and distinction. Barbara also had a passion for education and served as an adjunct professor at both the University of Pittsburgh and the Community College of Allegheny County.

Throughout her entire professional career, Barbara was a role model to many and saw both government and the political process as effective ways to engage people and improve their lives. Some of her professional achievements included serving on the Allegheny County Human Relations Commission as one of its original appointed members and Controller of the Pittsburgh Sewer and Water Authority.

Even with all her professional success and career milestones, Barbara would always stress that her family was most important to her. Barbara and her husband, George, lovingly raised their four kids together in Pittsburgh – Michael, Elizabeth, Stephen, and Joseph.

Barbara was diagnosed with breast cancer in 2005 but never let her diagnosis stand in her way. Although she lost her battle with the disease on May 6, 2015, at the age of 61, Barbara's impact on Allegheny County and Pittsburgh lives on.

I would like to thank my colleagues for their affirmative vote of HR 414.

## BILLS ON THIRD CONSIDERATION

An Act amending the act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949, in school districts, providing for data collection reduction.

On the question,  
Will the House agree to the bill on third consideration?  
Bill was agreed to.

(Bill analysis was read.)

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

Representative Brown.

Mrs. R. BROWN. Thank you, Mr. Speaker.

I just wanted to make a quick mention of the bill, and HB 1112 is really an essential first step in gathering information on data collection, reports that our schools are required to

complete, and many of these reports are redundant, they are overly burdensome, and no longer necessary and can become very costly as well.

So I would just like to ask my colleagues for their support on this so we can respond to our schools' requests to help them become much more efficient. Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative.

On the question recurring,  
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

The majority required by the Constitution having voted in the affirmative, the question was determined in the affirmative and the bill passed finally.

The House proceeded to third consideration of **HB 970, PN 1945**, entitled:

An Act amending Title 75 (Vehicles) of the Pennsylvania Consolidated Statutes, in snowmobiles and all-terrain vehicles, further providing for restricted account, for Snowmobile and ATV Advisory Committee, for operation on private or State property, for operation by persons under age sixteen, for mufflers and noise control and for enforcement personnel and procedures.

On the question,  
Will the House agree to the bill on third consideration?  
Bill was agreed to.

(Bill analysis was read.)

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.  
The question is, shall the bill pass finally?

Representative Vitali.

Mr. VITALI. Frankly, I do not have a strong opinion on this bill, but I just wanted to give the members a little bit of background information. This involves an account which collects fees from both all-terrain vehicles and snowmobiles, and this would change what is now an account that can accept money from both sources and distribute to both sources to an account that would basically divide the accounts so that moneys collected from snowmobiling would be restricted just to that and all-terrain vehicles just to that.

The DCNR (Department of Conservation and Natural Resources) opposes this, the problem being that it would cause a financial loss to the maintenance of snowmobiling trails since they collect less fees but use more in maintenance costs.

So I just wanted to put that out there so the members could maybe have a little more information in considering this legislation.

The SPEAKER. Representative Causer, the floor is yours.

Mr. CAUSER. Thank you, Mr. Speaker.

Mr. Speaker, I would like to ask the members for their support of HB 970. HB 970 is a bill which separates the ATV-snowmobile account into two separate accounts. It is an accountability measure, it is a transparency measure, and it is a measure that ensures equitable distributions of funds from the user groups that are paying in their registration fees so we in the General Assembly will know exactly what is coming into the fund and exactly where the funds are going. And to use ATV funds for ATV means and snowmobile funds for snowmobile trails, it is totally appropriate, and if it is a dual-use trail, then it is appropriate to use funds from either fund.

The bill also requires additional auditing requirements, it updates the members of the advisory board, and I would ask for support for the bill. Thank you, Mr. Speaker.

The SPEAKER. Representative Hanna.

Mr. HANNA. Thank you, Mr. Speaker.

Mr. Speaker, I also rise in support of HB 970. I agree with the prime sponsor that it appropriately segregates ATV funds from snowmobile funds and sees that those funds are spent appropriately as well.

I would urge a "yes" vote on HB 970.

The SPEAKER. Does anybody else wish to be recognized on HB 970?

On the question recurring,  
Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

### STATEMENT BY MR. SIMS

The SPEAKER. On unanimous consent, Representative Sims is recognized.

Mr. SIMS. Thank you very much, Mr. Speaker.

Mr. Speaker, as you know today, earlier this morning at 10:02 a.m., the Supreme Court of the United States released a series of opinions, including an opinion that says that marriage equality is the law of the land. I would like to read the last paragraph of the opinion from Justice Kennedy, if I may.

"No union is more profound than marriage, for it embodies the highest ideals of love, fidelity, devotion, sacrifice, and family. In forming a marital union, two people become something greater than once they were. As some of the petitioners in these cases demonstrate, marriage embodies a love that may endure even past death. It would misunderstand these men and women to say they disrespect the idea of marriage. Their plea is that they do respect it, respect it so deeply that they seek to find its fulfillment for themselves. Their hope is not to be condemned to live in loneliness, excluded from one of civilization's oldest institutions. They ask for equal dignity in the eyes of the law. The Constitution grants them that right."

Thank you very much, Mr. Speaker.
