LEGISLATIVE JOURNAL

WEDNESDAY, JUNE 8, 2016

SESSION OF 2016

200TH OF THE GENERAL ASSEMBLY

No. 35

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

**THE SPEAKER (MIKE TURZAI)
PRESIDING**

PRAYER

HON. THOMAS P. MURT, member of the House of Representatives, offered the following prayer:

Please bow your heads.

We begin today with a verse from Psalm 34. "The Lord is close to those whose hearts are breaking."

This morning please remember our distinguished colleague and friend, Jim Roebuck, who lost his wife earlier this week. Please keep Jim and his family in your thoughts and prayers. Also, please remember our colleague, Craig Staats, who lost his sister last week.

Lord, we come to You proclaiming that You are all-powerful and all-loving. You are our tower of strength. You are ever present in times of trouble. We come to You with thankful hearts for all the blessings You have given us.

Our hearts are also filled with thankfulness for those who serve our country in the Armed Forces and those who protect us – our police officers and firefighters. Father, we are reminded that our men and women in uniform fight many personal battles, and we ask that today You would intervene in their lives and help each one individually.

Lord, we know that there are times when each one suffers from loneliness, homesickness, exhaustion, sadness, fear, extreme weather conditions, fatigue, personal physical conditions, and a myriad of other difficulties. We ask that every need would be ministered to this day. We ask that You would come to each one and ease their personal challenges and give each one renewed peace, strength, and hope. We ask that You would refresh each one this day. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

VILLANOVA UNIVERSITY MEN'S BASKETBALL TEAM PRESENTED

The SPEAKER. Representative Bill Adolph and Representative Greg Vitali are invited to the rostrum for the purpose of presenting a citation to a certain championship team.

Chairman Bill Adolph, the floor is yours, sir.

Mr. ADOLPH. Thank you, Mr. Speaker.

This is my 28th year as a member of the House of Representatives, and I have witnessed an awful lot of celebrities, distinguished athletes, former Governors, Olympic champions. I had never witnessed the excitement of walking through the halls of this Capitol watching State Representatives, State Senators, staff, and fans want some piece of this basketball team. This team is a special, special group of young men, and just being around them, you can feel it. Everybody wants a part of this team.

I want to thank my colleague, Representative Greg Vitali, as we all know how dedicated he is on certain issues. The first time he ever got excited regarding an issue other than the environment was the day after Villanova won that championship. And Greg is such a dedicated public servant that he said to me, "Bill, would you please take the lead today? Because I have so many things going through my mind today regarding the environment, I need to get settled first."

Greg and I, for over 20 years, have shared the campus in one way or the other and the many students that have graduated. Greg, you will not believe this, was a football player at one time for Villanova. I tried to tell people that here and they do not believe it. He was a fierce football player for St. Joe's Prep. Where he went wrong, I do not know, but I had to thank him for allowing me to take the lead.

Behind me are Coach Jay Wright; team members Josh Hart, Darryl Reynolds, and Kris Jenkins. After finishing the regular season with an impressive 35-and-5 record and winning the Big East Championship, the Wildcats entered the NCAA (National Collegiate Athletic Association) tournament as a number two seed. From there Villanova beat UNC (University of North Carolina) Asheville, Iowa, Miami, Kansas, Oklahoma before taking down the University of North Carolina in the championship game. Throughout the tournament these players played with a grit and an intense willingness to help each other that allowed them to win this championship.

The Villanova community, the residents of Delaware County, the residents of the Commonwealth of Pennsylvania could not be prouder of this team's accomplishments. I think everybody 10, 15, 20 years from now will know exactly where they were when Kris Jenkins hit that shot. What a great moment.

I want to individually recognize the players and the staff on this team that are here today. Some of the seniors were not able to be here because they are throughout the nation trying out on various pro camps.

Here today with us are Josh Hart, Kris Jenkins, Darryl Reynolds, Mikal Bridges, Jalen Brunson, Tim Delaney, Donte DiVincenzo, and Eric Paschall. Fortunately, I did not have to pronounce Arci's last name.

Also with us, obviously, are head coach Jay Wright, Baker Dunleavy, Ashley Howard, Kyle Neptune, George Halcovage, Mike Nardi, Jeff Pierce, Mike Sheridan, Jake Whitten, and Arleshia Davidson. I would also like to thank some of the Villanova University administration who have joined us in the hall of the House.

You will never hear this from Coach Wright, but I would like to congratulate Coach on the recent news of being named an assistant coach on the USA Select Team that will practice for the USA National Men's Basketball Team next month in Vegas as it prepares for the Rio Olympics.

And excuse my personal touch. I would be remiss if I did not say to a good friend who passed away, who was a member of the 1971 Villanova Wildcats Team that went to the Final Four and I had known since I was 13 years old, Mike Daley, I am so proud to have the opportunity to bring your team to the State Capitol. Thank you.

The SPEAKER. Representative Vitali, the floor is yours, sir.

Mr. VITALI. Well, I also was one of those people who wanted a piece of Villanova. In fact, prior to the North Carolina game that morning, I drafted the cosponsorship memo honoring them for winning the national championship. That is how confident I was that they were going to win. I actually got a lot of flak for that as I was watching the game at the Great American Pub in Wayne that I had jinxed the team, but I was quite confident they were going to win that game.

I think that final game was probably the most thrilling basketball game I had ever seen, and I am proud, and I was

watching it with other Villanova alumni. I was undergrad class of '78 and law school class of '81, and I just cannot tell you how proud it made all of us to be Villanova.

But it was not really the fact that they won the national championship, which was an amazing feat in itself because these things are won every year by different teams; it was really how they won. It was really the professionalism, and not to use a pun, but the right way. You know, Jay Wright, he gets his kids with such a good attitude. When you read about what they do, it is not about winning a game; it is about being better than you were yesterday. That is what that program was about, just instilling those values, and you see how when they were playing – the tenacity, the fierceness, the fearlessness. I mean, it just really, really makes us all proud.

And it goes beyond just the enjoyment of watching a sporting event, because I saw what happened after 1985 and they won, and that helped enrollment for Villanova and how that made it a better school. Well, this is really making Villanova a better school in terms of quality of education, quality of professorships, quality of the student body. It is really making us proud.

But I think, I think the kids, you guys, really need to know the role model you have been to all of us. You are kids who are 4-year athletes, you are not one and done; you are 4-year athletes. You are scholar athletes, and you really are – people, not only basketball players but others, can really emulate as to how people should conduct their lives.

So you all have a lot to be proud of, and thank you for letting me be a part of it. Thank you.

The SPEAKER. Coach Wright, the floor is yours, sir.

Mr. WRIGHT. Thank you.

It is a true honor for us to be here in this beautiful building today. As a native Pennsylvanian, I am embarrassed to say this is the first time I have ever been here, and this is a remarkable building with men and women who serve our State, and it is a great experience for our guys to meet all of you and meet great men and women that use their lives to serve their State. We talk to our guys about this all the time. It is about what you do with your life after basketball that is most important, and we are most proud that we have a 100-percent graduation rate and that these guys, all of these guys that are administrators here – and there is a big part of the Villanova family that is here today – we are very honored, but everyone at Villanova takes pride in what these guys do with their lives, and that is what we are most proud of. And they are processed to be the best men they can be, the best students they can be, and the best players they can be, turned into a championship. So that is what we are proud of.

We were able to present the chairman with a ball signed from the team, a Final Four ball, earlier in his office, which is very impressive, and we would like to present a Villanova alum, Representative Vitali, with a ball signed by our team, a Final Four basketball.

Thank you for having us all today, and thank you for what you do for our great State.

The SPEAKER. Coach Wright, to you and your players, you are such a classy team representing such an outstanding university, and I just want you to all know that all of us felt like we were Villanova graduates on that championship victory night, all of us did.

Thank you for coming to see us here today. We are so honored by your presence. To all of these fine, fine young men and their coaches, thank you so much.

If the other Villanova teammates could come up to the rostrum, please. If the other Villanova players could come up to the rostrum, please; just come on up. Thank you.

Representative Vitali, this one we ought to vote while we are having the opportunity to meet with the team. Representative Vitali calls up HR 891, PN 3374, and it honors the Villanova University Men's Basketball Team for their championship. It is on page 14 of today's House calendar.

GUESTS INTRODUCED

The SPEAKER. Chairman Payne, the floors is yours.

Do you want me to do the introductions of the guests or— Yes; I would like to do the introduction of the guests first, and then I am going to turn it over to Chairman Payne.

If you will please rise – this is just outstanding having these fine guests here today, and I have been to them all – Dick Knoebel, owner of Knoebels Amusement Resort, and Jeannie Reedy, front office manager, if you will please stand. Great to have you here today. And Mike Fehnel, Mike Fehnel, who is general manager of Dorney Park. Great to have you here, Mike. Kevin Stumpf, general manager of Hersheypark. Kevin, great to have you. And Amy Mearkle, Amy Mearkle, director of marketing and advertising at DelGrosso's Amusement Park. Thank you so much, Amy, for being here.

STATEMENT BY MR. PAYNE

The SPEAKER. Chairman Payne, the floor is yours, sir.

Mr. PAYNE. Thank you, Mr. Speaker.

Mr. Speaker, I am not sure why I did not think of PA Amusement Park Day the first year I was here, having come from Hershey and served on Chairman Godshall's Tourism Committee, but I did not. And shame on me because Hersheypark, Kennywood, Knoebels, Dorney Park, Dutch Wonderland, Waldameer, Sesame Place, DelGrosso's, Kalahari Resort and Waterpark, Great Wolf, Camelback, Split Rock, Lakemont, and Conneaut Lake Park – 14 of the many amusement parks in Pennsylvania – and these parks, the amusements parks, bring into our second largest industry in Pennsylvania, which is tourism, and tourism generates \$40 billion – billion with a "b" – \$40 billion. The parks themselves support over 300,000 Pennsylvania jobs.

A little history, Mr. Speaker. My father worked at Hersheypark, I worked at Hersheypark, my four children worked at Hersheypark, and my oldest grandson now works at Hersheypark. Four generations working at Hersheypark.

They are on the forefront of all the guests that come to Pennsylvania. Their perception of us, of Pennsylvania, many times is determined by their experience at one of our parks.

Now, joining me today, with members here – Representatives Masser, Mackenzie, and Ward – we have the four guests here today. But all of us and all of you who represent Pennsylvania know somebody that works for an amusement park and clearly know that these parks are a great gift to Pennsylvania. They are unique. Some of our parks are over 100 years old.

Mr. Speaker, I thank you for allowing us to run the resolution today. I am hoping in the future other members pick up and run this every year recognizing the second largest industry, tourism, and the vital role that the amusement parks play in that second largest industry. And I would also like to thank my colleagues behind me for their outstanding support and supporting their amusement parks back home.

I would like to ask for one last round of applause for all the amusement parks and the guests that are here today. Thank you, Mr. Speaker.

The SPEAKER. Thank you, Chairman Payne.

Representative Tom Murt, on HR 905.

Representative Murt, please hold for just a moment. Thank you.

LEAVE OF ABSENCE CANCELED

The SPEAKER. Representative Dwight Evans is on the floor and should be placed on the master roll.

STATEMENT BY MR. MURT

The SPEAKER. Representative Murt, the floors is yours, sir.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, nothing is as terrifying as receiving a cancer diagnosis, and it is hard to find a family who has not been touched by the disease. Decades ago a cancer diagnosis was a death sentence, yet today there is hope. According to the American Cancer Society and the National Cancer Institute,

there are almost 14.5 million cancer survivors alive in the United States today, and that number will grow to almost 19 million by 2024. Mr. Speaker, due to better education, earlier diagnosis, and more treatment options, at this moment two out of three people diagnosed with cancer will become survivors. While survivorship brings hope, it also brings stress. Surviving cancer can leave a host of problems in its wake. Physical, emotional, and financial hardships often persist for years after diagnosis and treatment. Still, life after a cancer diagnosis can be meaningful, productive, inspiring, and even triumphant.

Mr. Speaker, that is why it is so important that our House of Representatives has designated June 2016 as "Cancer Survivors Recognition Month" here in the Commonwealth of Pennsylvania. In passing this resolution, we are celebrating life.

I thank my colleagues for supporting this measure as a way of honoring all cancer survivors and their families and paying tribute to the strength, courage, and inspiration of those living with a history of cancer.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative Murt.

On the question,
Will the House agree to the bill on second consideration?

Mr. **KAVULICH** offered the following amendment No. **A08084**:

Amend Bill, page 3, by inserting between lines 4 and 5
(4) The chief school administrator shall provide notice of the school security drill in advance to parents and legal guardians of the students attending the school building for which the school security drill is scheduled.

On the question,
Will the House agree to the amendment?

The SPEAKER. On the question, the Chair recognizes Representative Kavulich.

Mr. KAVULICH. Thank you, Mr. Speaker.

This amendment is, after some discussion, that parents be notified, parents and legal guardians be notified when a school security drill is scheduled in order to alleviate any concerns if these parents or guardians should happen to see emergency vehicles on their way to the schools, so they are already aware of what is going on, that it is just a drill that is happening at the school.

The SPEAKER. Yes, sir. You may proceed with interrogation. The gentleman has indicated he will so stand.

Mr. TALLMAN. Yeah. Under the bill in chief, there is, essentially, no cost to school districts. Under your amendment, what happens there?

Mr. KAVULICH. It is revenue-neutral.

Mr. TALLMAN. Thank you.

Mr. KAVULICH. There is no additional cost.

The SPEAKER. Representative Day is recognized on the amendment.

Mr. DAY. Thank you, Mr. Speaker.

I am sorry, Mr. Speaker, the three of us, the three members are working on this together. Could you please repeat your question?

The SPEAKER. Representative Tallman.

Mr. TALLMAN. Thank you, Mr. Speaker.

Am I to repeat the question I asked the Representative—

The SPEAKER. Yes.

Mr. TALLMAN. —the maker of the amendment?

The SPEAKER. Yes, sir. Go right ahead.

Mr. TALLMAN. Basically the question was, was there any increased cost to school districts with the amendment, and the Representative who sponsors the amendment said no. That is all I wanted.

The SPEAKER. Okay. Thank you, Representative Tallman.

Representative Day, any other— Okay.

On the question recurring,

Will the House agree to the amendment?

STATEMENT BY MR. MUSTIO

The SPEAKER. Representative Mustio, you are recognized on unanimous consent.

Mr. MUSTIO. Thank you, Mr. Speaker.

Mr. Speaker, it has taken 8 years of work on this legislation and there are a few people that I would like to thank. First of all, Erin Raub, executive director of the House – on the Republican side – House Aging Committee. I would also like to thank Chairman Hennessey and Chairman Samuelson. House members Kathy Watson and Frank Farry were very instrumental in getting this bill passed and on to the Senate. In the Senate, Amy Bolze and certainly Senator Pat Vance and Senator Fontana for pulling his amendment in the Senate. PHCA (Pennsylvania Health Care Association) and LeadingAge PA, the advocacy groups for the assisted living groups. But most importantly, Mr. Speaker, in 2007 the parents of Mary Ann Rose died as a result of being exposed to carbon monoxide in a facility, and members of this House started working with their family to get this bill where it is today. So I want to thank them specifically, Mary Ann Rose and her cousin, Mary Smithson, for their persistence and their patience.

And thank you, members, for your vote.
