SESSION OF 2016

200TH OF THE GENERAL ASSEMBLY

No. 55

HOUSE OF REPRESENTATIVES

The House convened at 11 a.m., e.d.t.

THE SPEAKER (MIKE TURZAI) PRESIDING

PRAYER

HON. JOANNA E. McCLINTON, member of the House of Representatives, offered the following prayer:

Dear Lord, we thank You and praise You, for this is the day that You have made. We are rejoicing and we are glad in it.

Father, we thank You for keeping us for the weeks and months that we were not present here in Harrisburg. We were in our respective districts working and serving the people. Father, we thank You for protecting us and covering us.

Lord, we do not take it lightly that we even have another day here on this planet, so we take a moment and we pause, and our hearts just say thank You. Thank You for Your goodness. Thank You for Your mercy. Thank You for so many blessings. If we had to count them, we could not count them all. So, Father, we thank You. Thank You for our families and friends that we left back home. We pray that You keep them and that You protect them, and it is our prayer that while we are here doing the people's work that You would lead our hearts, that You would guide our interests and show us what should be a priority in this body.

Lord, we pray right now that You would be with everyone across this Commonwealth and the communities that we serve.

Lord, I take a moment to pray a special prayer for West Philadelphia, which over the weekend we saw a terrible ambush and attack on our officers. Father, we thank You for saving the life of Sgt. Sylvia Young and Officer Ed Miller, and we thank You for bringing them even out of the hospital in the last couple days. But we pray, Lord, for the family that did lose an innocent young woman who was just sitting in her car and attacked. We pray that You would be with them, that You would comfort and encourage them. We pray, Lord, for the family of the shooter, who was also killed, that You would help and encourage them through such a devastating time.

Lord, with everything that is happening, it is our prayer that since You have given us the ability to lead, that You would empower us to make a difference. Lord, we do not want to just come to Harrisburg and vote on legislation, but we want to make a difference every day. So we pray that You strengthen

our hands, that You open up our minds, that You give us the boldness and power to lead and courage to reflect Your grace, Your strength, and Your mercy. We thank You and we praise You.

We ask all these blessings in Jesus' name. Amen.

PLEDGE OF ALLEGIANCE

The SPEAKER. On the uncontested calendar, we have three members who wish to speak. Representative Heffley will be recognized to speak on HR 999, Representative Murt will be recognized to speak on HR 996, and Representative Benninghoff will be recognized to speak on HR 968. We will have a supplemental House calendar uncontested, and at that time Representative Cruz will be recognized to speak on HR 990.

Representative Heffley, the floor is yours.
Okay. We will go over that.

STATEMENT BY MR. MURT

The SPEAKER. At this time Representative Tom Murt is recognized to speak on HR 996.

Mr. MURT. Thank you, Mr. Speaker, and thank you to the members for their support of HR 996.

Mr. Speaker, the statistics are sobering. According to the 2014 National Survey on Drug Use and Health, 27 million people aged 12 or older used an illicit drug in the past 30 days, which corresponds to about 10 percent of Americans. Mr. Speaker, this percentage in 2014 was higher than those in every year from 2002 through 2013.

The illicit drug use estimate for 2014 continues to be driven primarily by the nonmedical use of prescription pain relievers. Consider this, Mr. Speaker: There were 22.2 million marijuana users aged 12 or older, and 4.3 million people aged 12 or older who reported current nonmedical use of prescription pain relievers. These disorders lead to disabilities that result in significant costs to families, employers, and our health systems.

Compounding this, Mr. Speaker, drug and alcohol use can lead to other chronic diseases such as diabetes and heart disease. The cost of treating substance abuse costs Americans more than \$600 billion each year – that is billion, with a "b." Some health officials predict that within 4 years, mental and substance use disorders will surpass all physical diseases as a major cause of disability worldwide. Mr. Speaker, this is why preventing mental illness and substance abuse disorders in children, adolescents, and young adults is so critical to Americans' overall behavioral and physical health.

Mr. Speaker, the truth is, the symptoms that signal the development of a behavioral disorder often appear 2 to 4 years before a disorder is present. This gives families an opportunity to intervene early so behavioral health disorders can be prevented and the symptoms mitigated. This is why we have introduced HR 996 to recognize September as "National Recovery Month" in the Commonwealth of Pennsylvania. Mr. Speaker, the best way to help those with early signs of a mental disorder or a substance abuse problem is to identify the symptoms early and give those with these disorders the support to prevent the problem from growing.

In recovery, we also must help those with these disorders manage their symptoms by helping them abstain from alcohol and illicit drugs, and to make informed, healthy choices for the person's physical support and emotional well-being. Mr. Speaker, we must also give them a stable and safe place to live while they conduct meaningful daily activities, whether on the job or in school. This will give those with disorders independence and empower them to participate fully in society.

And finally, Mr. Speaker, by surrounding those who need our help with love and support, we can guide them down the road to recovery. By showing them that hope exists, they will see that these challenges and conditions can be overcome, and, Mr. Speaker, that is the foundation of recovery.

Thank you.

The SPEAKER. At this time we are going to turn to—
Representative Cruz, I do apologize. Your resolution was on the first uncontested calendar. It is not on a supplemental uncontested calendar.

STATEMENT BY MR. CRUZ

The SPEAKER. At this time you are recognized to speak on HR 990. Representative Cruz, if you would like, you will be recognized on HR 990, and, sir, that was passed in the last vote.

Mr. CRUZ. Thank you, Mr. Speaker.

Mr. Speaker, in this resolution we are celebrating Hispanic Heritage Month, September 15 through—

The SPEAKER. Please suspend, just suspend for a minute.

Members, if you could please take your seats. Members, please take your seats.

I would like to give Representative Cruz the floor.

Representative Cruz, you may proceed.

Mr. CRUZ. Thank you, Mr. Speaker.

Mr. Speaker, from September 15 to October 15 we celebrate Hispanic Heritage Month, and it so happens that we are in a tradition now of recognizing an individual who had performed outstandingly to recognize the Hispanic Heritage Month. This time around I chose an individual whom I have known from the age of 6 – now he is in his late twenties – who was just recognized recently and won a Premios Juventud, which is the young award for becoming a musician and an artist. He was a backup singer for Romeo Santos, and then was contracted by Marc Anthony.

He was supposed to be with us today, but he is in Mexico filming "Novela." That is a soap opera for those who do not know.

But I would ask, if it is possible, Mr. Speaker, that both sides of the aisle help me thank the strength behind his attribute to this nation and to himself: his mother. We are accompanied by Elsa Roig, on your left side, Mr. Speaker. May we ask you for a round of applause from this House, because as a single mother, she strived and worked hard to make sure that her children achieved as much as they can. She is an inspirational person, an individual, a mother, a single mother in one of the worst neighborhoods in Philadelphia, and her son achieved the highest. So it is not where you come from, it is the support that you have at home.

So I ask, Mr. Speaker, to thank and recognize his mother, who will be accepting his resolution, Elsa Roig.
