SESSION OF 2018

202D OF THE GENERAL ASSEMBLY

No. 19

HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.d.t.

THE SPEAKER (MIKE TURZAI) PRESIDING

MOMENT OF SILENCE FOR VICTIMS OF SANTA FE HIGH SCHOOL TRAGEDY

The SPEAKER. Since we last met, there was a tragic shooting, on May 18, 2018, at a high school in Santa Fe, Texas. Eight students were shot and killed, along with two teachers. May God bless our nation.

We are going to stand here for a moment of silence as a mark of respect for the fallen students and teachers. There is not a single parent or grandparent of a student in a school in our country who is not concerned and who does not pray for these individuals.

(Whereupon, a moment of silence was observed.)

PRAYER

The SPEAKER. Please remain standing. The prayer today will be offered by Rev. Dr. Brad Mellon of St. Luke's United Church of Christ of North Wales. He is the friend and guest of our colleague, the majority caucus chair, Representative Marcy Toepel.

Reverend.

REV. DR. BRAD MELLON, Guest Chaplain of the House of Representatives, offered the following prayer:

Let us pray.

God, You have brought us today into this beautiful season of spring, and as we gather here today with the esteemed members of the House, we pray that we will be mindful of the privilege we have to be of service to all our fellow citizens and to each one of our many and diverse communities.

Help us to hold fast to our values to enact just laws that will benefit everyone and enable us to be good stewards of the vast resources that have been entrusted to us, that we might leave an even better Commonwealth to future generations. We thank You this day for the blessings, opportunities, and challenges of service. We honor all who are in our Armed Forces around the globe.

Once again we are mindful of those who have lost their lives in this most recent tragedy. We pray for one another today for strength and guidance to face our responsibilities, our joys, and our problems. May we always give of our best to people in need, and may we continually be assured of Your presence and help along our way. Amen.

PLEDGE OF ALLEGIANCE

(The Pledge of Allegiance was recited by members and visitors.)

The SPEAKER. Representative Kurt Masser and Representative David Millard are invited to the rostrum for the purpose of presenting citations. I am asking all members to please take your seats. These young men have traveled some distance to be with us today. At this time I would like the entire team to come down. Representative Kurt Masser is the majority caucus administrator and Representative David Millard is the House chair on tourism. They have invited to the rostrum today special guests, and I turn it over right now to Representative Millard and Representative Masser. Right now they are going to focus on the football team, then we will be bringing up a champion wrestler as well.

SOUTHERN COLUMBIA HIGH SCHOOL FOOTBALL TEAM PRESENTED

The SPEAKER. Representative Millard.

Mr. MILLARD. Thank you, Mr. Speaker.

Today Representative Masser and I recognize the Southern Columbia High School Football Team. They are being honored upon capturing the 2017 PIAA State Class AA Football Championship. They finished an undefeated season with 16 wins. The Tigers won the championship by defeating the team from Wilmington with a score of 48 to 0, and Representative Masser will now offer some more details about that victory.

Representative Masser.

Mr. MASSER. Thank you, Representative Millard. Thank you, Mr. Speaker.

The Southern Columbia Tigers are one of the most successful football programs in Pennsylvania – I would say the most successful – and one of the best small school programs in the country. The PIAA playoff system began in 1988. The Tigers have competed in 16 of the 30 State finals. Over half of the State finals Southern Columbia was there to represent, winning eight of them, including a State record five in a row from 2002 through 2006. They won titles both in A and in AA. Completing his 34th season as head coach of the Tigers in 2017, Jim Roth and his staff have amassed an amazing 86 percent winning percentage.

Their teams have appeared in the playoffs every year, have won 10 or more games in 30 of 34 seasons, and have never had a losing season. Coach Roth became the youngest head coach in Pennsylvania to reach the career milestone of 300 wins, and followed it up in September of last year by becoming 1 of only 3 head coaches in Pennsylvania to reach 400 wins. They hold the PIAA records for consecutive State championships, five; total State championships, eight; State final appearances, 16; consecutive district championships, 16; and total district championships, 25.

It was a fantastic year watching these guys – watching Stone throwing it up to Jules, Garcia just dominating on the field, Cox adding a couple of touchdowns in the State final, just for a little good measure, and being able to do all of this because of an awesome, awesome line on both sides of the ball. On defense, these guys were amazing, with Szuler and Haladay, Tillett, Scicchitano, and Zachman; on top of that, probably the best placekicker in Pennsylvania, if not the country, Elijah Hoffman. All the Southern teams played as a team with heart. And this is how they do it, folks: the day after the State championship,

2 days at the most, the weight room is packed again building for next year. I cannot wait to see you again next year, fellows. Congratulations on a fantastic season.

The SPEAKER. To the Southern Columbia Football Team, congratulations on this championship. We wish you all the best. Up here on the rostrum, do we have seniors and captains? Gentlemen, great job; coaches, great job. We are so honored to have you here today.

At this time the Sergeants at Arms will open the doors of the House. We are going to take some photos. Young men on the floor, you will exit to the left; just go straight back to the chairs, and we are going to take some photos up at the rostrum here. Thank you.

JARET LANE PRESENTED

The SPEAKER. Members, please take your seats. We have another young man that has traveled some distance from Southern Columbia High School. He and his coach have come up to the rostrum. So now that we have the football players seated, I would ask all members to please take their seats. Representative Masser is going to be introducing to us a State champion wrestler, Jaret Lane, and I believe father and coach, right? Coach Lane.

Representative Masser, please, the floor is yours.

Mr. MASSER. Thank you, Mr. Speaker.

We are honored here today to have Jaret Lane from Southern Columbia, the 2017-18 PIAA Class AA Individual Wrestling Champion in the 120-pound weight class. He is a senior at Southern Columbia High School. He amassed a season record of 48 wins and 1 loss, and a career record of 182 wins and 9 losses – 182 wins and 9 losses.

The SPEAKER. Yeah, that is amazing.

Mr. MASSER. Under the expert guidance of coach Jerry Marks and assistant – his father – coach Kent Lane, he captured his second consecutive State title with a win over a wrestler from Bishop McDevitt High School.

To his great credit, Jaret has amassed 120 career pins and is the District IV all-time win leader with an undefeated dual meet record of 91 wins. He has captured three district and northeast regional titles and four south sectional titles. He was lauded as the pin leader for this Commonwealth in 2017 and 2018 and recognized with the 2017 Schalles Award, and was selected to Team Pennsylvania to wrestle Team USA in the Pittsburgh Wrestling Classic, where he won by fall over the three-time Iowa State champion.

Jaret, it was a pleasure to watch you as I have watched your father for many years when he wrestled for North Schuylkill, but it certainly has been a great honor to watch you wrestle, and great luck and success at Lycoming and in your future endeavors. Thank you.

The SPEAKER. I am definitely not messing with this young man. Congratulations. Really outstanding career, and I wish you the best. We all wish you the very best in college as well, young man.

The Sergeants at Arms will open the doors of the House. All members, come to the floor, but we are going to close it again because we are going to be honoring more teams. So if any members want to come to the floor, we are going to ask you to please take your seats.

CONSTITUTION HIGH SCHOOL BOYS BASKETBALL TEAM PRESENTED

The SPEAKER. Representative Ed Neilson invites to our rostrum a championship team. My understanding is that Representative Mike O'Brien is not with us for the presentation, so Representative Neilson is going to be taking his stead, and come on right up, gentlemen. It is an honor to have you here.

Representative Neilson, you may proceed, sir.

Mr. NEILSON. Thank you, Mr. Speaker.

Mr. Speaker, I am honored that Representative O'Brien asked me to present this resolution yet to another championship Philadelphia team. It looks like Philadelphia is on the way to having multiple championships this year, and here we go again.

So today I would like to welcome the Constitution High School Generals Boys Basketball Team 2017-18 Class AA State Champions. Joining me today are the athletic director and head coach, Robert Moore; named the Associated Press "First Team All-State" and "Player of the Year," Damon Wall; Justin White; and Nadeer Wood. The remainder of the team was supposed to be here today, but unfortunately, they are stuck back at home taking the Keystone Exams, which we mandate them having, okay? Just so you know, that is why the team is not here.

So the Constitution High Basketball Team is in their 9th year of competition. They have won 199 games, advanced to the State playoffs each year, and this year they became the champions. It is their fourth time in the last 7 years, so this is a multiple championship. So today I ask you all to congratulate these players and give them a warm welcome and congratulations from the House, and we appreciate it and keep up the hard work, gentlemen.

The SPEAKER. Coach, young men, congratulations. That is outstanding. What a great championship, and thank you for taking the time to be with us today.

FILMING PERMISSION

The SPEAKER. Jill Frechie and John Ricciutti of Radnor Studio 21 wish to come onto the House floor and take photos, videotaping, and videotaping with audio. So the members of the press are going to be coming on the floor. They will be on for 10 minutes. Sergeants at Arms, they have 10 minutes once they come onto the floor, 10 minutes to take videotape and still photos and there will be videotaping with audio. There will be audio as well.

GUESTS INTRODUCED

The SPEAKER. Members, we have a special guest with us today, a great friend of mine and many of you in the chamber on both sides of the aisle. As many of you know, Allegheny County went home rule – that is the county seat, Pittsburgh, second most populous county in the State – and when the county went to home rule, the first Allegheny County Chief Executive was this good man to my left. I am going to have him stand up, Jim Roddey, the first Allegheny County Chief Executive, Jim Roddey. Jim, you are always welcome in this chamber – many good friends on both sides of the aisle. We are so appreciative to have you here. We are going to get a photo shortly. Thank you, Jim.

Members, I do have another team that I need to honor here. We are going to honor them shortly. I know another member has requested to have the opportunity to be here. We are going to try to make sure that we have all the members here for that; that is our slight delay in that regard.

I am going to announce our guest pages at this time. Lauren Burkhart, will you please stand. She is interning in Representative David Millard's district office. Welcome, Lauren.

Guests of Representative Parke Wentling are in the well of the House. They are guest pages Jude Yurisc and Julianne Johnson. They are from Greenville, Pennsylvania, over near the Ohio border. And Jude's father, Michael Yurisc, is seated up in the gallery. Please give them a warm welcome.

Representative Tom Mehaffie has as a guest today Jason Zaprazny. Jason, please stand. Great to have you here, Jason. Thank you.

And a guest of Representative McNeill, Lehigh County Commissioner Amy Zanelli. The Lehigh County Commissioner is off to my left. Amy, great to have you here today. You are so welcome to join us. Thank you.

In the rear of the House, we welcome Dylan Smith. Dylan, will you please rise. Dylan is right there in the back. He is shadowing Representative Seth Grove for the day. Great to have you here, Dylan.

Representative Gainey is here – and I mean, obviously Representative Gainey is here, but his father is here, Jacob Talton. Please stand, sir. It is so wonderful to have you here today. Thank you so much, sir.

STATEMENT BY MR. GAINEY

The SPEAKER. And Representative Gainey is requesting to speak on unanimous consent. I am going to ask everybody to please be seated as our fellow colleague speaks on unanimous consent.

Sir, you may proceed.

Mr. GAINEY. Thank you, Mr. Speaker.

Colleagues, I want to thank you for giving me a moment today. My dad came up here because we had a press conference on gun violence and what gun violence does from a mental health and physical health perspective. And as you know, my sister, my father's daughter, was murdered, and so this was the first time that he spoke openly about what it would be like raising his grandkids and losing his daughter. And so as I told everyone that I have talked to that, you know, sometimes you look at your father and you really do not know what to think, because, you know, all of us that got daddies, we always look. But I will tell you what, my father is my hero. My father is more than I could ever want in a man to be my father, and the way he is raising these grandkids in this second stage of life I believe speaks volumes of the character of my father. And I would like for all of you all just to stand for a minute and give my father a warm hand for having the ability, having the will to stand and honor my sister. Can we stand and give him a hand?

And for all of you that sent prayers, well wishes, and cards, you all know how much that touched me, and I want you all to know how much it touched my father. Thank you, Mr. Speaker, for giving me this opportunity.

The SPEAKER. Thank you, sir.

Representative Dean, Representative Murt, and Representative Stephens, please come up to the rostrum to honor a championship basketball team, and we will bring that team to the front here, up to the rostrum. Do we have the entire team or is it just some of the captains? Is the whole team here? The whole team should come up. So just come right down the side of the aisle over here to the right – my right, your left. Just come right down here and we will direct you right in front here.

All members are requested to please take your seats. We are going to close the doors to the House. The Sergeants at Arms, please close the doors of the House. All members, please take your seats. These young ladies, these champions, have traveled far to be with us. Please close the doors of the House.

UPPER DUBLIN HIGH SCHOOL GIRLS BASKETBALL TEAM PRESENTED

The SPEAKER. Representative Dean, you may proceed.

Mrs. DEAN. Thank you, Mr. Speaker.

I am delighted for this opportunity, and I thank you, Mr. Speaker, for offering my colleagues, Todd Stephens and Tom Murt, the chance to be here to celebrate and recognize this extraordinary team.

Welcome to the Cardinals, the Upper Dublin Girls Basketball Team, who capped off their 2017-18 season by capturing the PIAA Class 6A State Championship with an overall record of 27 and 5. After finishing in second place in Suburban One and in ninth place in District 1, Upper Dublin went on an eight-game winning streak to win the State championship title.

One highlight of the program's historic run is the resiliency the team showed throughout its postseason, evidenced by the fact that Upper Dublin was trailing in the second half of its final six games, yet was able to persevere and find a way to win each time. The team showed incredible scoring balance throughout the season, and it was this along with great senior leadership that set the team up for unprecedented success in achieving, in winning its first girls basketball State championship in school history.

I am delighted that joining us today are head coach Morgan Funsten – Morgan, where is Morgan? Raise your hand, if you would – Upper Dublin principal Robert "Bob" Schultz; head coach Morgan Funsten – I did that, sorry, twice. You deserve it, head coach – assistant coach Monica Newman; Lady Cardinal captains Maggie Weglos and Nicole Kaiser; athletic director Eric Greiner; our superintendent, Deborah Wheeler; our school board president, Art Levinowitz; and school board member Sara Johnson Rothman.

And with that, I would like to ask my colleague, Representative Murt, to come forward.

The SPEAKER. Representative Murt, just hold on for a second. If the administrators could please come on up, just come right down to be with the team. You traveled a great distance to be with this team. We are honored that you would take the time to be with us.

Representative Murt, you may proceed.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, there are so many things that make me proud and honored to represent Upper Dublin Township, but few make me as proud as the young people here today. The Upper Dublin Girls Basketball Team not only represents the very best of Montgomery County, but the very best of our Commonwealth. Their skills on the court are unmatched, and just as important, they have demonstrated skills that will see them through college and into their personal lives. The young women of Upper Dublin High School have shown the power of commitment by setting high standards and staying committed to them, and that commitment showed itself when trailing Central Bucks South: in the third quarter of the championship game, the Upper Dublin girls powered back to overcome CB South and win the PIAA 6A title in Hershey.

This team demonstrated courage by standing up to whatever challenge was thrown in their path. They have shown discipline and self-control by standing strong when challenged. They were resilient in learning from mistakes and losses so they could seize on the opportunity to improve, and they have shown the importance of teamwork through long hours of practice before each new game that has paid off in repeated playoff victories that have made us all proud, and we certainly congratulate them.

Mr. Speaker, we have a citation here from Representative Dean and Representative Stephens and myself, and I would like to read part of this, if I could. "Whereas, The House of Representatives of Pennsylvania takes great pleasure in recognizing the outstanding achievements realized by the youth of this nation in a spirit of personal sacrifice, commitment to a common goal and unity of purpose; and

"Whereas, The Upper Dublin High School Girls' Basketball Team is being honored upon capturing the 2017-2018 PIAA State Class 6A Girls' Basketball Championship; and

"Whereas, The Upper Dublin High School Girls' Basketball Team earned this meritorious honor by defeating Central Bucks High School South with a score of 41 to 39. The team members are to be commended for their continuing commitment to excellence, and they have truly brought great credit to themselves, their school and this Commonwealth."

Thank you, Mr. Speaker.

The SPEAKER. Representative Todd Stephens.

Mr. STEPHENS. Thank you, Mr. Speaker.

I am thrilled to join my colleagues in congratulating the Lady Cardinals for such an outstanding season and victory. As a father of two young boys, I am constantly trying to learn about what attributes I need to instill in them for success in life, and most of the literature really seems to point to grit and resiliency, that determination to persevere through difficult times and overcome difficult obstacles is critical. And obviously, the ladies in front of us today have demonstrated that they certainly have the grit and determination necessary to succeed overcoming, from what I understand, being behind in six straight games on their way to the State championship, yet overcoming those obstacles to secure the victory.

So, Mr. Speaker, I want to send my heartfelt congratulations to the Upper Dublin Lady Cardinals, to the staff, the coaching staff and the administration at the school, as well as the parents and the entire community back in Upper Dublin. Congratulations.

The SPEAKER. Coach, who did you beat in the championship game?

Mr. SCHULTZ. Central Bucks South.

The SPEAKER. Oh my goodness, so I am sure that was a bit of a rivalry. Central Bucks South; I know that Bucks County delegation is out there. Hey, congratulations to your outstanding Upper Dublin Team. We are so honored that you would be with us here today. Thank you for coming.

Young ladies, our best to you throughout your careers – academics and athletics, right? I know you have an outstanding team, I have been told, on both fronts. Thank you so much. Congratulations.

STATEMENT BY MR. GAINEY

Mr. GAINEY. I just want to thank the Student Achievement Center for coming up here today. I hope you all are having a great time learning about government. You know, Mr. Speaker, and to my colleagues, I love these kids up here. I love these kids because they are reflective of me. Some of the hard times that they have had to endure and some of the things they had to come through, I understand that, and I am so thankful that they had an opportunity to come here today.

I hope you all are having a great time learning about government, and just to let you know, you have a State Representative who loves you.

Representative McClinton, you may proceed.

Ms. McCLINTON. Mr. Speaker, with your permission, may my guests join me on the floor of this House?

GUEST INTRODUCED

The SPEAKER. And, Representative McClinton, while we are waiting for them, Representative Krueger-Braneky has a guest here today. Shelly Chauncey, please stand. Shelly, welcome. Thanks so much for being with us today. Thank you.

STATEMENT BY MS. McCLINTON

The SPEAKER. Once the guests come down to the well of the House, Representative McClinton will begin. The Sergeants at Arms will close the doors of the House.

Representative McClinton, you may begin.

Ms. McCLINTON. Thank you, Mr. Speaker.

On behalf of myself and my west Philadelphia colleague, Representative Morgan Cephas, I would like to thank all of our colleagues for their support of HR 925, honoring the Delta Sigma Theta Sorority and acknowledging Delta Day here at the State Capitol. It is my pleasure to welcome and recognize the dynamic ladies, the devastating divas, the extraordinary women from the Pennsylvania chapters of Delta Sigma Theta who are with us right here today, and as you can see, on the floor of this House chamber.

Throughout the years, the sisterhood's mission has been to promote academic excellence and to offer support to the underserved, to educate and to stimulate participation in establishing good public policy, and to highlight issues and provide solutions to problems that we face in our communities. Delta Sigma Theta is one of the largest African-American women's organizations in the world, with more than 1,000 chapters around the globe and more than 300,000 members from the United States to England to Japan to Germany to the Virgin Islands, Bermuda, the Bahamas, and the Republic of Korea.

More than 105 years after its foundation, Delta Sigma Theta is continuing to carry on the commitment of the 22 founding members and driving the force to remain in the forefront of social action as a powerful voice for those in need.

Immediately after being established, these women participated in their first public event, the Women's Suffrage March on Washington, back on March 3 in 1913. Today they are here in the State Capitol fighting for victims of human trafficking and for fair funding for education and economic development in our community. Back home they are constantly mentoring young people, providing college scholarships, and promoting voter education and awareness campaigns.

I am excited to see what new contributions our communities will see from its members. These are members of our communities, and some of them could not be here, like Peggy Crumley from Representative Vanessa Brown's district. But there are a few from my district that are here today, Mr. Speaker. I would like to recognize the statewide social action chair, Patricia Alford. I would like to recognize my constituent, Mrs. Sandra Wright, who spent 36 years as a second grade teacher in the Philadelphia school system. I would like to honor my girlfriend, Desaree Jones, the deputy chief of staff to our State Senator, Anthony Hardy Williams, Andy; the Chester Alumnae social action chair, Tara Smith, who is to my left. She works for the city of Philadelphia and coordinates the

Town Watch Integrated Services for our city. Marvetta E. Coleman, who is not here today, who is a very prominent health-care advocate back home in Philadelphia. And of course, our former colleague right here in the House, Philadelphia City Councilwoman Cherelle Parker, and of course, my prime cosponsor, who is not present but certainly offered this resolution, and she is a member of this prestigious organization, State Representative Morgan Cephas.

Thank you, Mr. Speaker. Colleagues, would you stand and honor these women who are fighting for change not just here in the Commonwealth, but across the globe.

The SPEAKER. Thank you very much, Representative McClinton. Members of Delta Sigma Theta Sorority, thank you so much for being with us. Take your time. We are going to do some photos down here and then we are going to do committee and caucus announcements. Please continue to take the photos. CALENDAR

BILLS ON SECOND CONSIDERATION

BILL PASSED OVER

The SPEAKER. HB 2241 is over for the day.

* * *

The House proceeded to second consideration of **SB 234, PN 1443**, entitled:

An Act amending Title 12 (Commerce and Trade) of the Pennsylvania Consolidated Statutes, authorizing assessments for energy improvements in districts designated by municipalities.

On the question,

Will the House agree to the bill on second consideration?

Bill was agreed to.

* * *

The House proceeded to second consideration of **HB 1273, PN 1540**, entitled:

An Act amending Title 34 (Game) of the Pennsylvania Consolidated Statutes, in permits relating to wildlife, further providing for definitions.

On the question,

Will the House agree to the bill on second consideration?

The SPEAKER. Now, I see two amendments here. One is filed by Representative Godshall, 7019, and Representative Hanna, 7117.

In consultation with the Parliamentarian, 7019 has been ruled out of order, and, Representative Hanna, yours is a late-filed amendment, so you would need a motion to suspend.

It is withdrawn. My understanding is Representative Hanna's amendment 7117 has been withdrawn. So one amendment has been ruled out of order and the other is withdrawn.

Are there any other amendments? These are the only two I have in front of me.

On the question recurring,

Will the House agree to the bill on second consideration?

Bill was agreed to.

The SPEAKER. Members, there are no further votes.

DEMOCRATIC CAUCUS

The SPEAKER. Representative Frankel, on unanimous consent, sir?

Representative Frankel, for a caucus announcement, sir.

Mr. FRANKEL. Thank you, Mr. Speaker.

There will be a brief Democratic caucus immediately at the adjournment; a brief Democratic caucus at adjournment. Thank you.

The SPEAKER. Thank you, sir.

Members, there are no further votes, but we do have some members that are going to speak on some resolutions. Representative Kampf and Representative Briggs are going to be called upon on HR 900, Representative Murt on HR 919, and Representative Mako on HR 935. So, members, please understand that members will be speaking at this time.

We will give members a few minutes to leave.

STATEMENT BY MR. NEILSON

The SPEAKER. Representative Neilson is recognized on unanimous consent. Representative Neilson is recognized on unanimous consent.

Mr. NEILSON. Thank you, Mr. Speaker.

You know, sitting on the House floor, a lot of us miss a lot of things in our family, and tonight my son is being honored, so I wanted to recognize him on the House floor because I am unable to be there.

Archbishop Ryan High School is one of the best Catholic schools in the city of Philadelphia, and the 2018 Lacrosse All-Catholic Team was announced, and since tonight I am missing their banquet, I wanted to make certain I read the names of some of the boys in the record, beginning with the coach, who became the "Coach of the Year" at Archbishop Ryan, Steve Pape; Brody Alloway; Nick Taylor; Brendon Scanlon; Jimmy Dolan; Nick Metzger; Brandon Holmes; Gavin Dionisio; and two of my favorites: my son, Steven Neilson, and his best friend, Mikey Kalai, who were named All-Catholic as sophomores, the two boys, which is a very rare feat.

They fought very hard. They did not come out on top; they came in second place, but I wanted to recognize them and congratulate them on all the hard work.

Thank you, Mr. Speaker.

The SPEAKER. Members, if you are going to stay for the remarks, I would ask you to please take your seats. If you are not, please exit the House floor. If you are staying for the remarks, please take your seats. If not, I would ask you to please exit the floor.

STATEMENT BY MR. KAMPF

The SPEAKER. Representative Warren Kampf, on HR 900.

Mr. KAMPF. Thank you, Mr. Speaker.

Mr. Speaker, I am glad to be joined at the podium by my colleagues, Representative Corbin, Representative Longiotti, and Representative Briggs. We are the cochairs of the House Life Sciences Caucus and we are here as a part of HR 900, which you voted on earlier today, declaring today as "Cellicon Valley Day." Cellicon, right, is not silicon. It is a play on that word. And Cellicon Valley Day is to celebrate cell and gene therapy technology which was developed right here in Pennsylvania, in southeastern Pennsylvania, actually, in the Great Valley – in the Delaware Valley, sorry, not the Great Valley – the Delaware Valley, and it is extraordinary.

The FDA (Food and Drug Administration) has approved cell and gene therapies that came out of research institutions in Philadelphia, which, among other things, have actually cured relapsed leukemia in children. Let me say that again: cell

therapies developed in our great Commonwealth have cured relapsed leukemia in children. This has happened at the Children's Hospital of Philadelphia, and I am sure is going to happen all over the world as a result of those successes.

So Cellicon Valley is just an extraordinary place. I think something like \$450 million has been invested in cell and gene therapies in our region. One out of every six doctors in the United States today has done some work in the institutions of Cellicon Valley in southeastern Pennsylvania, and my colleagues and I are very proud to have had this day, May 22, 2018, declared "Cellicon Valley Day" here in Pennsylvania.

Thank you very much.

STATEMENT BY MR. MURT

The SPEAKER. Representative Tom Murt is recognized to speak on HR 919.

Mr. MURT. Thank you, Mr. Speaker.

Mr. Speaker, the American Cancer Society estimates that this year alone more than 81,000 new cases of cancer will be diagnosed in Pennsylvania, and many of these patients will require support from family members who are critical to the health-care providers. Known as lay caregivers, these unpaid caregivers are, in many cases, Mr. Speaker, a husband or wife, a partner, or an adult child; for many who are single, close friends, coworkers, and neighbors fill in this role. These caregivers provide 80 percent of the home-care services, which are often a complex array of tasks including physical, psychological, spiritual, and emotional support.

While caring for an individual with cancer can be extraordinarily stressful, Mr. Speaker, many caregivers find satisfaction in providing care for a loved one with cancer. Many cancer patients are deeply grateful to their caregivers for their love and dedication, weathering the challenges and setbacks of cancer treatment and sharing the triumphs with them. That support does not end after treatment concludes. This is why our caregivers need our help and support. This is why I am grateful to my colleagues for declaring May "Cancer Caregivers Recognition Month" in Pennsylvania.

Thank you, Mr. Speaker.

The SPEAKER. Members, if you will, please take your seats, this good man, Representative Mako, serves our Commonwealth and our country. Representative Mako, please tell everybody before you speak, tell them your other position with serving our country and our State.

Mr. MAKO. Well, thank you, Mr. Speaker.

As per request of the Speaker, I am a CWO2 Chinook helicopter pilot in the Pennsylvania National Guard's B Company, 2d of the 104th.

The SPEAKER. Sir, how long have you been flying the Chinooks for our State and country?

Mr. MAKO. Mr. Speaker, I have been flying the Chinook helicopters since June 2011.

The SPEAKER. Thank you, sir, and you may proceed.

Yes, please, we should all clap for his service. Thank you, sir. Yes, absolutely.

STATEMENT BY MR. MAKO

The SPEAKER. Representative Mako, would you please talk to us about National Guard Day.

Mr. MAKO. Absolutely.

So, Mr. Speaker, I want to thank you for allowing me to rise and speak on HR 935, which we voted on earlier, and I want to thank my colleagues for the unanimous vote declaring tomorrow, May 23, 2018, as "National Guard Day" in Pennsylvania. And as we spoke of just a moment ago, I am a proud member of the Pennsylvania National Guard for the past decade, and it has been an honor to sponsor this resolution. Last year I missed National Guard Day at the Capitol due to serving on military orders, so this will be my first year that I will experience it in person.

The relationship between the Pennsylvania General Assembly and Pennsylvania National Guard dates back more than 260 years. In 1755 the General Assembly passed the Militia Act, laying the legal foundation for the militia, which is our Pennsylvania National Guard. Today the nearly 19,000-member Pennsylvania National Guard is one of the largest and most deployed forces in the nation, and the only National Guard to host a Stryker Brigade. In fact, as you know, one of our colleagues, Representative Matt Gabler, is currently deployed to the Middle East as part of the 28th Infantry Division Headquarters, the oldest division in the U.S. Army. Matt, please know that we think of you each and every day and pray for your safety.

Pennsylvania guardsmen and women have served with honor and engaged in every conflict the nation has faced in our history, from the American Revolution to Operation Enduring Freedom. On the home front, too, the Pennsylvania National Guard shoulders a heavy responsibility, from disaster relief and flood response to security for high-profile events.

While members of the National Guard receive recognition and thanks, I also would like to acknowledge their families. The husbands, wives, parents, and children of National Guard members also sacrifice so that their loved ones can serve. They worry daily about their safety and must take on added responsibilities during deployments and training. We are fortunate to have such a highly trained National Guard and supportive family members in this Commonwealth.

Mr. Speaker, the National Guard always stands ready, whether domestically or internationally. I am honored to have the opportunity to serve my nation and the Commonwealth in this distinguished corps. Thank you to the members of the General Assembly for your commitment to the National Guard. We appreciate the support.

Thank you, Mr. Speaker.

The SPEAKER. Representative Mako, please stay there for just another moment or two.

This good man, Representative Mako, joined the Pennsylvania National Guard in January 2008, and as a Chinook helicopter pilot, he was deployed to Afghanistan in December 2012 for 9 months, supporting Operation Enduring Freedom.

Sir, thank you for your service to our State and to our country. May God bless you and every member of the Pennsylvania National Guard. Thank you, sir.

Mr. MAKO. Thank you, Mr. Speaker.

The SPEAKER. Does anybody else wish to be recognized?
At this time I am going to do some housekeeping.
