## LEGISLATIVE JOURNAL

MONDAY, FEBRUARY 4, 2019

SESSION OF 2019

203D OF THE GENERAL ASSEMBLY

No. 7

### HOUSE OF REPRESENTATIVES

The House convened at 1 p.m., e.s.t.

#### THE SPEAKER (MIKE TURZAI) PRESIDING

#### PRAYER

HON. THOMAS P. MURT, member of the House of Representatives, offered the following prayer:

Please bow your heads.

God and Father of all, today we pray for our nation and our Commonwealth and the men and women who live here, with hope that those elected to lead at every level will work now for Your people. We pray these men and women will humble themselves to the sacred task of governing and serving. We pray for legislators who will care about jobs for the unemployed, education and opportunity for our children, our veterans, and health care for all, especially the most vulnerable amongst us. We pray for laws that will protect and respect our home here on Earth, this planet created by You to be a home for all humanity, not a thing to be owned or exploited by a few for profit. We pray for prudent regulations that will protect our planet. We pray for governance that knows the difference between a financial system and an economy. We pray for wisdom, not rhetoric; generosity, not indifference; and justice, not patronage. We want legislators working across the aisle, not erecting barriers. We pray for a just sharing in the expense of our government. We pray for leaders gifted in diplomacy, blessed with character and integrity; leaders who know our security comes from relationships of trust and communication.

For our part, please give us the patience to afford our leaders a chance to govern with grace, compassion, justice, and love. Let us support sincere effort and celebrate wise compromise. Make us accountable to our faith and hold those we elect accountable to serve all the people. May we never cease to pray and to hope and to work for justice for all, especially our brothers and sisters who struggle with disabilities and addictions. Amen.

#### PLEDGE OF ALLEGIANCE

### REMARKS BY SPEAKER

The SPEAKER. We are devastated at the loss of our great friend and teammate who was an outstanding leader in her own right in State government, Karen Coates, who inhabited – not merely held – but inhabited the role of Chief of Staff for the Speaker of the Pennsylvania House of Representatives. She was a person who broke glass ceilings, particularly, but not only, as the first female to hold the position in the Commonwealth's history. Yet she always put her children, Caleigh and Trey, first, while balancing the immense responsibilities of managing a large staff and a broad array of legislation.

An attorney by training, we all know Karen was intelligent, quick, strategic, savvy, straightforward, and principled. She was also kind and respectful to all, humble and fun, with a warm laugh. She was a quintessential role model, a mentor to many on the House staff, as well as to others beyond the House of Representatives. She was a natural leader and a wise counselor. She personally resolved many legislative issues, helping to find solutions to move legislation forward on many of the most significant policy achievements of the past decade for this body. She worked with each and every member and never forgot that she was working hand in hand and for elected officials who represented citizens back home. We are indebted to her for her service to our team, the House of Representatives, and to the

Commonwealth of Pennsylvania. For those of you that had the opportunity to know her and serve with her, I know that I am speaking for all of us when we say we will sadly miss her friendship and that professional relationship.

She cared deeply about her family, always dropping whatever was in front of her to talk to her daughter, Caleigh, and son, Trey. To them, we express our sincere condolences. She adored them and beamed talking about them. To her sister, Andrea – please stand – her brother, Rick; her mom, Carmella, who is also here – please stand – her companion and great friend, Bob Taylor – please stand – we extend our love, support, and prayers. Karen left us too soon. May she rest in peace with the good Lord. Thank you for being with us today.

If anybody else has any other remarks, please feel free; otherwise, at this time we will present the condolence resolution to Carmella, Andrea, and Bob. Please, come on up to the rostrum, if you do not mind. Thank you. Kelly, if you will assist them.

To all the members, on behalf of the family and great family friends, thank you for all your kindnesses that you have extended to them. They are very, very appreciative.

At this time we will open the doors of the House. Thank you.

Would Representative Marcy Toepel, our majority caucus chair, and Representative Malagari, if you could both please come up to the rostrum right here, next to the Chief Clerk.

Would the Souderton Area High School Girls Soccer Team please come on up to the rostrum and into the well of the House. We will bring the entire team up, please. Yes, all the team members, any parents, administrators, coaches, teachers, please come on up. They will come right into the well of the House.

The Sergeants at Arms will close the doors of the House.

All members, please take your seats. The team has traveled far. We will close the doors of the House.

### SOUDERTON AREA HIGH SCHOOL GIRLS SOCCER TEAM PRESENTED

The SPEAKER. Representative Marcy Toepel, the majority caucus chair, will proceed.

Mrs. TOEPEL. Thank you, Mr. Speaker.

Congratulations to each one of these young women and their coaches on an incredible season, one that culminated in capturing the school's first State championship in soccer, after 18 wins, 6 ties, and just 3 losses. They claimed 17 shutouts and gave away just 7 goals, finishing second place in District I conference. The team ultimately defeated Penridge on November 17 in a thrilling 1-to-0 overtime victory.

Claiming the championship represents more than just simple athletic ability; it speaks to both training and hard work in pursuit of excellence. The success these young women are enjoying now can inspire each of us and serve as a reminder of all that can be accomplished with dedication.

Please join me in recognizing each member of the Souderton Area High School Girls Soccer Team. Congratulations.

The SPEAKER. Representative Steve Malagari.

Mr. MALAGARI. Thank you, Mr. Speaker.

And thank you to Representative Toepel for allowing me to say a few words regarding their achievement. So as we heard from Representative Toepel, she gave a really good rundown on what happened during that game, so I thank you for the play-by-play analysis on that.

I wanted to give a special shout-out, though, to Lindsey Pazdziorko, the goalkeeper, and also her sister, Katie, special recognition from her father from all the way up here at the dais. He was texting me earlier as I was sitting at the dais and asking me to get a picture with them. So we took care of that.

But one thing I noticed in the article that was written about the game that was played was that Lindsey mentioned something that really struck a chord with me and she said, quote, "I walked in and my first thought was 'this is a big stadium, we're really here, this is it.'" Well, that is exactly what I thought when I walked the first time into this building. So I can definitely see what it is that you are feeling and I understand that as well. This feeling – to the entire team, congratulations on this amazing athletic achievement – you are going to remember this moment and you are going to remember that game for the rest of your life. It is a very, very important step in your lives, and I am really happy in being able to celebrate that with you.

To the coach, Lindsay Jones, and the manager Todd Andrade; to the JV coach, who I understand is not here, Dave McDonough, congratulations. To Dr. Frank Gallagher, the superintendent, congratulations as well. Fantastic achievement; congratulations again.

The SPEAKER. And at this time we will take some photos up here on the rostrum and be with the rest of the team shortly.

Thank you so much for being with us today.

The Sergeants at Arms will open the doors of the House to let the Souderton girls soccer champions to exit the House.

Representative Cris Dush, if you will come up to the rostrum, please.

All the members, please take your seats. The Sergeants at Arms will close the doors of the House.

Representative Cris Dush has invited to the rostrum the Marion Center Girls Cross Country Team. This team won a championship and he is going to be presenting a citation. I am going to ask that the doors of the House be closed and all members please take your seats.

Members, this team has traveled some distance to be with us. We would greatly appreciate if you could take your seats. These young ladies have traveled quite a distance to be with us.

### **MARION CENTER JUNIOR/SENIOR HIGH SCHOOL GIRLS CROSS COUNTRY TEAM PRESENTED**

The SPEAKER. Representative Dush, speak loud and clear. We will get everybody to take their seats. Thank you.

Mr. DUSH. Thank you, Mr. Speaker.

I am proud to stand here today to recognize the Marion Center Junior/Senior High School Girls Cross Country Team for capturing the Class 1A State Championship last fall in the 2018 PIAA Cross Country Championships in Hershey. To their great credit, the Lady Stingers became the first-ever girls team and only the second team overall from Indiana County to win a PIAA State championship for teams. The last Indiana County team to win the PIAA title was the United Boys Track Team 60 years ago in 1958.

Ladies, your commitment to athletic excellence is admirable and I am also aware of the great commitment to the academics that your school ensures before they allow you to be on the team. Your dedication of time, energy, and skill to the sport have

obviously paid off in a great way. However, as we all know, championship seasons are never solo accomplishments. It takes a unified effort to lead a team to the championship and bring home a victory. Of course, these players could not have gotten this far without the dedication of their parents, families, and coaches. Having a solid support system in place is vital to everyone's success. I know that sometimes it is not easy to balance all the activities between school, homework, and practices, as well as any of the other activities that you are involved with, and that is what makes your achievement here so very special.

Once again, congratulations, ladies, on this trail-blazing championship achievement and I hope that your legacy is something that will be an encouragement to those who follow. You have all set a tremendous example for others to emulate and have proven that a great team really is unstoppable. Congratulations again, ladies.

The SPEAKER. Representative Dush, do you have the names of the cross country team?

Mr. DUSH. I do, Mr. Speaker, and thank you.

The SPEAKER. Please feel free to name these young ladies.

Mr. DUSH. All right. If you will just raise your hands here: Mackenzie Walker, Nevada Armstrong, Micaylee DeHaven, Alyx Cornetto, Lilly Ryer, Charlotte Gardner, Ariaiah Alabran, Cherise Shultz, Shyra Lute, as well as head coach Chris Peters and assistant coach Nicole Dann. Thank you all again, and congratulations.

The SPEAKER. The Sergeants at Arms will open the doors of the House for the Marion Center Championship Team so that they may exit at this time.

Representative Tony DeLuca is invited to the rostrum. Representative DeLuca, please come on up and the Penn Hills Football Championship Team, come right down this aisle here with the Sergeants at Arms, right down the side and come right up to the well of the House. Thanks to the Penn Hills Football Championship Team; come on down.

I would ask all members to please take their seats. We are going to close the doors of the House. This team has traveled far to be with us. Would all members please take their seats. This team has traveled a good distance to be with us.

### **PENN HILLS HIGH SCHOOL FOOTBALL TEAM PRESENTED**

The SPEAKER. Representative DeLuca, please proceed.

Mr. DeLUCA. Thank you, Mr. Speaker.

Mr. Speaker, I am very honored today to bring up the championship team, Division 5 State Championship, who have done a tremendous job for the community of Penn Hills.

You know, at one time Penn Hills was really the strength in western Pennsylvania. Then for a while we started going back down. But these young individuals and their coach, plus their athletic director sitting up there, Stephanie Strauss, have brought the Penn Hills municipality football team back to the championship and we are proud of them.

You know, we have got a lot of young people up here, championship teams being honored today, and really, this is what all our young people are about. The fact is we do not hear enough good things about our young people and this shows you the caliber of all our communities. These individuals are the future of our communities and we need to congratulate them for what is going on out there, and I certainly am proud. You not only made

me proud, but you made the Allegheny County delegation proud. Stand up, guys, for this team.

You know, ladies and gentlemen, the Indians won the PIAA Class 5 Championship title in December. Today I am so proud, along with my colleagues here in Allegheny County, we have citations presented to each one of these young individuals, and I certainly have a citation here that I am going to give to our new coach, Coach of the Year Jon LeDonne. Jon.

In addition to honoring the entire team and their coaches, I also want to recognize several individuals who have brought additional honors to the Penn Hills Football Program and our community. Outstanding senior defensive back Daequan Hardy was named the State's Class 5A Player of the Year. Congratulations, Daequan. Daequan and three of his Indian teammates were also named to the Pennsylvania Football Writers All-State Team. They include seniors Hollis Mathis, Terry "Tank" Smith, and Dante Cephas. Did I say the wrong name? Forgive me. Excuse me, Dante. And also our Indian coach, Jon LeDonne, who also was named State Class 5A Coach of the Year and the Pittsburgh Steelers Youth Football Coach of the Year. In addition, seven Indians were selected to the first team of the Big 56 Class 5A Northern Conference All-Conference Team. They include Daequan, Hollis, Dante, Tank, and seniors Corey Thomas, Jr., and Jordy Boswell and George Freeman.

Let me say this about Tank. I watched that game there, man; he was a tank up there. I could tell you, Tank, you did a heck of a job. You remind me of the – I thought we were going to celebrate Aaron Donald today, but unfortunately, he did not – as you know, he was from Penn Hills and Pitt, voted the best defensive back this year. Unfortunately, the Rams did not win, but certainly, it was a defensive game and he played a big part of that defense.

I want to congratulate you all for the amazing season and the hard work you have done to restore pride in the Penn Hills community. Coach LeDonne, you certainly deserve credit along with your players for the dedication, and nobody wins this championship without the dedication. It is hard work and these individual players have done a great job. We are all proud of you at Penn Hills.

And the fact is we had a great person who just passed away I guess about a couple months ago, and he did a lot for the community and the football programs. That was Bill Fralic. We know about how good Bill Fralic was, who did a great job for the football team and never forgot his community.

So again, I want to congratulate you and we are very proud of you, not only in Allegheny County but throughout the State, and thank you very much for what you have done for our community. God bless you.

The SPEAKER. Thank you, Chairman DeLuca. Thank you, and thank you to the Penn Hills champions.

We will line up the team for a team photo.

Representative Mark Keller, if you will come up to the rostrum so that you will be ready to go next.

At this time the team is just going to go right up here to my right, and they can exit right out the back there. The team can go right up here and the Sergeants at Arms will open the doors of the House to let the team exit off the House floor. Congratulations. Players, you can go straight off the House floor.

At this time I am going to ask the Sergeants at Arms to close the doors of the House. All members, please take your seats.

## STATEMENT BY MR. M. KELLER

The SPEAKER. Representative Mark Keller is recognized to speak on HR 45. He has with him Future Farmers of America.

You may proceed, Mark.

Mr. M. KELLER. Thank you, Mr. Speaker.

Mr. Speaker, I want to thank my colleagues for their unanimous support of HR 45, which designates the week of February 16 through 23 as "FFA Week" here in Pennsylvania.

The National FFA Organization has grown from its agricultural beginnings—

The SPEAKER. Members, please take your seats. These folks have traveled from all over the State to be with us.

Mr. Chair, please continue.

Mr. M. KELLER. Thank you, Mr. Speaker.

The National FFA Organization has grown from its agricultural beginnings into an organization that prepares future leaders in the industry. The FFA welcomes young women and men with diverse backgrounds who not only aspire to create and endure their careers in agriculture but also medicine, science, education, and more.

FFA membership has reached an all-time high this year with 670,000 members in all 50 States, Puerto Rico, and the Virgin Islands. And the female members of this esteemed body will like to hear that even more and more young women are getting involved in FFA. They now comprise 47 percent of the total membership and nearly 50 percent of all FFA officers.

Many FFA members live far from working farms, yet they have an interest in related fields, such as food science, turf management, and horticulture. In fact, FFA members who live in rural areas now represent just 27 percent of the national organization. I am proud to say that more than 12,000 young people across our Commonwealth wear the traditional blue corduroy jacket that distinguishes the FFA members, including our State FFA officers who are with us today.

The FFA officers are standing behind me, and if they would raise their hands as I recognize them: President Jenna Harnish of Bradford County; Vice President Jacob Kinzer of Juniata County; Secretary Morgan Bear of Cumberland County; Treasurer Abigail Yoder of Columbia County; Reporter Sam Loy of Perry County; Sentinel Roarke Miller of Lebanon County; and Chaplain Millena Bashore, also of Lebanon County. Will you please join me in giving them a warm welcome here to the House floor.

Mr. Speaker, may I please also add that this is now 5 years in a row that a State officer is from my district. I am proud to say that since 2004 there have been 12 young people from my district who have served as State officers.

Mr. Speaker, I have always been a strong supporter of FFA, because through its efforts, the organization has helped to ensure that the future of Pennsylvania agriculture is number one here in this State. Thank you again, Mr. Speaker, and thanks again to my colleagues for supporting FFA Week here in Pennsylvania.

The SPEAKER. Thank you, Chairman Keller.

Representative Rosemary Brown, please come up to the rostrum. Please bring her guests and we are going to let the FFA members get off the House floor. So they are going to exit straight off the House floor.

Representative Rosemary Brown, if you will please come up to the rostrum.

The members of the National Future Business Leaders will come right to the well of the House, and, Representative Brown, you will be up here. Thank you.

We are going to need the FFA members to head off the House floor at this time.

Will all members please take your seats.

### STATEMENT BY MRS. BROWN

The SPEAKER. Representative Rosemary Brown is here to speak on HR 62.

Mrs. BROWN. Thank you, Mr. Speaker.

I would like to bring attention to HR 62, which recognizes February 3 through 9 as "National Future Business Leaders of America-Phi Beta Lambda Week" in Pennsylvania. Often referred to as FBLA-PBL, this nonprofit 501(c)(3) is an educational association of student members preparing for courses in business or learning more about free enterprise. FBLA focuses on middle school and high school levels, while PBL focuses at the collegiate level. FBLA helps students to develop leadership abilities and prepare for entry into and advancement within a business or business-related occupation. Members learn how to engage in business enterprise, how to build a variety of skills, how to direct the affairs of a group, and how to compete honorably in competitive events. These activities help prepare students with real-world skills that will help them be exceptional employers, employees, and citizens.

Pennsylvania currently has 292 active FBLA chapters who locally receive their guidance from advisers who are local educators. We are very honored to have here with us today on the House floor two local FBLA chapters from Monroe County. Here with us today Stroudsburg and Pleasant Valley High School. I would like to take a moment to thank these student members and also thank their advisers, Denise Hopley, from Pleasant Valley, Denise; Jodie Haggerty and Kathy Sickler, my sister-in-law, from Stroudsburg High School. Both of these chapters are extremely active, hardworking, and fundraise tremendously. These advisers also put in many hours and years to help our students.

I would like to take a moment and brag about my sister-in-law, Kathy, at the far end there from Stroudsburg High School, who has dedicated years to students as an adviser with this program, and she received the FBLA State Adviser of the Year back in 2015-16.

So I encourage you all as legislators to locate your active FBLA-PBL chapters within your district and to communicate to your families the value of this program and the many benefits it can offer the students to prepare for the real world. I thank you all again for your support of HR 62.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative Rosemary Brown. Thank you.

To the National Future Business Leaders of America, thank you so much for traveling all the way from Monroe County to be with us here today. We are so honored that you could be with us.

Representative Brown is going to come down in the front with you to take some photos. They will organize whether they want to do it in two rows or one, and thanks so much for being with us today and for your great work.

Representative Rader, if you want to come up, please. Representative Madden.

Thank you to the National Future Business Leaders of America from Monroe County. Thank you.

#### STATEMENT BY MS. McCLINTON

The SPEAKER. Representative Joanna McClinton is recognized to speak on HR 55.

Wait. I am going to ask all members to please take their seats.

Ms. McCLINTON. Thank you, Mr. Speaker.

And thank you, colleagues, for unanimously supporting HR 55.

You have nothing to fear but fear itself; you have nothing to fear but fear itself; you have nothing to fear but fear itself unless you are an African-American during the civil rights movement riding public transportation. Can you imagine being an American with no rights, not even rights to occupy the bus you paid a ticket for? Can you imagine knowing that your simple everyday routine of just riding public transportation has the potential to end your life?

Well, the truth is there is no reason to imagine any of this anymore because that was an everyday reality on December 1, 1955. You see, on that day one brave woman decided that despite the fact that she was a woman – no; excuse me – an African-American woman, she would not give up her bus seat. That woman was Rosa Parks.

I wonder what it must have been like for her on that day sitting on the bus staring life or death in the face, trying to maintain her composure and dignity, and getting disrespected from not only other passengers but even the bus driver. Imagine knowing how little your life mattered, knowing that there would be no one, a man or a woman, who would be able to protect or support you and that you would have to stand alone, even though there were people on the bus you knew; that you had no inalienable right that would be honored or protected; knowing you would face fear, be degraded, humiliated, possibly raped, beaten, physically assaulted, unable to defend yourself; no true right to the freedom of speech; no right to deny your seat to a fellow passenger.

I wonder what kind of bravery it takes to be able to do that, and do I have that type of bravery in me? I wonder if you have that type of bravery in you. Or is it in all of us? Do we have what it is to do what is right when we are faced with these types of defining moments?

Mrs. Parks would later say, "God has always given me the strength to do what is right. I have learned over the years that when one's mind is made up, this diminishes fear; knowing what must be done does away with fear." This is where she found her strength and her bravery.

Today and every day I am thankful that Rosa Parks had it in her to do what was right despite having to face fear, humiliation, and vulnerability. She said, "No, I will not move." And in doing so, she sparked what would be known as the Montgomery Bus Boycott, a yearlong protest from December 5, 1955, until December 20, 1956, in which African-Americans refused to ride city buses in protest of segregated seating. The boycott galvanized the city of Montgomery, the State of Alabama, and this United States of America, along with rocking the world. Her act of bravery would lead to the Supreme Court's decision that declared segregation on buses unconstitutional and would become the seminal event that would spark the civil rights movement.

The beauty of the story and this defining moment of history and this master class on bravery is that Rosa Parks is not that much different from you or me. She possessed no superhero powers, no advanced degrees, was not wealthy, no one was standing behind her to support her in that moment. She was just an African-American woman who had been pushed as far as she could be pushed, and she was not going to take it anymore. So on that day she took a stand not only for African-Americans but people from around the world who deserve rights to live in a

society that honors the fact that we are all in fact people. Rosa Parks was one of those rare people who could identify a vision and take action on it.

It is for this reason that I am asking all of you to join me in celebrating the life and the legacy, the bravery of the mother of the civil rights movement, Mrs. Rosa Parks. Let us not forget that there is still work for us to be done right here in the Commonwealth of Pennsylvania. Women who are here working hard in the House of Representatives, women who are home taking care of their households, women who are on the workforce, women who are currently in school, women across the globe, we must not be afraid to fight – fight for equality in education, fight for equal access to the ballot, fight for equal pay, and fight for equal rights. We must fight discrimination in every form so that no one has to be discriminated against based on the color of their skin, the country they are from, how they identify, or whom they love.

Thank you all for being brave and honoring Rosa Parks with me on today.

The SPEAKER. Representative McClinton, thank you.

HR 55 was passed unanimously, and I would say that each and every one of us stands strong with you in remembering this great American, Rosa Parks. Thank you.

**STATEMENT BY MR. NELSON**

The SPEAKER. Representative Nelson, on unanimous consent.

Mr. NELSON. Thank you, Mr. Speaker.

And thank you to my colleagues for the unanimous bipartisan vote to move medical synchronization forward for Pennsylvania. This is a great example of commonsense legislation where both sides of the aisle and all the stakeholders can come together and reach a common ground that helps our seniors, helps our individuals with transportation difficulties, and it helps our busy families.

Just this weekend I was in our district at a senior night for Hempfield basketball and came across a Mrs. Zilli, who I thought was an excellent example of benefiting from this legislation. Mrs. Zilli is having some health issues and currently has 10 separate prescriptions that she must pick up on 10 separate days of the month, and as an individual who may no longer drive, she explained how this has become the main focus of her life, and if she is not feeling well and not able to get out, it creates significant difficulty in medical adherence.

So not only today are we approving common-ground legislation, but we are creating an opportunity to help save dollars because between 33 and 69 percent of nonemergency medical treatment stems from not being able to follow those prescriptions on a regular basis.

So thank you, Mr. Speaker. Thank you, colleagues. And I look forward to continuing to work together with everyone.

**STATEMENT BY MS. BOBACK**

The SPEAKER. Representative Karen Boback is recognized to speak on HR 59.

Ms. BOBACK. Thank you, Mr. Speaker.

And thank you, members, for your support of HR 59, which designates this Thursday, February 7, through Thursday, February 14, as "Congenital Heart Defect Awareness Week" in Pennsylvania. Each year 40,000 children in the United States are impacted by congenital heart disease, often referred to as "CHD." This disease is considered the most common birth defect and is the leading cause of birth defect-related deaths worldwide. Despite this prevalence, only 1 percent of every private-sector dollar designated for cardiovascular research goes to pediatric cardiac research. CHD always requires surgery and/or medications, which can present emotional and financial hardship for the approximately 1.8 million families in the United States that are dealing with it. I am hopeful this resolution will raise awareness across the State for those families who have a child suffering from CHD.

Thank you, Mr. Speaker. Thank you, members.

**STATEMENT BY MR. DUSH**

The SPEAKER. Representative Cris Dush, I think, wishes to be recognized on unanimous consent.

Mr. DUSH. Thank you, Mr. Speaker.

And I will get to the cookies in answer to other questions.

What would you rather be doing in the middle of the night, in the middle of a winter in western Pennsylvania? How about enjoying the ambiance and the brisk night air with thousands of new friends by your side, waiting for the seer of seers, Punxsutawney Phil, to make his prognostication? Sounds like a great experience.

Apparently, people from as far away as Australia, Germany, and England thought it was a worthwhile endeavor this year, having made the trip to fulfill one of their bucket list items.

Locally, at the Groundhog Banquet the night before Phil's proclamation, we heard from Betty Lou Scava, who was a sophomore in high school when she and five other bathing beauties were photographed in the snow with Phil in 1941 preparing to send off some troops to training. She is 93 now and has known Phil her whole life. As she recounted the story, I was struck how both she and Phil were still just as much fun as they appear to have been 78 years ago.

So to the prognostication of the seer of seers, Punxsutawney Phil: "Down in my burrow on long winter nights, I listen to tunes to keep my mind right. From Motown to country to rap, even Bach, there's Aretha and Elvis; yeah, The Beatles rock. And your

cheers at The Knob really give me a thrill, everyone singing to the world, 'Phil! Phil! Phil!' But predicting the weather, that's my song; for 133 years, I've never been wrong. So, is it early spring or more winter forecast? Stop the music, here is my forecast. Faithful followers, there is no shadow of me – a beautiful spring, it shall be."

And by the way, for those of you who have been asking, the cookies are in the rear of the House. We have the Punxsutawney Phil Groundhog Day cookies.

Mr. Speaker and to the members, enjoy an early spring. Thank you very much.
