**ELK/McKEAN SENIOR LEAGUE
BASEBALL ALL-STAR TEAM PRESENTED**

The SPEAKER. Representative Gabler, proceed.

Mr. GABLER. Thank you very much, Mr. Speaker.

Mr. Speaker, today we are joined by a truly outstanding group of young people who exemplify the virtues of strength, tenacity, discipline, and endurance. Today I am honored to introduce to you the Elk/McKean Senior League Baseball All-Star Team, your 2019 Pennsylvania State Champions.

Winning their second straight Pennsylvania State title with an 8-to-3 win over Hollidaysburg, the Elk/McKean All-Stars represented Pennsylvania in the east region tournament, convincingly defeating the State champion teams from Rhode Island and New York, as well as posting an impressive rout of New Hampshire by a score of 18 to 2. This team represented our State at the regional finals with honor and performed at the highest level, reflecting great credit upon their communities in Elk and McKean Counties as well as the Commonwealth of Pennsylvania.

At this time I would like to introduce the members of the team who executed this impressive run. Led by manager Casey Zimmerman and assistant coaches Russ Transue and Mike Porter, the team members are as follows: First, joining me up front behind me are Domenic Allegretto, Reese Novosel, Jefferson Freeburg, Aiden Zimmerman, and Kaden Dennis. The rest of the team down front in the well are—

The SPEAKER. Please raise your hand as your name is called.

Mr. GABLER. —are Luke Zimmerman, Luke Ely, Dalton Stahli, Ethan Wells, Caden Smiley, Carson Whiteman, Camron Marciniak, Collin Porter, and Harley Morris.

Hailing from the communities of Johnsonburg, Ridgway, and Kane, this team has truly made their families, friends, and their communities exceptionally proud. We are so honored to host them here at the Capitol today to recognize their exceptional achievement. I would also like to note that this team actually hails from two legislative districts. I am joined by my colleague, Representative Marty Causer, who represents the portion of McKean County from which some of our athletes hail. And so we all extend our sincere appreciation and congratulations to this team.

Please join me one more time in congratulating the 2019 Elk/McKean Senior League All-Stars, your Pennsylvania State Champions. Thank you very much.

The SPEAKER. Thank you, Representative Gabler.

And congratulations to the Elk/McKean Senior League All-Star Baseball Team.

I think there are a good number of parents and family members in the back, if you will please stand. Thanks for making the trip here with the boys. We are very, very appreciative. Thank you for coming.

We will take some photos and get them back to their families.

Majority Appropriations Chair Representative Stan Saylor is being joined by Representative Jones – both of them from York County – and they are presenting a citation today. And bring up your special guest, please.

And, sir, do you have any guests with you? Please come on up. So we will begin after the photos here.

And the Sergeants at Arms can briefly open the doors of the House, let members on and off.

BRIAN SMITH PRESENTED

The SPEAKER. The Chair calls upon the majority Appropriations chair, Representative Stan Saylor, who is accompanied by Representative Mike Jones.

Mr. SAYLOR. Thank you, Mr. Speaker.

I rise today to welcome Brian Smith, who is the assistant principal at Ore Valley and York Township Elementary Schools, who is our 2019 Outstanding Assistant Principal of the Year.

I want to thank Brian for being here, and I also want to recognize his wife, Amy; his mom, Kim, and his father, Matt; and his grandmother, Pat, who are sitting over here, I believe—Grandma Pat, are you in the back? Yeah, she is back there. There she is waving.

Mr. Smith has been an employee of Dallastown School District for the last 10 years and has served in his current role for the last 4. The entire Dallastown School District community could not be any prouder of Brian for his tremendous honor. He is a tremendous asset to the students and is doing great things for our elementary schools.

One of Brian's biggest accomplishments as an assistant principal was the founding of CLAW, which stands for Create, Learn, Achieve, and Wonder, which is an afterschool program which encourages innovation and creative thinking. This club was originally founded to help struggling students improve their PSSA (Pennsylvania System of School Assessment) scores, and it has grown to have a mission of creating a more well-rounded student.

Mr. Smith, or Brian, as we all would know him, also has helped found the program called WILD, which stands for Work Hard, Show Integrity, Look Out for Others, and Demonstrate Responsibility. This program helps foster good behavior by recognizing students who are modeling good and positive behavior. The program demonstrates the importance of positive reinforcement instead of just focusing on punishment of bad behavior.

And in today's educational world, a new and important focus has been placed on student safety. Mr. Smith has been a leader in improving safety of the students under his care. He has helped update the car rider procedures to ensure more student accountability, he has helped modify the fire drill procedures to account for every student as they reenter the building, and worked with a group of teachers to help modify the bus dismissal, which greatly reduces student behavior issues while heading to their buses and dramatically reduces the number of students missing their buses.

So on behalf of the entire Dallastown community, I wanted to once again congratulate you, Brian, on this fantastic achievement and to thank you for dedicating your career to improving the lives and the well-being of our students in the Dallastown Area School District.

And I want to note that Representative Jones and I are proud graduates of Dallastown High School.

And with that, I will turn the microphone over to Representative Jones.

Mr. JONES. Thank you.

So last week Representative Saylor and I had the somber duty, a great honor, of acknowledging our fallen soldiers, Sergeants Slutman and Hines. This is a bit more joyous occasion, but to once again celebrate Dallastown.

So Mr. Smith lives in Rep. Saylor's district but he works in my district and home school of Dallastown. The only thing I want to add is that in addition to that long list of accomplishments, Mr. Smith also coached our oldest daughter in basketball a number of years ago, and she is an extremely strong-willed young woman, so I think we should easily add that because that alone should have gotten you some kind of award.

So I do appreciate all the time you invest in our children, and it is a very well-deserved honor. So congratulations.

The SPEAKER. Principal Smith, congratulations and thank you for the outstanding work you are doing for the youth in the Commonwealth of Pennsylvania, and in particular, at Dallastown Area School District, an outstanding school district. All the best to you. Thank you both for being here.

Chairman Stephen Barrar is welcomed to the rostrum. And, members, this is a special honor that the chair is going to – it is a surprise, so I do not want to take away from the surprise, but I do ask that all the members please take their seats. It is a surprise honor that the chair is going to present. Let us close the doors of the House.

SEAN HARRIS PRESENTED

The SPEAKER. And, Chairman Barrar. Thank you, sir.

Mr. BARRAR. Thank you, Mr. Speaker.

Mr. Speaker, thank you for giving me a little bit of time here to honor one of our House employees who has done an exceptional job for us. You know, the House of Representatives

is blessed with a lot of talented and hardworking employees and staffers here, and I would like to call one up here at the moment who received a very special recognition. Sean Harris, would you come up.

As most of you know, for 10 years I have been the chairman of the Veterans Affairs and Emergency Preparedness Committee, and in my opinion, we have turned out some exceptional legislation. Some of it has been monumental across the country. We received for one of the last bills we did dealing with the education of our National Guard, we received national publicity on it, and a couple of our staffers have worked very hard on that legislation. I get a lot of the credit because I am the Representative, but I think it is important that we honor the people behind the scenes.

Well, the Pennsylvania National Guard and the United States National Guard Association recently at their summer convention presented Sean Harris with the Patrick Henry Award. This is one of the highest awards that they give out to either Congressmen, Senators, Representatives, and sometimes staffers. Sean was 1 of 18 – Sean, was it? Fifteen. Sean was 1 of 15 staffers to actually receive this national award, and it is a great honor for us.

So today I wanted to present him with a citation in thanking him for his hard work. This is an incredible honor. You know, a lot of us have gotten honors from State associations, but this is an honor given to Sean from the national, United States National Guard Association. Just a great honor.

And I just wanted to take a quick second and read that the Patrick Henry Award recognizes local officials and civic leaders who have distinguished themselves with providing outstanding and exceptional service to the United States Armed Forces or the National Guard of the United States.

Sean Harris is a graduate of Lackawanna College. Sean has been involved in everything. Sean is not just my staffer; he is my friend. And I know how hard he works. And I will tell you what, I am proud to call him my friend. Actually, sometimes I call him, I go out with him and I introduce him as my son. But I love this guy. He is one of the hardest working staffers that I have ever met.

So in the citation, of course, it says, "Now therefore, the House of Representatives of the Commonwealth of Pennsylvania congratulates Sean Harris upon his well-deserved recognition; proudly notes his exemplary record of service and contributions..." to this great august body.

Thank you, everyone.

Congratulations, Sean.

The SPEAKER. Congratulations, Sean, on behalf of the entire membership of the Pennsylvania House of Representatives for your U.S. National Guard Association Patrick Henry Award.

Please open the doors of the House.

We are so honored – Representative Todd Stephens— Where is Representative Stephens? Come on up, sir. Representative Stephens, will you escort the Korean delegation that is visiting the Capitol today up here to our rostrum. Thank you, sir. Please come on right up to the rostrum here, the whole group; the entire delegation, come on up.

REPUBLIC OF KOREA DELEGATION INTRODUCED

The SPEAKER. Members, the good gentleman from Montgomery County, Representative Todd Stephens, brings to us some guests from the Republic of Korea, often commonly referenced as South Korea in the media. And as you know, its capital is Seoul, Korea, and it is a democracy and a close ally of the United States, a unitary presidential constitutional republic. The President at this time is Moon Jae-in and the Prime Minister is Lee Nak-yeon.

We have with us today – and as I announce your name, please raise your hand – Master Bong Pil Yang and he is the general secretary of the America-Korea-China Leaders Society; Sung Woong Kim, please raise your hand, is the vice president of this prestigious society. We have also Chun Su Seo, who is the mayor of Hamyang City. Please raise your hand, Mayor. Thank you, sir. And Tae Jin Hoang is the city council chair. Please raise your hand. With them also are – as I say your name please raise your hand – Jung Kun Hong, Hyun Gyu Lee, Yung Hee Lee, Jong Ho Park, Sun Uk Kang, Ki Chang Noh, Gyu Bong Lee, and Yung Man Kim.

We want you to know that we are exceptionally honored to have you come to visit the Pennsylvania House of Representatives. Korea is an important ally, the Republic of Korea is an important ally and friend of our country and of our Commonwealth.

The Chair is going to call upon Representative Todd Stephens, who has escorted this distinguished delegation into our chamber.

Mr. STEPHENS. Thank you, Mr. Speaker.

And thank you, colleagues, for your attention for this group of esteemed guests who traveled a long way. I know we heard earlier about some guests who traveled several hours, but it is a 13-hour flight from Korea over here and these fine folks have joined us.

In addition to the wonderful relationship that the United States enjoys with the Republic of Korea, we also back home in Montgomery County – I am proud to represent Montgomery Township who has several years ago adopted sister city status with Hamyang City, and behind me are the mayor of Hamyang City and the city council chairman. They are preparing for a tremendous expo next year where they will be celebrating all the wonderful benefits of ginseng and the long-lasting health benefits that ginseng provides, and it is really a terrific expo.

I know some of our colleagues from the Senate recently went over to Korea to learn more about their city and their culture and their life and the way that we can help expand business opportunities for businesses here in Pennsylvania and connect with those businesses over in Korea and develop and continue developing those partnerships that have lasted for so long and are so important to so many of us.

So if I could just ask my colleagues to provide a kind, warm welcome with a round of applause for our guests from the Republic of Korea.

The SPEAKER. Thank you so much. Thank you.

GUESTS INTRODUCED

The SPEAKER. We have a large group from Westmoreland County in Representative Eric Nelson's district. Representative Nelson, are they from Hempfield or from another community? Thank you so much for being with us. Thank you.

In the rear of the House – and if this young man could come down front, just walk right down the aisle as I say your name – Hunter Hammock, come down. Hunter, just come on right down the aisle and come up in the well of the House near the pages. And Hunter is a junior at Marple Newtown High School and is following today Representative Jennifer O'Mara in Delaware County. We are so honored to have you here today. Thanks, buddy.

Ms. GAYDOS. Thank you, Mr. Speaker.

I would like to welcome today Lt. Col. John Cappello, founder and president of the Halyard Mission Foundation.

The SPEAKER. Please stand. And if you want, please come up and join the Representative right behind her.

Ms. GAYDOS. Thank you, Mr. Speaker.

I would like to welcome today Lt. Col. John Cappello, founder and president of the Halyard Mission Foundation. Lt. Col. John Cappello retired from the U.S. Air Force in 2014 after serving 24 years. He served as the U.S. Air Force attaché to Serbia and Israel, and he had accumulated over 3,000 flying hours.

He is the founder and president of the Halyard Mission Foundation. The foundation was started to promote historical ties between U.S. and Serbia, which are based on the values of freedom and democracy. This year marks the 75th anniversary of Operation Halyard. Of World War II's countless stories and major events such as D-Day, the Attack on Pearl Harbor, Midway, Battle of Britain, and the Battle of the Bulge, Operation Halyard is one of the more obscure but no less significant.

In order to understand the significance, one must understand a little history. Toward the end of World War II, Allied planes B-17 Flying Fortresses and B-24 Liberators were charged with targeting the Ploesti oil fields that supplied the German war machines. Hundreds of Allied airmen on this mission had been attacked and shot down by the Nazi Luftwaffe aircraft in a region that is now Serbia. Many were killed or captured. Local villagers who were fighting the Communist regime, led by Josip Broz Tito, risked their own lives to house, feed, clothe, and hide our airmen from German troops.

A three-member team from the United States along with the villagers organized the construction of an airstrip near the village of Pranjani, Serbia, in 1944 right under the nose of the Germans. For 6 days the airmen toiled on the airstrip using mostly their bare hands with an occasional hoe or pitchfork to clear the ground. They cleared enough room to give the C-47s room to land. And over a 6-month period, every single Allied soldier was evacuated – more than 500.

Many of you might remember the 1963 movie "The Great Escape," with Steve McQueen and Charles Bronson. It was the story of Allied prisoners escaping from a German camp during World War II. Well, in my book, Operation Halyard is the greatest escape – one which is truly American but also very Pennsylvanian. Many of the participants were from Pennsylvania. Lt. George Musulin, the mastermind and one of the commanders of the mission, was a Pennsylvanian. He attended Ambridge High School, was raised in Johnstown, and graduated from the University of Pittsburgh, where he played football in Pitt's National Championship the year of 1937. Overall, there were more than 20 Pennsylvanians who had participated in the mission as masterminds, rescuers, or the rescued, and the foundation is still looking for many of the family members. I do have a list of those who are from Pennsylvania, so if you would like to see that list, we would be glad to provide that.

Among the 500 were many western Pennsylvanians, including John Devlin; William Whelan; George Vujnovich; Bobby Marjanovich; and Carl Walpusk, who is a constituent of mine, current resident of Moon Township, and a retired Pennsylvania State trooper who was a machine gunner in the 15th U.S. Army Air Force. Carl, who is now in his nineties, was unable to be here with us today due to travel challenges. But on behalf of Carl, I had the honor of traveling to Serbia last month along with another constituent of mine, Milana Bizic, a retired Quaker Valley schoolteacher whose father was the editor of American Serb Life, which published the day-to-day diary of Capt. Nick Lulich, one of the rescued airmen. I presented a proclamation

from the Pennsylvania House of Representatives to the school in Pranjani and also to the president of the National Assembly of Serbia. Meeting Carl prior to my trip to be able to transfer those heartfelt messages of thanks and debt of gratitude was phenomenal.

At this event more than 3,000 people gathered for the anniversary. And it was on the airfield where those 500 airmen were rescued 75 years ago is where I met Lieutenant Colonel Cappello. The daring rescue was immortalized in the book "The Forgotten 500," and it has been optioned for a major motion picture.

We all know the Greatest Generation did some pretty heroic deeds yet did not talk about them. Nearly 16 million Americans fought in the Second World War, and the number of veterans from the conflict who are still alive today are falling quickly. According to the U.S. Department of Veterans Affairs, the men and women who fought in World War II are leaving us on an average of 362 every day.

Thank you, Lieutenant Colonel Cappello, for starting Halyard Mission Foundation, which will serve to keep these stories alive of the brave men and women who made untold sacrifices to defend and protect the very freedom we enjoy today. Please join us in welcoming Lt. Col. John Cappello.

The SPEAKER. Representative Summer Lee is going to have some special guests with us today, and please come up here. And then can we bring our guests down to the well of the House from the Western Pennsylvania School for the Deaf. Just bring teachers, parents, administrators, and especially students, just come on right down to the well of the House. And, everybody, if you could please take your seats.

If the kids want to come up to the rostrum with Representative Lee, feel free to do so. Yeah, we are going to bring them up; we are going to bring them up here.

The Sergeants at Arms will close the doors of the House.

These students and administrators and teachers and family members from Western Pennsylvania School for the Deaf have traveled a little over 3 hours, I believe.

STATEMENT BY MS. LEE

The SPEAKER. And, Representative Summer Lee, the floor is yours.

Ms. LEE. Thank you.

In 1869 a special school opened its doors in Pittsburgh, becoming the first day school for deaf children. The school had nine students, and its books and supplies were provided by charitable donations from the surrounding community.

From those humble beginnings, today we celebrate 150 years of the Western Pennsylvania School for the Deaf, a world-class school which has opened doors for thousands of students since its inception. I want to thank the individuals who have traveled to be here today to recognize this remarkable achievement.

Today the WPSD is a tuition-free school located on a beautiful campus in my community and district. It is a school that provides an inclusive educational environment for all students, one which challenges and encourages students to meet and exceed the same national and State standards as any other student. Whether on campus or remotely, WPSD provides a nurturing environment for

students and their families that does not include just classroom instruction but encourages participation in afterschool programs such as clubs and sports.

As our society has evolved, so has the school, embracing new technologies like 3D printing and broadcasting, while partnering with organizations like the Rochester Institute of Technology and the Community College of Allegheny County to ensure its students' future success.

And so today I ask that we recognize the Western Pennsylvania School for the Deaf's past successes and its remarkable achievements, while also encouraging and looking forward to its bright future. Thank you.

The SPEAKER. Representative NESBIT has requested to be placed on leave. Without objection, that will be granted.

CONSIDERATION OF HB 1459 CONTINUED

The SPEAKER. Right now we have the amendment in front of us.

Representative Schlossberg, will you tell us about the amendment.

Mr. SCHLOSSBERG. Thank you, Mr. Speaker.

This amendment, which was come to in working with the majority and minority chairs, would clarify some of the funding questions about this bill. It also has some technical cleanup language. Again, it is agreed to and I would ask for an affirmative vote.

The SPEAKER. Representative Farry, on the amendment, sir. Mr. FARRY. Thank you, Mr. Speaker.

This legislation comes from recommendation No. 22 of the SR 6 Report. It has been a bipartisan effort, and we ask for an affirmative vote on the amendment.

On the question recurring,
Will the House agree to the amendment?

SUPPLEMENTAL CALENDAR A

BILLS ON THIRD CONSIDERATION

The House proceeded to third consideration of **HB 1617, PN 2737**, entitled:

An Act amending the act of April 12, 1951 (P.L.90, No.21), known as the Liquor Code, in general provisions applying to both liquor and malt and brewed beverages, further providing for limiting number of retail licenses to be issued in each county.

On the question,

Will the House agree to the bill on third consideration?

Bill was agreed to.

(Bill analysis was read.)

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

The Chair recognizes the prime sponsor, Representative Craig Staats.

Mr. STAATS. Thank you, Mr. Speaker.

My legislation, HB 1617, amends the Liquor Code to allow old hotel liquor licenses to be converted to a restaurant liquor license for a fee. Old hotel licenses, under this bill, are licenses approved before 1949 and have a room exemption. Think of taverns in your district that have five or six rooms upstairs – that is what we are talking about here. My legislation would impact 261 old hotel licenses.

This legislation was reported unanimously from committee and is supported by the Pennsylvania Restaurant & Lodging Association and the Pennsylvania Food Merchants.

My legislation does not create any new licenses or outlets. These old hotels can already sell to go. My bill simply gives them the option of transferring or selling their "R" license if they so choose to do. The impetus behind my bill is to give holders of old hotels a way out of their license while addressing the lack of "R" licenses in our Commonwealth. I respectfully ask for an affirmative vote.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, sir.

Representative Dan Deasy, on the bill.

Mr. DEASY. Thank you very much, Mr. Speaker.

I stand in support. I want to commend the sponsor for the bill. This is an opportunity to modernize the Liquor Code as well as help some small businesses in the process. So I stand in support, and hopefully all members will vote in support as well. So thank you.

The SPEAKER. Thank you, sir.

On the question recurring,

Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

On the question,
Will the House agree to the bill on third consideration?
Bill was agreed to.

(Bill analysis was read.)

The SPEAKER. This bill has been considered on three different days and agreed to and is now on final passage.

The question is, shall the bill pass finally?

There are a number of other reforms that are contained in the bill. I am sure we will be covering that in our debate.

At this time, Representative Everett, do you wish to be recognized?

The Chair recognizes Representative Everett, who is going to just cover the component parts of the bill, as chair of the State Government Committee. This is a Senate bill.

Mr. EVERETT. Thank you, Mr. Speaker.

As you stated, this did come to the House of Representatives from the Senate, Senator Boscola, prime sponsor. It is a straightforward doing away with straight-party voting. However, we have amended it significantly in committee and on the floor, and I will briefly go through those changes.

The bill now prohibits the Commonwealth from decertifying voting systems in 50 percent or more of the State's counties unless the General Assembly is consulted with. It restricts the authority of counties to alter boundaries from December 31, 2019, till November 30, 2022. That is during the time period we will be doing redistricting. It eliminates the requirement for circulators of nomination petitions to be residents of the district and just that they are residents of Pennsylvania. It eliminates the requirement of a notarized affidavit on a petition circulator. It prohibits the use of stickers in election districts for paper ballots. It reduces the number of paper ballots required by counties down to their discretion. It reduces the voter registration deadline to 15 days prior to an election. Voters who completed and submitted an absentee ballot may not appear at the polling place and vote in person. A voter who requested an absentee ballot but did not vote may cast a provisional ballot. It allows voters to mark their absentee ballots up until 8 p.m. on the day of election. Mailed and hand-delivered civilian absentee ballots must be received by the board of elections no later than 8 p.m. on election day. Overseas and military absentee ballot stays at 7 days after the election. Absentee ballots will no longer be counted in the polling place; they will be counted centrally at the county office. It establishes mail-in voting; the timelines for making application and voting mail-in ballots and canvassing are the same as absentee. And the provisions, as amended on the floor, require nomination petition signers to provide the address where they are duly registered. It increases compensation for inspectors of election, clerks and machine operators. It eliminates the Philadelphia Traffic Court. It requires the posting of a sample ballot on the county's Internet Web site.

And then in Appropriations, the \$90 million of PEDFA (Pennsylvania Economic Development Financing Authority) financing was put in, and it provides provisions for counties that receive 60 percent of the funding. It requires counties applying for funding to certify to the Department of State and the General Assembly that they have complied with State voter registration

requirements to identify registered electors, and they should clean up their voter rolls.

That is a quick summary of all the amendments to the bill.

Thank you, Mr. Speaker.

The SPEAKER. Thank you for that comprehensive summary.

At this time I have four speakers: Representatives Rothman, Culver, Diamond, and Dawkins.

We will begin with Representative Rothman.

Representatives, if you could take your seats, because some members are speaking.

Mr. ROTHMAN. Mr. Speaker, will the maker stand for interrogation?

The SPEAKER. The Chair says he will so stand.

Mr. ROTHMAN. Thank you, Mr. Chairman.

Thank you, Mr. Speaker.

Can you explain the methods by which an absentee voter or a mail-in voter is able to return their ballots and what requirements must be met?

Mr. EVERETT. Yes, Mr. Speaker.

Under the bill, the absentee voters and mail-in voters have two options to return their completed ballots. They can either mail them in or deliver them in person – that is in person – to the county board of election. This follows the current law that is applied to absentee voters. It is simply extended to the new mail-in voters.

Mr. ROTHMAN. Thank you.

What if someone hand-delivers a ballot to the county board of elections who is not the voter, what would happen then?

Mr. EVERETT. In that situation, the ballot has not been returned in the way required by the legislation and it would not be counted.

Mr. ROTHMAN. Mr. Speaker, would a third party be permitted to collect multiple ballots and deliver them en masse to the county board of elections?

Mr. EVERETT. No. They have to be delivered in person, and so the purpose of this legislation is to make sure that the practice we have heard of ballot harvesting is illegal and cannot be done in Pennsylvania.

Mr. ROTHMAN. Thank you very much.

The SPEAKER. Representative Lynda Culver, on the bill.

Ms. CULVER. Mr. Speaker, would the maker of the bill stand for interrogation, please?

The SPEAKER. He will so stand. Thank you.

You may proceed.

Ms. CULVER. So, Mr. Speaker, I rise to seek clarification on a section of SB 421 that places additional duties on our county election boards, specifically having to do with absentee ballots and mail-in ballots. Specifically, SB 421 now requires counties to compile information regarding names and addresses of individuals who seek an absentee ballot or mail-in ballot, the date the application was requested, the date the application was mailed to the individual, the postmark date of when the ballot was mailed back to the county, and the date on which the ballot was received by the county board of elections.

Just seeking clarification, the county board of election has 48 hours from a request, from when they received the information or when they actually input the information, to respond to any request?

Mr. EVERETT. Thank you, Mr. Speaker.

Under the legislation, the information would have to be provided to the requester within 48 hours of the request.

Ms. CULVER. Okay. And just one more thing. There are going to be a lot of changes to the system, that currently they are not able to handle it or print the reports. It would just be my suggestion that the Department of State work very closely with our county election bureaus to make sure that they are able to meet their demands. Thank you.

Mr. EVERETT. Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative.

Representative Russ Diamond.

Mr. DIAMOND. Thank you, Mr. Speaker.

Will the chairman stand for interrogation?

The SPEAKER. Yes, he has indicated he will so stand.

Mr. DIAMOND. Mr. Speaker, I have a question about the requirements that counties keep track of certain information relating to absentee ballots and mail-in ballots. In the legislation it describes a process for public access of that information, and so I just want to clear up, what is the timeline for the counties to provide the information that is requested?

Mr. EVERETT. The information that is requested has to be provided within 48 hours of the request – not within 48 hours of when the information is received – by the board of elections.

Mr. DIAMOND. So 48 hours of the request itself.

Mr. EVERETT. Correct, Mr. Speaker.

Mr. DIAMOND. All right.

Thank you, Mr. Speaker.

On the bill?

The SPEAKER. Representative Diamond, you may speak on the bill.

Mr. DIAMOND. Thank you, Mr. Speaker.

Mr. Speaker, often when I go around home and I talk to my constituents, one of their biggest complaints is "Why can't you people up in Harrisburg work together?" I want to hold up this bill, SB 421, as one of those bills where we actually did work together. It is my understanding that the Governor, the Senate, the House, Republicans and Democrats, were all in on the crafting of this bill. We have adopted both Republican and Democratic amendments to this bill. I think it is a perfect example of how we all worked together to make this bill great, to modernize our election systems and bring ourselves a little bit closer to being in the 21st century.

So, Mr. Speaker, I wholeheartedly support this bill and ask my colleagues to vote "yes."

Thank you, Mr. Speaker.

The SPEAKER. Thank you, sir.

Representative Jason Dawkins, on the bill.

Mr. DAWKINS. Mr. Speaker, thank you.

Would the maker of the bill please stand for quick interrogation, please.

Take your time, Mr. Speaker.

The SPEAKER. Yes. The good gentleman will stand for interrogation.

Thank you, sir.

Mr. DAWKINS. Thank you, Mr. Speaker.

I have got a few questions. One of the questions I have is around – two questions around the mail-in ballot portion. Based on the mail-in ballot, if an individual requests to be placed on the permanent list for a mail-in ballot, do they still have the option of voting in person versus the in-ballot provision?

Mr. EVERETT. Thank you, Mr. Speaker.

Whether it is permanent or just for that particular election, if an individual requests an absentee – a mail-in or absentee ballot and does not send it in, they can go to their polling place and cast a provisional ballot.

Mr. DAWKINS. Thank you.

And as it relates to when, how soon will counties be able to send out the actual ballot for the individual to cast, and I ask that question, if a candidate is being challenged and they are appealing to the upper court to overturn maybe a removal, when would that actual ballot be sent out from that county? Would it be after all of the motions have been heard by the courts, or will the ballot go out early and then be amended later?

Mr. EVERETT. Mr. Speaker, it is my understanding—

Thank you, Mr. Speaker.

"AS SOON AS A BALLOT IS CERTIFIED AND THE BALLOTS ARE AVAILABLE. WHILE ANY PROCEEDING IS PENDING IN A FEDERAL OR STATE COURT WHICH WOULD AFFECT THE CONTENTS OF ANY BALLOT, THE COUNTY BOARD OF ELECTIONS MAY AWAIT A RESOLUTION OF THAT PROCEEDING BUT IN ANY EVENT, SHALL COMMENCE TO DELIVER OR MAIL OFFICIAL ABSENTEE BALLOTS NOT LATER THAN THE SECOND TUESDAY PRIOR TO THE PRIMARY OR ELECTION."

Mr. DAWKINS. Sorry, Mr. Speaker. It is hard for me to hear you. I am sorry.

Mr. Speaker, could we get a little order because I cannot hear the gentleman's response.

The SPEAKER. Members, if you could take your seats. Please take your seats.

Mr. EVERETT. Thank you, Mr. Speaker.

I will not read the whole thing again. I will just get to the operative language at the end: "...IN ANY EVENT, SHALL COMMENCE TO DELIVER OR MAIL OFFICIAL ABSENTEE BALLOTS NOT LATER THAN THE SECOND TUESDAY PRIOR TO THE PRIMARY OR ELECTION."

Mr. DAWKINS. Thank you.

And I have another question, in terms of the process. I represent a city of the first class, and one of the issues that we have seen in the potential bill is around having enough time to implement, to advertise, and to train the additional folks for this rollout. Is there anything currently in the bill that would allocate additional funds to counties to be able to do those things as far as soliciting—

Mr. EVERETT. Thank you, Mr. Speaker.

At this time the only funds that are being provided are for the new required voting apparatus.

Mr. DAWKINS. Thank you.

On the bill, Mr. Speaker?

The SPEAKER. Sir. Representative Dawkins, on the bill.

Mr. DAWKINS. Thank you very much, Mr. Speaker.

I stand in opposition of SB 421 for several reasons. I appreciate my colleague that spoke prior to me who stated that this was a bipartisan coalition of all branches of our House and Senate, on R and D sides. That is just simply not true. When this bill was being negotiated, there was not any member from the House minority party involved in the negotiations, which is problematic for me. There was not anyone from Philadelphia, which is the largest county in the Commonwealth that is going to be impacted by these changes, which is a problem for me. And there is no funding associated to the bill, to the rollout, and to

implement these changes. In that sense, it would seem to me to be an unfunded mandate that is being imposed on the citizens of the Commonwealth.

For these reasons and others, I am going to stand in opposition of this bill. I believe we are making strides in the right direction, but I do not believe that removing options for individuals to vote is something that we should be doing as a Commonwealth. We should be adding in additional options for folks to vote, not removing options for individuals to vote.

So for those reasons, I would hope folks would stand and oppose this SB 421. Thank you, Mr. Speaker.

The SPEAKER. Thank you.

There are no other speakers on the bill—

Yes. Representative Margo Davidson.

Mrs. DAVIDSON. Thank you, Mr. Speaker.

Will the gentleman stand for interrogation?

The SPEAKER. The Chair has indicated he will so stand.

Mrs. DAVIDSON. Will the issuing of new mail-in ballots, will the ballots be available in other languages or in braille?

Mr. EVERETT. Thank you, Mr. Speaker.

The same provisions that apply to absentee ballots for certain jurisdictions to be in other languages will be maintained for mail-in, and there is no requirement currently in the code, nor does this change the requirement for braille ballots.

Mrs. DAVIDSON. I am sorry. Could you repeat that.

Mr. EVERETT. Thank you, Mr. Speaker.

The SPEAKER. Members, please take your seats. Representative Davidson has asked a question of the chair of the State Government Committee, a question about the bill. She is entitled to hear his response.

Chair, you may proceed.

Mr. EVERETT. Thank you, Mr. Speaker.

This bill maintains the same requirement for mail-in ballots that exists currently for absentee ballots. There are certain jurisdictions which are required to provide ballots in other languages; that is unchanged by this. What is also unchanged is that there is no current requirement, nor will there be any new requirement, for braille ballots.

Mrs. DAVIDSON. Thank you.

My second question has to do with the severability clause. It is my understanding that the bill says that the Supreme Court will have exclusive jurisdiction over challenges to elimination of straight-party voting, absentee voting, and mail-in voting. Then I also understand it also reads that the provisions of the bill will be nonseverable. So is that to mean that if somebody wants to challenge whether or not they were discriminated against because they did not have a ballot in braille, would they be able to – would that be a suit that they could bring to the Supreme Court under the severability clause?

Mr. EVERETT. Thank you, Mr. Speaker.

There is a nonseverability clause, and there is also the section that you mentioned that gives the Supreme Court of Pennsylvania jurisdiction, because the intent of this is that this bill works together, that it not be divided up into parts, and there is also a provision that the desire is, and of course, that could be probably gotten around legally, but that suits be brought within 180 days so that we can settle everything before this would take effect. So those are the provisions that have to do with nonseverability.

Mrs. DAVIDSON. So in effect, if a suit was brought to the Supreme Court of Pennsylvania and they found it to be unconstitutional, it would eliminate the entire bill because it cannot be severed.

Mr. EVERETT. Yes; that would be just in those sections that have been designated as nonseverable.

Mrs. DAVIDSON. All right. Thank you.

On the bill, Mr. Speaker?

The SPEAKER. Representative Davidson, on the bill.

Mrs. DAVIDSON. Mr. Speaker, I do recognize that there are a few minor reforms in the bill. However, Mr. Speaker, I object to taking away freedoms from voters. Currently, under current law, Mr. Speaker, voters can decide whether or not to either split their ticket or vote straight party. Republicans can vote straight party, Democrats can vote straight party, and voters can also decide to go up and down the ballot. No reason has been given, Mr. Speaker, as to why we would take away the right of choice to Pennsylvania voters. I understand that we are allowing 3 days – not a lot of time – for mail-in voting outside of the current law. But I contend, Mr. Speaker, that mail-in voting is not early voting. The two are not the same. The ability to go into a voting booth and vote privately on a day with other of your peers is not the same as trying to figure out a mail-in ballot in your home and with other people around, other distractions. It is a difference.

If this bill contained early voting, real early voting, extra days on the calendar besides the 7 a.m. to 8 p.m. on one voting day, that would be a freedom to our voters that I could get behind. But right now this is very little reform, and right now we need to be able to increase accessibility to voters, to incentivize voter participation, and this bill, unfortunately, falls short.

So, Mr. Speaker, I will be a "no" vote, and I urge my colleagues to not take freedom away from voters, but allow voters to be able to vote in the manner that they currently enjoy, either up and down the ballot or straight party.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative Davidson.

On the question recurring,

Shall the bill pass finally?

The SPEAKER. Agreeable to the provisions of the Constitution, the yeas and nays will now be taken.

Mr. DUSH called up **HR 392, PN 2068**, entitled:

A Resolution designating November 7, 2019, as "Victims of Communism Memorial Day" in Pennsylvania.

On the question,
Will the House adopt the resolution?

The SPEAKER. Representative Kenyatta, on HR 392.

Mr. KENYATTA. Thank you, Mr. Speaker.

I want to say, as I said in—

The SPEAKER. Members, please give the good gentleman an opportunity to be heard. Please take your seats. This is the last vote of the day, and members who wish to speak on resolutions will be able to do so after this, and I will stay here for anybody who wishes to speak on a resolution that has already passed.

You may proceed, Representative Kenyatta.

Mr. KENYATTA. Thank you, Mr. Speaker.

And I am not going to belabor the point, but I find this entire exercise with this resolution absurd. I think this is a political game and farce, and I have a lot of problem with this resolution being brought up, when there are a bunch of resolutions that have not been brought up on this floor, a bunch of resolutions about honoring folks across this Commonwealth that we have refused to vote on, and yet we have the time to talk about communism and socialism and use this as a campaign tactic to paint folks back home with a broad brush because they do not want to be a part of a political stunt. This is a political stunt. I will be voting heck "no," and I ask my colleagues to do the same.

On the question recurring,
Will the House adopt the resolution?

(Members proceeded to vote.)

LEAVE OF ABSENCE

The SPEAKER. Wait. Is Representative Vitali on the floor, or is he on a leave of absence? Representative VITALI is on a leave. Without objection, that will be granted.

CONSIDERATION OF HR 392 CONTINUED

The SPEAKER. The clerk will record the vote – what was the vote on that, please? What was the number?

Members, I am sorry. Stay on the floor. We have to take the vote again. There is a technicality here, so we have to do the vote again.

On the question recurring,
Will the House adopt the resolution?

(Members proceeded to vote.)

The SPEAKER. Representative Vitali is on the floor? Is Representative Vitali here for the vote or not? Is he on a leave of absence or not? I saw him walk back on the floor.

Leader, is he on leave?

Mr. DERMODY. Yes, Mr. Speaker.

The SPEAKER. He is on leave.

Mr. DERMODY. On leave.

The SPEAKER. Thank you, Leader.
Representative Vitali is on leave.

The SPEAKER. Representatives, we are going to have people speak on resolutions, so if anybody is going to remain for the remarks, please be seated.

I am going to begin with Representative Hill-Evans. She is speaking on HR 524 and should have the opportunity to be heard.

STATEMENT BY MRS. EVANS

The SPEAKER. Representative Hill-Evans, you may proceed. Mrs. EVANS. Thank you, Mr. Speaker.

With the current opioid crisis reaching epidemic proportions, many health-care professionals are doing their best to reduce substance abuse. At the front lines of the epidemic are licensed pharmacists. Nearly three in five American adults take a prescription drug, according to the Journal of the American Medical Association. That is one of the major ways that pharmacists, especially today, play a vital role in our lives. These pharmacists work tirelessly to help improve the usage of medication and advance patient care in all practice settings. By instructing and assisting citizens on the proper usage of medication, these pharmacists are saving lives and helping Pennsylvania fight the opioid epidemic.

In recognition of the critical role they play in our lives, I am proud to present this resolution which designates October 2019 as "Pennsylvania Pharmacists and Pharmacy Month." Our goal is to recognize the many contributions made by pharmacists to the health-care field throughout the Commonwealth. In Pennsylvania we have 23,394 licensed pharmacists working toward improving medication use by reducing abuse and advancing patient care in all practice settings, such as hospitals, community pharmacies, drugstores, and the pharmaceutical industries.

Through their extensive training, pharmacists are another line of defense against the opioid epidemic. They diligently work to protect patients by identifying harmful drug interactions. Their knowledge ensures patients will receive the proper care that they deserve. As we recognize pharmacists in Pennsylvania, let us also acknowledge the Pennsylvania Pharmacists Association, a membership group that includes pharmacists, students, technicians, part-time employees, as well as retirees. For over 140 years, this organization has been the leading voice in the pharmacy field through its promotion of the profession, its advocacy, and providing health education throughout our communities in order to enhance our State's overall public health.

This month will be a time to thank these professionals for their dedication and commitment to patient care, and it is also a time for me to say thank you to my colleagues for a unanimous vote in favor of making October 2019 "Pharmacy Month" in Pennsylvania.

Thank you, Mr. Speaker.

The SPEAKER. Thank you, Representative Hill-Evans.

STATEMENT BY MS. PICKETT

The SPEAKER. Representative Tina Pickett is going to be speaking on HR 563.

Ms. PICKETT. Thank you, Mr. Speaker.

Mr. Speaker, I rise today to thank my House colleagues for their unanimous support of HR 563. This designates the month of October 2019 as "Life Insurance Awareness Month" in Pennsylvania. As cochairs of the House Insurance Committee, Representative Anthony DeLuca and I sponsored this resolution. It urges our residents of the Commonwealth to learn more about life insurance and its benefits.

Life Insurance Awareness Month was started 10 years ago on the Federal level to educate Americans about the importance of long-term financial planning and to encourage them to take stock of their life insurance needs. According to the American Council of Life Insurers, Pennsylvania residents have \$1.3 trillion in total life insurance coverage. In 2017, \$4.6 billion was paid to beneficiaries, providing a tremendous source of financial relief and security to families that experienced the loss of a loved one.

However, despite these numbers, there are still too many Pennsylvanians who lack adequate life insurance coverage. One recent study found that 30 percent of U.S. households have no life insurance whatsoever. They leave a significant portion of the population without a financial safety net. Social media and information resources exist to help consumers better understand how life insurance works and to provide access to licensed professionals who can assist in the purchasing of life insurance.

During Life Insurance Awareness Month, the House of Representatives does encourage Pennsylvania consumers to think about their need for life insurance protection, seek advice from a qualified insurance professional, and take the actions necessary to achieve a financially secure future for their loved ones. There can be uncertain economic times, and this will help offset that for our citizens.

I thank you, Mr. Speaker, and thanks again to all of my colleagues for supporting this resolution today.

The SPEAKER. Thank you, Madam Chair.

Representative Todd Stephens. Is Representative Stephens on the floor?

STATEMENT BY MR. MEHAFFIE

The SPEAKER. Representative Tom Mehaffie, on – I just go in order on the list – HR 578.

Mr. MEHAFFIE. Thank you, Mr. Speaker.

I rise today in gratitude for the support of HR 578, which officially designates October 29, 2019, as "Amusement Park Day" in Pennsylvania. For decades, amusement parks have not only been an important part of our tourism industry, but also a great place to spend time with family and friends. These amusement parks offer rides, games,

entertainment, and let us not forget the food. There is always an option, whether you are a fan of the kettle-cooked corn or the funnel cakes.

Pennsylvania is fortunate to be home to more than 14 amusement parks, and today we want to celebrate these businesses specifically for the important role they play in bringing local families and travelers to the Keystone State. Among the numerous amusement parks and family theme parks in the Commonwealth, we are recognizing: Hersheypark, Kennywood, Knoebels, Dorney Park, Dutch Wonderland, Waldameer Park and Water World, Sesame Place, DelGrosso's Amusement Park, Kalahari Resort and Waterpark, Great Wolf Lodge and Water Park, Camelback Aquatopia, Split Rock Lodge Indoor Waterpark, Lakemont Park and the Island Waterpark, and Conneaut Lake Park.

I would like to give a special recognition to Hersheypark, which has been part of my district since 1906. Collectively, Pennsylvania-based family theme parks and water parks entertain more than 12 million visitors annually and support more than 16,000 jobs.

For these reasons and many others, we are proud to officially recognize October 29, 2019, as "Amusement Park Day" in Pennsylvania.

Thank you, Mr. Speaker.

THE SPEAKER PRO TEMPORE (AARON D. KAUFER) PRESIDING

The SPEAKER pro tempore. Thank you, Representative Mehaffie.

STATEMENT BY MS. DONATUCCI

The SPEAKER pro tempore. The Chair now recognizes Representative Donatucci on HR 479.

Ms. DONATUCCI. Thank you, Mr. Speaker.

And thank you for supporting HR 479, which coincides with the United Nations General Assembly declaring October 11 of each year as the "International Day of the Girl Child." Its movement spans across the globe. This year the Day of the Girl has a theme of "GirlForce: Unscripted and Unstoppable," encouraging girls to break down barriers imposed by exclusions and stereotypes.

I know my fellow women House colleagues, especially those who hold the title of first woman in their respective roles as State legislators, can attest to the challenges faced when permeating in these male-dominated spaces. We bear the scars of being dismissed, overlooked, and disrespected because of who we are. We persisted and continue to do so, but girls around the world and in this Commonwealth still face many challenges as they transition into adulthood. Women are still paid less on average than men, and they continue to be judged for wanting an education and career instead of marriage and children. Essentially, they are indoctrinated into a belief that their existence revolves around a man's worth.

We must shake this archaic mindset because we are losing our girls. Our girls need to know that they can jump this script and become unstoppable. We must encourage our girls to dream big, achieve their goals, and make them resilient to these stereotypes. We must show our girls that they are powerful.

I ask that you join me in ensuring Pennsylvania girls are also recognized in this year's "Day of the Girl." Thank you.

The SPEAKER pro tempore. Thank you, Representative Donatucci.

STATEMENT BY MS. BOBACK

The SPEAKER pro tempore. The Speaker now recognizes the good lady, Representative Boback, on HR 539.

Ms. BOBACK. Thank you, Mr. Speaker.

I thank my colleagues in the House for their support of "National Teen Driver Safety Week." National Teen Driver Safety Week is a federally designated time each year to raise awareness of teen driver safety topics and to seek solutions to unnecessary teen deaths on the road. Motor vehicle crashes are the leading cause of death for adolescents and young adults in the United States, and many of these deaths are preventable. Crashes and deaths occur because of any or all of the following: a driver distracted by cell phone use and/or other passengers; a tired or fatigued driver; a driver experiencing strong emotions; a driver under the influence of alcohol or drugs. These young people were loved by their families, good kids, full of dreams and hopes for a long, meaningful life. We all know too many of the teen crashes resulting in death and they have occurred many times in our own legislative districts.

Through this resolution we can recognize "National Teen Driver Safety Week" and encourage the people of this great Commonwealth to engage and empower licensed teen drivers to become safe, skilled drivers – not only our teens, but each and every one of us.

Thank you for your support, members.

Thank you, Mr. Speaker.

The SPEAKER pro tempore. Thank you, Representative.

Now we are on to housekeeping.
