SESSION OF 2022

206TH OF THE GENERAL ASSEMBLY

No. VOLUME 2

HOUSE OF REPRESENTATIVES

The House convened at 12 m., e.s.t.

THE SPEAKER (BRYAN CUTLER) PRESIDING

PRAYER

HON. GREG ROTHMAN, member of the House of Representatives, offered the following prayer:

Thank you, Mr. Speaker.

The Book of Matthew 18:20 says, "For where two or more are gathered in my name, I am there." So, Father, we welcome You into this grand hall.

Your presence is evident in all the blessings this Commonwealth and this nation has had bestowed upon her, first among them the freedom to worship You and to live our lives in a way pleasing to You.

As we begin a new year, let us focus on You and Your commands. May we love our neighbors as ourselves. May we thank You for the struggles and heartbreaks. We may get frustrated with You when You do not keep our promises or deliver on our plans, but we know from Your Word that struggles are part of living in this world, and You do promise peace if we seek it and seek You.

May we turn to You, Lord, in times of struggle, and may we stop worrying and instead be thankful. Philippians chapter 4:6-8 says, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

Finally, brothers and sisters, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things.

Thank You, God, for the blessings of life and liberty. May You continue to bless this Commonwealth and the United States of America.

Located to the left of the rostrum, the Chair is pleased to welcome State Representative Mallerie Stromswold, who represents the 50th House District in Montana. She is the guest of Representative Lewis, Representative Rowe, and Representative Keefer. Welcome. In speaking with her prior to the start of session, I learned that she is the youngest elected legislator in the country, who expressed interest in running while she was getting ready to graduate from high school. So I am sure you will do great things. Welcome.

Located in the gallery, the Chair is pleased to welcome David Stimmel, who is shadowing Representative Mako for the day, and whom I had the pleasure of meeting earlier. Please rise and be welcomed. I know he is here with his family and they are enjoying their day here.

Also located in the gallery, the Chair is pleased to welcome guests of Representative Borowicz, Ashleigh Shadle and her daughter, Faith Smith. Faith is battling a rare pediatric brain cancer and they are bringing their advocacy efforts here today. Please give Faith a warm House welcome. Our thoughts and prayers are with you. As an aside, while talking to Faith earlier today, I learned that she was both successful in bear season as

well as deer season, for all the sportsmen out there, and she is well on her way to a Pennsylvania Grand Slam. So congratulations, Faith, and best luck and our prayers are with you.

COMMUNICATION FROM GOVERNOR

VETO OF HOUSE BILL

The Speaker laid before the House a communication in writing from the office of His Excellency, the Governor of the Commonwealth, advising that the following House bill had been vetoed by the Governor:

HB 1332, PN 2272.

Said bill having been returned with the following message:

Commonwealth of Pennsylvania
Office of the Governor
Harrisburg

December 22, 2021

TO THE HONORABLE HOUSE OF REPRESENTATIVES OF THE
COMMONWEALTH OF PENNSYLVANIA

Pursuant to Article IV, Section 15 of the Pennsylvania Constitution, I am returning herewith, without my approval, House Bill 1332, Printer's Number 2272.

Under the guise of transparency, this legislation politicizes what is being taught in our public schools. State regulations adopted by the State Board of Education already require that public schools provide parents and guardians with course curriculum and instructional materials upon request. In addition, textbooks are adopted by school boards in meetings open to the public. Therefore, requiring all public schools to publish on their website the details of every textbook, course syllabus or written summary of each course, and the relevant academic standards for each course is not only duplicative, but overly burdensome. The onerous requirements of this bill fall on educators who should be focused on critical issues such as addressing learning loss, managing the impacts of the pandemic on students, and working through staffing shortages. Many education stakeholder groups voiced significant concerns and opposition to this bill, including its underlying purpose, the lack of need, and its burdensome impact.

This legislation is a thinly veiled attempt to restrict truthful instruction and censor content reflecting various cultures, identities, and experiences. My Administration is committed to creating a safe learning environment for all students, and we will not take part in this dangerous and harmful imposition.

For the reasons set forth above, I must withhold my signature from House Bill 1332, Printer's Number 2272.

Sincerely,
Tom Wolf
Governor

Amend Bill, page 2, line 27, by inserting after "SUBDIVISIONS" or municipal authorities

On the question,
Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Representative Brett Miller.

Mr. B. MILLER. Thank you, Mr. Speaker.

Mr. Speaker, I rise in support of amendment A03284, which will further strengthen political subdivisions from a newspaper's

failure to advertise by adding the term "municipal authorities" to the bill so that in the event a newspaper fails to advertise, not only will political subdivisions such as counties, towns, townships, boroughs, and school districts be able to continue to do the work of the people, so long as they comply with the legal advertising requirements, and as HB 2148 outlines, post the same legal advertisement language on their publicly available Web site, so, too, will municipal authorities be protected against the newspaper's failure to advertise.

Mr. Speaker, municipal authorities are subject to legal advertising requirements and perform important work on behalf of our citizens and communities. They should not be penalized by an inability to do the work of the people or by costly litigation of the failure of a newspaper to properly advertise a legal advertisement.

Mr. Speaker, I appreciate the support of staff, the Local Government Commission, and the Pennsylvania Municipal Authorities Association in helping to draft the amendment. I ask the members for their support for amendment A03284.

Thank you, Mr. Speaker.

MOMENT OF SILENCE

The SPEAKER. Members, please take your seats. I ask the Sergeants at Arms to please close the doors of the House.

Since this is the first full session day that we have returned to the chamber, I did want to ask for the members' attention on an unfortunate tragedy that occurred in Philadelphia while we were gone regarding a housing fire at 6:30 in the morning on Wednesday, January 5.

In a duplex in the Fairmount community, 12 lives were lost in the early morning blaze. It claimed the lives of three adult sisters and their children; two young mothers.

I will ask all of the members to please rise for a moment of silence regarding this tragic loss.

(Whereupon, a moment of silence was observed.)

The SPEAKER. I think it is important, as we do our business here in Harrisburg, that we recognize the impacts on those around us and back home in all of the communities that we represent.

I would like to thank Representative Bullock for listing the names of the individuals that were impacted by this, and I think it would be a great encouragement for all of us to go home and thank our friends, our neighbors, and our loved ones, and hug them a little tighter tonight.

REMARKS SUBMITTED FOR THE RECORD

Mrs. BULLOCK submitted the following remarks for the Legislative Journal:

The blaze claimed the lives of three adult sisters and their children. The two young mothers: Virginia Thomas and her three children, Shaniece, 10; Natasha, 7; and Janiyah, 3. Rose McDonald, 33, and her children, Quientien, 16; Destiny, 15; Dekwan, 8; J'Kwan, known as J.J., 5; Taniesha, 3; and Tiffany, 2. They also lost their aunt, Quinsha White, age 18.

The SPEAKER. Members, you may be seated.
The Sergeants at Arms may open the doors of the House.

Section 3. This act shall take effect in 60 days.

On the question,

Will the House agree to the amendment?

The SPEAKER. On that question, the Chair recognizes the gentleman, Representative Jozwiak.

Mr. JOZWIAK. Thank you, Mr. Speaker.

Mr. Speaker, this bill amends the Patient Test Result Information Act, which tells the people – if you are a patient when you get a test – that the patient should be given a result at the same time while they are still being tested, after the test is over.

In the past, it was 21 days, they would get a letter. It would say that if you have not heard from your provider, contact them immediately. It scares people. The Hospital Association, the cardiology association, and the Medical Society all support this bill. Thank you.

The SPEAKER. The Chair thanks the gentleman and recognizes the gentlewoman, Representative Benham, on the amendment.

Ms. BENHAM. Thank you, Mr. Speaker.
