If the person is already confined at the time of sentencing or adjudication, the person shall have a DNA sample collected immediately after the sentencing or adjudication. If a DNA sample is not timely collected in accordance with this section, the DNA sample may be collected any time thereafter by the prison, jail, juvenile detention facility, detention facility or institution.

(2) A person who is convicted or adjudicated delinquent for an offense covered by this subsection shall have a DNA sample collected as a condition for any sentence or adjudication which disposition will not involve an intake into a prison, jail, juvenile detention facility or any other detention facility or institution.

(3) Under no circumstances shall a person who is convicted or adjudicated delinquent for an offense covered by this subsection be released in any manner after such disposition unless and until a DNA sample and fingerprints have been collected.

The law enforcement agency shall provide written reasons for correction or removal of a portion of the record, or of the refusal to do so.
