**Act of Jun. 9, 1911, P.L. 754, No. 317**

**Cl. 35**

AN ACT

Authorizing the printing and binding of the annual report of the Commissioner of Health in two separate volumes.

Whereas, The work of the several divisions of the State Department of Health has assumed such proportions as to render the publication of the annual report of the Commissioner of Health in one volume unweildy, and too large to be properly and durably bound with the binding used for public documents; therefore,--

Section 1. Be it enacted, &c., That the Superintendent of Public Printing and Binding is hereby authorized and directed to print and bind the annual report of the Commissioner of Health in two separate volumes.
