This act is not intended to change the incidence or amount of any existing tax, license fee, or bonus, payable to the Commonwealth, or any agency thereof, under existing law, or to impose any new tax, license fee, or bonus, accruing to the Commonwealth or any agency thereof, nor is it intended to provide for the organization of any department, board, or

perform the functions transferred by this act to another
department, board, commission, or officer.

instituting similar proceedings.

The Department of Revenue shall collect, or settle and
collect, taxes upon reports filed with the Department of the

Every department, board, commission and officer of the State government, upon which or upon whom powers are conferred or duties imposed by this act, shall have the power to make and promulgate such rules and regulations as may be reasonably necessary for the exercise of such powers and the performance of such duties.

Section 8. Payments.--All payments of bonus, taxes, fees or other moneys, now by law required to be made to the Auditor General or to the State Treasurer, shall, after the effective date of this act, be made to the State Treasurer through the Department of Revenue, no matter by what agency such bonus, taxes, fees or other moneys shall be collected from the person, association, corporation, political subdivision or officer liable to pay them to the Commonwealth or to any officer of the Commonwealth.

Section 9. Method of Payment.--(a) Notwithstanding any other provisions of this act or any other acts, the State Treasurer and the Secretary of Revenue shall jointly prescribe by regulation the method of payment of obligations due the Commonwealth. Such regulations shall include:

(b) The regulations shall not require:

(1) Any payment to be posted to a Commonwealth account prior to the due date, including grace periods, established by law or regulations.

(2) Changes to the method of payment for those payments made by individuals under Article III of the act of March 4, 1971 (P.L.6, No.2), known as the "Tax Reform Code of 1971."

(3) Changes to the method of payment when the payment is less than one thousand dollars ($1,000).

(4) Automated clearinghouse debit as the sole and exclusive means of complying with this act and the regulations promulgated pursuant to this act.

(9 amended July 18, 2013, P.L.574, No.71)

Compiler's Note: Section 22 of Act 71 of 2013, which amended section 9, provided that the amendment, under section 23(1) of Act 71, is not dependent upon rulemaking by the Department of Revenue nor the State Treasurer.

Section 9.1. Failure to Make Payment by Electronic Fund Transfer.--Any person who fails to make a required payment by a method prescribed by section 9 shall, in addition to any other penalty, interest or addition provided by law, be liable for a penalty of three per centum of the total tax due not to exceed five hundred dollars ($500).

Notice of the method of filing shall be published in the Pennsylvania Bulletin and on the Department of Revenue's Internet website at least sixty days prior to the due date of the return, report or other document required to be filed by telephonic, electronic or other method. Section 215. Lottery Winnings Intercept.--(a) In the case of any person winning a single lottery prize of more than $2,500 in the State Lottery, the Department of Revenue shall:
(1) (i) Make reasonable efforts to determine if the prizewinner has an outstanding State tax liability prior to paying the lottery prize. If the Department of Revenue determines that the prizewinner has an outstanding State tax liability and the rights to appeal have expired with no appeal having been taken or, if an appeal has been taken, it has been resolved and is not pending, the Department of Revenue shall deduct from the lottery prize the amount of outstanding State tax liability. A deduction under this subparagraph may only be made after the Department of Revenue determines under 23 Pa.C.S. § 4308 (relating to lottery winnings intercept) that either the lottery prize is not subject to a deduction for delinquent support or that, after deducting for delinquent support, prize amounts remain that can be subject to deduction for the amount of the outstanding State tax liability.
(ii) First, pay the amount deducted for support as provided in 23 Pa.C.S. § 4308 and, second, apply the amount deducted for any outstanding State tax liability to the prizewinner's delinquent support obligations or outstanding State tax liability.
(2) Request the Department of Human Services to make a reasonable effort to determine if the prizewinner is currently a recipient of public assistance benefits in this Commonwealth prior to paying the lottery prize. If the prizewinner is found to be a recipient of public assistance benefits in this Commonwealth, the Department of Human Services shall determine the prizewinner's eligibility to continue to receive public assistance benefits as a result of winning the lottery prize.
(3) (i) In conjunction with the Administrative Office of Pennsylvania Courts, make a reasonable effort to determine if the prizewinner owes court-ordered obligations for crimes as defined in section 103 of the act of November 24, 1998 (P.L.882,
No.111), known as the "Crime Victims Act." If a determination is made that the prizewinner owes court-ordered obligations, the Administrative Office of Pennsylvania Courts shall provide the Department of Revenue with the total amount of obligations owed.

(ii) If it is determined under subparagraph (i) that the prizewinner owes court-ordered obligations, deduct from the amount of the lottery prize remaining after the deductions made under paragraph (1) the amount of the obligations owed.

(iii) Pay the amounts deducted under subparagraph (ii) as provided by applicable law to satisfy or partially satisfy the prizewinner's court-ordered obligations to the clerk of courts of the county in which the court order was issued.

(4) As soon as reasonably possible after the lottery prize was claimed, notwithstanding the provisions of 23 Pa.C.S. § 4308(b)(7):

(i) award the prizewinner the amount of the lottery prize to be paid to the prizewinner after any deductions made under paragraphs (1) and (3) and subsection (c); and

(ii) if applicable, notify the prizewinner that part or all of the lottery prize was used to satisfy the prizewinner's obligations described in paragraphs (1) and (3). If the amount of the lottery prize is not sufficient to fully satisfy any of the obligations of the prizewinner, the prizewinner shall owe the balance of the obligations as provided under applicable law.

(b) (1) A prizewinner whose prize is used to satisfy or partially satisfy an outstanding State tax obligation under subsection (a)(1) may file a petition of review with the Department of Revenue within 90 days after the mailing of the notice under subsection (a)(4). The only issue that may be considered is whether the proper amount of the State tax obligation was deducted or there is an unresolved valid and timely filed State tax appeal of the State tax obligation. The provisions of Article XXVII of the act of March 4, 1971 (P.L.6, No.2), known as the "Tax Reform Code of 1971," shall apply to each appeal under this section.

(2) A prizewinner whose prize is used to satisfy or partially satisfy an obligation under 23 Pa.C.S. § 4308 may appeal in accordance with applicable law. The appeal must be filed with a court of competent jurisdiction within 30 days after the person is notified by the Department of Revenue that the prize has been reduced or totally withheld to satisfy the person's obligations under 23 Pa.C.S. § 4308.

(3) If it is determined under subsection (a)(2) that the prizewinner is no longer eligible for public assistance benefits in this Commonwealth, the Department of Human Services shall notify the prizewinner and the prizewinner shall be subject to the act of June 13, 1967 (P.L.31, No.21), known as the "Human Services Code."

(c) The Department of Revenue shall determine and set a fee which reflects the actual costs it incurs to administer this section with respect to a specific prizewinner and deduct the calculated amount from the lottery prize if the prizewinner is found to have an outstanding State tax liability or court-ordered obligations subject to a deduction under subsection (a)(1) or (3).

(d) The Department of Revenue shall annually report to the Finance Committee of the Senate and the Finance Committee of the House of Representatives the amount of outstanding State tax liability and court-ordered obligations collected under this section.
The Department of Revenue may promulgate rules and regulations necessary to carry out this section.

In the absence of filing of satisfactory proof of a lesser or higher cost of doing business by the retailer making the sale, the cost of doing business by the retailer shall be presumed to be seven per centum of the basic cost of cigarettes to the retailer. When a retailer establishes a lesser cost of doing business than the presumptive seven per centum cost of doing business, such lesser cost of doing business may be used
to compute the cost of the retailer for a period of time no greater than twelve months, at the end of which time the cost to the retailer shall be computed using the presumptive seven per centum cost of doing business, unless the retailer again establishes a lesser cost of doing business. Any fractional part of a cent in such cost per carton shall be rounded off to the next higher cent. In the case of any person who purchases cigarettes for sale at retail from any manufacturer of cigarettes without resort to a wholesaler as such, such person shall be deemed, for the purposes of this article, to be engaged in the sale of cigarettes as a stamping agent, wholesaler and retailer and as such shall be subject to all mark-up provisions of this article in the order named. Any fractional part of a cent in the cost per carton of cigarettes shall be rounded off to the next higher cent. In the case of sales at retail by cigarette stamping agents, the cost of the cigarette stamping agent shall be the same as the cost of the retailer. There shall be determined a separate cost of the cigarette stamping agent for sales to wholesale dealers and for sales to retail dealers. In the absence of filing of satisfactory proof of a lesser cost of doing business by the cigarette stamping agent making the sale, the cost of doing business shall be presumed to be one and seven-tenths per centum of the basic cost of cigarettes to the stamper for sales to wholesale dealers and, with respect to sales to retail dealers, the cost of the stamping agent plus the cost of the wholesaler. When a cigarette stamping agent establishes a lesser cost of doing business than the presumptive costs contained herein, such lesser cost of doing business may be used to compute the cost of the cigarette stamping agent for a period of time no greater than twelve months, at the end of which time the cost of the cigarette stamping agent shall be computed using the presumptive costs contained herein, unless the cigarette stamping agent again establishes a lesser cost of doing business. (Def. amended Dec. 23, 2003, P.L.243, No.45)

"Cost of the Wholesaler" shall mean the basic cost of cigarettes to the wholesaler plus the cost of doing business by the wholesaler in excess of the basic cost of cigarettes, expressed as a percentage and applied to the basic cost of cigarettes. There shall be determined a separate cost of the wholesaler for sale to retail dealers. In the absence of filing satisfactory proof of a lesser cost of doing business by the wholesaler with respect to sales to retail dealers, the cost of doing business shall be presumed to be four per centum of the basic cost of cigarettes. When a wholesaler establishes a lesser cost of doing business than the presumptive cost of doing business, such lesser cost of doing business may be used to compute the cost of the wholesaler for a period of time no greater than twelve months, at the end of which time the cost of the wholesaler shall be computed using the presumptive four per centum cost of doing business, unless the wholesaler again establishes a lesser cost of doing business.

"Dealer" shall mean any cigarette stamping agency, wholesaler or retailer as these terms are more specifically defined herein. When used in this article, the term shall include all of the
above-mentioned categories. Nothing contained in this article shall preclude any person from being a cigarette stamping agency, wholesaler or retailer: Provided, That such person meets the requirements for each category of dealer and that, where a person holds more than one license, the presumptive minimum price shall include all presumptive costs of doing business if the product is sold at retail. (Def. amended Dec. 23, 2003, P.L.243, No.45)

"Department" shall mean the Department of Revenue of the Commonwealth.

"Franchisee" shall mean any person engaged in the sale of cigarettes who is granted the right to engage in the business of offering, selling or distributing goods or services under a marketing plan or system prescribed in substantial part by the grantor of that right, for which a direct or indirect fee is paid, and whose franchisor franchises five or more retail outlets in this Commonwealth through which cigarettes are sold.

The owner or tenant of the premises upon which a vending machine is placed shall not be considered a vending machine operator if his sole remuneration therefrom is a flat rental fee or commission based upon the number or value of cigarettes sold from the machine, unless the owner or tenant actually owns the vending machine or leases the vending machine under an agreement whereby the profits from the sale of the cigarettes directly inure to his benefit.

"Wholesaler" shall mean and include:

(a) Any person who, in the usual course of business, purchases cigarettes from a cigarette stamping agent or other wholesaler and receives, stores, sells and distributes within

The price of cigarettes advertised, offered for sale or sold under the exceptions specified in this article shall not be considered the price of a competitor and shall not be used as a basis for establishing prices below cost nor shall the price established at a bankrupt sale be considered the price of a competitor, within the purview of this section.

(b) In the absence of proof of the cost of a competitor under this section, the lowest cost of the stamping agent or the lowest cost of the wholesaler, as the case may be, determined by any cost survey made in the same trading area pursuant to the provisions of this article, may be deemed the cost of such competitor within the meaning of this section.

The fact-finder shall also receive and consider, as bearing on the good faith of such cost, evidence of the normal, customary and prevailing terms and discounts in connection with other sales of a similar nature in the trade area or state.

(b) Merchandise given gratis or payment made to a stamping agent, retailer or wholesaler by a cigarette manufacturer for display or advertising or promotion purposes, or otherwise, shall not be considered in determining the cost of cigarettes to the cigarette dealer if such practice is customary in the trade and offered to all dealers on an equal or proportional basis.

replacement cost of the cigarettes to the stamper, retailer or
wholesaler within thirty days prior to the date of sale in the
quantity last purchased through the ordinary channels of trade.
(224-A added July 2, 1993, P.L.250, No.46)

retailers within the area, such cost survey shall be deemed
competent evidence in any action or proceeding under this
article as tending to prove actual cost to the stamper or
wholesaler or to the retailer complained against. Any party
against whom any such cost survey may be introduced in evidence
shall have the right to offer evidence tending to prove any
inaccuracy in such cost survey or any state of facts which would
impair its probative value.

or threatened violation of this article, the department or any

or threatened violation of this article shall be established,
the court shall enjoin and restrain or otherwise prohibit such
violation or threatened violation, and in addition thereto the
court shall assess in favor of the plaintiff and against the
defendant the costs of suit, including reasonable attorney fees.
In any such action it shall not be necessary that actual damages
to the plaintiff be alleged or proved, but, where alleged and

administration of this article is hereby vested in the
department. The department shall adopt rules and regulations
for the enforcement of this article and may from time to time
make or cause to be made one or more cost surveys to establish
the lowest cost of the cigarette stamping agent, the lowest
cost of the retailer and the lowest cost of the wholesaler, as
defined in this article for the Commonwealth or such trading
area or areas therein as it shall define. Any such survey made
or caused to be made by the department may be used for the
purposes specified in this article. If the survey is conducted
in connection with a cigarette dealer's request to sell at a
price different from the presumptive minimum, the cigarette
dealer shall pay for the survey. Regulations shall provide a
procedure for dealers to prove a cost different from the State
presumptive costs, including proof of lower costs, filing of
petitions, cost allocation, data to be submitted and guidelines
necessary to implement this article. Authorization to sell below
the presumptive minimum prices shall be in writing published

1. Has made written application to the State Treasurer for a deposit of State moneys, designating the amount of deposit solicited, and accompanying its application by a written statement showing the amount of its capital actually paid in, the amount of its surplus, the number of its stockholders, and whether its stock is well distributed or largely held by a few individuals, and the length of time that said institution has been engaged in business under its charter. Each such statement shall be verified by the oath or affirmation of the president, cashier, or trust officer, as the case may be, and the State Treasurer shall present the same to the board for its consideration within thirty days after the receipt thereof.
2. Said bonds and any additions to and substitutions and exchanges therefor shall be subject to proper assignment, or right to sell, or power of attorney to transfer the same, and said trust deposit of securities shall be maintained, on request, at the amount aforesaid, in case of any depreciation in the value thereof: Provided, That no bonds, or other security, shall be required of State depositories for State deposits to the extent, that such State deposits are insured under the provisions of Section 12 B of the Federal Reserve Act, approved the twenty-third day of December, one thousand nine hundred and thirteen, its amendments and supplements.

The said board may fix different rates of interest for active and inactive depositories, not in conflict with law or any regulation of the Comptroller of the Currency, or of the Federal Reserve Board of the United States, and may adopt and promulgate rules governing the time when interest shall begin to run on
deposits of uncollected items. The board shall fix the specific
day on which any change in interest rate shall become effective,
and shall notify, in writing, every depository of such change
and the effective date thereof. Pending action by the board the
interest rates heretofore fixed by law shall remain in force.
All collections shall be made for the Commonwealth without cost
or compensation.

((a) amended July 6, 2010, P.L.279, No.46)
(b) To select, as depositories for State funds, private
banking institutions located and doing business in this
Commonwealth, if such private banking institutions shall file
a statement, in writing, with the board and the Department of

depositories of State funds, and, if and after, compliance with
the conditions required of any other depository.
(c) To designate at least eight banks or trust companies
in any part of the Commonwealth, to be known as active
depositories, in which shall be deposited a sufficient amount
of the daily receipts of the State Treasury to transact the
current business of the Commonwealth. ((c) amended July 6, 2010,
P.L.279, No.46)
(d) To see that no bank, banking institution, trust company
or savings and loan association, except those designated as
active depositaries, shall receive a deposit of State moneys
in excess of twenty-five per centum of its paid-in capital and
surplus, or have, at any one time, an aggregate of deposits in
excess of five hundred thousand dollars: Provided, however,
That, in the case of any particular depository, these
limitations may be waived, by the Board of Finance and Revenue,

Section 506. State Sinking Fund.--The Board of Finance and
Revenue shall have the power, and its duty shall be,
(a) To supervise and direct the State Treasurer in receiving
the incomes and revenues payable, in accordance with the
existing laws, into the Sinking Fund, and in applying the same,
first, to payment of the accruing interest on the public debt,
and, second, to the principal thereof, and not otherwise, except
to repel invasion, suppress insurrection, or defend the State
in war, in accordance with the provisions of the Constitution
of the Commonwealth of Pennsylvania.
(b) To see that the State Treasurer, under its supervision and direction, shall open books in his department, keep separate and distinct accounts of all Sinking Fund moneys received and disbursed under this act, specifying the source of revenue, and when paid, and, from time to time, as the funds paid in may justify, apply the same to the payment of the accruing interest on the public debt, and the principal at or before the semiannual payments thereof may become due, and at no time or in no manner, shall any portion of the fund hereby created be otherwise applied.

(c) On the first business day of each month, to prepare a statement of the total amount of money in said fund, which, having been verified by oath or affirmation, shall be published in two newspapers, in Harrisburg, for public information. They may purchase any evidence of the said debt in the open market, if such purchase can be made to advantage. If they shall determine to redeem any part of said debt, they shall forthwith give legal notice of the amount of said debt which they are prepared to redeem, that the said amount will be redeemed on presentation to the designated disbursing agent of the State, and that the interest upon the certificates thereof shall cease from and after an interest due date to be designated by them, which shall not be more than ninety days after the publication of the notice: Provided, That the loans of the Commonwealth shall be redeemed, as far as practicable, in the order of their maturity.

(d) If in the opinion of the board, the purchase or redemption of loans of the Commonwealth cannot be made for the best interests of the Commonwealth, to purchase bonds of the United States at the then market prices. The State Treasurer, under the direction of the board, shall enter, on the "Sinking Fund Ledger," the number, amount, and premium, paid for each United States bond so purchased. The board shall have the right to dispose of bonds purchased hereunder, whenever the money shall be required for the extinguishment of the public debt, or whenever the loans of the Commonwealth can be bought at such prices as they may deem for the best interests of the Commonwealth.

(e) To report and certify to the Governor annually, for the preceding calendar year, the amount received under and in accordance with existing laws, the amount of interest paid, the dates of the purchase of the public debt, the prices paid, the place where said sale was effected, the amount of the debt of the Commonwealth redeemed and held by them, and the number and amount of the bonds of the United States purchased and held in the Sinking Fund, and the amount and date of maturity of the respective loans of the Commonwealth, together with a summary statement of the receipts from all sources, and the expenditures of said fund, and a complete statement of the total amount of bonds and money remaining in said fund, whereupon the Governor shall direct the certificates representing the said indebtedness to be cancelled. ARTICLE VIII
THE SETTLEMENT OF BONUS AND TAX ACCOUNTS

Section 801. Settlements to Be Made by Department of Revenue.--(a) All taxes and bonus due the Commonwealth, which have heretofore been settled by the Auditor General, or by the Auditor General and State Treasurer, shall, after the effective date of this act, be settled by the Department of Revenue.

(b) All such settlements shall, as far as possible, be so made that notice thereof may reach the taxpayer before the end of the year succeeding the year for which the tax or bonus report or return was made or ought to have been made.

(c) All such settlements, including estimated settlements, shall be subject to audit and approval by the Department of the Auditor General, or to correction by the Board of Finance and Revenue, as hereinafter provided.

(d) If the Department of Revenue shall not be satisfied with the appraisement and valuation of capital stock, or of property or capital, located and used within this Commonwealth, and payment of tax, as made and returned by the officers of any corporation, joint-stock association, limited partnership, or other company, it is hereby authorized and empowered to make a valuation thereof, based upon facts contained in the report or return made by such officers, or upon any information within its possession, or that shall come into its possession, and to settle an account on the valuation thus made for taxes, bonus, penalties, and interest, due the Commonwealth.

(e) If the Department of Revenue shall not be satisfied with the correctness of the report made to it by the officers of any bank, savings institution, title insurance company or trust company, it is hereby authorized and empowered to summon the officers of such bank, savings institution, title insurance company, or trust company, to appear before it, upon notice to do so, on a day to be fixed by the department, and to bring with them the books of such bank, savings institution, title insurance or trust company, for examination, and it shall have the right to have further evidence to satisfy itself as to the correctness of the report made to it on the question of the value of the shares of stock of such bank, savings institution, title insurance company, or trust company, according to the rule provided by law.
If the Department of Revenue and the Department of the Auditor General or the Board of Finance and Revenue in making any tax settlement under the provisions of this section and of section 802 hereof, or in making any resettlement under the provisions of sections 1102, 1103 and 1105 hereof, shall change any allocation fraction or taxing apportionment fraction or the value of the entire capital stock or the value of any tangible or intangible assets or amounts of earnings from the figures contained in the tax report, the Department of Revenue or the Board of Finance and Revenue, as the case may be, shall, at the request of the taxpayer, furnish a reconciliation or explanation of such change or changes. ((f) amended June 11, 1963, P.L.128, No.86)

Section 802. Procedure for Making Settlement.--(a) Promptly upon making any settlement, the Department of Revenue shall transmit the original settlement, with all of the papers appertaining thereto, to the Department of the Auditor General.
(b) The Department of the Auditor General shall audit such settlement and, within sixty (60) days after the receipt thereof, express in writing its approval or disapproval thereof, and return it to the Department of Revenue. If the settlement be disapproved, the Department of the Auditor General shall state in writing the specific reasons upon which the disapproval is based.
(c) If the Department of the Auditor General shall disapprove the settlement, it shall be the duty of the Department of Revenue to reconsider it, to confer with the Department of the Auditor General, and to endeavor to agree with the Department of the Auditor General upon the settlement to be made.
(d) If the Department of Revenue shall revise the settlement, it shall resubmit the same to the Department of the Auditor General for approval or disapproval.
(e) In the event that the Department of Revenue and the Department of the Auditor General shall fail to agree, within four months after the original submission of the settlement by the Department of Revenue to the Department of the Auditor General, the settlement shall be submitted by the Department of Revenue to the Board of Finance and Revenue, which shall consider the objections of the Department of the Auditor General, and determine in what amount the settlement shall be made.
(f) The Board of Finance and Revenue shall give every such case precedence over other business pending before it, and shall reach a decision within three months after the date of the submission of the case to it. Should the board fail, within that period, to reach a decision, the settlement made by the Department of Revenue shall automatically become valid, and the Board of Finance and Revenue shall immediately return to the Department of Revenue the settlement and all of the papers appertaining thereto.
(g) No settlement, except as provided in the preceding clause, shall be valid until the Department of the Auditor General shall have approved it in writing, or until the Board of Finance and Revenue, the Department of Revenue, and the Department of the Auditor General, being unable to agree, shall have determined and stated in writing in what amount the settlement shall be made.

Section 803. Determination of Deductions and Exemptions.--In making bonus and tax settlements, it shall be the duty of the Department of Revenue, subject to the approval of the Department
of the Auditor General to determine whether, and to what extent, any corporation, association, or individual is entitled by law to any deduction or exemption from bonus or taxation.

Subject to the approval of the Department of the Auditor General, as provided in the preceding section of this act, the Department of Revenue shall exercise and perform all of the powers and duties heretofore exercised and performed by the Auditor General in determining questions of deduction and exemption, and all statements, certificates, reports, affidavits, or other documents, heretofore required to be filed with the Auditor General, to enable him to determine whether and to what extent any corporation or association is entitled to a deduction or exemption from bonus or taxation, shall hereafter be filed with the Department of Revenue.

Section 804. Estimated Settlements.--If the officers of any corporation, joint-stock association, limited partnership, or other company, shall neglect or refuse to make a capital stock report to the Department of Revenue, within the time prescribed by law or any extension thereof granted by the Department of Revenue, it shall be the duty of the Department of Revenue to estimate a valuation of the capital stock of such corporation, joint-stock association, limited partnership, or other company, and settle an account for taxes, penalties, and interest thereon.

If the treasurer of any corporation shall fail or neglect to make to the Department of Revenue, within the time prescribed by law, or any extension thereof granted by the Department of Revenue, the report required by law of the amount of indebtedness of the corporation owned by residents of this Commonwealth, as nearly as the same can be ascertained, it shall be the duty of the Department of Revenue to estimate a valuation of the scrip, bonds, certificates and evidences of indebtedness, of such defaulting corporation, or assumed by it, or upon which it pays interest, and settle an account for taxes, penalty, and interest thereon.

In any other case, if any taxpayer shall have failed, within the time prescribed by law, or any extension thereof granted by the Department of Revenue, or, if no such time is fixed by law, then after demand by the Department of Revenue, to file any report or return necessary to enable the department to settle any tax against such taxpayer, if the department should deem it more conducive to the public interest because of the supposed smallness of the debt or for any other reason not to proceed to compel the exhibition of the taxpayer's account, it may make an estimated settlement from the previous account settled, or from any other reasonable data, of the probable amount of the account of the delinquent; but in every such case, it shall add to every such estimated settlement an amount, not exceeding fifty per centum to include any losses which might otherwise accrue to the Commonwealth from such neglect or refusal to furnish accounts, and the Department of Revenue shall proceed to recover money so due the Commonwealth as in other cases. No allowance for commissions shall, in any instance, be made by the Department of Revenue in cases of refusal or neglect to furnish accounts.

From any estimated settlement, there shall be no right to file a petition for review, or to appeal, but the Department of Revenue, with the approval of the Department of the Auditor General, may, upon petition, permit the required report or return to be filed, and thereupon make a settlement based upon such report or return, and cancel the estimated settlement. From the department's refusal to permit the filing of a report
or return in such case, there shall, however, be no right to file a petition for review or to appeal.

Section 805. Due Date of Bonus and Taxes.--(a) ((a) deleted by amendment June 10, 1955, P.L.150, No.46)

(b) The amount of the malt beverage tax, the spirituous and vinous liquor floor tax, the spirituous and vinous liquor tax, the amusement or admission tax, the cigarette tax, the corporate net income tax, the documentary stamp tax, and the State personal property tax, shall be due and payable as provided in the acts imposing such taxes.

(c) The amount of all other taxes and bonus due the Commonwealth shall be due and payable upon the dates the reports or returns thereof are required by law to be made, and no extension of time for the filing of any report or return granted by the department, shall extend the date any tax or bonus shall be due and payable, except where a general extension has been granted by the department, as provided in section seven hundred four hereof.

(805 amended Feb. 2, 1937, P.L.3, No.1)

Section 806. Interest on Taxes Due the Commonwealth.--All taxes due the Commonwealth shall bear simple interest from the date they become due and payable until paid. The interest rate per annum during each calendar year shall be the interest rate established by the Secretary of the Treasury of the United States under the provisions of the Internal Revenue Code of 1954, effective January 1 of such calendar year without regard to any change or changes in said Federal interest rate during such calendar year. No penalties shall bear any interest whatsoever. The payment of interest, as aforesaid, shall not relieve any person from any of the penalties, commissions or additional tax prescribed by law for neglect or refusal to furnish timely returns or reports to the Department of Revenue, or to pay any claim due to the Commonwealth from such person. The Secretary of Revenue shall publish the rate of interest for each calendar year in the Pennsylvania Bulletin. In the case of any tentative tax, estimated tax or installment payment, interest shall run on any unpaid amount from the last day the payment is due to the date paid. In the case of tax which is resettled as a result of a final change or correction of taxable income by the Commissioner of Internal Revenue or any other agency or court of the United States, interest shall be computed on any additional tax due from thirty (30) days after the corporation receives notice of such final change or correction until paid.

Whenever the tax liability of a person is so affected by any payment or credit, settlement or resettlement, assessment or reassessment or determination or redetermination as to change the interest liability of such person, such interest liability shall be recomputed and adjusted by the Department of Revenue and approved by the Department of the Auditor General in cases in which said latter department is required to approve settlements and resettlements, so as to correspond to the tax liability as changed, without the necessity for the filing of any petition or request by such person or by said departments.

(806 amended Dec. 9, 1982, P.L.1057, No.248)

Section 806.1. Interest on Overpayments.--(a) "Overpayment" shall mean any payment of tax which is determined in the manner provided by law not to be legally due. The interest shall be allowed and paid for the period during which the Commonwealth retained

For the purpose of this clause, a final return or report shall be deemed to have been filed only if, when it is received by the Department of Revenue, it has been submitted on a permitted form containing (i) the taxpayer's name, address and identifying number and the required signature; and (ii) sufficient required information, either on the permitted form or attachments thereto, to permit the verification of tax liability shown on the return. ((5) amended July 18, 1986, P.L.1411, No.127)

(i) The date of the Commonwealth's notice to the taxpayer of the final determination of the credit; or

(ii) The date as of which the credit is applied, whichever first occurs: Provided, however, That in the case of a cash refund of a previously determined credit, interest shall be allowed and paid on the amount of the credit from a date ninety (90) days after the filing of a petition for a cash refund to
a date preceding the date of the refund check by not more than thirty (30) days whether or not the refund check is accepted by the taxpayer after tender to the taxpayer.

(3) The taxpayer's acceptance of the Commonwealth's check shall be without prejudice to any right of the taxpayer to claim any additional overpayment and interest thereon. Tender of a refund check shall be deemed acceptance thereof for the purposes of this section.

(806.1 amended Dec. 9, 1982, P.L.1057, No.248)

Compiler's Note: Section 5 of Act 45 of 2003, which amended subsection (b) and added subsection (b.1), provided that the amendment of subsection (b) and the addition of subsection (b.1) shall apply to interest accruing after December 31, 2003.

And it shall be the duty of the president, cashier, or treasurer of any such bank, savings institution, title insurance company, or trust company, immediately upon the receipt of said settlement, to post the same in a conspicuous place in such bank, savings institution, title insurance company, or trust company, so as to give notice to the shareholders of such valuation; and it shall be the duty of the Department of Revenue, upon the filing with said department of a petition for resettlement by the officers of such bank, savings institution, title insurance company, or trust company on behalf of the shareholders thereof, or upon the filing of such petition by any shareholder thereof, within the time limits as provided in this act for the filing of such petition, to hear such officers or shareholder upon the subject of the assessment and valuation of such shares of stock at the department's office. If any such hearing be held, notice thereof shall be given to the Department of the Auditor General, and that department shall be represented at such hearing. The right to petition for review and appeal shall be the same as in the case of other tax settlements.

Section 1004. Set-offs in Settlement of Claims Against the Commonwealth.--It shall be the duty of the Auditor General and State Treasurer, in the settlement of accounts of persons having
claims against the Commonwealth, to ascertain from the Department of Revenue whether such persons are indebted to the Commonwealth, and, if so, to secure the amount so due, or as much thereof as the claim of the Commonwealth may amount to, as shown by the settlement made by the Department of Revenue. Any person, feeling himself aggrieved by the settlement made by the Auditor General and State Treasurer, or by the settlement made by the Department of Revenue and deducted from his claim, may proceed, as in other cases, to file a petition for resettlement, a petition for review, and an appeal, but, if he feels aggrieved both by the action of the Auditor General and State Treasurer and of the Department of Revenue, his petition for review, filed with the Board of Finance and Revenue, and his appeal to the courts, shall consolidate all questions which he desires to raise.

In the event of the failure to deduct such indebtedness, or any part thereof, the Commonwealth of Pennsylvania may file a petition for settlement; a petition for review of such settlement or resettlement by the Board of Finance and Revenue; and an appeal from the decision of the Board of Finance and Revenue. (Par. repealed in part Apr. 28, 1978, P.L.202, No.53) (1004 amended Apr. 19, 1945, P.L.259, No.119)

Section 1101. Notice of Settlement.--(a) Promptly after the date of any settlement, the Department of Revenue shall send, by mail or otherwise, a copy thereof to the party with whom or with which the settlement was made.

(b) Promptly after the date of any settlement which the Department of the Auditor General and the Treasury Department are by this act authorized to make, the Department of the Auditor General shall send, by mail or otherwise, a copy thereof to the party with whom or with which the settlement was made.

(c) Where the Secretary of the Commonwealth claims that bonus is due from any domestic corporation under any act of Assembly and such claim is disputed, the Secretary of the Commonwealth shall make a settlement for the amount of bonus claimed to be due and shall send, by mail or otherwise, a copy thereof to the party with which the settlement was made.

(1101 amended June 27, 1947, P.L.1023, No.435)

Section 1102. Petition for Resettlement.--Within ninety (90) days after the date upon which the copy of any settlement was mailed to the party with whom or with which the settlement was made, such party or the Commonwealth of Pennsylvania may file, with the department which made it, a petition for resettlement.

Every petition for resettlement shall fully state the reasons which the petitioner believes entitled him or it to such resettlement.

It shall be the duty of the department with which the petition was filed, within six (6) months after the date of the
receipt of any petition for resettlement, to dispose of such petition unless the determination of any petition shall be governed by litigation then pending before any court of competent jurisdiction, in which case, the department, upon the written request of the petitioner containing a statement to such effect, may defer consideration of such petition until the final judgment determining the question or questions involved in such petition has been handed down.

In the case of petitions for resettlement filed with the Department of Revenue, the disposition of the petition shall be subject to the approval of the Department of the Auditor General, as in the case of original settlements, and, if two departments shall be unable to agree, the case shall be submitted to the Board of Finance and Revenue by the Department of Revenue. The Board of Finance and Revenue shall decide every such case within three (3) months from the date of the submission thereof, and, in case of its failure to reach a decision within such period, the disposition of the Department of Revenue shall automatically become valid, and the Board of Finance and Revenue shall immediately return to the Department of Revenue all of the papers appertaining to the case.

In the case of petitions for resettlement filed with the Department of the Auditor General, the petition shall be disposed of by the joint action of that department and of the Treasury Department, as in the case of original settlements.

In the case of petitions for resettlements filed with the Department of State, the petition shall be disposed of solely by that department.

Notice of the action taken upon any petition for a resettlement shall be given to the petitioner, promptly after the date of such action, by the department with which the petition was filed.

(1102 amended July 13, 1957, P.L.838, No.388)

Section 1102.1. Timely Filing.--A taxpayer shall be deemed to have timely filed a petition for resettlement, a petition for reassessment, a petition for redetermination or any other protest relating to the assessment of tax or any other matter relating to any tax imposed by the act of March 4, 1971 (P.L.6, No.2), known as the "Tax Reform Code of 1971," if the letter transmitting the petition is received by the Department of Revenue or is postmarked by the United States Postal Service on or prior to the final day on which the petition is to be received.

(1102.1 added Dec. 12, 1994, P.L.1015, No.138)

Section 1103. Petition to Board of Finance and Revenue for Review.--Within ninety days after the date of mailing of notice by the Department of Revenue, or of the Auditor General, or of the Department of State of the action taken on any petition for a resettlement filed with it, or of any resettlement made under the provisions of section one thousand one hundred five of this act, the party with whom the settlement was made or the Commonwealth of Pennsylvania may, by petition, request the Board of Finance and Revenue to review such action.

Every petition for review, filed hereunder, either shall state specifically therein the reasons upon which the petitioner relies, or shall incorporate, by reference, the petition for resettlement in which such reasons shall have been stated. The petition shall be supported by affidavit that it is not made for the purpose of delay, and that the facts therein set forth are true. If the petitioner be a corporation, joint-stock association, or limited partnership, the affidavit must be made by one of the principal officers thereof. A petition for review
may be amended by the petitioner at any time prior to the hearing thereon, as hereinafter provided.

The Board of Finance and Revenue shall act finally in disposition of such petitions within six months after they have been received, and, in the event of the failure of the Board of Finance and Revenue to dispose of any such petition within six months, the action taken upon the petition for resettlement shall be deemed sustained.

Notwithstanding any other provisions of this section, if the determination of any petition shall be governed by litigation then pending before any court of competent jurisdiction, the board, upon the written request of the petitioner containing a statement to such effect, may defer consideration of such petition until the final judgment determining the question or questions involved in such petition has been handed down.

The Board of Finance and Revenue may sustain the action taken on the petition for resettlement, or it may resettle the account upon such basis as it shall deem according to law and equity.

Notice of the action of the Board of Finance and Revenue shall be given, by mail or otherwise, to all departments involved and to the petitioner.

(1103 amended July 13, 1957, P.L.838, No.388)

Section 1103.1. Timely Mailing Treated as Timely Filing.--Notwithstanding the provisions of any State tax law to the contrary, whenever a petition pertaining to a State tax is required by law to be received by the Board of Finance and Revenue on or before a day certain, the taxpayer shall be deemed to have complied with such law if the letter transmitting the petition which has been received by the board is postmarked by the United States Postal Service on or prior to the final day on which the petition is to be received.

For the purposes of this article, presentation of a receipt indicating that the petition was mailed by registered or certified mail on or before the due date shall be evidence of timely filing.

(1103.1 added Nov. 26, 1978, P.L.1184, No.278)

Section 1103.2. Extension of Time for Filing Petitions.--Notwithstanding any provision to the contrary, the due date for filing a petition with the Board of Finance and Revenue may be extended:

Compiler's Note: Section 42(b) of Act 48 of 1994 provided that section 1104.1 is repealed to the extent that it conflicts with the provisions of Act 48 for filing with the Board of Finance and Revenue of petitions for the
refund of taxes and other moneys collected by the Department of Revenue.

Section 1105. Authorization of Resettlement Upon Petition of the Department Which Made the Settlement.--Within two years after the date of any settlement or resettlement made subsequent to June first, one thousand nine hundred and twenty-nine, except such as have been appealed from the Department of Revenue, with the approval of the Department of the Auditor General, may make a resettlement. Notice of such resettlement shall be given promptly to the party with whom or with which the resettlement was made.

Whenever a resettlement shall have been made hereunder, the Department of Revenue shall resettle the account according to law, and shall credit or charge as the case may be, the amount resulting from such resettlement upon the current accounts of the party with whom or with which it is made.

In the case of settlements made by the Department of Revenue, the resettlement shall be subject to approval by the Department of the Auditor General, as in the case of original settlements, and in case of the failure of two departments to agree, the resettlement shall be submitted to the Board of Finance and Revenue as in the case of original settlements.

In the case of settlements made jointly by the Department of the Auditor General and by the Treasury Department, either of said departments may request authority from the Board of Finance and Revenue to make a resettlement hereunder, and, if such authority be granted, the resettlement shall be made by joint action of said departments as in the case of original settlements.

If a resettlement shall not be made or authorized hereunder within the time above prescribed, an account upon which a final discharge has been granted, shall not be opened, but shall be quieted and finally closed.

(1105 amended Apr. 25, 1949, P.L.745, No.183)

Section 1106. Resettlement of Accounts of Subsidiary Corporations.--In any case where, under the provisions of section eleven hundred five of this act, the Board of Finance and Revenue shall authorize the resettlement of any account of any corporation, leasing or operating the works or owning either the whole or a majority of the capital stock of another corporation, or whose works are leased or operated, or of whose capital stock either the whole or a majority is owned by another corporation, the credit or charge, as the case may be, resulting from such resettlement may, with the consent of the proper officers of both companies, be transferred to the account of either of said corporations.

Section 1107. Assignment of Amount Due on Resettlement.--Whenever, as a result of any action taken by the Board of Finance and Revenue in accordance with the provisions of section eleven hundred five of this act, there shall have been any amount credited or charged to the account of any person or body politic, the amount thereof shall be subject to assignment, and, when duly assigned, shall be applied to the account of the assignee: Provided, That all taxes whatsoever due to the Commonwealth by the assignor shall first have been fully paid.

Section 1108. Payment or Credit; Effect Upon Right of Resettlement, Review, and Appeal.--(a) Any person, public officer, or other debtor who is required to make to the Department of Revenue a return or report upon the basis of which any tax, or other charge is or will be settled, determined or assessed, shall have the right at any time, to pay to the
Department of Revenue all or any part of the amount of any tax, penalty, additional tax, or other charge due or deemed by him to be due, with interest, if any, as is then due and payable for the purpose of stopping the running of further interest thereon, without prejudice to his right to present and prosecute a petition for review, resettlement, reassessment or redetermination to the Department of Revenue, a petition to the Board of Finance and Revenue, or an appeal to a court of competent jurisdiction, in the manner and within the times provided by law.

(b) (1) Whenever the amount due upon a settlement, assessment, determination or decision by the department, the Board of Finance and Revenue or any other department, administrative board, agency or court of competent jurisdiction is less than the amount paid to the Department of Revenue on account thereof, and the person, public officer, or other debtor against whom such settlement, assessment or determination has been made is satisfied therewith, or whenever the amount due upon the final judgment entered on any appeal is less than the amount paid to the Department of Revenue on account thereof, the Department of Revenue shall enter a credit in the amount of such difference to the account of the person, public officer, or other debtor entitled thereto.

(2) The credit may be applied by the Commonwealth or used by the person, public officer, or other debtor to whose account it is entered in payment of any tax or other claim which may be or become due from him to the Commonwealth.

(3) If all obligations due the Commonwealth have been fully paid, any credit may be assigned by the person, public officer, or other debtor to whose account it is entered to any other person, public officer, or debtor, and the assignee may use it in payment of any obligation due the Commonwealth.

(4) If all obligations due the Commonwealth have been fully paid, any credit shall be refunded in cash by the Department of Revenue upon application of the person, public officer or other debtor entitled thereto.

(5) The Department of Revenue is authorized to prescribe regulations providing for the payment of refunds. So much of the proceeds of the various taxes, as shall be necessary for the payment of refunds out of the general or special funds shall be authorized by the Governor.

Section 1301.11. Report of Property Subject to Custody and Control of the Commonwealth under this Article.—(a) Every person holding property which became subject to custody and control of the Commonwealth under this article during the preceding year shall report to the State Treasurer as hereinafter provided.

(b) The report shall be verified and shall include:
1. Except with respect to travelers checks and money orders, the name, if known, and last known address, if any, of each person appearing from the records of the holder to be the owner of any property of the value of fifty dollars ($50) or more;
2. The nature and identifying number, if any, or description of the property and the amount appearing from the records to be due, except that items of value under fifty dollars ($50) each may be reported in the aggregate;
3. The date when the property became payable, demandable, returnable or the date upon which the property was declared or found to be without a rightful or lawful owner, and the date of the last transaction with the owner with respect to the property; and
4. Other information consistent with law which the State Treasurer prescribes by regulations as necessary for administration of this article.

(c) If the person holding property subject to custody and control of the Commonwealth under this article is a successor to other persons who previously held the property for the owner, or if the holder has changed his name while holding the property, he shall file with his report all prior known names and addresses of each holder of the property.

(d) The report shall be filed on or before April 15 of the year following the year in which the property first became subject to custody and control of the Commonwealth under this article. The State Treasurer may postpone for a period not
exceeding six (6) months the reporting date upon written request by any person required to file a report.

(e) Verification, if made by a partnership, shall be executed by a partner; if made by an unincorporated association or private corporation, by an officer; and if made by a public corporation, by its chief fiscal officer; if made by a court, by an officer of the court; and if made by a public officer of the United States, of the Commonwealth of Pennsylvania or any political subdivisions thereof or of any other state or political subdivision thereof, by that public officer.

(f) Subsequent to the filing of the reports required by this section, the State Treasurer shall compile a list of the abandoned and unclaimed property contained in the reports. The listing shall contain the names, items of property and last known addresses, if any, of the owners listed in the reports. The State Treasurer shall, after the notification period provided for in section 1301.12, make the listing available for examination, inspection or copying at fees to be determined by the State Treasurer.

(g) All agreements or powers of attorney to recover or collect abandoned and unclaimed property contained in the reports filed under this article shall be valid and enforceable only if the agreements:

1. are in writing and duly signed and acknowledged by the owner;
2. clearly state the fee or compensation to be paid, which shall not exceed fifteen per centum of the value of the abandoned and unclaimed property;
3. disclose the nature and value of the property;
4. disclose the name and address of the holder and, if known, whether the abandoned and unclaimed property has been paid or delivered to the State Treasurer;
5. identify the name, address and telephone number of the person assisting in the location, delivery or recovery of the abandoned and unclaimed property; and
6. identify the valid certificate of registration number assigned to the person assisting in the location, delivery or recovery of the abandoned and unclaimed property under section 1301.11a.

((g) amended July 10, 2014, P.L.1053, No.126)

(i) Subsection (g) shall not apply to any agreement or power of attorney entered into between the personal representative, guardian, trustee or other person in a representative capacity to the owner of the property in which such person has an interest for a fixed fee or hourly or daily rate not contingent upon the discovery of property or the value of property discovered: Provided, however, That any such agreement under this subsection for the purpose of evading the provisions of subsection (g) shall be void.

(j) Nothing in this section shall be construed to prevent an owner from asserting at any time that any agreement to locate or reveal abandoned and unclaimed property reported to the State Treasurer is based on an excessive or unjust consideration.

(k) To the maximum extent feasible, the State Treasurer shall be entitled to request and receive and shall utilize and be provided with such facilities, resources and data of any court, department, division, board, bureau, commission or agency of the Commonwealth or any political subdivision thereof as it may reasonably request to carry out properly its powers and duties hereunder.

(1301.11 amended June 29, 2002, P.L.614, No.91)
Section 1301.11a. Certificate of Finder Registration.--(a) Except for a person who is admitted to practice law before a court of a Federal or State jurisdiction or subject to section 1301.11(i), a person may not on behalf of another:

1. engage in an activity for the purpose of locating, delivering, recovering or assisting in the recovery of abandoned or unclaimed property; and

2. receive a fee, compensation, commission or other remuneration for the activity under clause 1 without first obtaining a certificate of registration from the State Treasurer in accordance with this section.

(b) An application for a certificate of registration shall be in writing and on the form prescribed by the State Treasurer and accompanied by a recent full face color photograph of the applicant. In addition to information that may be requested by the State Treasurer, the application shall provide the following:

1. the applicant's full name, telephone number, e-mail address, home address and work address;

2. a statement that the applicant has not, during the ten-year (10) period immediately preceding the submission of the application, violated a provision of this article or been convicted of a felony or an offense of:
   (i) theft or other related offenses against property as enumerated under 18 Pa.C.S. Ch. 39 (relating to theft and related offenses) or its equivalent if committed in another jurisdiction;
   (ii) forgery or other fraudulent practices as enumerated in 18 Pa.C.S. Ch. 41 (relating to forgery and fraudulent practices) or its equivalent if committed in another jurisdiction; or
   (iii) perjury, false swearing, fraud or other offense as enumerated in 18 Pa.C.S. Ch. 49 Subch. A (relating to perjury and falsification in official matters) or its equivalent if committed in another jurisdiction;

3. A statement that, to the applicant's knowledge, the applicant is not the subject of an ongoing investigation or prosecution involving an alleged violation of a provision of this article or an offense of:

4. The notarized signature of the applicant immediately following an acknowledgment that a false or perjured statement subjects the applicant to criminal liability.

((b) amended July 13, 2016, P.L.664, No.85)

(c) Upon the filing of the application, the State Treasurer may investigate the applicant to verify the information provided in the application and to determine the applicant's eligibility for a certificate of registration under this section. False information on an application is grounds for a denial, nonrenewal, suspension or revocation of the applicant's certificate of registration.

(d) A certificate of registration with a unique registration number may be issued to an applicant if the following conditions are met:
1. During the ten-year (10) period immediately preceding the submission of the application, the applicant has not violated a provision of this article or been convicted of a felony or an offense of:
   (i) theft or other related offenses against property as enumerated under 18 Pa.C.S. Ch. 39 or its equivalent if committed in another jurisdiction;
   (ii) forgery or other fraudulent practices as enumerated in 18 Pa.C.S. Ch. 41 or its equivalent if committed in another jurisdiction; or
   (iii) perjury, false swearing, fraud or other offense as enumerated in 18 Pa.C.S. Ch. 49 Subch. A or its equivalent if committed in another jurisdiction; and
2. The applicant has executed a sworn statement that is a commitment to conduct his actions as a finder of abandoned and unclaimed property in compliance with this article and the regulations promulgated under this article.
   ((d) amended July 13, 2016, P.L.664, No.85)
   (e) The certificate of registration issued under this section is for a period of two (2) years and may be renewed every two (2) years if the following conditions are met:
   1. The applicant submits a renewal application form prescribed by the State Treasurer.
   2. The applicant meets the conditions set forth under subsection (d).
3. The applicant is not the subject of an ongoing investigation or order of revocation by the State Treasurer or the equivalent in another jurisdiction or an ongoing investigation or prosecution by a law enforcement agency involving an offense enumerated under subsection (d) 1.
   (1301.11a added July 10, 2014, P.L.1053, No.126)
Section 1301.11b. Revocation of Finder Registration.--(a)
After notice and an opportunity for a hearing, the State Treasurer may revoke, suspend or refuse to issue or renew a certificate of registration if the following are found:
   1. The person violated a provision of this article or the regulations promulgated under this article or has been convicted of a felony or an offense of:
      (i) theft or other related offenses against property as enumerated under 18 Pa.C.S. Ch. 39 (relating to theft and related offenses) or its equivalent if committed in another jurisdiction;
      (ii) forgery or other fraudulent practices as enumerated in 18 Pa.C.S. Ch. 41 (relating to forgery and fraudulent practices) or its equivalent if committed in another jurisdiction; or
      (iii) perjury, false swearing, fraud or other offense as enumerated in 18 Pa.C.S. Ch. 49 Subch. A (relating to perjury and falsification in official matters) or its equivalent if committed in another jurisdiction.
   2. In the opinion of the State Treasurer, the person's conduct as a finder of abandoned or unclaimed property undermines the confidence of the public or warrants the belief that the person's business will not be conducted honestly and fairly.
   (b) The State Treasurer may investigate an allegation or complaint of misconduct involving an applicant for or a person holding a certification of registration.
   (c) In conducting an investigation under this section, the State Treasurer may compel, by subpoena, witnesses to testify in relation to any alleged misconduct or complaint and may require the production of a book, record or other document
pertaining to that matter. If a person fails to file a statement or report, obey a subpoena, give testimony, produce a book, record or other document as required by a subpoena, or permit photocopying of a book, record or other document subpoenaed, the Commonwealth Court, upon application made to it by the State Treasurer, may compel obedience by an attachment proceeding for contempt, as in the case of disobedience of the requirements of a subpoena issued by the court or a refusal to testify in the court.

(d) If a person is engaged in an activity that constitutes a violation of this article or has attempted or committed an offense identified under subsection (a)1, the State Treasurer shall immediately revoke the certificate of registration of the person.

(1301.11b added July 10, 2014, P.L.1053, No.126)

Section 1301.11c. Appeals.--(a) The Commonwealth Court shall be vested with exclusive appellate jurisdiction to consider appeals of a final order, determination or decision of the State Treasurer involving the issuance, nonissuance, renewal, nonrenewal, revocation or suspension of a certification of registration under this article.

(b) Notwithstanding law to the contrary, orders, determinations or decisions of the State Treasurer involving the issuance, nonissuance, renewal, nonrenewal, revocation or suspension of a certification of registration under this article shall be affirmed unless it is found that the State Treasurer committed an error of law or that the order, determination or decision was arbitrary and there was a capricious disregard of the evidence.

(1301.11c added July 10, 2014, P.L.1053, No.126)

Section 1301.12. Notice and Publication of Lists of Property Subject to Custody and Control of the Commonwealth under this Article.--(a) Within twelve (12) months from the filing of the report required by section 1301.11, the State Treasurer shall cause notice to be published at least once in a legal newspaper as well as an English language newspaper of general circulation in the county in which the owner of the property had a last known address appearing from the verified report filed by the holder or, if there is no name or address or the owner is not a Pennsylvania resident, then at least one time in the Pennsylvania Bulletin. Notice shall also be posted on the Internet website of the Treasury Department.

(b) The published notice shall be entitled "Notice of Names of Persons Appearing to be Owners of Abandoned and Unclaimed Property," and shall contain:
1. The names of persons listed in the report and entitled to notice within the county as hereinbefore specified and the name and address of the holder;
2. A statement that information concerning the amount or description of the property and the name and address of the holder may be obtained by any persons possessing an interest in the property by addressing an inquiry to the holder;
3. A statement that a proof of claim should be presented by the owner to the holder within three (3) months from the date of the published notice, and that thereafter claims should be filed with the State Treasurer.

(c) The State Treasurer is not required to include in such notice published in an English language newspaper of general circulation any item of less than two hundred fifty dollars ($250) or to include in such notice published in a legal newspaper any item of less than two hundred fifty dollars
($250), unless the State Treasurer, in either instance, deems such publication to be in the public interest.

(d) Within nine (9) months from the receipt of the report required by section 1301.11, the State Treasurer shall mail a notice to each person having an address listed who appears to be entitled to property of the value of two hundred fifty dollars ($250) or more subject to custody and control of the Commonwealth under this article. The mailed notice shall contain:

1. A statement that, according to a report filed with the State Treasurer, property is being held to which the addressee appears entitled;
2. The name and address of the holder of the property and any necessary information regarding changes of name and address of the holder;
3. A statement that, if satisfactory proof of claim is not presented by the owner to the holder by the date specified in the published notice, claims should thereafter be filed with the State Treasurer.

(e) This section is not applicable to sums payable on travelers checks and money orders or to property reported to be without a rightful or lawful owner.

(f) Compliance with the publication requirements of this section shall be based on the best available commercial rates and subject to available appropriations.

(1301.12 amended July 13, 2016, P.L.664, No.85)

Section 1301.13. Payment or Delivery.--(a) Every person who holds property subject to the custody and control of the Commonwealth shall, after compliance with section 1301.11, where required, and on or before April 15 of the year following the year in which the property first became subject to custody and control of the Commonwealth under this article, pay or deliver to the State Treasurer all property subject to custody and control of the Commonwealth under this article, except that, if the owner establishes his right to receive the property to the satisfaction of the holder, or if it appears that for some other reason the property is not then subject to custody and control of the Commonwealth under this article, the holder need not pay or deliver the property to the State Treasurer, but in lieu thereof shall file a verified written explanation of the proof of claim or as to the reason the property is not subject to custody and control of the Commonwealth.

(b) A receipt shall be issued, on behalf of the Commonwealth, for all property received under this article.

(c) Notwithstanding subsection (a) of this section, in the case of the deposits and the sums payable under clauses 1 and 3 of section 1301.3 the amount of such deposits and such sums shall be paid to the State Treasurer on or before the final date for filing the report required by section 1301.11.

(d) Any person who holds property which may become subject to the custody and control of the Commonwealth pursuant to this act may, with the consent of the State Treasurer, report and deliver such property prior to the expiration of any holding period specified for such reporting. Any person who pays or delivers property prior to the expiration of such holding period shall be relieved of further liability pursuant to section 1301.14. Property thus reported may be disposed of pursuant to section 1301.17, but in no event shall the period for filing of claims be diminished by such early delivery or disposition.

(1301.13 amended June 29, 2002, P.L.614, No.91)

Section 1301.14. Relief from Liability by Payment or Delivery.--Upon the payment or delivery of the property to the
State Treasurer, the Commonwealth shall assume custody and shall
be responsible for the safekeeping thereof. Any person who pays
or delivers property to the State Treasurer under this article
is relieved of all liability with respect to the safekeeping
of such property so paid or delivered for any claim which then
exists or which thereafter may arise or be made in respect to
such property. Any holder who has paid moneys to the State
Treasurer pursuant to this article may make payment to any
person appearing to such holder to be entitled thereto. In the
case of deposits and sums paid to the State Treasurer under
subsection (c) of section 1301.13, financial institutions shall
make payment to any person appearing to such financial
institution to be entitled thereto. Upon proof of such payment
by a holder and proof that the payee was entitled thereto, the
State Treasurer shall forthwith reimburse the holder for such
payment together with interest from the date of receipt of such
proofs by the State Treasurer to a date within thirty (30) days
of the date of mailing of the reimbursement. Interest under
this section shall be at the rate prevailing for tax over
payments on the date of receipt of the proofs by the State
Treasurer as provided for in section 806 of this act.

(1301.14 amended June 29, 2002, P.L.614, No.91)

Section 1301.15. Income Accruing After Payment or
Delivery.--When property is paid or delivered to the State
Treasurer under this article, the owner is entitled to receive
income or other increments actually received by the State
Treasurer.

(1301.15 amended June 29, 2002, P.L.614, No.91)

Section 1301.16. Periods of Limitation.--Except as
hereinbelow set forth, the expiration of any period of time
specified by statute or court order, during which an action may
be commenced or maintained, or could have been commenced or
maintained, by the owner against the holder of the property,
shall not prevent such property from being subject to the
custody and control of the Commonwealth under this article, nor
affect the duty to file a report or to pay or deliver the
property to the State Treasurer, as required by this article,
or bar any action by the State Treasurer under this article,
provided that:

1. If any holder required to file a report under any act
in effect prior to the effective date of this article, or under
this article, has filed or files a report, no action shall be
commenced or maintained against such holder unless it has been
or is commenced within fifteen (15) years after such report has
been or is filed.

2. If any holder was not required to file a report under
any act in effect prior to the effective date hereof, no action
shall be commenced or maintained unless it has been or is
commenced within fifteen (15) years after the property first
became escheatable or payable into the State Treasury without
escheat.

(1301.16 amended June 29, 2002, P.L.614, No.91)

Section 1301.17. Disposition of Property.--(a) Within a
reasonable time after delivery to the State Treasurer of any
property under this article, the State Treasurer may sell it
to the highest bidder at public sale in whatever city in the
Commonwealth affords, in the State Treasurer's judgment, the
most favorable market for the property involved. The State
Treasurer may decline the highest bid or reoffer the property
for sale if the State Treasurer considers the price bid
insufficient. The State Treasurer need not offer any property
for sale, if, in the State Treasurer's opinion, the probable cost of sale exceeds the value of the property.

(b) If the property is of a type customarily sold on a recognized market or of a type which is subjected to widely distributed standard price quotations, the State Treasurer may sell the property without notice by publication or otherwise. The language provided in this section grants to the State Treasurer express authority to sell any property, including, but not limited to, stocks, bonds, notes, bills and all other public or private securities.

(c) Property reported or delivered to the custody or control of the State Treasurer pursuant to this act may be donated to the use of the Commonwealth or any of its political subdivisions or otherwise consumed or discarded, at the discretion of the State Treasurer where, in the opinion of the State Treasurer, the costs associated with delivery, notice or sale exceed the value of the property. Property which is refused or is to be donated to the use of a political subdivision shall first be offered to the political subdivision which holds the property. A donee or purchaser at any sale conducted by the State Treasurer pursuant to this article shall receive title to the property purchased, free from all claims of the owner or prior holder thereof and of all persons claiming through or under them. The State Treasurer shall execute all documents necessary to complete the transfer of title.

(d) The State Treasurer shall be responsible to an owner only for the amount actually received by the State Treasurer upon the sale of any property pursuant to subsections (a), (b) and (c).

(e) The State Treasurer shall be required to sell all stocks, bonds and other negotiable financial instruments upon receipt of such items. The State Treasurer shall not be held liable for any loss or gain in the value that the financial instrument would have obtained had the financial instrument been held instead of being sold.

(1301.17 amended June 29, 2002, P.L.614, No.91)

Section 1301.18. Deposit of Funds.--(a) Except as provided in subsection (a.1), all funds received under this article, including the proceeds from the sale of property under section 1301.17, shall forthwith be deposited by the State Treasurer in the General Fund of the Commonwealth except that the State Treasurer shall retain in a separate trust fund an amount not exceeding twenty-five thousand dollars ($25,000) plus twenty per centum of deposits and sums paid to the State Treasurer under subsection (c) of section 1301.13 during the preceding twelve (12) months from which the State Treasurer shall make reimbursements under section 1301.14 and prompt payment of claims duly allowed under section 1301.19. Before making the deposit, the State Treasurer shall record the name and last known address of each person appearing from the holders' reports to be entitled to the property and of the name and last known address of each insured person or annuitant, and with respect to each policy or contract listed in the report of an insurer, its number, the name of the insurer and the amount due. The record with respect to any specific claim shall be available to the claimant at all regular business hours.

(a.1) (1) On or before the thirtieth day of June, all of the funds received under clause 6 of section 1301.9 shall forthwith be deposited annually by the State Treasurer in the Crime Victim's Compensation Fund.

(2) Of these funds, the State Treasurer shall transfer five per centum in a special fund hereby established in the State
Treasury to be designated the Rightful Owners' Claims Payment Fund from which the State Treasurer shall make reimbursements and prompt payments of claims for funds received under clause 6 of section 1301.9 duly allowed as provided by this act.

(3) If at any time the State Treasurer determines that there are insufficient funds in the Rightful Owners' Claims Payment Fund to pay all claims duly allowed by the State Treasurer or by order of a court of law to be paid, the State Treasurer shall withdraw from the Crime Victim's Compensation Fund an amount sufficient to pay such claims and need only notify the administrators of the Crime Victim's Compensation Fund as to when and what amount shall be withdrawn.

(4) If, however, the Rightful Owners' Claims Payment Fund has sufficient funds to satisfy all claims duly allowed by the State Treasurer or by order of a court of law to be paid throughout the twelve (12) month period immediately following the annual deposit by the State Treasurer in the Crime Victim's Compensation Fund, the remaining balance, if any, of the five per centum transferred by the State Treasurer during the preceding year shall be transferred to the Crime Victim's Compensation Fund.

(5) Before making the deposit in the Crime Victim's Compensation Fund and the Rightful Owners' Claims Payment Fund, the State Treasurer shall record the name and last known address of each person appearing from the holders' reports to be entitled to the property. The record with respect to any specific claim shall be available to the claimant at all regular business hours.

(6) Notwithstanding any other provision of this subsection, the State Treasurer shall make reimbursements and prompt payment of claims for funds received under clause 6 of section 1301.9 first under clause (2) of this subsection and then from other available sources as provided by this act.

(b) The General Assembly shall annually appropriate to the State Treasurer such funds as it deems necessary and appropriate to administer this article.

(1301.18 amended Dec. 23, 2003, P.L.243, No.45)

Section 1301.19. Claim for Property Paid or Delivered.--Any person claiming an interest in any property paid or delivered to the Commonwealth under this article may file a claim thereto or to the proceeds from the sale thereof on the form prescribed by the State Treasurer.

(1301.19 amended June 29, 2002, P.L.614, No.91)

Section 1301.20. Determination of Claims.--(a) The State Treasurer shall consider any claim filed under this article and may hold a hearing and receive evidence concerning it. If a hearing is held, the State Treasurer shall prepare a finding and a decision in writing on each claim filed, stating the substance of any evidence heard by the State Treasurer and the reasons for the State Treasurer's decision. The decision shall be a public record.

(b) If the claim is allowed, the State Treasurer shall make payment forthwith.

(1301.20 amended June 29, 2002, P.L.614, No.91)

Section 1301.21. Judicial Action upon Determinations.--(a) Any person aggrieved by a decision of the State Treasurer may appeal to the Commonwealth Court. The appeal shall be filed within thirty (30) days after the decision of the State Treasurer. The case shall be heard in Commonwealth Court's appellate jurisdiction.

(b) Any person as to whose claim the State Treasurer has failed to take action within ninety (90) days after the filing
of the claim may commence an action in the Commonwealth Court to establish his claim within one hundred twenty (120) days from the filing of the claim. The action shall be tried de novo without a jury.

(1301.21 amended July 4, 2008, P.L.629, No.53)

Section 1301.22. Election to Take Payment or Delivery.--The State Treasurer may decline to receive any item of property reported, in which event the holder thereof shall be discharged of any liability to the Commonwealth with respect thereto. Unless the holder of the property is notified to the contrary within ninety (90) days after filing the report required under section 1301.11, the State Treasurer shall be deemed to have elected to receive the custody of the property.

(1301.22 amended June 29, 2002, P.L.614, No.91)

Section 1301.23. Examination of Records.--(a) The State Treasurer may require a person who has not filed a report, or a person who the State Treasurer believes has filed an inaccurate, incomplete or false report, to file a verified report in a form specified by the State Treasurer. The report must state whether the holder or agent thereof is holding property reportable under this article, describe property not previously reported or as to which the State Treasurer has made inquiry and specifically identify and state the amounts of property that may be in issue.

(b) The State Treasurer, at reasonable times and upon reasonable notice, may examine the records of any person or agent thereof to determine whether the person has complied with this article. The administrator may conduct the examination even if the person believes it is not in possession of any property that must be reported, paid or delivered under this article. The State Treasurer may contract with any other person to conduct the examination on behalf of the State Treasurer, the selection of whom shall not be questioned.

(c) The State Treasurer at reasonable times may examine the records of an agent, including a dividend disbursing agent or transfer agent, of a business association or financial association that is the holder of property presumed abandoned if the administrator has given the notice required by subsection (b) to both the association or organization and the agent at least 90 days before the examination.

(d) Documents and working papers obtained or compiled by the State Treasurer, or the State Treasurer's agents, employees or designated representatives, in the course of conducting an examination are confidential and are not public records, but the documents and papers may be:

1. used by the State Treasurer in the course of an action to collect unclaimed property or otherwise enforce this article;
2. used in joint examinations conducted with or pursuant to an agreement with another state, the Federal Government or any other governmental subdivision, agency or instrumentality;
3. produced pursuant to subpoena or court order; or
4. disclosed to the abandoned property office of another state for that state's use in circumstances equivalent to those described in this subdivision if the other state is bound to keep the documents and papers confidential.

(e) If an examination of the records of a holder results in the disclosure of property reportable under this article, the State Treasurer may assess the cost of the examination against the holder at the rate of two hundred dollars ($200) a day for each examiner, or a greater amount that is reasonable and was incurred, but the assessment may not exceed the value of the property found to be reportable. The cost of an
examination made pursuant to subsection (c) may be assessed only against the business association or financial institution.

(f) If, after the effective date of this section, a holder does not maintain the adequate records and the records of the holder that are available are insufficient to permit the preparation of a report, the State Treasurer may require the holder to report and pay to the State Treasurer the amount the State Treasurer reasonably estimates, on the basis of any available records of the holder or by any other reasonable method of estimation that the State Treasurer may select.

Section 1301.24. Proceeding to Compel Reporting or Delivery.--(a) If any person refuses to report or to pay or deliver property to the State Treasurer as required under this article, including property subject to written demands pursuant to section 1301.3 and the amount required to be paid pursuant to section 1301.23(b), the Commonwealth shall bring an action in a court of appropriate jurisdiction to enforce reporting or delivery. In any such action the Pennsylvania Rules of Civil Procedure shall apply, including without limitation those pertaining to discovery. The State Treasurer bears the burden of proof regarding the estimation of the value of property pursuant to this article.

(b) If any holder fails, without proper cause, (i) to report or (ii) to pay and deliver to the State Treasurer property subject to custody and control of the Commonwealth under this article, such holder shall be liable to pay to the State Treasurer interest at the rate of twelve per centum per annum from the time such report should have been filed, to be computed on the value of such property as established in an action by the State Treasurer under subsection (a), and such interest shall be recoverable in the same action.

(c) If a holder fails, without proper cause, to report or to pay and deliver to the State Treasurer property subject to custody and control of the Commonwealth under this article, the holder shall pay a penalty not to exceed one thousand dollars ($1,000) per day to the State Treasurer beginning with the day after the report should have been filed and continuing each day thereafter until a proper report is filed with the State Treasurer. The State Treasurer may waive all or a portion of the penalty for good cause. ((c) added July 10, 2014, P.L.1053, No.126)

(1301.24 amended June 29, 2002, P.L.614, No.91)

Section 1301.25. Penalties.--(a) Any person who, without proper cause, fails to render any report or perform other duties required under this article, shall, upon conviction in a summary proceeding be sentenced to pay a fine of one hundred dollars ($100) for each day such report is withheld, but not more than ten thousand dollars ($10,000).

ARTICLE XIV
LIEN OF ACCOUNTS DUE THE COMMONWEALTH AND PROCEDURE IN CASE OF NONPAYMENT

Section 1401. Liens of Taxes, Interest, Penalties, and Other Accounts Due to the Commonwealth.--All State taxes imposed under the authority of any law of this Commonwealth, now existing or that may hereafter be enacted, and unpaid bonus, penalties, and all public accounts settled, assessed or determined against any corporation, association, or person, including interest thereupon, shall be a first lien upon the franchises and property, both real and personal, of such corporation, association, or person, from the date of settlement, assessment or determination, except as otherwise expressly provided by law under which the claim of the Commonwealth arises, and whenever the franchise or property of a corporation, association or person shall be sold at a judicial sale, all taxes, interest, bonus, penalties, and public accounts due the Commonwealth shall first be allowed and paid out of the proceeds of such sale before any judgment, mortgage, or any other claim or lien against such corporation, association, or person except as otherwise expressly provided by law under which the claim of the Commonwealth arises: Provided, however, Where the lien of a ground rent, mortgage, or other lien created by or entered against a predecessor in title to such corporation, association, or person, or of any mortgage or other lien to which priority over the Commonwealth's lien is allowed by the provisions of the law under which the claim of the Commonwealth arises is discharged by a judicial sale, the lien of the Commonwealth shall be transferred from the property sold to the fund realized from the sale, and the purchaser shall take free of the lien of the Commonwealth, notwithstanding that the fund may be insufficient to pay all or any part of the same, unless such sale is upon a lien subordinate to the Commonwealth's lien in which case the Commonwealth's lien to the extent not paid from the proceeds shall continue in full force and effect. On distribution of the fund, the Commonwealth's lien shall be postponed in payment to said lien or liens created by or entered against such predecessor in title or other mortgagee or lien holder having priority as aforesaid, but shall not be postponed in payment to local taxes or municipal claims, except as otherwise expressly provided by law under which the claim of the Commonwealth arises: Provided further, That the Department of Revenue, with the approval of the Attorney General and Auditor General, may release from the lien of such taxes, such part or parts of the real property of any corporation, as may be requested by such corporation or owners or lien creditors
thereof, upon payment of such proportionate part of the taxes due as the value of the real property released bears to the value of all the real property bound by such lien, except in cases where the value of the real property requested to be released is less than the proportionate share of the taxes due, then upon payment of such portion of the taxes due as may be deemed equitable by the Department of Revenue, with approval of the Attorney General and Auditor General, not exceeding, however, the value of the real property requested to be released, and the department shall furnish the person or corporation paying such tax with a certificate showing the property released, which certificate may be recorded in the office of the recorder of deeds of the county in which the land lies. But the lien of transfer inheritance taxes shall be limited to the property chargeable therewith, and, unless such taxes shall be sued for within five years after they are due, they shall cease to be a lien as against any purchaser of real estate.

Compiler's Note: Section 302(a) of Act 177 of 1988, known as the General Association Act of 1988, provided that the penultimate sentence of section 1401 is repealed insofar as it relates to the release of lien as provided by 15 Pa.C.S. §§ 1957(c) and 5957(c).

Section 1402. Protection of Commonwealth Liens on Judicial Sales.—It shall be the duty of the Department of Revenue, after receiving notice as aforesaid, to settle according to law all tax, bonus or other public accounts for which reports have been filed, and to make estimated settlements of all tax, bonus or other public accounts for which reports have not been filed to date of such sale, whether or not reports for such tax, bonus or other public accounts are due, and to furnish to the sheriff, receiver, trustee, assignee, master, or other officer having charge of the sale, a certified statement of account showing all unpaid taxes, bonus, or other public accounts on file in the department, as liens against such corporation, limited partnership, or joint-stock association, and, in the case of no liens, a certificate showing that fact.

Compiler's Note: Section 2(a) of Act 53 of 1978 provided that the reference in section 1402 of the act to "notice as aforesaid" shall be deemed a reference to notice pursuant to 42 Pa.C.S. § 8141 (relating to notice to Department of Revenue of judicial sale of property).

Section 1403. Protection of Commonwealth's Tax Claims in Case of Bulk Sales or Sales of Real Estate or Auction Sales.—(a) Every corporation, joint-stock association, limited partnership, or company, which shall sell or transfer in bulk fifty-one per centum or more of any stock of goods, wares, or merchandise of any kind, fixtures, machinery, equipment, buildings, or real estate, shall give the Department of Revenue ten days' notice of the sale or transfer prior to the completion of the transfer of such property. It shall also be the duty of every corporation, joint-stock association, limited partnership or company to file all State tax reports with the Department of Revenue, to and including the date of such proposed transfer of property, and pay all taxes due the Commonwealth to and including said date. The seller or transferer shall present to the purchaser of such property a certificate from the Department
of Revenue, showing that all State tax reports have been filed and all State taxes paid to and including the date of the proposed transfer. The failure of the purchaser to require this certificate shall render such purchaser liable to the Commonwealth for the unpaid taxes owing by the seller or transferer to and including the date of such transfer, whether or not at that time such taxes have been settled, assessed, or determined: Provided, That nothing contained in this act shall apply to sales or transfers made under any order of court, or to any sales or transfers made by assignees for the benefit of creditors, executors, administrators, receivers, or any public officer in his official capacity, or by any officer of a court. Whenever it shall become necessary for the department to make an estimated tax settlement for the purpose of issuing a certificate under the provisions of this section, the department may strike off such an estimated settlement when the annual tax report is settled. ((a) amended July 13, 1957, P.L.838, No.388)

(b) Every corporation, joint-stock association, limited partnership, or company, which shall sell or cause to be sold at auction, in one or more sales at such action, a total of fifty-one per centum or more of any stock of goods, wares or merchandise of any kind, fixtures, machinery, equipment, buildings, or real estate, shall give the Department of Revenue ten (10) days' notice of such auction sale prior to the completion of the transfer of such property. It shall also be the duty of every corporation, joint-stock association, limited partnership, or company, to file all State tax reports with the Department of Revenue to the date of such proposed transfer of property and pay all taxes due the Commonwealth to said date. Every such corporation, joint-stock association, limited partnership, or company, shall present to the person conducting such auction sale a certificate from the Department of Revenue showing that all State tax reports have been filed and all State taxes paid to the date of the proposed sale. The person conducting such sale shall require such certificate before he makes any distribution other than to the Commonwealth of the fund realized at such sale upon any such action. ((1403 amended June 6, 1939, P.L.261, No.145)

Section 1404. Entry of Tax Liens; Scire Facias.--The Department of Revenue may, at any time, transmit to the prothonotaries of the respective counties of the Commonwealth, to be by them entered of record, certified copies of all liens for State taxes, unpaid bonus, interest, and penalties, which may now exist, or hereafter arise, by virtue of any law of this Commonwealth, upon which record it shall be lawful for writs of scire facias to issue and be prosecuted to judgment and execution, in the same manner as such writs are ordinarily employed.

Whenever the law under which the claim of the Commonwealth arises provides a time for the expiration of such lien, the Commonwealth may revive the same for a period of five years, and thereafter for successive periods of five years, by filing with the prothonotary a suggestion of nonpayment and an averment of default prior to the expiration thereof in form substantially as provided herein, each such suggestion and averment to be effective as a revival of the lien for a period of five years only from the date of the filing thereof, and such lien, unless paid or divested, shall continue in full force and effect until a period of five years has elapsed without the revival thereof by the filing of a suggestion and averment as aforesaid. The suggestion and averment shall be in substantially the following form, under the caption of the claim:
AND NOW, 19, the Commonwealth of Pennsylvania, by the Secretary of Revenue, Claimant herein, suggests of record, that the above claim is still due and owing to the claimant, and avers that the above named defendant is still in default for nonpayment thereof. The prothonotary is directed to enter this suggestion and averment on the proper docket of said claim, and also to index it in the judgment index for the purpose of continuing the lien of said claim.

The prothonotary shall docket and index such suggestion and averment as directed therein. The filing and indexing of such suggestion and averment within the prescribed period shall have the same force and effect for the purposes of continuing and preserving the lien of the claim as though a writ of scire facias had been issued or a judgment of revival had been obtained within such period. (Par. repealed in part Apr. 28, 1978, P.L.202, No.53)

(1404 amended Aug. 7, 1963, P.L.559, No.296)

Compiler's Note: Section 1404 was suspended by Pennsylvania Rule of Civil Procedure No. 3191(b), adopted March 5, 1997, insofar as it may authorize the sale of real estate subject to tax liens on writ of scire facias.

Section 1404.1. Automatic Revival and Priority of Tax Liens.--All tax liens required to be filed by the Department of Revenue shall continue and shall retain their priority without the necessity of refiling or revival. All tax liens shall have priority to and be fully paid before any other obligation, judgment, claim, lien or estate paid and satisfied out of the judicial sale of the real and personal property with which that property may subsequently become charged or for which that property may subsequently become liable, subject, however, to mortgage or other liens existing and duly recorded at the time the tax lien is recorded, except for the cost of sale and the writ upon which the sale is made and real estate taxes imposed or assessed upon that property.

Section 1405. Collection of Taxes, Et Cetera, by Department of Justice.-- Whenever any taxes, bonus, interest, penalties, and public accounts, are not paid within ninety (90) days:

(2) From the date of resettlement, if no petition for review has been filed; or

(3) From the date of the decision of the Board of Finance and Revenue, upon a petition for review, or the expiration of said board's time for acting upon such petition, if no appeal has been filed; and in all cases of judicial sales, assignments, or bankruptcies, the Department of Revenue shall call upon the Department of Justice to collect the same.

(c) The Department of Justice, at its discretion, is further authorized, when requested by the Department of Revenue so to do, to bring suit, in the name of the Commonwealth, in any court of competent jurisdiction outside of Pennsylvania, for the recovery of any sum due, owing, or payable, for or on account of any tax imposed by law upon the transfer of property within this Commonwealth, of which a nonresident of the Commonwealth may have died seized or possessed, or for or on account of any other tax or debt due the Commonwealth, with costs of suit.

Section 1407. Collection of Amount of Estimated Settlement Against City or County Officers.--If the amount of any account, settled in accordance with section 903 of this act, shall not be paid into the State Treasury, through the Department of Revenue, within fifteen days from the date of settlement of such account, the same shall be placed in the hands of the Department of Justice for collection, and if the Department of Revenue shall deem it conducive to the public interest to proceed immediately upon such account against the sureties of such officer, the Department of Revenue shall request the Department of Justice so to do, and the Department of Justice shall proceed in accordance with such request.

In any suit brought by the Commonwealth against such defaulting officer or his sureties, interest shall be allowed and computed in favor of the Commonwealth, from the time the public money sued for came to the hands or should have been in the hands of such officer.

(B) thirty calendar days after receipt of a proper invoice for the amount of the payment due, if a specific date on which payment is due is not established by contract;
(ii) shall specify separate required payment dates for contracts under which property or services are provided in a series of partial executions or deliveries, to the extent that such contract provides for separate payment of such partial execution or delivery;
(iii) shall require that prior to the date upon which payment without an interest penalty is due, Commonwealth agencies notify the business concern or qualified small business concern of any defect in goods and services or impropriety in such invoice which would prevent the running of the time periods specified in this paragraph; and
(iv) may require any qualified small business concern to present on or with the invoice a statement that it meets the definition of a qualified small business concern contained in this section.

(b) (1) Interest penalties payable on amounts due to a business concern or qualified small business concern under this section shall be paid to the business concern for the period beginning on the day after the required payment date and ending on the date on which payment on the amount due is made, except no interest penalty shall be paid if payment for the complete delivered item of property or service concerned is made on or before the fifteenth calendar day after the required payment date.

(2) Interest shall be computed at the rate determined by the Secretary of Revenue for interest payments on overdue taxes or the refund of taxes as provided in sections 806 and 806.1 and any subsequent amendments to those sections.

(3) Interest may be paid by separate payment made to a business concern or qualified small business concern within thirty days of payment of the original invoice.

(4) Any amount of an interest penalty imposed because of a debt which remains unpaid at the end of any thirty day period shall be added to the principle amount of the debt and thereafter interest penalties shall accrue on such added amount.

(c) A Commonwealth agency shall pay any interest penalties required by this section out of funds made available for the administration or operation of the program for which the penalty was incurred, or from general administrative funds of the agency. Nothing in this section shall be construed to require payment of interest penalties from Federal funds if such payment is prohibited by Federal law or regulation.

(d) Claims for interest penalties which a Commonwealth agency has failed to pay in accordance with the requirements of this section may be filed with the Board of Arbitration of Claims following the exhaustion of other appropriate administrative or contractual remedies. If a claim for interest penalties is filed under this subsection, the jurisdictional
amount in controversy requirement established by section 4 of the act of May 20, 1937 (P.L.728, No.193), referred to as the Board of Claims Act, shall not be applicable to such proceedings.

(e) This section shall not be construed to require interest penalties on payments which are not made by the required payment date by reason of a dispute between a Commonwealth agency and a business concern or qualified small business concern over the amount of that payment or other allegations concerning compliance with a contract. Claims concerning any such dispute, and any interest which may be payable with respect to the period while the dispute is being resolved, may be filed with the Board of Arbitration of Claims, following the exhaustion of other appropriate administrative or contractual remedies, if the claim meets the other jurisdictional requirements of the board. Interest penalties awarded by the board, if any, shall be computed at the rate established by subsection (b)(2).

ARTICLE XVI-E
OIL AND GAS WELLS
(Art. added Oct. 9, 2009, P.L.537, No.50)

SUBARTICLE A
PRELIMINARY PROVISIONS
(Subart. added Oct. 9, 2009, P.L.537, No.50)

Section 1601-E. Definitions.

The following words and phrases when used in this article shall have the meanings given to them in this subarticle unless the context clearly indicates otherwise:

"Department." The Department of Conservation and Natural Resources of the Commonwealth.

"Fund." The Oil and Gas Lease Fund. (Def. amended Oct. 30, 2017, P.L.725, No.44)

"Marcellus well." An active production well certified by the Department of Environmental Protection as a well from which gas from the Marcellus Shale formation, as determined by the United States Geological Survey, was extracted during the fiscal year, including wells on Commonwealth and non-Commonwealth land.

(1601-E added Oct. 9, 2009, P.L.537, No.50)

Section 1601.1-E. Legislative findings.

The General Assembly finds and declares as follows:

(1) Revenue from the leasing of State land to extract natural gas is necessary to obtain the revenue necessary to effectuate the act of July 10, 2014 (P.L.3052, No.1A), known as the General Appropriation Act of 2014.

(2) Leases utilized by the department include provisions that are highly protective of the ecological integrity of State forest lands and carefully crafted to minimize impacts
to rare and endangered plants, wildlife and their habitat and the vast number of streams and watersheds that are part of State forest and park lands.

(3) Leases utilized by the department for shale gas provide for enhanced environmental and surface protections, including:

(i) Increased setback distances from critical recreation infrastructure, streams and water features, State parks and designated wild and natural areas.

(ii) Limiting the amount of surface area disturbed, prohibiting shallow well drilling and authorizing the application of strict forestry resource management principles.

(iii) Limiting the number of well pads allowed to be constructed on the lease tract; providing for deep drilling insurance; and prohibiting the development of the ecologically sensitive areas, including designated wild and natural areas and areas of special consideration, without the department's prior written approval.

(4) The department continually updates and employs best management practices when managing oil and gas activities on State forest lands to ensure that shale gas activities are consistent with the recreational and ecological uses of State forest.

(5) The department has implemented a Shale Gas Monitoring Program to monitor, evaluate and report any impacts of shale gas development on the State forest system.

(6) The fund is not a constitutional trust.

(7) Money in the fund has increased exponentially from the extraction of shale gas and the implementation of new gas extraction techniques.

(8) The Commonwealth's role as trustee of the public's natural resources is broader and more comprehensive than just conserving the State forest and parks.

(9) The General Assembly affirms its intent that:

(i) The department should continue the operation of the shale gas monitoring activities program to monitor, evaluate and report the impacts of shale gas activities in State forest and, in consultation with the Governor's Office, utilize data received from ongoing monitoring to adjust its management planning and practices.

(ii) The department should consider the State forest and park lands as one of the Commonwealth's interests when considering whether or not to lease additional State forest and park lands and determining what is in the best interests of the Commonwealth. Interest involved in decisions relating to leasing State forest and park lands should not be made to the exclusion of all other interests of the Commonwealth.

(iii) Notwithstanding any other law to the contrary, it is in the best interest of the Commonwealth to lease oil and gas rights in State forests and parks if the department:

(A) in consultation with the Governor, continues strong and effective lease protections, best management practices and ongoing monitoring programs on the impact of gas operations; and

(B) maintains a balance of money in the fund to carry out the department's statutory obligation to
protect State forest and park land and other
environmental activities.

(10) If a balance in the funds is adequate to achieve
the purposes of paragraph (9), transfers to the General Fund
are permissible.

Section 1601.2-E. Oil and Gas Lease Fund.
(a) Continuation.--The fund is continued as a special fund
in the State Treasury.
(b) Sources.--The following shall be deposited into the
fund:

(1) Rents and royalties from oil and gas leases of land
owned by the Commonwealth, except rents and royalties
received from game and fish lands.
(2) Amounts as provided under section 5 of the act of
October 8, 2012 (P.L.1194, No.147), known as the Indigenous
Mineral Resources Development Act.
(3) Any other money appropriated or transferred to the
fund.
(c) Use.--Money in the fund may only be used as provided
under subsection (e) or as annually appropriated by the General
Assembly. In making an appropriation from the fund, the General
Assembly shall consider the Commonwealth's trustee duties under
section 27 of Article I of the Constitution of Pennsylvania.
(d) Priority.--Money appropriated from the fund under a
General Appropriation Act or other appropriation act shall be
distributed prior to allocations under subsection (e).
(e) Annual transfers.--The following apply:

(1) (i) Except as provided under subparagraph (ii),
for the 2017-2018 fiscal year and each fiscal year
thereafter, $20,000,000 shall be transferred from the
fund to the Marcellus Legacy Fund for distribution to
the Environmental Stewardship Fund.
(ii) No amount shall be transferred from the fund
to the Marcellus Legacy Fund for distribution to the
Environmental Stewardship Fund for the 2019-2020 fiscal
year.
(2) For the 2017-2018 fiscal year and each fiscal year
thereafter, $15,000,000 shall be transferred from the fund
to the Marcellus Legacy Fund for distribution to the
Hazardous Sites Cleanup Fund.

(1601.2-E added Oct. 30, 2017, P.L.725, No.44)
Section 1602-E. Appropriation.
Notwithstanding any other provision of law and except as
provided in section 1603-E, no money in the fund from royalties
may be expended unless appropriated or transferred to the
General Fund by the General Assembly from the fund. In making
appropriations, the General Assembly shall consider the adoption
of an allocation to municipalities impacted by a Marcellus well.

Section 1603-E. Department of Conservation and Natural
Resources.
Subject to the availability of money in the fund following
transfers, up to $50,000,000 from the fund from royalties shall
be appropriated annually to the department to carry out the
purposes set forth in the act of December 15, 1955 (P.L.865,
No.256), entitled "An act requiring rents and royalties from
oil and gas leases of Commonwealth land to be placed in a
special fund to be used for conservation, recreation, dams, and
flood control; authorizing the Secretary of Forests and Waters
to determine the need for and location of such projects and to
acquire the necessary land." The department shall give preference to the operation and maintenance of State parks and forests.

The Environmental Quality Board shall undertake a review of the existing bond requirements for conventional oil and gas wells. (b) Definition.--As used in this section, the term "conventional oil or gas well" means any oil or gas well which is not an unconventional well as defined in 58 Pa.C.S. § 3203 (relating to definitions).

(1606-E added July 2, 2012, P.L.823, No.87)

Section 1607-E. Oil and gas operations in the South Newark Basin.

(2) The report under paragraph (1) revealed a mean average of 876,000,000,000 cubic feet of total undiscovered natural gas resources in the South Newark Basin assessment unit.

(3) The unique geologic and geochemical characteristics of the South Newark Basin evaluated in the report under paragraph (1) have not been adequately evaluated by the Commonwealth and are deserving of further study.

(b) Well permits.--The Department of Environmental Protection may not issue well permits under 58 Pa.C.S. Ch. 32 (relating to development) to engage in oil and gas operations within the geographic boundaries of the South Newark Basin, as defined by the report under subsection (a), until all of the following have occurred:

Commonwealth, the issuing officials are authorized, in
accordance with the provisions of the Assistance Act and this article and on the credit of the Commonwealth, to make temporary borrowings not to exceed three years in anticipation of the issue of bonds in order to provide funds in the amounts deemed advisable prior to the issue of bonds. In order to provide for and in connection with the temporary borrowings, the issuing officials are authorized in the name and on behalf of the Commonwealth to enter into any purchase, loan or credit agreement or other agreement with any bank, trust company or other lending institution, investment banking firm or person, in the United States having power to enter into the agreement. The agreement may contain provisions which are not inconsistent with the provisions of the Assistance Act or this article and authorized by the issuing officials.

(2) All temporary borrowings made under this section shall be evidenced by notes of the Commonwealth, which shall be issued for amounts not exceeding in the aggregate the applicable statutory and constitutional debt limitation in the form and denominations and subject to terms and conditions of sale and issue, prepayment or redemption and maturity, rate of interest and time of payment of interest as the issuing officials authorize and direct in accordance with the Assistance Act and this article. The authorization and direction may provide for the subsequent issuance of replacement notes to refund outstanding notes or replacement notes. The replacement notes shall, upon issuance, evidence the borrowing and may specify other terms and conditions with respect to the notes and replacement notes as the issuing officials determine and direct.

(3) If the authorization and direction of the issuing officials provide for the issuance of replacement notes, the following shall apply:

(i) The issuing officials may, on behalf of the Commonwealth, issue, enter into or authorize and direct the State Treasurer to enter into an agreement with any bank, trust company, investment banking firm or other institution or person, in the United States having the power to enter into the agreement:

(A) To purchase or underwrite an issue or series of issues or notes.

(B) To credit, enter into a purchase, loan or credit agreement, draw money pursuant to the agreement on the terms and conditions set forth in the agreement and issue notes as evidence of borrowings made under the agreements.

(C) To appoint an issuing and payment agent or agents with respect to the notes.

(ii) The agreements may provide for the compensation of purchasers or underwriters of notes or replacement notes by discounting the purchase price of the notes or by payment of a fixed fee or commission at the time of issuance. All other costs and expenses, including fees for agreements related to the notes, issuing and paying agent costs and costs and expenses of issuance, may be paid from the proceeds of the notes.

(4) If the issuing officials provide for the issuance of replacement notes all subject to the authorization and direction of the issuing officials, the following apply:
(i) At or prior to the time of delivery of the notes or replacement notes, the State Treasurer shall determine the principal amount, date of issue, interest rate or procedure for establishing interest rate, rate of discount, denominations and all other terms and conditions relating to the issuance.

(ii) The State Treasurer shall perform all acts necessary to pay or cause to be paid, when due, all principal of and interest on the notes being refunded by replacement notes and to assure that the replacement notes may draw upon any money available for that purpose pursuant to any purchase, loan or credit agreement established with respect to the replacement notes.

(5) Outstanding notes evidencing the borrowings may be funded and retired by the issuance and sale of the bonds of the Commonwealth as authorized in this subarticle. The refunding bonds shall be issued and sold no later than a date three years after the date of issuance of the first notes evidencing the borrowings to the extent that payment of the notes has not otherwise been made or provided for by sources other than proceeds of replacement notes.

(6) The proceeds of all the temporary borrowing shall be paid to the State Treasurer to be held and disposed of in accordance with the provisions of the Assistance Act and this article.

(d) Debt retirement.--

(1) All bonds issued under the Assistance Act and this article shall be redeemed at maturity, together with all interest due on the bonds; and these principal and interest payments shall be paid from the Water and Sewer Systems Assistance Bond Sinking Fund, which is created. For the specific purpose of redeeming the bonds at maturity and paying all interest on the bonds in accordance with the information received from the Governor, the General Assembly shall appropriate money to the Water and Sewer Systems Assistance Bond Sinking Fund for the payment of interest on the bonds and notes and their principal at maturity. All money paid into the Water and Sewer Systems Assistance Bond Sinking Fund and all of the money not necessary to pay accruing interest shall be invested by the State Treasurer in the securities as are provided by law for the investment of the sinking funds of the Commonwealth.

(2) The State Treasurer, with the approval of the Governor, may use any of the money in the fund not necessary to conduct the referendum authorizing the indebtedness necessary to carry out the Assistance Act and this article to purchase and retire all or part of the bonds and notes issued pursuant to the Assistance Act and this article. If all or part of the bonds and notes are purchased, they shall be canceled and returned to the loan and transfer agent as canceled and paid bonds and notes. Following the purchase, all payments of interest on the bonds and notes shall cease. The canceled bonds, notes and coupons, together with any other canceled bonds, notes and coupons, shall be destroyed as promptly as possible, but no later than two years after cancellation. A certification evidencing the destruction of the canceled bonds, notes and coupons shall be provided by the loan and transfer agent to the issuing officials. All canceled bonds, notes and coupons shall be marked to make the canceled bonds, notes and coupons nonnegotiable.

(3) The State Treasurer shall determine and report to the Secretary of the Budget by November 1 of each year the
amount of money necessary for the payment of interest on outstanding obligations and the principal of the obligations, if any, for the following fiscal year and the times and amounts of the payments. Section 1702-E.2. Bond issuance.
(a) Declaration of policy.--The General Assembly finds and declares that:

(1) Funding the payment of reimbursements to school districts for construction and reconstruction projects, through the authority, is in the best interest of the Commonwealth.

(2) The Financing Law is to be liberally construed to effect the legislative and public purposes.

(3) One of those stated purposes is the protection of "the health, safety and general welfare of the people of this Commonwealth" pursuant to 64 Pa.C.S. § 1503(6) (relating to findings and declaration of policy).

(4) In order to accomplish such a goal "it is desirable to build, improve and finance facilities owned by municipalities, municipal authorities and other authorities and instrumentalities of the Commonwealth," which includes school districts, pursuant to 64 Pa.C.S. § 1503(7).

(2) Bond obligations shall be payable solely from revenues or funds pledged or available for repayment as authorized under this article.

(3) Each bond must contain on its face a statement that:

(i) The authority is obligated to pay the principal of or interest on the bonds only from the revenues or
funds pledged or available for repayment as authorized under this article.

(ii) Neither the Commonwealth nor any school district is obligated to pay the principal of or interest on the bonds.

The Secretary of the Budget may approve the petition and, if approved, shall publish notice of the approval in the Pennsylvania Bulletin. The authority shall not issue any bonds for the PlanCon project, except refunding bonds, after June 30, 2025. 2010, July 6, P.L.279, NO.46

Section 4. Intent regarding legislation.
(a) It is the intent of the House majority leadership and Senate majority leadership to pass legislation that raises revenue from the extraction of Marcellus Shale natural gas by October 1, 2010, with an effective date for implementation no later than January 1, 2011. It is the further intent to have revenue raised from the extraction of Marcellus Shale natural gas to be divided by a ratio to be determined by legislation between the Commonwealth, counties and municipalities, and environmental initiatives.

(b) It is the intent of the Senate majority leadership and House majority leadership to pass legislation establishing a new independent agency to be known as the Independent Fiscal Office no later than October 1, 2010, with an effective date for implementation no later than January 1, 2011.

(c) This section shall expire December 1, 2010.

2013, July 18, P.L.574, NO.71

Section 1. The General Assembly finds and declares as follows:
(1) The intent of this act is to provide for the implementation of the 2013-2014 Commonwealth budget.
(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.
(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the
state provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to sources of revenue, the collection of revenue and the implementation of statutes which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation bill that embraces "nothing but appropriations." While actual appropriations can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves more than appropriations. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(6) For the reasons set forth in paragraphs (1), (2), (3), (4) and (5), it is the intent of the General Assembly through this act to provide for the implementation of the 2013-2014 Commonwealth budget.

(7) Every provision of this act relates to the implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the fiscal operations, revenues and potential liabilities of the Commonwealth. To that end, this act places conditions on appropriations, provides for accountability for spending and makes any necessary transfers or other changes necessary to impact the availability of revenue or the fiscal conditions of the Commonwealth, in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of June 30, 2013 (P.L.1277, No.1A), known as the General Appropriation Act of 2013.

Section 19.1. Any grant under section 1722-H(9) of the act shall not be considered in satisfying the requirement of section 696(h) of the act of March 10, 1949 (P.L.30, No.14), known as the Public School Code of 1949.

Section 19.2. The sum of $100,000 is hereby appropriated from the Manville Property Damage Settlement Account to the Department of Labor and Industry for grants related to asbestos abatement.

Section 19.3. The General Assembly declares that there will be funds available in fiscal year 2013-2014 in the Oil and Gas Lease Fund to support the appropriations from the fund to the Department of Conservation and Natural Resources made in the act of June 30, 2013 (P.L.1277, No.1A), known as the General Appropriation Act of 2013.
Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the implementation of the 2015-2016 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the state provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to sources of revenue, the collection of revenue and the implementation of statutes which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves more than subjects of appropriations and dollar amounts. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(6) For the reasons set forth in paragraphs (1), (2), (3), (4) and (5), it is the intent of the General Assembly through this act to provide for the implementation of the 2015-2016 Commonwealth budget.

(7) Every provision of this act relates to the implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the fiscal operations, revenues and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2015-2016 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides accountability for spending and makes transfers or other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of December 29, 2015 (P.L.621, No.10A), known as the General Appropriation Act of 2015, and the act of March 28, 2016 (P.L.1531, No.1A), known as the Supplement to the General Appropriation Act of 2015.

17-L, Article 17-M, sections 1801, 1802, 1803, 1804 and 1805.

Section 16. Repeals are as follows:
(1) The General Assembly finds and declares as follows:
   (i) Each year, articles on budget implementation are added to the act.
   (ii) These articles are temporary in nature but are placed permanently into the act, utilizing article numbers and section numbers.
   (iii) Reusing article numbers and section numbers will keep the text of the act more concise.
   (iv) The repeals under paragraph (2) are necessary to effectuate subparagraph (iii).
(2) Articles XVII-L and XVII-M of the act, added July 6, 2010 (P.L.279, No.46), are repealed.

2016, July 20, P.L.664, NO.85
