

REQUIRING TURNPIKE TUNNELS TO BE PAINTED A LIGHT COLOR

Act of May 17, 1957, P.L. 160, No. 73

Cl. 36

AN ACT

Requiring all tunnels on the Pennsylvania Turnpike to be painted white or lined with a light colored material and be equipped with continuous lighting.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The Pennsylvania Turnpike Commission shall cause the interior of each tunnel on the Pennsylvania Turnpike to be painted white or be lined with a light colored material which reflects light. It shall also equip each tunnel with continuous lighting of sufficient candlepower to eliminate any blind-vision areas while traveling through the tunnels.

Section 2. This act shall take effect immediately.
