(iv)	FFY 2010 Transit Enhancement Program, provide for bus purchase program, paratransit vehicle purchase, utility fleet renewal, Smart stations, new payment technologies, station accessibility, subway stations rehabilitation, track and catenary improvements, rail line, state of good repair improvements and substation improvement Project Allocation (Base Project Allocation - \$12,074,000) (Design and Contingencies - \$1,342,000)	13,416,000
(v)	FFY 2010 Rail Modernization Program, provide for Smart stations, new payment technologies, station accessibility, subway station rehabilitation, rehabilitation of City Hall and 15th Street stations, track and catenary improvements, regional rail improvements, state of good repair improvements and substation improvements Project Allocation (Base Project Allocation - \$11,610,000) (Design and Contingencies - \$1,290,000)	12,900,000
(vi)	FFY 2010 Transit Enhancement Program, provide for historic preservation, rehabilitation and related activities; bus shelters, landscaping, signage and enhanced access to transit for persons with disabilities Project Allocation (Base Project Allocation - \$378,000) (Design and Contingencies - \$42,000)	420,000
(vii)	FFY 2010 Bus Purchase Program, provide for acquisition of 400 diesel/electric accessible 40-foot low-floor buses with a pricing option for an additional 80 buses which have met their useful life Project Allocation (Base Project Allocation - \$3,240,000) (Design and Contingencies - \$360,000)	3,600,000
(viii)	FFY 2010 Federal Highway Flex Projects, upgrade warning devices of various railroad/highway grade crossings and construct capital projects to improve air quality and reduce congestion Project Allocation (Base Project Allocation - \$751,000) (Design and Contingencies - \$83,000)	834,000
(ix)	FFY 2009-2010 Vehicle Overhaul Program, provide for major overhaul of rolling stock Project Allocation (Base Project Allocation - \$27,000,000) (Design and Contingencies - \$3,000,000)	30,000,000
(x)	FFY 2009-2010 Infrastructure Safety Renewal Program, improve stations, signals, track, power and buildings	

	Project Allocation	33,000,000
	(Base Project Allocation - \$29,700,000)	
	(Design and Contingencies - \$3,300,000)	
(xi)	FFY 2008 Clean Fuels bus purchase, purchase 400 hybrid 40-foot low-floor transit buses with option to purchase 80 additional buses to replace buses which have met their useful life	
	Project Allocation	595,000
	(Base Project Allocation - \$535,000)	
	(Design and Contingencies - \$60,000)	
(xii)	Renovate Bucks County Intermodal, improve Levittown station, including replacement of station building and infrastructure, improve pedestrian tunnels and intersection	
	Project Allocation	2,845,000
	(Base Project Allocation - \$2,560,000)	
	(Design and Contingencies - \$285,000)	
(xiii)	Renovate Montgomery County stations, improve select SEPTA stations, including Jenkintown, Glenside and Noble	
	Project Allocation	4,742,000
	(Base Project Allocation - \$4,268,000)	
	(Design and Contingencies - \$474,000)	
(xiv)	Renovate Paoli station, provide engineering and construction of transportation center in Paoli, located west of existing station	
	Project Allocation	290,000
	(Base Project Allocation - \$261,000)	
	(Design and Contingencies - \$29,000)	
(xv)	Renovate Villanova Intermodal Station, design and construct high level platforms canopies for inbound and outbound service with new pedestrian tunnels and ADA compliant ramps and stairs	
	Project Allocation	4,471,000
	(Base Project Allocation - \$4,024,000)	
	(Design and Contingencies - \$447,000)	
(xvi)	Design and construct 425 space parking garage at 69th Street terminal, including ADA accessibility and pedestrian connections between new garage and existing terminal	
	Project Allocation	4,258,000
	(Base Project Allocation - \$3,832,000)	
	(Design and Contingencies - \$426,000)	
(xvii)	FFY 2011 Formula Program, acquire different size buses based upon needs and route characteristics in SEPTA's bus fleet management plan and state of good repair improvements	
	Project Allocation	16,955,000
	(Base Project Allocation - \$15,260,000)	
	(Design and Contingencies - \$1,695,000)	
(xviii)	FFY 2011 Rail Modernization Program, provide for station accessibility, City Hall station and 15th Street station rehabilitation, Elwyn to Wawa Rail service, Paoli line improvements, regional rail substation improvements, parking expansion	

program, transit and regional rail program, new payment technologies, paratransit vehicle purchase program, state of good repair improvements and utility fleet renewal	
Project Allocation	15,822,000
(Base Project Allocation - \$14,240,000)	
(Design and Contingencies - \$1,582,000)	
(xix) FFY 2011 Flex Program - Railroad/Highway Grade Crossing, support installation or upgrading of warning devices and renewal of highway grade crossing surfaces, improve air quality and reduce congestion	
Project Allocation	705,000
(Base Project Allocation - \$635,000)	
(Design and Contingencies - \$70,000)	
(xx) FFY 2011 Transit Enhancements, including historic preservation, rehabilitation and related activities: bus shelters; landscaping and other scenic beautification including street lights, public art, pedestrian access and walkways; bicycle access including storage facilities and installation of equipment for transporting bicycles on transit vehicles; transit connections to parks; signage and enhanced access to transit for persons with disabilities	
Project Allocation	238,000
(Base Project Allocation - \$214,000)	
(Design and Contingencies - \$24,000)	
(xxi) FFY 2010-2011 Vehicle Overhaul Program, provide for major overhaul of rolling stock	
Project Allocation	30,000,000
(Base Project Allocation - \$27,000,000)	
(Design and Contingencies - \$3,000,000)	
(xxii) FFY 2010-2011 Infrastructure Safety Renewal Program, including improvements to stations, signals, track, power and buildings	
Project Allocation	33,000,000
(Base Project Allocation - \$29,700,000)	
(Design and Contingencies - \$3,300,000)	
(xxiii) FFY 2008 additional funding for Formula Program, bring transit and railroad facilities into a state of good repair, provide for the reconstruction or rehabilitation of transit and regional rail stations and terminals, bus/trolley loop facilities and transportation centers	
Project Allocation	550,000
(Base Project Allocation - \$495,000)	
(Design and Contingencies - \$55,000)	
(xxiv) FFY 2010 additional funding for Formula Program, bring transit and railroad facilities into a state of good repair, acquisition of buses, purchase of vehicles for use on SEPTA paratransit services, upgrade and replace SEPTA'S utility fleet and automotive service fleet, vehicle overhaul program, Smart stations, new payment technologies, radio communications	

<p>project, the rehabilitation/renovation of the existing fire suppression system at Elmwood bus garage and Frankford bus garage, historic station renovations, regional rail car procurement, upgrade to the Customized Community Transportation Control Center</p>

	Project Allocation	7,416,800
	(Base Project Allocation - \$6,675,120)	
	(Design and Contingencies - \$741,680)	
(xxix)	FFY 2011 Bus Purchase Program	
	Project Allocation	4,133,100
	(Base Project Allocation - \$3,719,790)	
	(Design and Contingencies - \$413,310)	
(xxx)	FFY 2010-2011 State of Good Repair Program, rehabilitation of shops, maintenance/storage yards and associated maintenance and support facilities, rehabilitation of electric traction, power, signal and communications systems and associated components, renewal or replacement of track, switches and special work, including yard and shop areas, track surfacing, grade crossing improvements and acquisition of specialized track equipment, rehabilitation of station buildings and associated facilities, site assessments, remediation and testing activities associated with underground storage tanks, lead-based paint and asbestos abatement, contaminated soil and groundwater and air quality	
	Project Allocation	25,000,000
	(Base Project Allocation - \$22,500,000)	
	(Design and Contingencies - \$2,500,000)	
(xxxix)	FFY 2011-2012 Infrastructure Safety Renewal Program, including improvements to stations, communications and signal systems, track, right-of-way, power, bridges and buildings	
	Project Allocation	66,000,000
	(Base Project Allocation - \$59,400,000)	
	(Design and Contingencies - \$6,600,000)	
(xxxix)	FFY 2011-2012 State of Good Repair Program, rehabilitation of shops, maintenance/storage yards and associated maintenance and support facilities, rehabilitation of electric traction, power, signal and communications systems and associated components, renewal or replacement of track, switches and special work, including yard and shop areas, track surfacing, grade crossing improvements, acquisition of specialized track equipment, rehabilitation of station buildings and associated facilities, site assessments,	

remediation and testing activities associated with underground storage tanks, lead-based paint and asbestos abatement, contaminated soil and groundwater, air quality and rehabilitation/replacement of bridges

Project Allocation 25,000,000

(Base Project Allocation - \$22,500,000)

(Design and Contingencies - \$2,500,000)

(xxxiii) FFY 2009 additional funding for Rail Modernization Program, bring transit and railroad facilities into a state of good repair, provide for the reconstruction or rehabilitation of transit and regional rail stations and terminals, bus/trolley loop facilities and transportation centers

Project Allocation 15,000,000

(Base Project Allocation - \$13,500,000)

(Design and Contingencies - \$1,500,000)

(b) Rural and intercity rail.--Additional capital projects in the category of transportation assistance projects for rural and intercity rail service projects to be constructed or with respect to which an interest is to be acquired by the Department of Transportation, its successors or assigns and to be financed by the incurring of debt are hereby itemized, together with their respective estimated financial costs, as follows:

Total Project Allocation

Project

(1) Allegheny County

(i) Allegheny Valley Railroad

(A) Rehabilitate and construct necessary Glenwood Yard infrastructure to improve existing capacity and safety issues, including rail, roadbed, bridges, grade crossings and other related materials
Project Allocation

3,000,000

(Base Project Allocation - \$2,700,000)

(Design and Contingencies - \$300,000)

(B) Rehabilitate rail infrastructure and construct new sidings to support customer development in Allegheny and Washington Counties

Project Allocation 2,500,000

(Base Project Allocation - \$2,250,000)

(Design and Contingencies - \$250,000)

(C) Rehabilitate main line infrastructure, including rails, ties, ballast, undercutting, bridges, crossings and other related materials, in Allegheny and Washington Counties

Project Allocation 5,000,000

(Base Project Allocation - \$4,500,000)

(Design and Contingencies - \$500,000)

(ii) Leetsdale Borough

(A) Improvement and rehabilitation of the Hussey Copper Rail Spur Line and structures appurtenant thereto, including track construction, track reconstruction, grade construction and turnout installation

Project Allocation 2,000,000

(iii) Petroleum Products Corporation

	(A) Rehabilitate and construct necessary rail infrastructure for blending and storage terminal in Allegheny County, including design, engineering, rails, ties, ballast, crossings, switches and turnouts	
	Project Allocation	17,000,000
(2)	Berks County	
	(i) Colebrookdale Railroad	
	(A) Engineering, permitting, property acquisition and construction of rails and loading facilities	
	Project Allocation	1,500,000
	(ii) Muhlenberg Township

	Project Allocation	15,000,000
(8.1)	Elk County	
	(i) St. Marys Industrial Railroad Project	
	(A) For repair of existing trackage and switches, construction of new trackage and switches, acquisition of land, construction of transload facility and acquisition of related transload equipment	
	Project Allocation	5,000,000
(9)	Erie County	
	(i) Erie Inland Port-Rail Terminal	
	(A) Acquisition, construction, infrastructure and other related costs for the Erie Inland Port-Rail Terminal and Logistics Park Phase I	
	Project Allocation	30,000,000
(10)	Fayette County	
	(i) Fay-Penn Industrial Development Corporation	

(A)	Construct transload facility to support new customer development in Fayette County	
	Project Allocation	2,500,000
	(Base Project Allocation - \$2,250,000)	
	(Design and Contingencies - \$250,000)	
(11)	Franklin County	
(i)	Norfolk Southern Corporation	
(A)	Crescent Corridor Project: extend second main track in Greencastle, from MP HW60 to MP HW68, in Franklin County	
	Project Allocation	15,500,000
	(Base Project Allocation - \$14,260,000)	
	(Design and Contingencies - \$1,240,000)	
(B)	Crescent Corridor Project: construct new intermodal terminal yard in Greencastle, Franklin County	
	Project Allocation	98,000,000
	(Base Project Allocation - \$90,160,000)	
	(Design and Contingencies - \$7,840,000)	
(12)	Huntingdon County	
(i)	East Broad Top Preservation Association	
(A)	Three-phase project to include the acquisition of the Mount Union East Broad Top trackage and land, improvements to track, addition of storage and repair of trackage, construction of loading station on the existing East Broad Top land, usage of old trackage and ROW in Mount Union to Orbisonia and other related costs	
	Project Allocation	5,000,000
(12.1)	Lackawanna County	
(i)	Fell Township	
(A)	Construction, infrastructure and other costs related to the Carbondale Rail Yard Transload Facility	
	Project Allocation	5,456,000
(12.2)	Lancaster County	
(i)	Strasburg Railroad	
(A)	Infrastructure, rehabilitation, construction and other related costs for the construction of a transload facility and customer sidings to handle biofuel, aggregate, construction materials and agriculture commodities in Lancaster County	
	Project Allocation	3,000,000
(B)	Rehabilitate and construct infrastructure required for handling increasing freight demand in Lancaster County, including rails, ties, ballast, switches, undercutting, drainage, bridges, crossings, sidings, turning facilities and other related materials and costs	
	Project Allocation	5,000,000
(13)	Lehigh County	
(i)	Allentown Commercial and Industrial Development Authority	
(A)	Rehabilitation, construction and other related costs to reintroduce freight	

	rail service to the Barber's Quarry branch of the former Lehigh Valley Railroad

	(A) Extension of rail service in Upper Macungie Township from existing line to serve new buildings	
	Project Allocation	1,000,000
(14)	Luzerne County	
	(i) Jenkins Township	
	(A) Track rehabilitation and new construction at the former Techneglas facility	
	Project Allocation	700,000
	(ii) Petroleum Products Corporation	
	(A) Rehabilitate and construct necessary rail infrastructure for blending and storage terminal in Luzerne County, including design, engineering, rails, ties, ballast, crossings, switches and turnouts	
	Project Allocation	10,000,000
(15)	Lycoming County	
	(i) City of Williamsport	
	(A) Infrastructure improvements for the Newberry Rail Yard Intermodal Facility in the Reach Road Industrial Park	
	Project Allocation	1,000,000
	(ii) SEDA-COG Joint Rail Authority	
	(A) Construction and infrastructure costs related to the Keystone Filler Rail Extension and unloading system. The project will include the extension of existing track, the addition of a second switch and the addition of a rail pit and unloading system which will include a public use rail side unloading ramp	
	Project Allocation	2,000,000
(15.1)	McKean County	
	(i) American Refining Group	
	(A) Rehabilitate existing rail infrastructure and construct new sidings to facilitate the efficient and safe handling of petroleum and alternative fuel products, including engineering, site preparation, drainage, loading equipment, piping, rail, ties, ballast and other related materials	
	Project Allocation	3,300,000
	(Base Project Allocation - \$3,000,000)	
	(Design and Contingencies - \$300,000)	
(15.2)	Mercer County	
	(i) City of Sharon	
	(A) Track rehabilitation and new construction adjacent to Route 718 in Sharon	
	Project Allocation	700,000
(16)	Montgomery County	
	(i) Ambler Borough	

	(A) Acquisition, construction and other related costs to redevelop the Ambler Main Street Rail Corridor	
	Project Allocation	5,000,000

	Project Allocation	5,000,000
(17)	Montour County	
(i)	Danville Borough	
	(A) Construction and other related costs for the Irontown Commerce Center Rail Facilities	
	Project Allocation	3,500,000
(18)	Northampton County	
(i)	Lehigh Valley Economic Development Corporation	
	(A) Infrastructure, construction and other related costs for the construction of four new rail spur lines next to the Ponderosa Fibers Plant for expansion of operations at the facility	
	Project Allocation	353,000
(ii)	Scots Lubricants	
	(A) Construction of rail access to manufacturing facility in Northampton Borough	
	Project Allocation	700,000
	(Base Project Allocation - \$630,000)	
	(Design and Contingencies - \$70,000)	
(19)	Northumberland County	
(i)	Coal Township	
	(A) Construction and other related costs for the SEEDCO North Rail Facilities	
	Project Allocation	2,695,000
	(B) Construction and other related costs for the SEEDCO South Rail Facilities	
	Project Allocation	1,078,000
(i.1)	Moran Industries	
	(A) Rehabilitation and construction of railroad crossing bridge serving F.P. Leopold and Moran Industries, as well as connecting spur lines off Buffalo Line of Norfolk Southern, including construction costs related to development of rail-served intermodal yard	
	Project Allocation	2,000,000
(ii)	Norfolk Southern Corporation	
	(A) Rehabilitation and rebuilding of railroad crossing bridge serving F.P. Leopold and Moran Industries, connecting spur lines off Buffalo Line of Norfolk Southern and construction costs related to development of rail-served intermodal yard	
	Project Allocation	1,900,000
(iii)	Power and Yard	
	(A) Construction and infrastructure costs to establish a rail facility to support	

	the shipping of products related to the natural gas industry	
	Project Allocation	5,000,000
(20)	Philadelphia County	
	(i) Norfolk Southern Corporation	
	(A) Crescent Corridor Project: construct addition to intermodal terminal at Navy Yard in Philadelphia County	
	Project Allocation	5,000,000
	(Base Project Allocation - \$4,600,000)	
	(Design and Contingencies - \$400,000)	
	(ii) City of Philadelphia	
	(A) Construction, infrastructure and other related costs for a waste-to-rail transfer station	
	Project Allocation	6,424,000
(20.1)	Potter County	
	(i) Western New York and Pennsylvania Railroad Company L.L.C.	
	(A) Renovations, rehabilitation, construction and other costs related to the repair or replacement of the Austin Road (T-516) bridge over the Western New York and Pennsylvania Railroad	
	Project Allocation	157,000
