The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the implementation of the 2017-2018 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in this

Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the state provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to sources of revenue, the collection of revenue and the implementation of statutes which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriation Act, the achievement and implementation of a comprehensive budget involves more than subjects of appropriations and dollar amounts. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate changes to sources of funding and enactment of statutes to achieve full compliance with these constitutional provisions.

(6) For the reasons set forth in paragraphs (1), (2), (3), (4) and (5), it is the intent of the General Assembly through this act to provide for the implementation of the 2017-2018 Commonwealth budget.

(7) Every provision of this act relates to the implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the fiscal operations, revenues and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2017-2018 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides accountability for spending and makes transfers or other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of July 11, 2017 (P.L.1279, No.1A), known as the General Appropriation Act of 2017.

Section 1.1. The title of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, is amended to read:

An act relating to the finances of the State government; **providing for cancer control, prevention and research, for ambulatory surgical center data collection and for the Joint Underwriting Association**, providing for the settlement, assessment, collection, and lien of taxes, bonus, and all other accounts due the Commonwealth, the collection and recovery of fees and other money or property due or belonging to the Commonwealth, or any agency thereof, including escheated property and the proceeds of its sale, the custody and disbursement or other disposition of funds and securities belonging to or in the possession of the Commonwealth, and the settlement of claims against the Commonwealth, the resettlement of accounts and appeals to the courts, refunds of moneys erroneously paid to the Commonwealth, auditing the accounts of the Commonwealth and all agencies thereof, of all public officers collecting moneys payable to the Commonwealth, or any agency thereof, and all receipts of appropriations from the Commonwealth, authorizing the

Commonwealth to issue tax anticipation notes to defray current expenses, implementing the provisions of section 7(a) of Article VIII of the Constitution of Pennsylvania authorizing and restricting the incurring of certain debt and imposing penalties; affecting every department, board, commission, and officer of the State government, every political subdivision of the State, and certain officers of such subdivisions, every person, association, and corporation required to pay, assess, or collect taxes, or to make returns or reports under the laws imposing taxes for State purposes, or to pay license fees or other moneys to the Commonwealth, or any agency thereof, every State depository and every debtor or creditor of the Commonwealth.

Section 1.2. The act is amended by adding a section to read:

Section 215. Lottery Winnings Intercept.--(a) In the case of any person winning a single lottery prize of more than \$2,500 in the State Lottery, the Department of Revenue shall:

(1) (i) Make reasonable efforts to determine if the prizewinner has an outstanding State tax liability prior to paying the lottery prize. If the Department of Revenue determines that the prizewinner has an outstanding State tax liability and the rights to appeal have expired with no appeal having been taken or, if an appeal has been taken, it has been resolved and is not pending, the Department of Revenue shall deduct from the lottery prize the amount of outstanding State tax liability. A deduction under this subparagraph may only be made after the Department of Revenue determines under 23 Pa.C.S. § 4308 (relating to lottery winnings intercept) that either the lottery prize is not subject to a deduction for delinquent support or that, after deducting for delinquent support, prize amounts remain that can be subject to deduction for the amount of the outstanding State tax liability.

(ii) First, pay the amount deducted for support as provided in 23 Pa.C.S. § 4308 and, second, apply the amount deducted for any outstanding State tax liability to the prizewinner's delinquent support obligations or outstanding State tax liability.

(2) Request the Department of Human Services to make a reasonable effort to determine if the prizewinner is currently a recipient of public assistance benefits in this Commonwealth prior to paying the lottery prize. If the prizewinner is found to be a recipient of public assistance benefits in this Commonwealth, the Department of Human Services shall determine the prizewinner's eligibility to continue to receive public assistance benefits as a result of winning the lottery prize.

(3) (i) In conjunction with the Administrative Office of Pennsylvania Courts, make a reasonable effort to determine if the prizewinner owes court-ordered obligations for crimes as defined in section 103 of the act of November 24, 1998 (P.L.882, No.111), known as the "Crime Victims Act." If a determination is made that the prizewinner owes court-ordered obligations, the Administrative Office of Pennsylvania Courts shall provide the Department of Revenue with the total amount of obligations owed.

(ii) If it is determined under subparagraph (i) that the prizewinner owes court-ordered obligations, deduct from the amount of the lottery prize remaining after the deductions made under paragraph (1) the amount of the obligations owed.

(iii) Pay the amounts deducted under subparagraph (ii) as provided by applicable law to satisfy or partially satisfy the prizewinner's court-ordered obligations to the clerk of courts of the county in which the court order was issued.

(4) As soon as reasonably possible after the lottery prize was claimed, notwithstanding the provisions of 23 Pa.C.S. § 4308(b)(7):

(i) award the prizewinner the amount of the lottery prize to be paid to the prizewinner after any deductions made under paragraphs (1) and (3) and subsection (c); and

(ii) if applicable, notify the prizewinner that part or all of the lottery prize was used to satisfy the prizewinner's obligations described in paragraphs (1) and (3). If the amount of the lottery prize is not sufficient to fully satisfy any of the obligations of the prizewinner, the prizewinner shall owe the balance of the obligations as provided under applicable law.

(b) (1) A prizewinner whose prize is used to satisfy or partially satisfy an outstanding State tax obligation under subsection (a)(1) may file a petition of review with the Department of Revenue within 90 days after the mailing of the notice under subsection (a)(4). The only issue that may be considered is whether the proper amount of the State tax obligation was deducted or there is an unresolved valid and timely filed State tax appeal of the State tax obligation. The provisions of Article XXVII of the act of March 4, 1971 (P.L.6, No.2), known as the "Tax Reform Code of 1971," shall apply to each appeal under this section.

(2) A prizewinner whose prize is used to satisfy or partially satisfy an obligation under 23 Pa.C.S. § 4308 may appeal in accordance with applicable law. The appeal must be filed with a court of competent jurisdiction within 30 days after the person is notified by the Department of Revenue that the prize has been reduced or totally withheld to satisfy the person's obligations under 23 Pa.C.S. § 4308.

(3) If it is determined under subsection (a)(2) that the prizewinner is no longer eligible for public assistance benefits in this Commonwealth, the Department of Human Services shall notify the prizewinner and the prizewinner shall be subject to the act of June 13, 1967 (P.L.31, No.21), known as the "Human Services Code."

(c) The Department of Revenue shall determine and set a fee which reflects the actual costs it incurs to administer this section with respect to a specific prizewinner and deduct the calculated amount from the lottery prize if the prizewinner is found to have an outstanding State tax liability or court-ordered obligations subject to a deduction under subsection (a)(1) or (3).

(d) The Department of Revenue shall annually report to the Finance Committee of the Senate and the Finance Committee of the House of Representatives the amount of outstanding State tax liability and court-ordered obligations collected under this section.

(e) The Department of Revenue may promulgate rules and regulations necessary to carry out this section.

ARTICLE II-D

JOINT UNDERWRITING ASSOCIATION

Section 201-D. Findings.

The General Assembly finds as follows:

(1) As a result of a decline in the need in this Commonwealth for the medical professional liability insurance policies offered by the joint underwriting association under Subchapter B of Chapter 7 of the Mcare Act, and a decline in the nature and amounts of claims paid out by the joint underwriting association under the policies, the joint underwriting association has money in excess of the amount reasonably required to fulfill its statutory mandate.

(2) Funds under the control of the joint underwriting association consist of premiums paid on the policies issued under Subchapter B of Chapter 7 of the Mcare Act and income from investment. The funds do not belong to any of the members of the joint underwriting association nor any of the insureds covered by the policies issued.

(3) The joint underwriting association is an instrumentality of the Commonwealth. Money under the control of the joint underwriting association belongs to the Commonwealth.

(4) At a time when revenue receipts are down and the economy is still recovering, the Commonwealth is in need of revenue from all possible sources in order to continue to balance its budget and provide for the health, welfare and safety of the residents of this Commonwealth.

(5) The payment of money to the Commonwealth required under this article is in the best interest of the residents of this Commonwealth.

The Supreme Court shall have exclusive jurisdiction to hear any challenge to or to render a declaratory judgment concerning the constitutionality of this article or to enforce the provisions of this article.

Section 207-D. Sunset.

In the event the payment required under section 203-D is not made by December 1, 2017, the provisions of Subchapter C of Chapter 7 of the Mcare Act shall expire on December 1, 2017. In that event, the following shall apply:

(1) The joint underwriting association shall be abolished and the money in the possession or control of the joint underwriting association shall be transferred to the commissioner who shall deposit it in a special account within the department to be used and administered by the department in the same manner as the joint underwriting association was authorized or required to use and administer it prior to the expiration of Subchapter C of Chapter 7 of the Mcare Act.

(2) Notwithstanding paragraph (1), the commissioner shall transfer \$200,000,000 of the money received under paragraph (1) to the State Treasurer for deposit into the General Fund as soon as practicable after receipt. Thereafter, the commissioner shall annually transfer from the special account established under paragraph (1) to the General Fund any money the commissioner determines is in excess of the money needed to administer the funds as required under Subchapter C of Chapter 7 of the Mcare Act.

Section 1.4. The act is amended by adding a section to read:

Section 311. Provisions for General Assembly.--(a) Funds available to the Senate or the House of Representatives through a short-term agreement or other instrument executed with a lending institution shall be considered augmenting revenues and are hereby appropriated for the payment of salaries, wages and all other expenses incurred in the operation of the Senate or the House of Representatives. The amounts shall be remitted to the State Treasurer for deposit in the account as the Chief Clerk of the Senate or a floor leader of the House of Representatives, as applicable, may direct.

(b) Upon presentation of requisitions by the Chief Clerk of the Senate or a floor leader of the House of Representatives, as applicable, the requisition shall be paid on warrant of the State Treasurer directly to and in favor of the persons designated in the requisition as entitled to receive the compensation or expenses.

Section 1.5. Section 403 of the act is amended to read:

Section 403. Audits of Agencies Receiving State Aid.--The Department of the Auditor General shall have the power, and its duty shall be, to audit the accounts and records of every person, association, corporation, and public agency, receiving an appropriation of money, payable out of any fund in the State Treasury, or entitled to receive any portion of any State tax for any purpose whatsoever, as far as may be necessary to

satisfy the department that the money received was expended or is being expended for no purpose other than that for which it was paid. Copies of all such audits shall be furnished to the Governor.

If at any time the department shall find that any money received by any person, association, corporation, or public agency, has been expended for any purpose other than that for which it was paid, it shall forthwith notify the Governor, and shall decline to approve any further requisition for the payment of any appropriation, or any further portion of any State tax, to such person, association, corporation or public agency, until an amount equal to that improperly expended shall have been expended for the purpose for which the money improperly expended was received from the State Treasury.

If an audit completed by the department under this section makes recommendations, any person, association, corporation or public agency being audited shall submit a response to the department detailing adoption of such recommendations, or the reason why recommendations have not been adopted, within one hundred and twenty business days of the publication of the audit. The department shall provide notice to the subject of an audit sixty business days after the date of the audit's publication that future appropriations could be denied for the person, association, corporation or public agency if a response is not made.

The department shall regularly notify the Governor, the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives of responses received, accompanied by any comments the department may wish to submit. The department shall post responses to the department's publicly accessible Internet website. The Governor, the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives may consider this response when determining whether future appropriations to the person, association, corporation or public agency will be considered.

If the person, association, corporation or public agency does not respond to the department within one hundred and twenty business days from the date of the publication of the audit, the department shall notify the Governor, the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives. The Governor, the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives may consider a failure to respond to the audit when determining whether future appropriations to the person, association, corporation or public agency will be considered.

The department shall work with the Governor, the chairperson and minority chairperson of the Appropriations Committee of the Senate and the chairperson and minority chairperson of the Appropriations Committee of the House of Representatives to determine the most effective method to communicate information concerning responses to the department's audit recommendations based on the type of audit and significance of the recommendations.

Section 3.1. The act is amended by adding a section to read:
Section 1603-D.1. Payroll tax.

Notwithstanding any provision of law to the contrary, in the event that the rate of a payroll tax imposed by a city of the second class A, or a home rule municipality that was previously a city of the second class A, under section 123(d)(2) of the act of July 10, 1987 (P.L.246, No.47), known as the Municipalities Financial Recovery Act, produces less than the revenues projected in the first full year after the imposition of a payroll tax, the city may, for a second year, adjust the rate to one that is sufficient to produce revenues equal to the revenues collected as a result of the mercantile or business privilege tax in the final year it was levied. The city may levy the payroll tax in any subsequent year at a rate not to exceed the adjusted rate authorized under this section.

Section 3.2. The definition of "fund" in section 1601-E of the act is amended to read:

Any first royalty payment following recommencement of production after a period of more than one year of inactivity shall be accompanied by an explanation, in plain terms, that acceptance of the royalty payment shall constitute acknowledgment of an existing lease with the operator; or
