The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the administration of the 2019-2020 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the State provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to the 2019-2020 budget implementation and the administration of State Government which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves administrative action related to appropriations. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate administrative changes and the enactment of statutes to achieve full compliance with these constitutional provisions.

(6) Among the many administrative challenges faced by the Commonwealth is use of financial resources in a fiscally responsible manner, the timely submission of financial data related to the annual budget process by the Independent Fiscal Office, the extension of audit authority to ensure that public funds are used for their intended purposes and other related changes necessary to accomplish the goal set forth in paragraph (7).

(7) For the reasons set forth in paragraphs (1) through (6), it is the intent of the General Assembly through this act to provide for the administrative implementation of the 2019-2020 Commonwealth budget.

(8) Every provision of this act relates to the administrative implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the administrative operations and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2019-2020 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides administrative accountability for spending and makes other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of June 28, 2019 (P.L.839, No.1A), known as the General Appropriation Act of 2019.

Section 2. Section 225 of the act of April 9, 1929 (P.L.177, No.175), known as The Administrative Code of 1929, is repealed:

[Section 225.
