Subject: RE: Financial Literacy

Representative Truitt, Brianda and Fran:

Thanks so much for the phone conversation. We appreciated learning more about your initiatives and legislation around financial literacy and work readiness. Thanks also for including us in ways that we could partner with your office to help advance your legislation and be a solution provider for high schools across the state of Pennsylvania.

Please find attached feedback on Representative Brown's draft of financial literacy program legislation Section 1551. We have also attached a letter of support for Representative Brown's legislation on behalf of Junior Achievement of Western Pennsylvania and its JA offices in the state of Pennsylvania.

If you could please keep us posted on the status of this legislation, that would be great. We look forward to continuing the conversation in the future, hopefully in person in Harrisburg at a later date.

If you have any questions with our attachments, please feel free to contact me.

Best,

Robbie
