^{22nd}Annual Pennsylvania Permanency Conference

FINDING FUTURES

July 9 - 11, 2014 · Lancaster, PA

Eliminating Barriers to Finding Educational Futures

Who is in the foster care system?

Number of children and youth in foster care on September 30, 2012 399,54		,546
Characteristics of children and youth in foster care on September 30, 2012	Number	Percentage
Age		
Young children (age 0-4)	132,845	33
School age children and youth (age 5–17)	249,107	62
Young adults (age 18–20)	17,302	4
Race/Ethnicity*		
White	166,195	42
Black	101,938	26
Hispanic (any race)	84,523	21
Other children and youth of color	34,371	9
Gender		
Male	209,131	52
Female	190,355	48

^{*} Includes 3 percent whose race/ethnicity was unknown

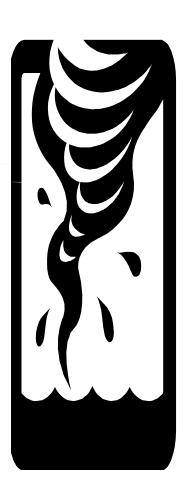

- •60% will return home
- •50% stay in care for less than a year^

2014 National Working Group on Foster Care and Education ^ U.S. Department of Health and Human Services AFCARS report

The Whirlwind of System Involvement

- Removed from home/parents/siblings
 - May not have had chance to say goodbye
 - Uncertain about where parents/siblings are
- Living with strangers
 - In strange house, room, bed and/or institution
 - Different customs/routine, other children in home
 - Institutional settings may be unsafe
- Few or no personal/familiar possessions
- Uncertainty about future
 - How are my siblings and parents?
 - Where will I live?
 - Will I return home?
- Ongoing mobility
- Including, "WHERE WILL I GO TO SCHOOL?"

Barriers to Educational Achievement for Court-Involved Youth

- Lack of placement and school stability
- Delayed enrollment
- Over-representation in alternative education
- Lack of supports/services for children with special education and behavioral support needs
- Poor on-site educational programs (cong. care)
- Poor communication/coordination of services
- Lack of meaningful graduation and transition planning
- Lack of statewide research and data

National/Multi-State Outcomes for School-Aged Foster Children:

- Twice as likely to be absent from school
- 56-75% change schools upon entering care (avg. 2.8 placements in care)
- Two to four times more likely to receive special education and/or repeat a grade
- Only half complete high school by age 18 (compared to 70% general population)
- 15 yr. olds half as likely to graduate in five years, with significantly higher drop out (55%) and incarceration (10%) rates

- Average 7th grade reading level after completing 10th and 11th grade.
- 34% changed schools five or more times.
- Twice as likely to have OOS suspension.
- Three times more likely to be expelled.
- 84% express desire to attend college:
 - Only 20% who graduate go to college;
 - Only 2–9% of former foster youth attain B.A.

The Importance of Finding Educational Futures

- Give foster children hope, a place to belong, a sense of normalcy, and a vision for their future.
- Prevent further foster care placements or entry into juvenile justice system.

Children's Roundtable

- Education Success and Truancy Prevention Committee
 - Universal focus
 - Prevention/Early Intervention
 - OCYS and ASD truancy pilot program
 - OCYS-funded elementary school, home, and community-based outreach to families re: truancy

County Macro Level

 Education subcommittee of the Children's Roundtable

County Micro Level

- School Based Workers
- "Check and Connect"

Educ. Success & Truancy Prevention Roundtable Committee:

- 2-year truancy prevention pilot program: "Focus on Attendance"
- Outreach and Intake Specialists in two Pittsburgh Public Schools

Negative impacts on school attendance:

- Housing
- Transportation
- Late Enrollment
- Inaccurate school documentation
- Poor communication between schools & service providers outside of schools

What improved school attendance?

- Addressing basic needs
- Helping to teach organizational skills
- Build network of social supports
- Increase knowledge of 'why school matters and what parents can do about it"
- Common Assessment tool (Child Adolescent Needs & Strengths)

What we didn't plan for:

 High overlap between students referred to this program and students already involved in formal services (child welfare, homeless, mental health, juvenile probation).

Next Steps:

- Shift agenda to broader truancy prevention initiative designed to improve collaboration across systems.
 - Utilize ESTP roundtable as the platform
- Goal: establish a consistent county-wide approach to truancy that encourages positive attendance.

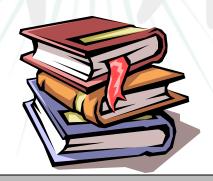

Pre-Placement/Truancy Focus on Attendance Continuum of Care

-Home Refer back to existing worker Link to Community Connections / Natural Supports/School supports Assistance with writing excuses/phone calls/school level engagement, positive messages, attendance campaign/competition

Out of Home Placement: Legal Tools for School Stability

- FEDERAL CHILD WELFARE LAW
 - Fostering Connections to Success and Increasing Adoptions Act (See handout)
- FEDERAL EDUCATION LAW
 - McKinney-Vento Homeless Assistance Act

Fostering Connections

- Case plans must include "assurances that the placement of the child...takes into account the appropriateness of the current educational setting and the proximity to the school in which the child is enrolled at the time of placement."
- Child welfare agency must coordinate with school to ensure <u>child remains in the same</u> school unless not in the child's best interest.
- Child welfare agency <u>may use federal funds to</u> <u>provide reasonable travel</u> for children to remain in their school of origin.

Fostering Connections

- If same school <u>not</u> in child's best interests, case plan must assure that CYS agency and LEA will provide:
 - immediate and appropriate enrollment in a new school; and
 - all of the child's <u>educational records</u> to the new school.
- All IV-E eligible children must be full-time elementary or secondary school students, or must have completed secondary school.

Fostering Connections Questions: What do we do when...

- Children come into care and need a living placement?
 - Identify placements that keep child within school catchment area/district
 - Stabilize living placements and minimize placement disruptions
- Living placements change and child is placed outside of school catchment area/district?
 - Make best interest determination about which school a child should attend (factors to consider, individuals to involve)

Fostering Connections Questions:

- Is it best for a child to stay in the same school even when living out of district?
 - Address barriers to keeping child in that school
 - Address transportation issues
- Is it best for a child to be re-enrolled in a new school?
 - Make enrollment immediate and seamless
 - Make sure records follow accurately and timely

More Fostering Connections Qs:

- What are the unique needs of our youngest children in foster care and how do we meet those needs?
- How do we ensure the right supports are in place for children in care, particularly supports that are trauma informed?
- How do we support children in foster care who have special education needs?
- How do we put children in care on track for completing high school and entering post secondary or training opportunities?
- How do we ensure that children in care who enter post secondary education successfully complete their education?

McKinney-Vento Homeless Assistance Act

Rights:

- Remain in school of origin, regardless of residency
- Transportation
- Immediate enrollment without typically required documents
- District liaisons and state coordinator

Eligibility (among other factors):

- Children in emergency or transitional shelters
- Children abandoned in hospitals
- Children "awaiting foster care placement"

McKinney-Vento Homeless Assistance Act

- Requires school districts to continue the child's education in the school of origin...
 - for the duration of the homelessness when child becomes homeless either between academic years or during an academic year; and
 - for the remainder of the academic year if the child becomes permanently housed during that academic year.
 - School of Origin defined as the school the child attended when permanently housed, or the school in which the child was last enrolled.

Educational Liaisons

 Education Point of Contact appointed in each county child welfare agency per 2010 DPW bulletin.

Dauphin School Placement Practices

- Team determines the most appropriate school setting.
 - Comprised of school personnel, caseworkers, supervision, parents, education decision maker (if not parent or GAL).
- Educational Liaison is brought in if questions or concerns arise.
- Educational Liaison consults with Agency solicitors and/or the Education Law Center when necessary.

Placement Disruption Considerations Dauphin

- Distance to the current school
- Seek shelter in the county where the placement has been disrupted
- If the education in the shelter is not adequate, attempt to enroll youth at the local school

Allegheny School Placement Practices

Collaborative relationship between services & schools

- Allegheny County DHS Education Point of Contact
- Allegheny Intermediate Unit, Education for Children
 & Youth Experiencing Homelessness Program
- Joint training
- Ongoing coaching for school staff and child welfare staff
- Consistent messages

Allegheny School Placement Practices

Education Screening Tool (see handout)

- PA State Bulletin in September 2010; Appoint CW Education Point of Contact
- Training from May 2011 Jan. 2013; has continued
- Electronic completion in web-based case management program
- Completed by provider agencies for every child actively receiving services (1 x per year for kids at home, 2 x per year for kids in care)
- Integrated with court addendum paperwork

Allegheny School Placement Practices Best Interest Placement Tool

- Matches child's info. to required provider info. on all active homes.
- Generates list of available non-kinship homes ranked by best fit.

A home that is in the child's best interest will:

- be the most family-like setting;
- be located in the child's community and school catchment area (if preferred);
- be willing to care for the child's identified behavioral challenges, mental health and/or medical needs, etc.

Objective: increase placement stability and improve permanency/well-being outcomes for children in care through better, more informed placement decisions.

Expected results:

- Reduce congregate care placements (foster ranked above group homes)
- Improve neighborhood/school stability (homes ranked by proximity to child's removal address)

Allegheny School Placement Practices Diligent Recruitment Grant

GOALS:

- Create and sustain more representative network of resource families;
- Ensure DHS has best-fit home for all children in care;
- Cultivate resource family network better prepared to serve youth, including the most vulnerable (behavioral/medical needs);
- Improve partnership between providers, DHS, and resource families to ensure families are fully engaged and supported;
- Increase placement stability;
- Reduce reliance on group/congregate care; and
- Provide stakeholders with a meaningful role and voice that:
 - influences the policy/practice of child welfare; and
 - improves the recruiting and engagement continuum.

As of April 30, 2014 in Allegheny County:

- 4,388 were active with CYF
- 1,523 were active in a CYF placement
- 1,126 were in CYF foster care:
 - 714 in kinship care
 - 360 in non-kinship care
 - 52 in emergency foster care

Lehigh School Placement Practices

- County-Wide Enrollment Training
- Enrollment Brochure
- Outreach to School Superintendents
- Directory of Contacts
- Transition Planning

Enrollment Requirements

- Proof of Age (birth or baptismal certificate, prior school record, passport, etc..)
- 2. Immunizations (immunization and/or prior school record)
- 3. Proof of Residency (deed, utility bill, ID card)
 - a. Agency can verify residence with a letter
 - b. Not required of homeless students
- 4. Parent Registration Statement (sworn statement of child's disciplinary record)
 - a. Cannot deny or delay enrollment based on content

Enrollment should be immediate and must not be more than five (5) business days after providing these documents.

Enrollment: Districts may not request...

- Reason for out of home placement
- Agency records
- Dependency court orders or records
- Picture identification*
- Health or physical examination*
- Academic Records*
- Attendance Records*
- IEP/Special Education Records*

*Denotes documents that may be requested overall, but not as a condition of enrollment. Others entirely prohibited.

Out of County Placements Lehigh

 - Points of contact
 - CRT engagement
 - MDJ Outreach and Education

Out of Home Placement: Credit Transfers/Grad. Waivers

statewise adoption and permanency network independent himp services

Foster youth may be able to get certain graduation requirements waived due to frequent transfers (22 Pa. Code § 4.51d)

Out of Home Placement: Credit Transfers/Grad. Waivers

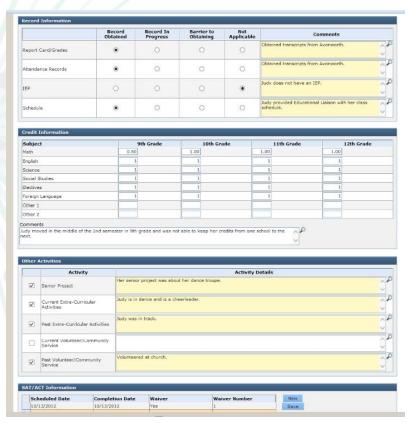

Allegheny County Independent Living Initiative http://www.alleghenycounty.us/dhs/independentliving.aspx

- Assists foster youth interested in/qualified for post-secondary ed.
- Staffed by DHS Caseworkers and Educational Liaisons.
 - 5 people dedicated to the educational needs of IL aged youth
- Helps youth remain in school and supports graduation goals.
- For youth ages 16 to 24 years, helps with applications for:
 - admission to academic, vocational or other institutions for post-secondary education;
 - employment and vocational training;
 - housing; and
 - financial aid and scholarships.
 - Also helps youth enroll in programs and services to enhance postsecondary success.

Out of Home Placement: Credit Transfers/Grad. Waivers

- Allegheny County IL Initiative
- Academic Passport (see handout)

Ensuring Proper Educational Programming

- Foster children may not be placed into special or alternative education automatically.
 - Ensure that IEP is specifically tailored to meet the individual student's needs
 - Evaluate for Gifted IEP when appropriate
 - Consider 504 Plan when needed
 - Only children "currently expelled" for weapons offenses (i.e. did not serve out expulsion at former school) can be placed in alternative education by default during the expulsion period.

Ensuring Proper Educational Programming

- Children in congregate care have the right to attend local public school, if in their best interest.
 - Institutionalized youth do not have to default to attending on-site alternative education programs.

Integrating Foster Children into a New School

- Promote extracurricular involvement.
- Improve transportation (i.e. activity bus) to increase participation.
- Appoint foster care liaison at each school/district to greet
 & integrate students in activities (Cincinnati).
- Utilize special programs to target foster children and promote community and higher ed. goals.
 - Calif.: Advancement via Individual Determination (AVID)
- Inform teachers of foster child status and share other details that might help educators connect and support.
- Lehigh "the old school is a new school."

Educational Decision Making

- Understanding the Roles
 - Birth and Adoptive Parents
 - Surrogate Parents
 - Who qualifies as an "IDEA parent"?
 - Educational Decision-Makers
 - Juvenile Court Rule 1147
 - "Make appropriate inquiries and take appropriate actions"
 - In re: J.J., Superior Court Decision

FERPA

- Family Education Rights and Privacy Act:
 - Protects privacy interests of students' education records.
 - Prohibits schools from disclosing personally identifiable information from students' education records without the written consent of a parent or eligible student, unless an exception to general consent rule applies.

20 U.S.C. § 1233g; 34 CFR Part 99

FERPA: Uninterrupted Scholars Act (USA)

- Effective January 14, 2013, the Uninterrupted Scholars Act includes two important changes:
 - Creates a new "child welfare exception"
 - Eliminates duplicative notice for the "court order exception"

FERPA: New Provisions

- Information can be released without parental consent to:
 - an agency caseworker or other representative of a State or local child welfare agency, or tribal organization... who has the right to access a student's case plan;
 - when such agency or organization is **legally responsible**, in accordance with State or tribal law, for the **care and protection** of the student;
 - provided that the education records, or the personally identifiable information contained in such records, of the student will **not be** disclosed ... except to an individual or entity engaged in addressing the student's education needs....

Data and Information Sharing

© MARK ANDERSON

WWW.ANDERTOONS.COM

"So things are good, stuff is OK, and I reiterate my request for more specific data."

Data and Information Sharing:

Different types to support foster children

- State level efforts to identify aggregate level data on outcomes for children in care (CA's Invisible Achievement Gap; NE and AR)
- Local level real-time data sharing across agencies
 - Designed to be tool to front line staff who work directly with children and youth
 - Separate data system to identify placement options in school districts
 - (Allegheny; Cincinnati; San Diego and Sacramento)

Data and Information Sharing

- Statewise adoption and permanency network independent living services
- Child/student specific data sharing models
 - Real time access to records by caseworkers
 - Frequent data exchange for case management and reporting
- System level sharing and accountability
 - SACWIS education elements (Education Identifier)
 - State or LEAs disaggregating educational outcome data for children in care

Allegheny County Data Sharing with School Districts

Action Research Approach

First legal agreement with Pittsburgh Public Schools (2009)

School Districts (13 of 43 districts as of 5/2014):
Pittsburgh Public, Clairton, Woodland Hills, Elizabeth Forward,
Gateway, Penn Hills, Sto-Rox, McKeesport, Steel Valley, Allegheny
Intermediate Unit, Baldwin Whitehall, Duquesne, West Mifflin

Allegheny County Data Sharing Practices

- Legal team of cross-system advisors and Community Stakeholder group advising the work
- Directory level education data shared more broadly
- Child level data published weekly in web-based case management system where legally appropriate (child adjud. dependent or caseworker has signed consent)
- Snapshot integrated into family court addendum paperwork
- Building caseworker alerts (i.e. child missed school, child withdrawn from school)
- Legal framework in place to share back with schools (names of children in foster care, contact information for caseworker/supervisor)

Example of a school district in Allegheny County Detailed Program Involvement

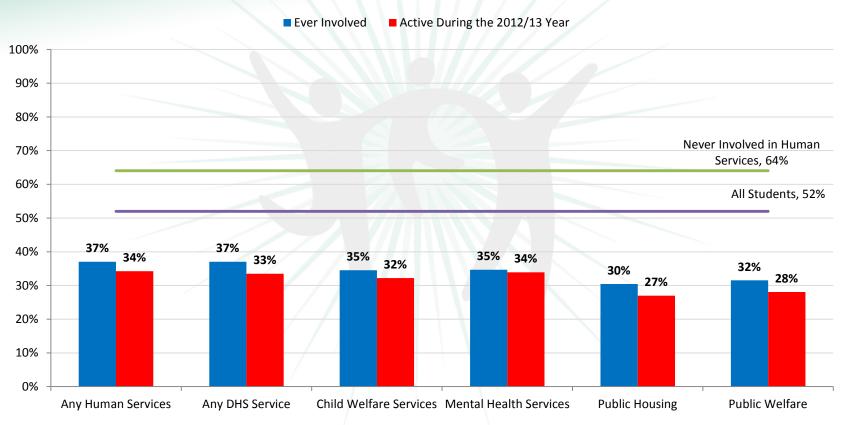

Human Service Involvement by Program Area

Educational Outcomes - GPA

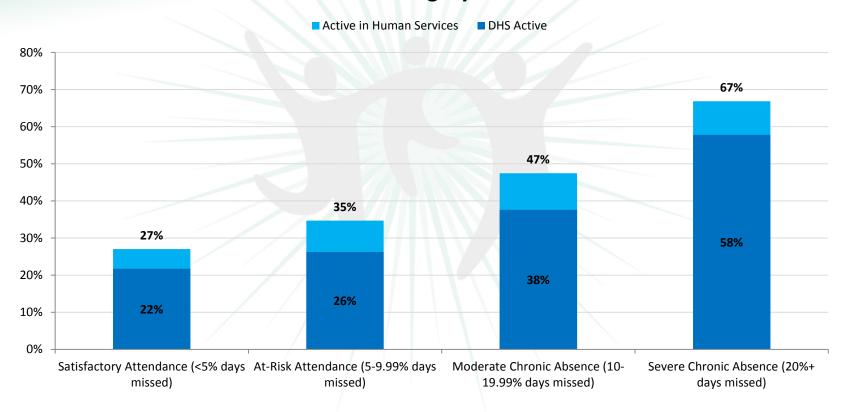

independent living services

Percent of Students with GPAs Greater Than or Equal to 2.5 by Service Type

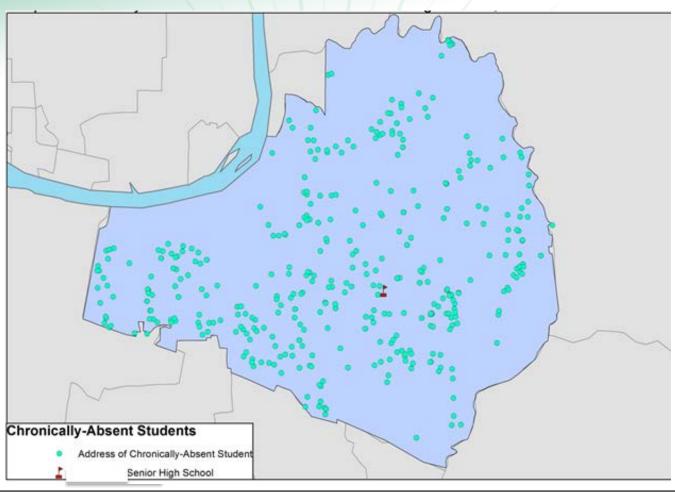

Active in Human Services by Attendance Category

Percent of Human Service Active Students in each Attendance Category

Chronically-Absent Students at XYZ High School
