Dear Representative Galloway and Representative Mackenzie,

Ironworkers Local 404 applauds your efforts to advance legislation to expand E-Verify and reduce misinformation surrounding employment. We commend your consideration and look forward to the conversation surrounding the relationship between these two issues.

We support the contents of the proposed legislature and we are happy to be working with you in the future to ensure preventive measures are being taken. We also agree that the penalties be appropriate in deterring any future illegal action. At Ironworkers Local 404, we stand together with you against fraudulent employment, tax evasion, and unsafe construction practices.

We look forward to following the House Labor & Industry Committee hearing later this month. In the following weeks, if we can be of any assistance, please do not hesitate to reach out to us.

Sincerely,

George Zalar
