The Honorable Representative Barry J. Jozwiak
155B East Wing
P.O. Box 202005
Harrisburg, PA 17120-2005

Dear Representative Jozwiak:

The Pennsylvania Chiefs of Police Association strongly supports House Bill 1509 regarding Vehicle Registration Stickers.

Over the last several months, we have heard many complaints through our membership that the elimination of the registration sticker has eliminated a critical tool for law enforcement officers. Additionally, the Commonwealth has experienced a drastic reduction in revenue from vehicle registration renewals.

We feel that House Bill 1509 institutes a novel approach to solving the problem through the two-in-one sticker. Law enforcement officers need the ability to quickly determine if a vehicle is properly registered, insured, and inspected. This legislation will address the problem.

Thank you for your sustained support of Pennsylvania law enforcement.

Sincerely,

Joseph C. Blackburn
