Hon. Bob Brooks

Chair, Subcommittee on Financial Services & Banking
155A East Wing
P.O. Box 202054
Harrisburg, PA 17120-2054

Dear Representative Brooks:

We are residential mortgage industry member privileged to do business in Pennsylvania and working hard to make the dream of homeownership come true for residents of the Commonwealth. We currently have one office in Pennsylvania and 3 employees operating in Pennsylvania.

We understand that the Commerce Committee's Subcommittee on Financial Services and Banking is holding a public hearing on Monday, May 3 to consider proposed legislation on permitting mortgage originators and other employees of a licensee to work from remote locations.

We are writing to express our strong support for such legislation. Continued flexibility about the workplace, in part as a result of the Covid-19 pandemic, will help our business and our customers. We support an amendment to the Mortgage Licensing Act which permits work at home flexibility for mortgage originators.

Very truly yours,

Steven Dessner
