

**SECOND CLASS CITIES, PAVING OF STREETS**  
**Act of May 6, 1909, P.L. 451, No. 251**  
AN ACT

Cl. 11

Regulating the paving or macadamizing of any public street, lane, or alley, or part thereof, and the construction of lateral sewers, in cities of the second class, and providing for ascertaining the costs and expenses thereof upon the property benefited or abutting thereon.

Section 1. Be it enacted, &c., That in cities of the second class, the costs and expenses of lateral sewers shall be assessed upon the lots or lands along or through which such lateral sewers run, according to the valuation of such lots or lands aforesaid, or in proportion to benefits upon lots or lands benefited, or by an equal assessment by the foot front upon the lands along or through which such sewers run, as council may determine.

Section 2. Every city of the second class, in its corporate capacity, is authorized to cause to be paved or macadamized any public street, lane, or alley, or part thereof, which is now or may hereafter be laid out and opened in any of said cities, and have the same set with curb-stones; and to provide for the payment of the costs and expenses thereof, in whole or in part, by the city, or by the owners of real estate bounding and abutting thereon; which costs and expenses upon the abutting real estate shall be assessed according to the foot front rule, or according to benefits, as council shall by ordinance determine.

Section 3. All municipal claims which may hereafter be lawfully imposed or assessed upon any property, in accordance with the foregoing sections, shall be proceeded upon in the method prescribed, for the filing and enforcing payment of such claims, by the act of June four, Anno Domini one thousand nine hundred and one.
