

BIENNIAL REPORTS REQUIRED BY DEPARTMENTS OF STATE GOVERNMENT

Act of Apr. 18, 1919, P.L. 89, No. 68

Cl. 71

AN ACT

Providing for biennial instead of annual reports by the several departments of the State Government.

Section 1. Be it enacted, &c., That all reports required to be made annually under existing law, shall hereafter be made biennially only. All such reports shall be made to the Governor, not later than the first day of June of each odd-numbered year, and shall cover the report of the department, board, bureau, division, or commission, for the two years immediately preceding. Said reports shall be printed and distributed only on order of the Governor.

This act shall not be construed to interfere with any contracts now in force relative to the printing and binding of departmental reports, nor shall Smull's Legislative Hand Book be classified as a report to be issued biennially, the law now governing said publication to remain in full force and effect.

Section 2. All acts and parts of acts inconsistent with this act are hereby repealed.
