Act of Jun. 12, 1919, P.L. 444, No. 220
AN ACT

Cl. 53

Relating to appointments under the civil service in counties, cities, and boroughs, and providing penalties.

Compiler's Note: Section 4701 of Act 317 of 1931 provided that Act 220 is repealed insofar as it relates to third class cities.

Section 1. Be it enacted, &c., That the names of all persons who shall attain the average percentage required by law or the rules and regulations of the board or commission having in charge the civil service examinations in any county, city, or borough, shall be placed on the eligible list for appointments under the civil service in such counties, cities, and boroughs.

Section 2. The board or commission shall arrange the names of the persons on any eligible list according to their percentage, and shall certify to the appointing power, upon request, the four names standing highest on said list, and the appointing power shall appoint any one of such four persons in like manner as other appointments are made, except as hereinafter provided in the case of honorably discharged soldiers, sailors and marines.

Section 3. Preference may be given, by the appointing power, to all honorably discharged soldiers, sailors, and marines, who served in the Army or Navy of the United States during times of war, who have passed the required civil service examinations, notwithstanding the fact that the names of such soldiers, sailors, and marines may not be among the four names standing highest upon the eligible lists as hereinbefore provided. Such appointments of soldiers, sailors, and marines, may be made without regard to any age limitations now provided for by law or the rules and regulations of any board or commission having in charge civil service regulations in any county, city, or borough.
