**Compiler's Note:** See section 18.1 of Act 70 of 2021 in the  
appendix to this act for special provisions relating to  
continuation of prior law.

**Compiler's Note:** Section 7 of Act 50 of 2009 provided that  
section 202 is repealed insofar as it is inconsistent  
with Act 50.

**Compiler's Note:** Section 301(a)(16) of Act 58 of 1996, which  
created the Department of Community and Economic  
Development and abolished the Department of Community  
Affairs, provided that all other powers and duties  
delegated to the Department of Community Affairs not  
otherwise expressly transferred elsewhere by Act 58 and  
currently performed by the Department of Community  
Affairs under section 202 are transferred from the  
Department of Community Affairs to the Department of  
Community and Economic Development.

Section 701 of Act 58 of 1996 provided that the Board of  
Property is hereby placed and made a departmental  
administrative board in the Department of Community and  
Economic Development.

**Compiler's Note:** The Department of Commerce was renamed the  
Department of Community and Economic Development by Act

Such councils were not specifically placed under the jurisdiction of the Department of Military Affairs or the Department of Military and Veterans Affairs.

(f) All new cadets and troopers shall serve a probationary period of eighteen months from date of original enlistment, during which time they may be dismissed by the commissioner for violations of rules and regulations, incompetency, and inefficiency without action of a court-martial board or the right of appeal to a civil court. ((f) added Dec. 5, 1967, P.L.673, No.313)

(g) ((g) deleted by amendment July 2, 2013, P.L.249, No.43)  
(205 amended July 25, 1963, P.L.278, No.148)

**Compiler's Note:** Section 1 of Act 100 of 2001 provided that section 205(b) is repealed to the extent that it limits the aggregate number of Pennsylvania State Police members to less than 4,310 persons, provided that Pennsylvania State Police members assigned to duty with the Pennsylvania Turnpike Commission or as resident State troopers shall be excluded in determining such number.

Every such license shall be revocable for reasonable cause upon six months' written notice by the Commonwealth, and also after like notice for violation of such proper terms and conditions as the department, board, or commission, with the approval of the Governor, shall prescribe when the license issues. Unless any such line is primarily for the benefit of a State building or State institution, the license shall provide for the payment to the Commonwealth of compensation for the use of its property in such amount as the department, board, or commission granting it shall, with the approval of the Governor, prescribe.

But nothing herein contained shall authorize the Commonwealth to impose and collect from any municipality or township any compensation for a license granted to such municipality or township for the running of a public service line over any such bridge.

The board shall consist of three commissioned officers. The hearing shall not be sooner than ten days nor later than thirty days after such written notice. At such hearing all testimony offered, including that of complainants and their witnesses as well as that of the accused enlisted member and his witnesses, shall be recorded by a competent stenographer whose services shall be furnished by the Pennsylvania State Police at its expense. Any such hearing may be postponed, continued or adjourned, by agreement of the person charged and the Court-martial Board with approval of the commissioner. (2) The Court-martial Board shall have power to issue subpoenas requiring the attendance of witnesses at any hearing and shall do so at the request of the party against whom a complaint is made. If any person shall refuse to appear and testify in answer to any subpoena issued by the board, any party interested may petition the court of common pleas of the county wherein the hearing is to be held setting forth the facts. The court shall thereupon issue its subpoena commanding such person to appear before the Court-martial Board, there to testify as to the matters being inquired into. Any person refusing to testify before the Court-martial Board may be held for contempt by the court of common pleas. All testimony at any hearing shall be taken under oath and any member of the Court-martial Board shall have power to administer oaths to such witnesses.

If one member of the Court-martial Board shall dissent from the findings of the other members, he may state his reason for disagreement which shall be made a part of the record.

Reports of findings of the Court-martial Board shall not be made public before acted upon by the commissioner. The

A written notice of any decision of the commissioner discharging, demoting or refusing the reenlistment of any member, together with a free copy of a transcript of the notes of testimony, shall be sent by registered mail to the enlisted member at his last known address within thirty days after the hearing is actually concluded. The commissioner may, in his discretion, follow or disregard the recommendations of the Court-martial Board.

In all cases where the final decision is in favor of the enlisted member, the records in the files of the Pennsylvania State Police shall show accordingly.

(3) In case the enlisted member concerned considers himself aggrieved by the action of the commissioner, an appeal may be taken by him to the Court of Common Pleas of Dauphin County in accordance with the provisions of the act of June 4, 1945 (P.L.1388), and its amendments, known as the "Administrative Agency Law."

(b) In order to implement this section, the Commissioner of the Pennsylvania State Police is authorized to enter into agreements with boroughs and first and second class townships for the furnishing of police protection by one or more resident State troopers on a contractual basis. (7) Require that an on-duty resident State trooper not leave his assigned municipality or municipalities without the authorization of the commander of the field installation and require that the commander not remove a resident State trooper from his area of jurisdiction during assigned hours except in cases of extreme emergency, in which case the governing body of the contracting municipality or municipalities shall be notified.

(904-A added July 9, 1976, P.L.903, No.161)

Section 904-A.1. Assessment Upon Public Utilities, Disposition, Appropriation and Disbursement of such Assessments.--(a) Before November 1, 1983 for fiscal year 1984-1985 and before November 1 of each year hereafter, the Office of Consumer Advocate shall estimate the total expenditures for the Office of Consumer Advocate and submit the estimate to the Governor in accordance with section 610 of the act. At the same time the Consumer Advocate submits his estimate to the Governor, the Consumer Advocate shall also submit that estimate to the General Assembly. Such estimate shall not exceed five one hundredths of one per centum (.05%) of the total gross intrastate operating revenues of all public utilities subject to the jurisdiction of the Pennsylvania Public Utility Commission for the preceding calendar year. The Consumer Advocate or his designated representatives shall be afforded an opportunity to appear before the Governor and the Senate and House Appropriations Committees regarding his estimate. If the General Assembly fails to approve the Consumer Advocate's budget for the purposes of this section by March 30, the Public Utility Commission shall assess public utilities on the basis of the last approved allocation. At such time as the General Assembly approves the proposed budget, the Consumer Advocate and the commission shall make an adjustment in the assessments to reflect the approved budget. The Office of Consumer Advocate shall subtract from the budget finally approved by the General Assembly any balance of the appropriation to be carried over into such fiscal year from the preceding one. The remainder so determined shall constitute the total assessment, and shall be allocated to, and paid by, public utilities in the manner hereafter prescribed. ((a) amended July 20, 1983, P.L.48, No.25)

(b) For the fiscal year 1977-1978, the allocation shall be made as described in subsection (c) but for each fiscal year thereafter the allocation shall be made as follows:

(1) The Office of Consumer Advocate shall determine for the preceding calendar year the amount of its expenditures directly attributable, or in its judgement properly allocable, to its activities in connection with each group of utilities furnishing the same kind of service and debit the amount so determined to such group.

(2) The Office of Consumer Advocate shall then allocate the total assessment prescribed by subsection (a) to each group in the proportion which the sum of the debits made to it bears to the sum of the debits made to all groups. The Office of Consumer Advocate shall transmit to the Pennsylvania Public Utility Commission the result of the aforesaid allocation.

(c) The Pennsylvania Public Utility Commission shall thereafter complete the assessment procedure and collect the assessments as follows: each public utility within a group shall

then be assessed for and shall pay to the Pennsylvania Public Utility Commission such proportion of the amount allocated to its group as the gross intrastate operating revenues of the public utility for the preceding calendar year bear to the total gross intrastate operating revenues of its group for that year, but for the fiscal year 1977-1978 every public utility shall be assessed for and shall pay to the commission such proportion of the total assessment as the gross intrastate operating revenues of the public utility for the preceding calendar year bear to the total gross intrastate operating revenues of all public utilities that are assessed. The Pennsylvania Public Utility Commission shall give notice by registered or certified mail to each public utility of the amount lawfully charged against it under the provisions of this section, which amount shall be paid by the public utility within thirty (30) days of receipt of such notice, unless the commission specifies on the notices sent to all public utilities an installment plan of payment, in which case each public utility shall pay each installment on or before the date specified therefor by the commission. Within fifteen (15) days after receipt of such notice, the public utility against which such assessment has been made may file with the commission objections setting out in detail the grounds upon which the objector regards such assessment to be excessive, erroneous, unlawful or invalid. The commission, after notice to the objector, shall hold a hearing upon such objections. After such hearing, the commission shall record upon its minutes its findings on the objections and shall transmit to the objector, by registered or certified mail, notice of the amount, if any, charged against it in accordance with such findings, which amount, or any installment thereof, then due shall be paid by the objector within ten (10) days after receipt of notice of the findings of the commission with respect to such objections. If any payment prescribed by this subsection is not made as aforesaid, the commission may suspend or revoke certificates of public convenience, certify automobile registrations to the Secretary of Transportation for suspension or revocation or, through the Department of Justice, may institute an appropriate action at law for the amount lawfully assessed, together with any additional cost incurred by the commission or the Department of Justice by virtue of such failure to pay.

(d) No suit or proceeding shall be maintained in any court for the purpose of restraining or in anywise delaying the collection or payment of any assessment made under subsections (a), (b) and (c), but every public utility against which an assessment is made shall pay the same as provided in subsection (c). Any public utility making any such payment may, at any time within two (2) years from the date of payment, sue the Commonwealth in an action at law to recover the amount paid, or any part thereof, upon the ground that the assessment was excessive, erroneous, unlawful, or invalid, in whole or in part, provided objections, as hereinbefore provided, were filed with the commission, and payment of the assessment was made under protest either as to all or part thereof. In any action for recovery of any payments made under this section, the claimant shall be entitled to raise every relevant issue of law, but the findings of fact made by the commission, pursuant to this section, shall be prima facie evidence of the facts therein stated. Any records, books, data, documents, and memoranda relating to the expenses of the Office of Consumer Advocate shall be admissible in evidence in any court and shall be prima facie evidence of the truth of their contents. If it is finally

determined in any such action that all or any part of the assessment for which payment was made under protest was excessive, erroneous, unlawful, or invalid, the Office of Consumer Advocate shall make a refund to the claimant out of the appropriation specified herein as directed by the court.

(e) The procedure in this section providing for the determination of the lawfulness of assessments and the recovery back of payments made pursuant to such assessments shall be exclusive of all other remedies and procedures.

(f) It is the intent and purpose of this section that each public utility shall advance to the Office of Consumer Advocate its reasonable share of the cost of administering this act. The Office of Consumer Advocate shall keep records of the costs incurred in connection with the administration and enforcement of this act or any other act. The Office of Consumer Advocate and the Pennsylvania Public Utility Commission shall also keep a record of the manner in which it shall have computed the amount assessed against every public utility. Such records shall be open to inspection by all interested parties. The determination of such costs and assessments by the Office of Consumer Advocate and the Pennsylvania Public Utility Commission, and the records and data upon which the same are made, shall be considered prima facie correct. In any proceeding instituted to challenge the reasonableness or correctness of any assessment under this section, the party challenging the same shall have the burden of proof.

(g) All assessments received, collected, or recovered under this act shall be paid by the commission into the General Fund of the State Treasury through the Department of Revenue.

(h) All such assessments, allocated to and paid by public utilities shall be held in trust solely for the purpose of defraying the cost of the administration and performance of the duties of the Office of Consumer Advocate relating to proceedings before the Pennsylvania Public Utility Commission, the corresponding regulatory agencies of the United States, related judicial proceedings, and other such matters within the jurisdiction of the Office of Consumer Advocate, and shall be earmarked for the use of, and annually appropriated to, the Office of Consumer Advocate for disbursement solely for that purpose. ((h) amended July 20, 1983, P.L.48, No.25)

(i) All requisitions upon such appropriation shall be signed by the Consumer Advocate or such deputies as he may designate in writing to the State Treasurer and shall be presented to the State Treasurer and dealt with by him and the Treasury Department in the manner prescribed by the act of April 9, 1929 (P.L.343, No.176), known as "The Fiscal Code."

(904-A.1 added June 21, 1977, P.L.19, No.15)

Section 905-A. Duties of the Commission.--In dealing with any proposed action which may substantially affect the interest of consumers, including but not limited to a proposed change of rates and the adoption of rules, regulations, guidelines, orders, standards or final policy decisions, the commission shall:

(1) Notify the Consumer Advocate when notice of the proposed action is given to the public or at a time fixed by agreement between the Consumer Advocate and the commission in a manner to assure the Consumer Advocate reasonable notice and adequate time to determine whether to intervene in such matter.

(2) Consistent with its other statutory responsibilities, take such action with due consideration to the interest of consumers.

(905-A added July 9, 1976, P.L.903, No.161)

Section 906-A. Savings Provision; Construction.--(a)  
Nothing contained herein shall in any way limit the right of any consumer to bring a proceeding before either the commission or a court.

(b) Nothing contained herein shall be construed to impair the statutory authority or responsibility of the commission to regulate public utilities in the public interest.

(906-A added July 9, 1976, P.L.903, No.161)

Section 907-A. The board, council or municipality so purchasing said scrap material shall be required to dismantle and remove scrap within the time period stipulated by the Department of Property and Supplies.

If more than one board, council or municipality having the same degree of priority as is herein provided shall request or offer to purchase said surplus material, the decision as to which board, council or municipality shall receive preference shall be made or determined by the Department of Transportation and the Department of Property and Supplies according to need.

In case such necessary dismantling and removal from said site is not complied with within a stipulated time limit, then the Department of Transportation shall have the right to dismantle such bridge or structure and dispose of said material, bridge or structure as per policies agreed to between the Departments of Transportation and Property and Supplies.

In the event that the board, council or municipality to whom such surplus was sold shall fail to remove and dismantle the structure within the time period so provided, such sale shall

Section 2214-A. PACE and PACENET Program Payments.--(a) In addition to the requirements under section 509 of the act of August 26, 1971 (P.L.351, No.91), known as the State Lottery Law, the department shall administer the program in accordance with the following:

(1) If the NADAC per unit is available, the program payment shall be the lower of the following amounts:

(i) the NADAC per unit:

(A) with the addition of a professional dispensing fee of ten dollars and forty-nine cents (\$10.49) per prescription; and

(B) the subtraction of the copayment; or

(ii) the pharmacy's usual and customary charge for the drug dispensed with the subtraction of the copayment.

(2) If the NADAC per unit is unavailable, the program payment shall be the lower of the following amounts:

(i) the wholesale acquisition cost plus three and two-tenths per centum (3.2%):

(A) with the addition of a professional dispensing fee of ten dollars and forty-nine cents (\$10.49) per prescription; and

(B) the subtraction of the copayment; or

(ii) the pharmacy's usual and customary charge for the drug dispensed with the subtraction of the copayment.

(b) Notwithstanding any other statute or regulation, a brand name product shall be dispensed and not substituted with an A-rated generic therapeutically equivalent drug if it is less expensive to the program. If a less expensive A-rated generic therapeutically equivalent drug is available for dispensing to a claimant, the provider shall dispense the A-rated generic therapeutically equivalent drug to the claimant. The department shall reimburse providers based upon the most current listing of the NADAC per unit plus a professional dispensing fee of ten dollars and forty-nine cents (\$10.49) per prescription. The department shall not reimburse providers for brand name products except in the following circumstances:

(1) There is no A-rated generic therapeutically equivalent drug available on the market. This paragraph does not apply to the lack of availability of an A-rated generic therapeutically equivalent drug in the providing pharmacy unless it can be shown to the department that the provider made reasonable attempts to obtain the A-rated generic therapeutically equivalent drug or that there was an unforeseeable demand and depletion of the supply of the A-rated generic therapeutically equivalent drug.

In either case, the department shall reimburse the provider for the NADAC per unit plus a professional dispensing fee of ten dollars and forty-nine cents (\$10.49) per prescription.

(2) An A-rated generic therapeutically equivalent drug is deemed by the department, in consultation with a utilization review committee, to have too narrow a therapeutic index for safe and effective dispensing in the community setting. The department shall notify providing pharmacies of A-rated generic therapeutically equivalent drugs that are identified pursuant to this paragraph on a regular basis.

(3) The Department of Health has determined that a drug shall not be recognized as an A-rated generic therapeutically equivalent drug for purposes of substitution under section 5(b) of the act of November 24, 1976 (P.L.1163, No.259), referred to as the Generic Equivalent Drug Law.

(4) At the time of dispensing, the provider has a prescription on which the brand name drug dispensed is billed to the program by the provider at a usual and customary charge which is equal to or less than the least expensive usual and customary charge of an A-rated generic therapeutically equivalent drug reasonably available on the market to the provider.

(5) The brand name drug is less expensive to the program.

(c) If a claimant chooses not to accept the A-rated generic therapeutically equivalent drug required under subsection (b), the claimant shall be liable for the copayment and the NADAC per unit.

Section 2333. Domestic Violence and Rape Victims Services.--(a) The General Assembly finds that the public health and safety is threatened by increasing incidences of domestic violence and rape. Domestic violence programs and rape crisis programs provide needed support services for victims and assist in prevention through community education. Therefore, the General Assembly finds that it is in the public interest for the Commonwealth to establish a mechanism to provide financial assistance to domestic violence centers and rape crisis centers for the operation of domestic violence and rape crisis programs.

(b) Where any person after the effective date of this section pleads guilty or nolo contendere to or is convicted of any crime as herein defined, there shall be imposed, in addition to all other costs, an additional cost in the sum of ten dollars (\$10) for the purpose of funding the services as described in this section. Such sum shall be paid over to the State Treasurer to be deposited in the General Fund. (e) As used in this section, the following words and phrases shall have the meanings given to them in this subsection:

"Crime" means an act committed in Pennsylvania which, if committed by a mentally competent, criminally responsible adult, who had no legal exemption or defense, would constitute a crime as defined in and proscribed by Title 18 of the Pennsylvania Consolidated Statutes (relating to crimes and offenses) or enumerated in the act of April 14, 1972 (P.L.233, No.64), known as "The Controlled Substance, Drug, Device and Cosmetic Act." "Domestic violence" means the occurrence of one or more of the following acts between family or household members:

(1) Intentionally, knowingly or recklessly causing or attempting to cause bodily injury.

"Domestic violence program" means a program which has as its primary purpose the provision of direct services to victims of domestic violence and their children, including, but not limited to, victim advocacy, counseling, shelter, information and referral, victim-witness, accompaniment, community education and prevention.

"Rape crisis center" means an organization, or the coordinating body of an organization, which has as its primary purpose the operation of rape crisis programs.

**Compiler's Note:** The Department of Public Welfare, referred to in this section, was redesignated as the Department of Human Services by Act 132 of 2014.

**Compiler's Note:** Section 4 of Act 44 of 1988, which added section 2333, provided that it is the intent of the General Assembly that section 2333 is a reenactment of Article XII of the act of June 13, 1967 (P.L.31, No.21), known as the Public Welfare Code. Section 5 of Act 44

of 188 provided that section 2333 shall be retroactive to June 18, 1987.

Section 2334. Medical Assistance Payments.--(a) It is the general purpose of this section to provide for a continuum of alcohol and drug detoxification and rehabilitation services to persons eligible for medical assistance. Facilities serving as appropriate treatment settings include hospital and nonhospital drug detoxification and rehabilitation facilities, hospital and nonhospital alcohol detoxification and rehabilitation facilities, and hospital and nonhospital drug and alcohol detoxification and rehabilitation facilities and outpatient services licensed by the Office of Drug and Alcohol Programs of the Department of Health. The General Assembly recognizes that the fluctuating nature of alcohol and drug dependency, in combination with the associated physical complications often arising from long-term use of alcohol and drugs, necessitates that a variety of treatment modalities and settings be made available to persons eligible for medical assistance. The availability of a new service in this area is in no way intended to limit access to or funding of services available currently.

(b) Consistent with section 2301, the Department of Public Welfare shall:

(1) Provide, on behalf of persons eligible for medical assistance, medical assistance coverage for detoxification, treatment and care in a nonhospital alcohol detoxification facility, nonhospital drug detoxification facility, nonhospital alcohol and drug detoxification facility, or a nonhospital treatment facility which can provide services for either drug or alcohol detoxification or treatment or for both, provided that the facility is licensed by the Office of Drug and Alcohol Programs in the Department of Health.

(2) Use criteria developed by the Office of Drug and Alcohol Programs for governing the type, level and length of care or treatment, including hospital detoxification, as a basis for the development of standards for services provided under clause (1).

(3) Notwithstanding clause (1), provide by regulation for gradual implementation of medical assistance coverage under this subsection to client populations which shall be identified in cooperation with the Department of Health. The regulations shall provide for full implementation of clause (1) to all medical assistance eligibles in phases over a period of time not to exceed five years from the effective date of the regulations. The program phases shall be structured so as to allow for independent evaluation of each phase on an ongoing basis. Initial regulations adopted pursuant to this subsection shall not be subject to review pursuant to the act of June 25, 1982 (P.L.633, No.181), known as the "Regulatory Review Act," except that the regulations may be reviewed under section 5(h) of that act.

(c) The Department of Public Welfare, the Department of Health and the Office of Drug and Alcohol Programs shall jointly provide for an independent evaluation of the program authorized by this section in accordance with specific evaluation criteria, which shall include, but not be limited to: (i) comparison of medical costs before and after program implementation; (ii) employment history; and (iii) involvement with other programs of the Department of Health, the Department of Public Welfare, the Department of Corrections and any other appropriate agencies. The evaluation shall be conducted in compliance with all applicable Federal and State confidentiality requirements.

(2334 added Dec. 15, 1988, P.L.1239, No.152)

**Compiler's Note:** The Department of Public Welfare, referred to in this section, was redesignated as the Department of Human Services by Act 132 of 2014.

**Compiler's Note:** Section 5 of Act 53 of 1997 provided that nothing in Act 53 shall relieve, restrict or expand the obligations of any insurer, health maintenance organization, third-party administrators, hospital plan corporation or health services plan corporation doing business in this Commonwealth with respect to the coverage of drug and alcohol benefits, as set forth in section 2334.

**Compiler's Note:** Section 6 of Act 152 of 1988, which added section 2334, provided that section 2334 shall terminate on December 31, 1993, subject to the provisions of the Act of December 22, 1981 (P.L.508, No.142), known as the Sunset Act. The termination date of December 31, 1993, is probably not effective since the Sunset Act expired December 22, 1991.

Section 2335. Admissions to Drug and Alcohol Facilities.--(a) Drug or alcohol abusers and drug or alcohol dependent persons shall be admitted to and treated in all facilities licensed by the Department of Health and Office of Drug and Alcohol Programs, at reasonable rates on the basis of medical or psychotherapeutic need, and shall not be discriminated against on the basis of medical assistance eligibility.

(b) As part of its licensure process, the Office of Drug and Alcohol Programs shall review each facility's admission policies for compliance and shall investigate complaints.

(c) The Office of Drug and Alcohol Programs may suspend or revoke the license of any facility which fails to maintain an admission policy consistent with the requirements of this section and may impose a fine not to exceed one thousand dollars (\$1,000) for each violation.

(d) Nothing in this section shall require any facility to accept medical assistance eligible patients for whom payment is not available pursuant to regulations adopted under section 2334(b)(3).

(2335 added Dec. 15, 1988, P.L.1239, No.152)

**Compiler's Note:** Section 6 of Act 152 of 1988, which added section 2335, provided that section 2334 shall terminate on December 31, 1993, subject to the provisions of the Act of December 22, 1981 (P.L.508, No.142), known as the Sunset Act. The termination date of December 31, 1993, is probably not effective since the Sunset Act expired December 22, 1991.

Section 2336. Child Protective Services Fees.--The Department of Human Services may charge a fee not to exceed thirteen dollars (\$13) in order to conduct the certification as required under 23 Pa.C.S. § 6344(b)(2) (relating to employees having contact with children; adoptive and foster parents), except that no fee shall be charged to an individual who makes the request in order to apply to become a volunteer with an affiliate of Big Brothers Big Sisters of America or with a rape crisis center or domestic violence shelter.

(2336 added Oct. 30, 2017, P.L.379, No.40)

Section 2337. Waiver Guidance.--The Department of Human Services shall request guidance from the United States Department of Agriculture on the Commonwealth's ability to pursue a waiver from the requirement to have a declared disaster

emergency in order for the continuation of the Supplemental Nutrition Assistance Program Emergency Allotment benefits.

(2337 added July 9, 2021, P.L.377, No.70)

**Compiler's Note:** See section 18.1 of Act 70 of 2021 in the appendix to this act for special provisions relating to continuation of prior law.

Section 2338. Child Support Enforcement Fees.--The Department of Human Services may impose a fee of thirty-five dollars (\$35) in each child support case in which an individual has never received assistance under 42 U.S.C. Ch. 7 Subch. IV Pt. A (relating to block grants to states for temporary assistance for needy families) and for whom the Commonwealth has collected at least five hundred fifty dollars (\$550) of support in a Federal fiscal year. The Commonwealth shall pay the thirty-five dollar (\$35) fee for those cases in which the annual collection is between five hundred fifty dollars (\$550) and one thousand nine hundred ninety-nine dollars and ninety-nine cents (\$1,999.99). The thirty-five dollar (\$35) fee shall be collected from the custodial parent in cases where annual collections equal two thousand dollars (\$2,000) or more. Notwithstanding any other provision of law, the federally mandated thirty-five dollar (\$35) annual fee collected from the custodial parent shall be retained by the Department of Human Services.

Section 2808-C. Financial Assistance.--(a) When it has been determined by the authority, upon application and hearing thereon in the manner hereinafter provided, that the granting of financial assistance will accomplish the public purposes of this article, the authority may contract to make financial assistance available in an amount not in excess of the cost of such project.

(b) Prior to committing itself to provide financial assistance under this section, the authority shall have determined that the person requesting such assistance has obtained from other responsible and independent sources which may include but shall not be limited to the Federal Government, banks, savings and loan associations or otherwise, a firm commitment for all other funds, over and above the amount of financial assistance requested from the authority, which in the aggregate shall be sufficient to cover the entire cost of the project.

(c) Any loan, lease, sale, guarantee or other agreement with response to a project shall be for such period of time and shall bear interest at such rate as shall be determined by the authority and may be secured by mortgage on and security interest in the project which such loan, lease, guarantee or other sale agreement relates, or with respect to any other property of the obligor, or any other security which the authority determines to be necessary.

(d) Moneys made available for projects by the authority shall be withdrawn from the appropriate funds and paid over to the obligor in such manner as shall be provided and prescribed by the resolutions, rules and regulations of the authority, the loan, lease, sale, guarantee or other agreement and the indenture or agreement of trust, if any, relating to the project.

(e) All payments of interest on funds made available for projects and the principal amount thereof shall be deposited by or on behalf of the authority in the appropriate funds.

Section 2809-C. Energy Development Plan.--(a) In order to devise the most effective strategy for providing the financial and technical assistance authorized in this article, the authority shall publish, within one hundred eighty days of the effective date of this act, a plan for the allocation and distribution of financial and technical assistance. The Energy Development Plan shall:

(1) Place maximum reliance upon allocation and distribution strategies which exploit the use of other available Federal, State, local and private financial support.

(2) Allocate appropriated authority funds, moneys made available from payment of principal and interest received by the authority not otherwise payable to other creditors or bondholders and other funds available to the authority to projects whose likelihood or implementation would be diminished unless financial and technical assistance from the authority is made available.

(3) Provide for the approval of assistance for projects which will make the greatest possible contributions to energy conservation and development.

(4) Provide financial and technical assistance only to persons with a demonstrated need and who evidence reasonable likelihood of being able, in the case of loans and loan guarantees, to repay such loans.

(5) Identify the various classes of projects to be provided with financial and technical assistance and allocate available authority funds among these classes. Specifically, the authority shall consider increasing coal production and the use of renewable fuels and in energy efficiency in buildings and industry in establishing its priorities.

(6) Establish application procedures and criteria for granting financial and technical assistance.

(7) Establish procedures for the periodic updating and revision of the Energy Development Plan.

(b) The authority shall hold public hearings at locations throughout the Commonwealth to receive comments upon and suggestions for the improvement of the Energy Development Plan. These hearings shall be concluded within ninety days of the publication of the initial plan. Not more than ninety days following the completion of hearings, the authority shall promulgate its final Energy Development Plan.

(2809-C added Dec. 14, 1982, P.L.1213, No.280)

Section 2810-C. Exemption from Taxation.--(a) The effectuation of the authorized purposes of the authority shall and will in all respects be for the benefit of the people of the Commonwealth of Pennsylvania and since it will as a government instrumentality of the Commonwealth be performing essential government functions in effectuating such purposes, the bonds or other evidences of indebtedness issued by the authority, their transfer and the income therefrom, shall at all times be free from taxation within the Commonwealth of Pennsylvania.

(b) The authority may covenant and consent that the interest on certain of its bonds shall be includible, under the Internal Revenue Code of 1954 or any subsequent corresponding internal revenue laws of the United States, in the gross income of the holders of the bonds to the same extent and in the same manner that the interest on bills, bonds, notes or other obligations of the United States is includible in the gross income of the holders thereof under said Internal Revenue Code or any such subsequent law. Notwithstanding any such covenant or consent

of the authority, the exemption provided in subsection (a) shall not be affected thereby.

(2810-C added Dec. 14, 1982, P.L.1213, No.280)

Section 2811-C. Funding of the Authority.--(a) The sum of two million dollars (\$2,000,000) is hereby specifically appropriated to the authority to be deposited in a special account to be created in the Treasury of the Commonwealth to be known as the Energy Development Fund. The fund shall be used to prepare the Energy Development Plan, to pay for initial administrative costs associated with initial bond issues, to make grants for limited research, and pursuant to this act to establish such reserves as in the judgment of the authority with respect to loans guaranteed or bonds issued by the authority may be necessary or desirable or to accomplish any other of its corporate purposes.

(b) As often as may be necessary, the authority shall requisition from the appropriate funds such amounts as may be necessary to provide adequate funds for the payment of the administrative costs related to this article.

(c) At any time that the authority shall determine that funds held for the credit of the Energy Development Fund are in excess of the amount needed to carry out the purposes of this article, the authority shall take such action as shall be required to release such excess from the fund and transfer the same to the General Fund of the State Treasury.

(2811-C added Dec. 14, 1982, P.L.1213, No.280)

**Compiler's Note:** The Governor withheld approval of subsec.

(a) Dec. 14, 1982, for the following reasons:

The Commonwealth of Pennsylvania has available to it funds from consent decrees between the United States Department of Energy (DOE) and various oil companies based on DOE audits of oil company pricing policies since 1973. Pennsylvania's share of these funds is determined by DOE. This year \$1.4 million has been received as a result of the consent decree with Standard Oil of Ohio.

I propose to deposit the funds already received from the consent decree with Standard Oil of Ohio into the Energy Development Fund created by House Bill 1738 and thereby provide funding for the activities contained in the bill. Since the funds are derived from energy related companies it is appropriate that they be spent on energy related programs.

Section 2812-C. Limitation of Powers.--The Commonwealth does hereby pledge to and agree with any person or Federal agency subscribing to or acquiring the bonds to be issued by the authority for the construction of any project or part thereof, that the Commonwealth will not limit or alter adversely the rights hereby vested in the authority until all bonds at any time issued, together with the interest thereof, are fully met and discharged. The Commonwealth does further pledge to and agree with any Federal agency that if such Federal agency shall construct or contribute funds for the construction of any project or any portion thereof, the Commonwealth will not alter or limit the rights and powers of the authority in any manner which would be inconsistent with the continued maintenance and operation of any project or the improvement thereof, or which would be inconsistent with the due performance of any agreements between the authority and such Federal agency, and the authority shall continue to have and may exercise all powers herein granted, as long as the same shall be necessary or desirable for carrying out the purposes of this act and the purposes of

the United States pertaining to the construction, acquisition or improvement of any project or such portion thereof.

(2812-C added Dec. 14, 1982, P.L.1213, No.280)

Section 2813-C. Audit.--The accounts and books of the authority including its receipts, disbursements, contracts, mortgages, investments and other matters relating to its finances, operation and affairs shall be examined and audited every two years by the Auditor General.

**1992, DECEMBER 18, P.L.1638, NO.180**

Preamble. It is the intent of section 624 of the act to provide a mechanism which will enable the General Assembly to better determine those programs, activities and groups which are receiving public support subsidies as a result of tax expenditures. The General Assembly recognizes that the present budgeting system fails to accurately and totally reflect the true level of budgetary support for such programs due to such tax expenditures and that, as a result, undetermined amounts of indirect expenditures are escaping public or legislative scrutiny. The loss of potential revenue also causes a narrowing of tax bases which in turn forces higher tax rates on the remaining taxpayers.

**Compiler's Note:** Act 180 added section 624.

**1999, JUNE 22, P.L.99, NO.15**

(b) The civil service or other employment status of employees of the Department of Public Welfare transferred by subsection (a) shall not be affected by the transfer.

### **2017, JULY 20, P.L.328, NO.29**

The General Assembly finds and declares that:

(1) The prevention of fraud, waste, abuse and corruption in the administration of State government agencies is an important responsibility of the Commonwealth.

(2) The prevention of waste, fraud, abuse and corruption in the administration of State government depends in part on the development, implementation and enforcement of sound policies and procedures to that end.

(3) Each State agency should exercise constant vigilance and firmly commit to the implementation and enforcement of such policies and procedures.

(4) The establishment of a full-time program of investigation and performance review to provide increased accountability and oversight over State agencies best helps deter and identify waste, fraud, abuse and illegal acts.

(5) The statutory creation of the Office of State Inspector General to conduct investigations, inspections and other reviews in accordance with those professional standards that relate to the fields of investigation in governmental environments is necessary to achieve these goals.

**2017, OCTOBER 30, P.L.379, NO.40**

The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the administration of the 2017-2018 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the State provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to the 2017-2018 budget implementation and the administration of State Government which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves administrative action related to appropriations. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate administrative changes and the enactment of statutes to achieve full compliance with these constitutional provisions.

(6) Among the many administrative challenges faced by the Commonwealth is use of financial resources for health care. Central to the health care crisis in this Commonwealth is substance dependence.

(7) For the reasons set forth in paragraphs (1) through (6), it is the intent of the General Assembly through this act to provide for the administrative implementation of the 2017-2018 Commonwealth budget.

(8) Every provision of this act relates to the administrative implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the administrative operations and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2017-2018 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides administrative accountability for spending and makes other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of July 11, 2017 (P.L.1279, No.1A), known as the General Appropriation Act of 2017.

Section 6. This act shall take effect as follows:

(1) The amendment of sections 613-A(a)(11) and 2214(g) and (h) of the act shall take effect upon the date of the first meeting of the Elevator Safety Board as stated in the notice required under section 4.

(2) The remainder of this act shall take effect in 60 days.

**2019, JUNE 28, P.L.101, NO.15**

Section 1. The General Assembly finds and declares as follows:

(1) The intent of this act is to provide for the administration of the 2019-2020 Commonwealth budget.

(2) The Constitution of Pennsylvania confers numerous express duties upon the General Assembly, including the passage of a balanced budget for the Commonwealth.

(3) Section 24 of Article III of the Constitution of Pennsylvania requires the General Assembly to adopt all appropriations for the operation of government in the Commonwealth, regardless of their source. The Supreme Court has repeatedly affirmed that, "It is fundamental within Pennsylvania's tripartite system that the General Assembly enacts the legislation establishing those programs which the State provides for its citizens and appropriates the funds necessary for their operation."

(4) Pursuant to section 13 of Article VIII of the Constitution of Pennsylvania, the General Assembly is explicitly required to adopt a balanced Commonwealth budget. Given the unpredictability and potential insufficiency of revenue collections, various changes in State law relating to the 2019-2020 budget implementation and the administration of State Government which impact revenue may be required to discharge this constitutional obligation.

(5) Section 11 of Article III of the Constitution of Pennsylvania requires the adoption of a general appropriation act that embraces "nothing but appropriations." While actual items of appropriation can be contained in a General Appropriations Act, the achievement and implementation of a comprehensive budget involves administrative action related to appropriations. Ultimately, the budget has to be balanced under section 13 of Article VIII of the Constitution of Pennsylvania. This may necessitate administrative changes

and the enactment of statutes to achieve full compliance with these constitutional provisions.

(6) Among the many administrative challenges faced by the Commonwealth is use of financial resources in a fiscally responsible manner, the timely submission of financial data related to the annual budget process by the Independent Fiscal Office, the extension of audit authority to ensure that public funds are used for their intended purposes and other related changes necessary to accomplish the goal set forth in paragraph (7).

(7) For the reasons set forth in paragraphs (1) through (6), it is the intent of the General Assembly through this act to provide for the administrative implementation of the 2019-2020 Commonwealth budget.

(8) Every provision of this act relates to the administrative implementation of the operating budget of the Commonwealth for this fiscal year, addressing in various ways the administrative operations and potential liabilities of the Commonwealth. To that end, this act is intended to implement the 2019-2020 Commonwealth budget without specifically appropriating public money from the General Fund. This act provides administrative accountability for spending and makes other changes necessary to impact the availability of revenue in order to meet the requirements of section 13 of Article VIII of the Constitution of Pennsylvania and to implement the act of June 28, 2019 (P.L.839, No.1A), known as the General Appropriation Act of 2019.

**Compiler's Note :** Act 15 amended, added or repealed sections 225, 226, 311, 503-A, 506-A, 613, 618-A, 605-B, Article XV-B, section 219 and Article XXVIII-F of Act 175, sections 1704-E and 1727-E of the act of April 9, 1929 (P.L.343, No.176), known as The Fiscal Code, and sections 2151.2, 2152 and 2153 of Title 42 (Judiciary and Judicial Procedure).
