

WATER SUPPLY, FLOOD CONTROL DEBT AUTHORIZATION
Act of Jul. 12, 1981, P.L. 263, No. 88
AN ACT

CL. 32

Authorizing the incurring of indebtedness, with approval of the electors, of \$300,000,000 for the repair, construction, reconstruction, rehabilitation, extension and improvement of community water supply systems, and for the repair, reconstruction or rehabilitation of flood control facilities, dams and port facilities and providing the allotment of proceeds from borrowing hereunder.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The question of incurring indebtedness of \$300,000,000 for loans for the repair, construction, reconstruction, rehabilitation, extension and improvement of community water supply systems, and for the repair, reconstruction or rehabilitation of flood control facilities, dams and port facilities shall be submitted to the electors at the next primary, municipal or general election following enactment of this act.

Section 2. The Secretary of the Commonwealth shall forthwith certify the question to the county boards of election.

Section 3. The question shall be in substantially the following form:

Do you favor the incurring of indebtedness by the Commonwealth of \$300,000,000 for use as loans to repair, construct, reconstruct, rehabilitate, extend and improve water supply systems, or to repair, reconstruct or rehabilitate flood control facilities, dams and port facilities in order to improve the health, safety and economic well-being of the people of the Commonwealth?

Compiler's Note: The voters approved the incurring of indebtedness of \$300,000,000 at the municipal election held on November 3, 1981.

Section 4. The election shall be conducted in accordance with the act of June 3, 1937 (P.L.1333, No.320), known as the "Pennsylvania Election Code," except that the time limits for advertisement of notice of the election may be waived as to the question.

Section 5. Proceeds of borrowing shall be used through loans to provide for repairs, construction, reconstruction, rehabilitation, extension and improvement of water supply systems, and for the repair, reconstruction and rehabilitation of flood control facilities, dams and port facilities necessary to insure compliance with State and Federal health and safety standards and to promote the Commonwealth's economic development.

Section 6. This act shall take effect immediately.
