Thirty-day extensions of the date for the award may be made by the mutual written consent of the contracting body and the lowest responsible bidder.

(b) All contracting bodies of the Commonwealth or any State-aided institution shall be required to provide a list of the bidders and their bid amount on each public contract within ten working days of the bid opening to interested parties for a fee to be determined by the contracting body to cover the cost of developing such list. Section 6.1. Performance by contractor or subcontractor.

(a) Performance by a contractor in accordance with the provisions of a public contract shall entitle the contractor to payment by the contracting body.

(b) Performance by a subcontractor in accordance with the provisions of a contract shall entitle the subcontractor to payment from the contractor with whom the subcontractor has contracted.

Section 6.2. Contracting body's progress payment obligations.

(a) The contracting body shall pay the contractor or design professional strictly in accordance with the public contract.

(b) If the public contract does not contain a term governing the time for payment, the contractor or design professional shall be entitled to make application for payment from the contracting body for progress payments, and the contracting body shall make payment less the applicable retainage amount as authorized in section 5 to the contractor or design professional within 45 calendar days of the date the application for payment is received.

(c) Except as otherwise agreed by the parties, if any progress payment less the applicable retainage amount as authorized in section 5 is not made to a contractor or design professional by the due date established in the contract or in subsection (b), the contracting body shall pay to the contractor or design professional, in addition to the amount due, interest on the amount due, and the interest shall be computed at the rate determined by the Secretary of Revenue for interest payments on overdue taxes or the refund of taxes as provided in

For purposes of this section, the contract between the contractor and subcontractor is presumed to incorporate the terms of the public contract.

(b) A contractor or subcontractor shall disclose to a subcontractor, before a subcontract is executed, the due date for receipt of progress payments from the contracting body. Notwithstanding any other provisions of this act, if a contractor or a subcontractor fails to accurately disclose the due date to a subcontractor, the contractor or subcontractor shall be obligated to pay the subcontractor as though the due dates established in subsection (c) were met by the contracting body. This subsection shall not apply to a change in due dates because of conditions outside of the contractor's control, including, but not limited to, design changes, change orders or delays in construction due to weather conditions.

(c) When a subcontractor has performed in accordance with the provisions of the contract, a contractor shall pay to the subcontractor and each subcontractor shall in turn pay to its subcontractors the full or proportional amount received for each such subcontractor's work and material, based on work completed or services provided under the subcontract, 14 days after receipt of a progress payment. Payment shall be made under this section unless it is being withheld under section 6.4.

(d) If any progress payment is not made to a subcontractor by the due date established in the contract or in subsection (c), the contractor shall pay to the subcontractor, in addition to the amount due, interest as computed in section 6.2(c).

(e) In the event that the contract does not contain a grace period and if a subcontractor is not paid by the payment date required by subsection (c), no interest penalty payment required under this section shall be paid if payment is made on or before the 15th calendar day after the payment date required under this act.

Section 6.4. Withholding of payment for good faith claims.

(a) The contracting body may withhold payment for deficiency items according to terms of the public contract. The contracting body shall pay the contractor according to the provisions of this act for all other items which appear on the application for payment and have been satisfactorily completed. The contractor may withhold payment from any subcontractor responsible for a deficiency item. The contractor shall pay any subcontractor

according to the provisions of this act for any item which appears on the application for payment and has been satisfactorily completed.

(b) If a contracting body withholds payment from a contractor for a deficiency item, it shall notify the contractor of the deficiency item within the time period specified in the contract or fifteen calendar days of the date that the application for payment is received. If a contractor withholds payment from a subcontractor for a deficiency item, it must notify the subcontractor or supplier and the contracting body of the reason within 15 calendar days of the date after receipt of the notice of the deficiency item from the owner.

Section 6.5. Penalty and attorney fees.

(a) If arbitration or a claim with the Board of Claims or a court of competent jurisdiction is commenced to recover payment due under this act and it is determined that the contracting body, contractor or subcontractor has failed to comply with the payment of terms of this act, the arbitrator, the Board of Claims or the court may award, in addition to all other damages due, a penalty equal to 1% per month of the amount that was withheld in bad faith. An amount shall be deemed to have been withheld in bad faith to the extent that the withholding was arbitrary or vexatious. An amount shall not be deemed to have been withheld in bad faith to the extent it was withheld pursuant to section 6.4.

(b) Notwithstanding any agreement to the contrary, the prevailing party in any proceeding to recover any payment under this act may be awarded a reasonable attorney fee in an amount to be determined by the board of claims, court or arbitrator, together with expenses, if it is determined that the contracting body, contractor or subcontractor acted in bad faith. An amount shall be deemed to have been withheld in bad faith to the extent that the withholding was arbitrary or vexatious.

Section 6.6. Public contracts involving Federal aid.

If any provision of this act conflicts with a Federal statute or regulation or with conditions attached to the receipt of Federal aid, this act shall not operate to prevent receipt of the Federal aid in accordance with any Federal statute or regulation.

Section 6.7. Certain provisions unenforceable.

A provision in the public contract making it subject to the laws of another state or requiring that any litigation, arbitration or other dispute resolution process on the contract occurs in another state shall be unenforceable.

Section 6.8. Applicability.

(a) This act shall apply to public contracts entered into on or after the effective date of this act.

(b) (1) Section 6.2 shall not apply when the State government unit's nonpayment on a particular project is caused by the failure of the General Assembly to enact a budget for the fiscal year of payment.

(3) Section 6.2 shall not apply when a contracting body's nonpayment on a particular project is caused by the failure of the General Assembly to enact an operating budget for the fiscal year of payment or a capital budget for the capital project or by failure of the Federal, State or local government to pay funds designated or to be designated for the specific project.

(4) Nothing in this act shall be construed to require payment of interest penalties by the Federal or State government if the municipality is liable for such interest.

(c) This act shall not apply to any of the following:

(4) Any corporate entity or school district as defined in the "Pennsylvania Intergovernmental Cooperation Authority Act for Cities of the First Class."

Section 6.9. Claims by innocent parties.

(a) The contracting body shall have no obligation to any third parties for any claim.

(b) Once a contractor has made payment to the subcontractor according to the provisions of this act, future claims for payment against the contractor or the contractor's surety by parties owed payment from the subcontractor which has been paid shall be barred.

Section 4. This act shall take effect in 60 days.
