Section 372. Estimated useful life of projects.

The General Assembly states the estimated useful life of the projects itemized in this chapter is 30 years.

Section 373. Federal funds.

All moneys received from the Federal Government for the highway and highway bridge projects specifically itemized in this chapter are also hereby appropriated for those projects.

Section 374. Construction.

(a) Utilization of Federal funds.--Amounts contained in this chapter for any project shall not supplant or replace any Federal funds authorized by any Federal law or regulation. Funding from this chapter for any project is available only to the extent that Federal funds are not available for such project.

(b) Continuity with bridge supplementals.--The provisions of this chapter shall be construed unless specifically provided otherwise as a supplement to the act of December 8, 1982 (P.L.848, No.235), known as the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983.  
Section 375. Allocation of funds.

Whenever the Department of Transportation determines that the full estimated financial costs of the projects itemized in this chapter are not necessary for the proper design, acquisition or construction of such project, the excess funds no longer required may be allocated by the department to increase the estimated costs of any one or more of the projects specifically itemized in a capital budget.

## CHAPTER 7 RAILROAD FLOOD ASSISTANCE PROJECTS

Section 701. Short title of chapter.

This chapter shall be known and may be cited as the Special Session Railroad Flood Assistance Projects Itemization Act of 1996.

Section 702. Definitions.

The following words and phrases when used in this chapter shall have the meanings given to them in this section unless the context clearly indicates otherwise:

"Disaster." The period of time in calendar year 1996 relating to the blizzard and resulting flood emergency which were the subject of a presidential declaration of an emergency under The Robert T. Stafford Disaster Relief and Emergency Assistance Act (Public Law 93-288, 88 Stat. 143).

Section 703. Total authorization.

The total authorization for flood assistance projects to be financed in part with grants as itemized in this chapter is \$1,793,000.
