

**REPEALS - OBSOLETE LAW RELATING TO SEWAGE SYSTEM CONSTRUCTION**

**Act of Dec. 3, 1998, P.L. 931, No. 119**

**Cl. 88**

**AN ACT**

Repealing certain acts as being obsolete.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The following acts are repealed:

Act of May 1, 1909 (P.L.306, No.198), entitled "An act to authorize municipalities to unite in the construction of a sewage system, and to permit municipalities to form corporations for the purpose of constructing a sewage system."

Act of June 2, 1937 (P.L.1181, No.296), entitled "An act permitting boroughs and townships of the first class engaged in the construction of sewers and sewer systems to change, under certain conditions, the locations of the sewers and sewer system by amending ordinances; and providing that abutting property owners shall be liable in such cases."

Section 2. This act shall take effect immediately.
