

INTERSTATE WILDLIFE VIOLATOR COMPACT ACT - ENACTMENT

Act of Sep. 24, 2010, P.L. 461, No. 60

Cl. 34

AN ACT

Authorizing the Commonwealth of Pennsylvania to join the Interstate Wildlife Violator Compact; providing for the form of the compact; imposing additional powers and duties on the Governor and the compact administrator; and limiting the applicability of suspension powers.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Short title.

This act shall be known and may be cited as the Interstate Wildlife Violator Compact Act.

Section 2. Authority to execute compact.

The Governor of Pennsylvania, on behalf of this State, is hereby authorized to execute a compact in substantially the following form with any one or more of the states of the United States and the General Assembly hereby signifies in advance its approval and ratification of such compact:

Article I

Findings and Declaration of Policy and Purpose

(a) The participating states find that:

(1) Wildlife resources are managed in trust by the respective states for the benefit of all residents and visitors.

(2) The protection of the wildlife resources of a state is materially affected by the degree of compliance with state statutes, rules, regulations and ordinances relating to the management of such resources.

(3) The preservation, protection, management and restoration of wildlife resources contributes immeasurably to the aesthetic, recreational and economic values of a state.

(4) Wildlife resources are valuable without regard to political boundaries; therefore, every person should be required to comply with wildlife preservation, protection, management and restoration statutes, rules, regulations and ordinances of the participating states as a condition precedent to the continuance or issuance of any license to hunt, trap, fish or otherwise possess wildlife.

(5) The violation of wildlife laws interferes with the management of wildlife resources and may endanger the safety of people and property.

(6) The mobility of many wildlife law violators necessitates the maintenance of channels of communication among the participating states.

(7) In most instances, a person who is cited for a wildlife violation in a state other than his home state is required to post collateral or a bond to secure appearance for trial at a later date, is taken into custody until the collateral or bond is posted or is taken directly to court for an immediate appearance.

(8) The purpose of the aforementioned enforcement practices is to ensure compliance with the terms of the wildlife citation by the cited person who, if permitted to continue on his way after receiving the citation, could return to his home state and disregard his duty under the terms of the citation.

(9) In most instances, a person receiving a wildlife citation in his home state is permitted to accept the citation from the officer at the scene of the violation and immediately

continue on his way after agreeing or being instructed to comply with the terms of the citation.

(10) The aforementioned enforcement practices cause unnecessary inconvenience and, at times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand trial or pay a fine and thus is compelled to remain in custody until some alternative arrangement is made.

(11) The aforementioned enforcement practices consume an undue amount of law enforcement time.

(b) It is the policy of the participating states to:

(1) Promote compliance with the statutes, rules, regulations and ordinances relating to the management of wildlife resources in their respective states.

(2) Recognize the suspension of wildlife license privileges of any person whose license privileges have been suspended by a participating state and treat such suspension as if it occurred in their state.

(3) Allow a violator, except as provided in subsection (b) of Article III of this compact, to accept a wildlife citation and, without delay, proceed on his way regardless of his state of residence: Provided, That the violator's home state is party to this compact.

(4) Report to the appropriate participating state, as provided in the compact manual, any conviction recorded against any person whose home state was not the issuing state.

(5) Allow the home state to recognize and treat convictions recorded against its residents which occurred in a participating state as though they had occurred in the home state.

(6) Extend cooperation to its fullest extent among the participating states for enforcing compliance with the terms of a wildlife citation issued in one participating state to a resident of another participating state.

(7) Maximize the effective use of law enforcement personnel and information.

(8) Assist court systems in the efficient disposition of wildlife violations.

(c) The purpose of this compact is to:

(1) Provide a means through which participating states may join in a reciprocal program to effectuate the policies enumerated in subsection (b) of Article I of this compact in a uniform and orderly manner.

(2) Provide for the fair and impartial treatment of wildlife violators operating within participating states in recognition of the violator's right to due process and the sovereign status of a participating state.

Article VII

Board of Compact Administrators

(a) For the purpose of administering the provisions of this compact and to serve as a governing body for the resolution of all matters relating to the operation of this compact, a board of compact administrators is established. The compact administrator shall be appointed by the head of the licensing authority of each participating state and shall serve and be subject to removal in accordance with the laws of the state he represents. A compact administrator may provide for the discharge of his duties and the performance of his functions as a board member by an alternate. An alternate shall not be entitled to serve unless written notification of his identity has been given to the board.

(b) Each member of the board of compact administrators shall be entitled to one vote. No action of the board shall be binding unless taken at a meeting at which a majority of the total number of the board's votes are cast in favor thereof. Action by the board shall be only at a meeting at which a majority of the participating states are represented.

(2) The resolution shall substantially be in the form and content as provided in the compact manual and shall include the following:

(i) a citation of the authority from which the state is empowered to become a party to this compact;

(ii) an agreement of compliance with the terms and provisions of this compact; and

(iii) an agreement that compact entry is with all states participating in the compact and with all additional states legally becoming a party to the compact.

This compact shall be liberally construed so as to effectuate the purposes stated herein. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any participating state or of the United States, or the applicability thereof to any government, agency, individual or circumstance is held invalid, the validity of the remainder of this compact shall not be affected thereby.
