

**HEALTH CARE FACILITIES ACT - LICENSURE, APPLICATION FOR LICENSE,
ISSUANCE OF LICENSE AND INSPECTIONS**

Act of Dec. 22, 2011, P.L. 563, No. 122

Cl. 35

Session of 2011

No. 2011-122

SB 732

AN ACT

Amending the act of July 19, 1979 (P.L.130, No.48), entitled "An act relating to health care; prescribing the powers and duties of the Department of Health; establishing and providing the powers and duties of the State Health Coordinating Council, health systems agencies and Health Care Policy Board in the Department of Health, and State Health Facility Hearing Board in the Department of Justice; providing for certification of need of health care providers and prescribing penalties," further providing for definitions, for licensure, for application for license, for issuance of license and for inspections.

The General Assembly finds and declares as follows:

(1) A Philadelphia County investigating grand jury report has revealed systemic deficiencies in the manner in which the Commonwealth has regulated abortion facilities operating in this Commonwealth.

(2) These systemic deficiencies have led to horrific instances of bodily injury and death.

(3) Surgical abortions are at a minimum an outpatient surgical procedure performed in this Commonwealth.

(4) The general public has a substantial interest in the comprehensive regulation of abortion facilities operating in this Commonwealth.

(5) Comprehensive regulation of abortion facilities reasonably serves the Commonwealth's substantial interests in protecting the health, safety and welfare of the general public.

(6) Regulation of abortion facilities that perform outpatient surgical procedures as ambulatory surgical facilities is necessary to cure the systemic deficiencies present in the current regulatory scheme.

(7) Proper licensing and a system of random administrative inspections of abortion facilities operating in this Commonwealth are also a necessary part of any comprehensive regulatory scheme.

(8) Unannounced inspections are necessary to further the regulation of abortion facilities due to the controversial nature of the procedures performed in an abortion facility and understandable concerns by the patients that their medical history will not remain private if a report of a violation is made.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Section 802.1 of the act of July 19, 1979 (P.L.130, No.48), known as the Health Care Facilities Act, is amended by adding a definition to read:
Section 802.1. Definitions.

The following words and phrases when used in this chapter shall have, unless the context clearly indicates otherwise, the meanings given them in this section:

"Abortion facility." Any public or private hospital, not subject to inspection and regulation under this act, and any clinic, center, medical school, medical training institution, physician's office, infirmary or other institution, which provides surgical services meant to terminate the clinically diagnosable pregnancy of a woman with knowledge that termination by those means will, with reasonable likelihood, cause the death of the unborn child.
