The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. The definition of "ambulatory surgical facility" in section 802.1 of the act of July 19, 1979 (P.L.130, No.48), known as the Health Care Facilities Act, is amended to read: Section 802.1. Definitions.

The following words and phrases when used in this chapter shall have, unless the context clearly indicates otherwise, the meanings given them in this section:

For the purposes of this provision, outpatient surgical treatment means surgical treatment to patients who do not require hospitalization, but who require constant medical supervision following the surgical procedure performed[.] **and in which the expected duration of services would not exceed 24 hours following an admission.**
