9 "Adult day care center" means any premises operated for
10 profit, in which adult day care is simultaneously provided for
11 four or more adults who are not relatives of the operator. This
12 term does not include a facility that provides services only to
13 individuals enrolled in a Program of All-Inclusive Care for the
14 Elderly operated in accordance with an agreement between the
15 provider, the department and the Centers for Medicare and
16 Medicaid Services.
