31 Section 1. The General Assembly finds and declares as
32 follows:

33 (1) The intent of this act is to provide for the
34 administration of the 2017-2018 Commonwealth budget.

35 (2) The Constitution of Pennsylvania confers numerous
36 express duties upon the General Assembly, including the
37 passage of a balanced budget for the Commonwealth.

38 (3) Section 24 of Article III of the Constitution of
39 Pennsylvania requires the General Assembly to adopt all
40 appropriations for the operation of government in the
41 Commonwealth, regardless of their source. The Supreme Court
42 has repeatedly affirmed that, "It is fundamental within
43 Pennsylvania's tripartite system that the General Assembly
44 enacts the legislation establishing those programs which the
45 State provides for its citizens and appropriates the funds
46 necessary for their operation."

47 (4) Pursuant to section 13 of Article VIII of the
48 Constitution of Pennsylvania, the General Assembly is

1 explicitly required to adopt a balanced Commonwealth budget.
2 Given the unpredictability and potential insufficiency of
3 revenue collections, various changes in State law relating to
4 the 2017-2018 budget implementation and the administration of
5 State Government which impact revenue may be required to
6 discharge this constitutional obligation.

7 (5) Section 11 of Article III of the Constitution of
8 Pennsylvania requires the adoption of a general appropriation
9 act that embraces "nothing but appropriations." While actual
10 items of appropriation can be contained in a General
11 Appropriations Act, the achievement and implementation of a
12 comprehensive budget involves administrative action related
13 to appropriations. Ultimately, the budget has to be balanced
14 under section 13 of Article VIII of the Constitution of
15 Pennsylvania. This may necessitate administrative changes and
16 the enactment of statutes to achieve full compliance with
17 these constitutional provisions.

18 (6) Among the many administrative challenges faced by
19 the Commonwealth is use of financial resources for health
20 care. Central to the health care crisis in this Commonwealth
21 is substance dependence.

22 (7) For the reasons set forth in paragraphs (1) through
23 (6), it is the intent of the General Assembly through this
24 act to provide for the administrative implementation of the
25 2017-2018 Commonwealth budget.

26 (8) Every provision of this act relates to the
27 administrative implementation of the operating budget of the
28 Commonwealth for this fiscal year, addressing in various ways
29 the administrative operations and potential liabilities of
30 the Commonwealth. To that end, this act is intended to
31 implement the 2017-2018 Commonwealth budget without
32 specifically appropriating public money from the General
33 Fund. This act provides administrative accountability for
34 spending and makes other changes necessary to impact the
35 availability of revenue in order to meet the requirements of
36 section 13 of Article VIII of the Constitution of
37 Pennsylvania and to implement the act of July 11, 2017 (P.L.
38 , No.1A), known as the General Appropriation Act of 2017.
39 Section 1.1. The title of the act of April 9, 1929 (P.L.177,
40 No.175), known as The Administrative Code of 1929, amended
41 February 23, 2016 (P.L.15, No.7), is amended to read:

42 AN ACT

43 Providing for and reorganizing the conduct of the executive and
44 administrative work of the Commonwealth by the Executive
45 Department thereof and the administrative departments,
46 boards, commissions, and officers thereof, including the
47 boards of trustees of State Normal Schools, or Teachers
48 Colleges; abolishing, creating, reorganizing or authorizing
49 the reorganization of certain administrative departments,
50 boards, and commissions; defining the powers and duties of
51 the Governor and other executive and administrative officers,

1 and of the several administrative departments, boards,
2 commissions, and officers; fixing the salaries of the
3 Governor, Lieutenant Governor, and certain other executive
4 and administrative officers; providing for the appointment of
5 certain administrative officers, and of all deputies and
6 other assistants and employees in certain departments, boards,
7 and commissions; [providing for the regulation of pari-mutuel
8 thoroughbred horse racing and harness horse racing
9 activities, imposing certain taxes and providing for the
10 disposition of funds from pari-mutuel tickets;] providing for
11 judicial administration; and prescribing the manner in which
12 the number and compensation of the deputies and all other
13 assistants and employees of certain departments, boards and
14 commissions shall be determined."

15 Section 2. The act is amended by adding sections to read:

16 Section 225. Employees with Access to Federal Tax
17 Information.--(a) As required under any Federal law, regulation
18 or published guidance from the Internal Revenue Service, an

42 relating to an employee or prospective employee submitted to or

44 section shall be interpreted and used only to determine the
45 employee's or prospective employee's character, fitness and
46 suitability to access Federal tax information.

47 (2) An employer may utilize information obtained under this
48 section for employment decisions, including hiring of an
49 applicant, promotion of a current employee or disciplinary action
50 against an employee regarding a position that requires access to
51 Federal tax information.

1 (3) An employer may receive and retain information
2 consistent with this section that is otherwise protected under
3 18 Pa.C.S. Ch. 91, subject to any requirements related to
4 redaction as specified in 18 Pa.C.S. § 9121(b)(2).

5 (d) An individual who has been cleared to access Federal tax
6 information under this section shall reapply for clearance under
7 subsections (a) and (b) within ten years of the issuance of the
8 prior clearance unless the employer participates in a program
9 exempting employees from clearance.

10 (e) A Commonwealth agency receiving Federal tax information
11 that transfers the Federal tax information to any other entity
12 except as it involves a Federal or State court or the Board of
13 Finance and Revenue as part of a legal proceeding before the
14 same may audit that entity to determine compliance with this
15 section.

16 (f) The Department of Revenue shall publish guidelines to
17 implement this section.

18 (g) As used in this section, the following words and phrases
19 shall have the meanings given to them in this subsection unless
20 the context clearly indicates otherwise:

22 authority, board, multistate agency or commission of the

29 (i) the NADAC per unit:

30 (A) with the addition of a professional dispensing fee of
31 ten dollars and forty-nine cents (\$10.49) per prescription; and

32 (B) the subtraction of the copayment; or

33 (ii) the pharmacy's usual and customary charge for the drug
34 dispensed with the subtraction of the copayment.

35 (2) If the NADAC per unit is unavailable, the program
36 payment shall be the lower of the following amounts:

37 (i) the wholesale acquisition cost plus three and two-tenths
38 per centum (3.2%):

39 (A) with the addition of a professional dispensing fee of
40 ten dollars and forty-nine cents (\$10.49) per prescription; and

41 (B) the subtraction of the copayment; or

42 (ii) the pharmacy's usual and customary charge for the drug
43 dispensed with the subtraction of the copayment.

44 (b) Notwithstanding any other statute or regulation, a brand
45 name product shall be dispensed and not substituted with an A-
46 rated generic therapeutically equivalent drug if it is less
47 expensive to the program. If a less expensive A-rated generic
48 therapeutically equivalent drug is available for dispensing to a
49 claimant, the provider shall dispense the A-rated generic
50 therapeutically equivalent drug to the claimant. The department
51 shall reimburse providers based upon the most current listing of

1 the NADAC per unit plus a professional dispensing fee of ten
2 dollars and forty-nine cents (\$10.49) per prescription. The
3 department shall not reimburse providers for brand name products
4 except in the following circumstances:

5 (1) There is no A-rated generic therapeutically equivalent
6 drug available on the market. This paragraph does not apply to
7 the lack of availability of an A-rated generic therapeutically
8 equivalent drug in the providing pharmacy unless it can be shown
9 to the department that the provider made reasonable attempts to
10 obtain the A-rated generic therapeutically equivalent drug or
11 that there was an unforeseeable demand and depletion of the
12 supply of the A-rated generic therapeutically equivalent drug.
13 In either case, the department shall reimburse the provider for
14 the NADAC per unit plus a professional dispensing fee of ten
15 dollars and forty-nine cents (\$10.49) per prescription.

16 (2) An A-rated generic therapeutically equivalent drug is
17 deemed by the department, in consultation with a utilization
18 review committee, to have too narrow a therapeutic index for
19 safe and effective dispensing in the community setting. The
20 department shall notify providing pharmacies of A-rated generic
21 therapeutically equivalent drugs that are identified pursuant to
22 this paragraph on a regular basis.

23 (3) The Department of Health has determined that a drug
24 shall not be recognized as an A-rated generic therapeutically
25 equivalent drug for purposes of substitution under section 5(b)
26 of the act of November 24, 1976 (P.L.1163, No.259), referred to
27 as the Generic Equivalent Drug Law.

28 (4) At the time of dispensing, the provider has a
29 prescription on which the brand name drug dispensed is billed to
30 the program by the provider at a usual and customary charge
31 which is equal to or less than the least expensive usual and
32 customary charge of an A-rated generic therapeutically
33 equivalent drug reasonably available on the market to the
34 provider.

35 (5) The brand name drug is less expensive to the program.

36 (c) If a claimant chooses not to accept the A-rated generic
37 therapeutically equivalent drug required under subsection (b),
38 the claimant shall be liable for the copayment and the NADAC per
39 unit.

41 section shall have the meanings given to them in this subsection
