(c) Terms and conditions. --

- (1) Except as set forth in subsection (a) or (b), the terms and conditions of issue, redemption and maturity and time of payment of interest shall be as the issuing officials shall specify. Bonds of any series shall mature within a period not to exceed the estimated useful lives of the capital projects as stated in the debt-authorizing act but not later than 30 years from the date of issuance.
- (2) The issuing officials shall provide for the amortization of the bonds in substantial and regular amounts over the term of the debt, but the first retirement of principal shall be stated to mature prior to the expiration of a period of time equal to one-tenth of the time from the date of the first obligation issued to evidence the debt to the date of the expiration of the term of the debt.
 - [Retirements] (i) Except as provided in

subparagraph (ii), retirements of principal shall be regular and substantial if made in annual or semiannual amounts whether by stated serial maturities or by mandatory sinking fund retirements computed in accordance with [either a level annual debt service plan as nearly as may be or upon] the equal annual maturities plan.

- (ii) Retirements of principal for funding bonds authorized under section 312 shall be regular and substantial if made in annual or semiannual amounts whether by stated serial maturities or by mandatory sinking fund retirements computed in accordance with either a level annual debt service plan as nearly as may be or upon the equal annual maturities plan.
- (4) If debt is incurred in one issue of bonds to provide funds for and towards the financial cost of capital projects having estimated useful lives of varying length, the following shall apply:
 - (i) The aggregate of the financial costs shall be considered as the debt to be incurred for the purpose of fixing the regular and substantial amounts of principal to be retired.
 - (ii) The term of the debt shall be to the end of the longest estimated useful life for the purpose of determining the first date for the retirement of principal. At the end of the estimated useful life of each project, the aggregate principal retirements required to be made at or before that date shall exceed:
 - (A) the aggregate financial cost of all capital projects having the same or shorter estimated useful lives; or
 - (B) if bonds are issued for less than the full financial cost of all projects being financed in the same category, a proportionate amount in each case.
- [(4.1) The issuing officials may enter into agreements or contracts to insure or secure payment of principal, interest or the purchase price of bonds which, in the judgment of the issuing officials, will assist in managing the interest costs of the debt of the Commonwealth.]
- (5) The issuing officials are authorized to carry out the provisions of this chapter relating to the issuance of bonds and shall determine all matters in connection with the issuance of bonds subject to the provisions hereof.
- Section 317. Appropriation for and limitation on [redevelopment assistance] capital projects.
- (a) Appropriation.—The amount necessary to pay principal of and interest on all obligations issued to provide funds for redevelopment assistance capital projects shall be appropriated from the General Fund and shall be transferred to the Capital Debt Fund upon authorization by the Governor.
 - (b) Limitation on redevelopment assistance capital projects

```
obligations. -- The maximum amount of redevelopment assistance
   capital projects undertaken by the Commonwealth for which
 3 obligations are outstanding shall not exceed, in aggregate,
   [$3,450,000,000.] <u>$3,400,000,000</u>. Beginning July 1, 2018, and
   each July 1 thereafter until the sum of the outstanding
   obligations for redevelopment assistance capital projects equals
   $3,200,000,000, the sum of the maximum amount of outstanding
7
   obligations for redevelopment assistance projects shall be
9
   decreased by $50,000,000.
       (b.1) Limitation on additional capital project releases
10
11
   financed by debt. -- In each fiscal year, the following
12
   limitations on releasing additional capital projects for funding
    authorizations financed by debt shall apply:
13
           (1) The maximum amount of additional public improvement
14
15
      projects released for funding by the Commonwealth in a fiscal
16
       year shall not exceed $350,000,000.
           (2) The maximum amount of additional redevelopment
17
       assistance capital projects released for funding by the
18
19
       Commonwealth in a fiscal year shall not exceed $125,000,000.
20
      (b.2) Carry forward.--
           (1) Subject to the limitations in paragraph (2), in a
21
22
      fiscal year in which the projects released for funding under
23
       subsection (b.1) is less than the amount authorized for
       release under subsection (b.1), the remaining amount may be
24
25
       carried forward and added to the following fiscal year
       limitation for projects released for funding under subsection
26
27
      (b.1).
28
          (2) The amount carried forward under paragraph (1) may
29
      not exceed half of the total amount authorized to be released
30
       for funding in that project category for the previous fiscal
31
      year.
32
       (c) Housing units. -- An amount not to exceed $50,000,000 of
33
    the amount under subsection (b) may be used for the construction
34
    of housing units.
35
       Section 2. The act is amended by adding a chapter to read:
