26 in line 17 and all of lines 18 through 28 and inserting
27 (vii) To perform the replacement or remediation of
28 private water laterals and private sewer laterals for
29 customers of the authority if the authority determines
30 that the replacement or remediation will benefit the

1 public health, public water supply system or public sewer
2 system. No authority that has performed a replacement or
3 remediation under this subparagraph shall be deemed to be
4 the owner of the private water or sewer laterals or
5 obligated to perform any other duties unless the
6 authority makes an affirmative determination to accept
7 any duties.

8 (viii) To use public funds and utilize authority
9 employees for the replacement or remediation of private
10 water and sewer laterals if the authority determines that
11 the replacement or remediation will benefit the public
12 health, the public water supply system or public sewer
13 system. Before using public funds under this
14 subparagraph, the authority shall consider the
15 availability of public funds, equipment, personnel and
16 facilities and the competing demands of the authority for
17 public funds, equipment, personnel and facilities.

18 (ix) For the construction and maintenance of water
19 or sanitary sewer pump stations, public water
20 distribution systems, public sewer collection systems or
21 similar general construction services within the service
22 area of the authority, or by contract or agreement with
23 the authority.

24 Amend Bill, page 4, line 30; pages 5 and 6, lines 1 through
25 30; page 7, lines 1 through 14; by striking out all of said
26 lines on said pages
