A cross (X) or check () mark in the square opposite the name of any candidate indicates a vote for that candidate.

[To vote a straight party ticket, mark a cross (X) or check () in the square, in the Party Column, opposite the name of the party of your choice. To vote for an individual candidate of another party after making a mark in the party square, mark a cross (X) or check () opposite his name. For an office where more than one candidate is to be voted for, the voter, after marking in the party square, may divide his vote by marking a cross (X) or check () to the right of each candidate for whom he or she desires to vote. For such office votes shall not be counted for candidates not individually marked.]

To vote for individual candidates for presidential elector, write, print or paste their names in the blank spaces provided for that purpose under the title "Presidential Electors." Mark ballot only in black lead pencil, indelible pencil or blue, black or blue-black ink, in fountain pen or ball point pen; use the same pencil or pen for all markings you place on the ballot.

Before leaving the voting compartment, fold this ballot, without displaying the markings thereon, in the same way it was folded when received, then leave the compartment and exhibit the ballot to one of the election officers who shall ascertain by an inspection of the number appearing upon the right hand corner of the back of the ballot whether the ballot so exhibited to him is the same ballot which the elector received before entering the voting compartment. If it is the same, the election officer shall direct the elector, without unfolding the ballot, to remove the perforated corner containing the number, and the elector shall immediately deposit the ballot in the ballot box. Any ballot deposited in a ballot box at any primary or election without having the said number torn off shall be void and shall not be counted.

3 Ballots.--The county board of each county shall provide for each
4 election district in which a paper ballot is used in a primary
5 [is] or election to be held, [one book of fifty official ballots
6 of each party for every forty-five registered and enrolled
7 electors of such party and fraction thereof, appearing upon the
8 district register,] a supply of official ballots equal to ten
9 per centum more than the greatest number of ballots cast in
10 the prior three comparable elections in the election district
11 and shall provide for each election district in which an
12 election is to be held one book of fifty official ballots for
13 every forty-five registered electors and fraction thereof
14 appearing upon the district register. They shall also, in
15 addition to the number of ballots required to be printed for
16 general distribution, maintain a sufficient supply of such
17 ballots at the office of the county board for the use of
18 absentee electors and for the use of any district, the ballots
19 for which may be lost, destroyed or stolen. They shall also
20 cause to be printed on tinted paper, and without the facsimile
21 endorsements, permanent binding or stubs, copies of the form of
22 ballots provided for each polling place at each primary or
23 election therein, which shall be called specimen ballots, and
24 which shall be of the same size and form as the official
25 ballots, and at each election they shall deliver to the election
26 officers, in addition to the official ballots to be used at such
27 election, a suitable supply of specimen ballots for the use of
28 the electors. At each primary, a suitable supply of specimen
29 ballots of each party shall be furnished.

30 Section 1107. Requirements of Voting Machines.--No voting
31 machine shall, upon any examination or reexamination, be
32 approved by the Secretary of the Commonwealth, or by any
33 examiner appointed by him, unless it shall, at the time, satisfy
34 the following requirements:

35 * * *

36 [(b) It shall permit each voter, at other than primary
37 elections, to vote a straight political party ticket in one
38 operation, and, in one operation, to vote for all the candidates
39 of one political party for presidential electors, and, in one
40 operation, to vote for all the candidates of one political party
41 for every office to be voted for, except those offices as to
42 which he votes for individual candidates.]

43 * * *

44 Section 1110. Form of Ballot Labels on Voting Machines.--

45 * * *

46 (h) The names of all candidates of a political party shall
47 appear in the same row or column, and except in cases of names
48 of presidential commitments of nominees for delegate or
49 alternate delegate to political party National conventions no
50 other names shall appear in the same row or column[, to the left
51 or top of which shall be a straight party lever, by means of

1 which an elector may, in one operation, vote for all the
2 candidates of that political party for every office to be voted
3 for]. Where the names of the delegate or alternate delegate and
4 the presidential candidate he is supporting shall both appear,
5 the print size of the name of the delegate or alternate delegate
6 shall be equal to the size of the name of the particular
7 presidential candidate to whom he is committed, or in the case
8 where he is uncommitted, the word "uncommitted" shall appear in
9 the same size print. The names of such candidates shall be
10 arranged under or opposite the title of the office for which
11 they are candidates, and shall appear in the order of the votes
12 obtained by the candidate for Governor of the party nominated at
13 the last gubernatorial election, beginning with the party
14 obtaining the highest number of votes: Provided, however, That
15 in the case of parties or bodies not represented on the ballot
16 at the last gubernatorial election, the names of the candidates
17 of such parties shall be arranged alphabetically, according to
18 the party or body name. The names of all candidates of a
19 political body shall appear in the same row or column, and, if
20 the number of parties and bodies permits, each political body
21 shall be entitled exclusively to a separate row or column[, with
22 a straight party lever]. If, however, the number of political
23 parties and political bodies renders it impossible or
24 impracticable to so arrange the political bodies, in such case
25 said bodies shall not be entitled to a separate row or column
26 [and a straight party lever], but shall be listed by political
27 appellations on the first left hand or top row, with the
28 designating letter and number of the ballot label where their
29 candidates may be found, together with the political
30 appellations of other political bodies, whose candidates may be
31 interspersed on the same row or column. Subject to the aforesaid
32 limitations, the form and arrangement of ballot labels, as to
33 the placing thereon of political bodies, shall be within the
34 discretion of the county board.

35 * * *

36 Section 1107-A. Requirements of Electronic Voting Systems.--
37 No electronic voting system shall, upon any examination or
38 reexamination, be approved by the Secretary of the Commonwealth,
39 or by any examiner appointed by him, unless it shall be
40 established that such system, at the time of such examination or
41 reexamination:

42 * * *

43 [(3) Permits each voter, at other than primary elections, to
44 vote a straight political party ticket by one mark or act and,
45 by one mark or act, to vote for all the candidates of one
46 political party for presidential electors and, by one mark or
47 act, to vote for all the candidates of one political party for
48 every office to be voted for, and every such mark or act shall
49 be equivalent to and shall be counted as a vote for every
50 candidate of the political party so marked including its
51 candidates for presidential electors, except with respect to

1 those offices as to which the voter has registered a vote for
2 individual candidates of the same or another political party or
3 political body, in which case the automatic tabulating equipment
4 shall credit the vote for that office only for the candidate
5 individually so selected, notwithstanding the fact that the
6 voter may not have individually voted for the full number of
7 candidates for that office for which he was entitled to vote.]

8 * * *

9 Section 1109-A. Forms.--(a) * * *

10 (2) The pages placed on the voting device shall be of
11 sufficient number to include, following the listing of
12 particular candidates, the names of candidates for any
13 nonpartisan offices and any measures for which a voter may be
14 qualified to vote on a given election day, provided further that
15 for municipal, general or special elections, the first ballot
16 page shall list in the order that such political parties are
17 entitled to priority on the ballot, the names of such political
18 parties [with designating arrows so as to indicate the voting
19 square or position on the ballot card where the voter may insert
20 by one mark or punch the straight party ticket of his choice].

21 * * *

22 [(d) In partisan elections the ballot cards shall include a
23 voting square or position whereby the voter may by one punch or
24 mark record a straight party ticket vote for all the candidates

28 Section 1112-A. Election Day Procedures and the Process of
29 Voting.--(a) In an election district which uses an electronic
30 voting system in which votes are registered electronically, the
31 following procedures will be applicable for the conduct of the
32 election at the election district:

33 * * *

34 (2) At [primary] all elections, the voter shall be able to
35 vote for each candidate individually by the means provided. [At
36 all other elections, he may vote for each candidate
37 individually, or he may vote a straight political party ticket
38 in one operation by operating the straight political party
39 mechanism of the political party or political body of his
40 choice. He may also, after having operated the straight party
41 mechanism and before recording his vote, cancel the vote for any
42 candidate of such political party or political body and may
43 thereupon vote for a candidate of another party, or political
44 body for the same office.] The voter may also vote individually
45 for or against a question submitted to the vote of the electors.

46 * * *

47 (4) At any general election at which presidential electors
48 are to be chosen, each elector shall be permitted to vote by one
49 operation for all the presidential electors of a political party
50 or political body. For each party or body nominating
51 presidential electors, a ballot label shall be provided

1 containing only the words "Presidential Electors," preceded by
2 the names of the party or body and followed by the names of the
3 candidates thereof for the Office of President and Vice-
4 President, and the corresponding counter or registering device
5 shall register votes cast for said electors when thus voted for
6 collectively. If any elector desires to vote a ticket for
7 presidential electors made up of the names of persons nominated
8 by different parties or bodies, or partially of names of persons
9 so in nomination and partially of names of persons not in
10 nomination by any party or body, he may write or deposit a paper
11 ballot prepared by himself in the receptacle provided in or on
12 the voting device for that purpose, or he may list their names
13 on the write-in ballot or envelope provided for that purpose.
14 The voting device shall be so constructed that it will not be
15 possible for any one voter to vote a straight party ticket for
16 presidential electors and at the same time to deposit a ballot
17 for presidential electors in a receptacle as [hereinabove]
18 provided in this section. When the votes for presidential
19 electors are counted, the votes appearing upon the counter or
20 registering device corresponding to the ballot label containing
21 the names of the candidates for President and Vice-President of
22 any party or body shall be counted as votes for each of the
23 candidates for presidential elector of such party or body, and
24 thereupon all candidates for presidential elector shall be
25 credited, in addition, with the votes cast for them upon the
26 ballots deposited in the machine, as [hereinabove] provided in
27 this section.

political party or political body of his choice, if such machine
has thereon a separate lever for all the candidates of the
political body. He may also, after having operated the straight
party lever, and before recording his vote, cancel the vote for
any candidate of such political party or political body by
replacing the individual key, handle, pointer or knob of such
candidate, and may thereupon vote for a candidate of another
party, or political body for the same office by operating the
key, handle, pointer or knob, upon or adjacent to which the name
of such candidate appears.] In the case of a question submitted
to the vote of the electors, the elector shall operate the key,

(f) At any general election at which presidential electors

shall register votes cast for said electors when thus voted for
collectively. If an elector desires to vote a ticket for
presidential electors made up of the names of persons nominated

1 by different parties or bodies, or partially of names of persons
2 so in nomination and partially of names of persons not in
3 nomination by any party or body, or wholly of names of persons
4 not in nomination by any party or body, he may write or deposit
5 a paper ballot prepared by himself in the receptacle provided in
6 or on the machine for the purpose. The machine shall be so
7 constructed that it will not be possible for any one voter to
8 vote a straight party ticket for presidential electors and at
9 the same time to deposit a ballot for presidential electors in a
10 receptacle as [hereinabove] provided in this section. When the
11 votes for presidential electors are counted, the votes appearing
12 upon the counter or registering device corresponding to the
13 ballot label containing the names of the candidates for
14 President and Vice-President of any party or body shall be
15 counted as votes for each of the candidates for presidential
16 elector of such party or body, and thereupon all candidates for
17 presidential elector shall be credited, in addition, with the
18 votes cast for them upon the ballots deposited in the machine,
19 as [hereinabove] provided in this section.

20 * * *

21 Section 1222. Count and Return of Votes in Districts in
22 Which Ballots are Used.--

23 (a) As soon as all the ballots have been properly accounted
24 for, and those outside the ballot box, as well as the "Voting
25 Check List," numbered lists of voters and district register
26 sealed, the election officers shall forthwith open the ballot
27 box, and take therefrom all ballots therein, and at primaries,
28 separate the same according to the party to which they belong.
29 The ballots shall then be counted one by one, and a record made
30 of the total number, and at primaries of the total number cast
31 for each party. Then the judge, under the scrutiny of the
32 minority inspector, or the minority inspector, under the
33 scrutiny of the judge, in the presence of the other officers,
34 clerks, and of the overseers, if any, and within the hearing and
35 sight of the watchers outside the enclosed space, shall read
36 aloud the names of the candidates marked or inserted upon each
37 ballot (at primaries the ballots of each party being read in
38 sequence), together with the office for which the person named
39 is a candidate, and the answers contained on the ballots to the
40 questions submitted, if any, and the majority inspector and
41 clerks shall carefully enter each vote as read, and keep account
42 of the same in ink in triplicate tally papers (triplicate tally
43 papers for each party at primaries) to be provided by the county
44 board of elections for that purpose, all three of which shall be
45 made at the same time.[: Provided, That at all general,
46 municipal and special elections, in entering each vote received
47 by candidates at such election, it shall not be necessary to
48 enter separate tally marks for each vote received by such
49 candidates upon the ballots containing the same votes for the
50 same names, commonly known, and in this act designated as
51 "Straight Party Tickets" for such purpose straight party ticket

1 votes shall be entered carefully as each straight party ticket
2 vote is read on the triplicate tally sheets under the heading
3 "Number of votes received upon the straight party
4 tickets." Upon completing the number of votes received by each
5 straight party ticket, the number so tallied for each party
6 shall be entered numerically on the extreme right hand margin of
7 each such tally paper.] All ballots, after being removed from
8 the box, shall be kept within the unobstructed view of all
9 persons in the voting room until replaced in the box. No person
10 while handling the ballots shall have in his hand any pencil,
11 pen, stamp or other means of marking or spoiling any ballot. The
12 election officers shall forthwith proceed to canvass and compute
13 the votes cast, and shall not adjourn or postpone the canvass or
14 computation until it shall have been fully completed.

15 (b) When the vote cast for the different persons named upon
16 the ballots and upon the questions, if any, appearing thereon,
17 shall have been fully recorded in the tally papers and counted,
18 the election officers shall duly certify to the number of votes
19 cast for each person (upon the respective party tickets at
20 primaries), and shall prepare in ink two (2) general returns,
21 showing, in addition to the entries made thereon as aforesaid,
22 the total number of ballots received from the county board (the
23 total of each party at primaries), the number of ballots cast
24 (the number of each party at primaries), the number of ballots
25 (of each party at primaries) declared void, and the number of
26 ballots spoiled and cancelled, and any blank ballots cast, as
27 well as the votes cast for each candidate. At elections, the
28 number of votes cast for each candidate by each political party
29 or political body of which such candidate is a nominee shall be
30 separately stated.[: Provided, That the number of votes received
31 by each set of candidates upon "straight party tickets" shall be
32 entered opposite the names of the respective candidates in a
33 column immediately adjoining upon the left which column shall be
34 of convenient width and shall be headed "number of votes
35 received upon straight party tickets."] In an immediate column
36 to the left thereto, the number of votes received by each
37 candidate upon all ballots [other than "straight party tickets"
38 including all ballots known as "split tickets"] shall be
39 entered, such column to be of convenient width and shall be
40 headed "number of votes [received other than upon straight party
41 tickets." The number of votes received by each candidate as
42 shown in the column headed "number of votes received upon
43 straight party tickets" shall then be added, together with the
44 number of votes received by each candidate as shown in the
45 column headed "number of votes received other than upon straight
46 party tickets" and thereupon, the] received." The total number
47 of votes received by each candidate shall be entered in a column
48 on the extreme right-hand side of the return sheets, which
49 column shall be of convenient width and shall be headed "total
50 number of votes."

51 Nothing in this section contained shall be construed to

1 authorize or permit the canvassing, counting or tallying ballots
2 with any less degree of strictness than otherwise required by
3 law.[, the intention of this section being to dispense with the
4 individual tally marks only so far as the so-called "straight
5 party tickets" are concerned, and all other operations of
6 tallying, counting, canvassing and announcing the votes shall
7 proceed as near as may be in accordance with the other
8 provisions of this act.]

9 * * *

10 Section 1223. What Ballots Shall Be Counted; Manner of
11 Counting; Defective Ballots.--(a) No ballot which is so marked
12 as to be capable of identification shall be counted. Any ballot
13 that is marked in blue, black or blue-black ink, in fountain pen
14 or ball point pen, or black lead pencil or indelible pencil,
15 shall be valid and counted: Provided, That all markings on the
16 ballot are made by the same pen or pencil. Any ballot marked by
17 any other mark than an (X) or check () in the spaces provided
18 for that purpose shall be void and not counted: Provided,
19 however, That no vote recorded thereon shall be declared void
20 because a cross (X) or check () mark thereon is irregular in
21 form. [Any erasure, mutilation or defective marking of the
22 straight party column at November elections shall render the
23 entire ballot void, unless the voter has properly indicated his
24 choice for candidates in any office block, in which case the
25 vote or votes for such candidates only shall be counted.] Any
26 erasure or mutilation in the vote in any office block shall
27 render void the vote for any candidates in said block, but shall
28 not invalidate the votes cast on the remainder of the ballot, if
29 otherwise properly marked. Any ballot indicating a vote for any
30 person whose name is not printed on the ballot, by writing,
31 stamping or sticker, shall be counted as a vote for such person,
32 if placed in the proper space or spaces provided for that
33 purpose, whether or not an (X) or check () is placed after the
34 name of such person: Provided, however, That if such writing,
35 stamping or sticker is placed over the name of a candidate
36 printed on the ballot, it shall render the entire vote in said
37 office block void. If an elector shall mark his ballot for more
38 persons for any office than there are candidates to be voted for
39 for such office, or if, for any reason, it may be impossible to
40 determine his choice for any office, his ballot shall not be
41 counted for such office, but the ballot shall be counted for all
42 offices for which it is properly marked. Ballots not marked, or
43 improperly or defectively marked, so that the whole ballot is
44 void, shall be set aside and shall be preserved with the other
45 ballots.

46 * * *

47 Section 1302.1. Date of Application for Absentee Ballot.--
48 (a) Except as provided in subsections (a.1) and (a.2),
49 applications for absentee ballots shall be received in the
50 office of the county board of elections not earlier than fifty
51 (50) days before the primary or election [and], except that if a

1 county board of elections determines that it would be desirable
2 and consistent with its operational needs, any applications for
3 absentee ballots received more than fifty (50) days before the
4 primary or election may be processed before that time.

40 him under his absentee ballot application. In all cases where
41 the examination of the local district board of elections
42 discloses that an elector did vote a ballot other than the one

6 Absentee Voters File." If the local election board is satisfied
7 that the declaration is sufficient and the information contained
8 in the "Registered Absentee Voters File," the absentee voters'
9 list and the "Military Veterans and Emergency Civilians Absentee
10 Voters File" verifies his right to vote, the local election
