41 The General Assembly finds and declares as follows:

- 42 (1) The intent of this act is to provide for the
43 implementation of the 2021-2022 Commonwealth budget.
- 44 (2) The Constitution of Pennsylvania confers numerous
45 express duties upon the General Assembly, including the
46 passage of a balanced budget for the Commonwealth.
- 47 (3) Section 24 of Article III of the Constitution of
48 Pennsylvania requires the General Assembly to adopt all
49 appropriations for the operation of government in this
50 Commonwealth, regardless of their source. The Supreme Court
51 has repeatedly affirmed that "It is fundamental within

1 Pennsylvania's tripartite system that the General Assembly
2 enacts the legislation establishing those programs which the
3 State provides for its citizens and appropriates the funds
4 necessary for their operation."

5 (4) Pursuant to section 13 of Article VIII of the
6 Constitution of Pennsylvania, the General Assembly is
7 explicitly required to adopt a balanced Commonwealth budget.
8 Given the unpredictability and potential insufficiency of
9 revenue collections, various changes in State law relating to
10 sources of revenue, the collection of revenue and the
11 implementation of statutes which impact revenue may be
12 required to discharge this constitutional obligation.

13 (5) Section 11 of Article III of the Constitution of
14 Pennsylvania requires the adoption of a general appropriation
15 act that embraces "nothing but appropriations." While actual
16 items of appropriation can be contained in a General
17 Appropriation Act, the achievement and implementation of a
18 comprehensive budget involves more than subjects of
19 appropriations and dollar amounts. Ultimately, the budget has
20 to be balanced under section 13 of Article VIII of the
21 Constitution of Pennsylvania. This may necessitate changes to
22 sources of funding and enactment of statutes to achieve full
23 compliance with these constitutional provisions.

24 (6) For the reasons set forth in paragraphs (1), (2),
25 (3), (4) and (5), it is the intent of the General Assembly
26 through this act to provide for the implementation of the
27 2021-2022 Commonwealth budget.

28 (7) Every provision of this act relates to the
29 implementation of the operating budget of the Commonwealth
30 for this fiscal year, addressing in various ways the fiscal
31 operations, revenues and potential liabilities of the
32 Commonwealth. To that end, this act is intended to implement
33 the 2021-2022 Commonwealth budget without specifically
34 appropriating public money from the General Fund. This act
35 provides accountability for spending and makes transfers or
36 other changes necessary to impact the availability of revenue
37 in order to meet the requirements of section 13 of Article
38 VIII of the Constitution of Pennsylvania and to implement the
39 act of ???? (P.L.????, No.????), known as the General
40 Appropriation Act of 2021.

41 Amend Bill, page 2, lines 4 through 30; page 3, lines 1
42 through 17; by striking out all of said lines on said pages and
43 inserting

44 Section 1. Section 111-C of the act of April 9, 1929
45 (P.L.343, No.176), known as the Fiscal Code, is amended by
46 adding a subsection to read:
47 Section 111-C. Money in account.
