AMENDMENTS TO HOUSE BILL NO. 1842

## Sponsor: REPRESENTATIVE STAMBAUGH

Printer's No. 2088

Amend Bill, page 1, lines 1 through 20, by striking out all 1

2 of said lines and inserting

Amending the act of June 22, 1937 (P.L.1987, No.394), entitled 3 4 "An act to preserve and improve the purity of the waters of 5 the Commonwealth for the protection of public health, animal 6 and aquatic life, and for industrial consumption, and 7 recreation; empowering and directing the creation of 8 indebtedness or the issuing of non-debt revenue bonds by political subdivisions to provide works to abate pollution; 9 providing protection of water supply and water quality; 10 providing for the jurisdiction of courts in the enforcement 11 12 thereof; providing additional remedies for abating pollution 13 of waters; imposing certain penalties; repealing certain 14 acts; regulating discharges of sewage and industrial wastes; 15 regulating the operation of mines and regulating the impact 16 of mining upon water quality, supply and quantity; placing responsibilities upon landowners and land occupiers and to 17 maintain primary jurisdiction over surface coal mining in 18 19 Pennsylvania," in other pollutions and potential pollution, 20 providing for notice of discharge endangering public health 21 or environment.

22 Amend Bill, page 1, lines 23 through 26; page 2, lines 1 through 30; page 3, lines 1 through 14; by striking out all of 23

24 said lines on said pages and inserting

Section 1. The act of June 22, 1937 (P.L.1987, No.394), 25 26 known as The Clean Streams Law, is amended by adding a section 27 to read: Section 404. Notice of Discharge Endangering Public Health 28 29 or Environment. -- (a) A person who spills, discharges or releases a substance into the waters of this Commonwealth, or on 30 a location from which the substance is likely to enter the 31 waters of this Commonwealth, taking into account any control and 32 remedial measures, shall notify the department if the spill, 33 34 discharge or release is not authorized by a permit from the department and is likely to render the receiving waters harmful\_ 35

1	to public health or the environment as determined by reportable
2	quantities or other readily ascertainable standards adopted by
3	<u>regulation under subsection (c).</u>
4	(b) No later than one hundred eighty days after the
5	effective date of this section, the Environmental Quality Board
6	shall publish for public comment proposed regulations
7	establishing reportable quantities or other readily
8	ascertainable standards by which a person under subsection (a)
9	<u>may determine whether a spill, discharge or release is likely to</u>
10	render the receiving waters harmful to public health or the
11	environment.
12	(c) No later than three hundred sixty-five days after the
13	effective date of this section, the Environmental Quality Board
14	shall promulgate final regulations establishing reportable
15	<u>quantities or other readily ascertainable standards by which a</u>
16	person under subsection (a) may determine whether a spill,
17	<u>discharge or release is likely to render the receiving waters</u>
18	harmful to public health or the environment.
19	Section 2. This act shall take effect in 60 days.
