AN ACT

Prohibiting the mandatory COVID-19 vaccination of Pennsylvania residents by the Commonwealth, political subdivisions or as a condition of employment.

The General Assembly of the Commonwealth of Pennsylvania hereby enacts as follows:

Section 1. Short title.

This act shall be known and may be cited as the Medical Freedom Act.

Section 2. Scope.

This act relates to limitations on COVID-19 vaccine requirements.

Section 3. Findings and declarations.

The General Assembly finds and declares:

(1) Every resident in this Commonwealth has the inalienable right to bodily integrity and should be free from any threat or compulsion that the individual must receive a COVID-19 vaccination.

(2) An individual who exercises the right not to be
vaccinated RECEIVE A COVID-19 VACCINE must not be denied any right or privilege of citizenship.

(3) Currently this Commonwealth allows for medical and religious exemptions for immunizations and these rights should be given to all Pennsylvania residents who do not want to receive an immunization A COVID-19 VACCINE.

Section 4. Prohibition.
The following apply:

(1) The Commonwealth or a political subdivision of the Commonwealth, or an agent thereof, may not mandate an individual in this Commonwealth to receive a COVID-19 vaccination.

(2) A State agency or political subdivision may not enact or issue a rule, ordinance, order or any similar policy that would result in an individual being required to submit to a COVID-19 vaccination.

(3) A State agency or political subdivision, or an agent thereof, may not take an action which would result in an individual being required to submit to a COVID-19 vaccination, including as a condition of employment, access to education, the ability to travel, entry to a public place or contracting with a State agency or political subdivision.

(4) A COVID-19 vaccination offered by the Commonwealth as part of a mass vaccination effort may only be provided to individuals who consent to receiving the vaccination, without coercion, after receiving full information of all known ingredients, risks and benefits prior to the COVID-19 vaccination.

(5) Employers are prohibited from taking any adverse employment action against an individual who declines TO
RECEIVE a COVID-19 vaccination, including, but not limited to, termination, suspension, involuntary reassignment, unpaid leave, demotion, harassment or coercion. If an employer violates the provisions of this paragraph, an aggrieved employee shall have the right TO apply for and receive unemployment benefits.

(6) An individual may not be discriminated against, denied entrance, service, the ability to purchase goods or receive medical care or to participate for refusal to accept a COVID-19 vaccination.

(7) A citizen may not be forced or coerced to sign a COVID-19 vaccination declination waiver that is condemning, self-incriminating or does not properly express the citizen's beliefs.

Section 5. Notice.

If the Commonwealth or a political subdivision, or an agent thereof, recommends an individual receive a COVID-19 vaccination, the official or entity shall provide notice that the recommendation is not mandatory in each oral or written statement made.

Section 6. Effective date.

This act shall take effect immediately.
