18 Section 303. Candidates for Study Commission.--(a)
19 Candidates for the study commission shall be registered voters
20 of the municipality. They may be nominated by nomination papers
21 signed by a number of qualified electors of the municipality

5 designated number of candidates.

6 (c) Each nominating paper shall, before it may be filed with
7 the county board of elections, contain an acceptance of such
8 nomination in writing, signed by the candidate or candidates
9 therein nominated, upon or annexed to such paper, or if the same
10 person or persons be named in more than one paper, upon or
11 annexed to one of such papers. Such acceptance shall certify
12 that each candidate is a registered voter of the municipality,
13 that the nominee consents to stand as a candidate at the
14 election, and that if elected he agrees to take office and
15 serve.

16 (d) Each nominating paper shall be verified by an oath or
17 affirmation of one or more of the signers thereof, taken and
18 subscribed before a person qualified under the laws of
19 Pennsylvania to administer an oath, to the effect that the paper
20 was signed by each of the signers thereof in his proper
21 handwriting, that the signers are, to the best knowledge and
22 belief of the affiant, registered voters of the municipality,
23 and that the nomination paper is prepared and filed in good
24 faith for the sole purpose of endorsing the person or persons
25 named therein for election as stated in the paper.

26 Section 304. Results of Election.--The result of the votes
27 cast for and against the question as to the election of a study
28 commission shall be returned by the election officers, and a

3 election officers, and a canvass of such election had, as is
4 provided by law in the case of election of members of the
5 governing body. The designated number of candidates receiving
6 the greatest number of votes shall be elected and shall
7 constitute the study commission. If a majority of those voting
8 on said question shall vote against the election of a study
9 commission, none of the candidates shall be elected. If two or
10 more candidates shall be equal and greatest in number of votes,
11 they shall draw lots to determine which one shall be elected.

12 Section 305. Organization of Study Commission.--As soon as
13 possible and in any event no later than fifteen days after
14 certification of election of a majority of its members, the
15 study commission shall organize and hold its first meeting and
16 elect one of its members as chairman, fix its hours and place of
17 meeting, and adopt such rules for the conduct of its business as
18 it may deem necessary and advisable. A majority of the members
19 of said commission shall constitute a quorum for the transaction
20 of business, but no recommendation of said commission shall have
21 any legal effect unless adopted by a majority of the whole
22 number of the members of the commission.

23 Section 306. Vacancies.--In case of any vacancy in the study
24 commission, the remaining members of such commission shall fill
25 it by appointing thereto some other properly qualified elector.

26 Section 307. Duties of Study Commission.--It shall be the
27 function and duty of the study commission to study the form of
28 government of the municipality to compare it with other
29 available forms under the laws of this State, to determine
30 whether or not in its judgment the government of the

1 municipality could be strengthened, made more clearly responsive
2 or accountable to the people or whether its operation could
3 become more economical or efficient under a changed form of
4 government.

5 Section 308. Compensation; Expenses.--Members of the study
6 commission shall serve without compensation, but shall be
7 reimbursed by the municipality for their necessary expenses
8 incurred in the performance of their duties. The governing body
9 shall appropriate moneys necessary for such purpose.

10 Within the limits of such appropriations and privately
11 contributed funds and services as shall be made available to it,
12 the study commission may appoint one or more consultants and
13 clerical and other assistants to serve at the pleasure of the
14 commission and may fix a reasonable compensation to be paid such
15 consultants and clerical and other assistants.

16 Section 309. Hearings.--The study commission shall hold
17 public hearings, may hold private hearings and sponsor public
18 forums, and generally shall provide for the widest possible
19 public information and discussion respecting the purposes and
20 progress of its work.

21 Section 310. Reports.--The study commission shall report its
22 findings and recommendations to the citizens of the municipality
23 within nine calendar months from the date of its election. It
24 shall publish or cause to be published sufficient copies of its
25 final report for public study and information, and shall deliver
26 to the governing body sufficient copies of the report to supply
27 it to any interested citizen upon request. If the study
28 commission shall recommend the adoption of any of the optional

30 contain the complete plans as recommended.

1 Section 311. Discharge of Study Commission.--(a) The study
2 commission shall be discharged upon the filing of its report

4 required further procedure on the part of the governing body or
5 the citizens of the municipality, the commission shall not be
6 discharged until a copy of the report has been certified to the
7 county board of elections. Any time before such procedure has
8 been finally concluded but not later than one year from the date
9 of the publication of its final report, the commission may
10 modify or change any recommendation set forth in said final
11 report by publishing an amended report.

12 (b) Whenever a study commission issues an amended report
13 pursuant to subsection (a) above, such amended report shall
14 supersede the final report and such final report shall cease to
15 have any legal effect under this act.

16 (c) The procedure to be taken under the amended report shall
17 be governed by all provisions of Article III of this act
18 applicable to the final report of a study commission.

19 Section 312. Recommendations in General.--The study
20 commission may report and recommend:

21 (1) That a referendum shall be held to submit to the
22 qualified voters of the municipality the question of adopting
23 one of the optional forms of government authorized by this act
24 to be specified by the commission; or

25 (2) That the form of government of the municipality shall
26 remain unchanged; or

27 (3) Such other action as it may deem advisable consistent
28 with its functions as set forth in this article.

29 Section 313. Recommendation for Referendum on Adopting
30 Optional Forms.--If the study commission shall recommend that

1 the question of adopting one of the optional forms of government
2 authorized by this act shall be submitted to the voters of the
3 municipality, it shall be the duty of the governing body, within
4 five days thereafter, to certify a copy of the commission's
5 report to the county board of elections, which shall cause the
6 question of adoption or rejection to be placed upon the ballot
7 at such time as the commission shall in its report specify. The
8 commission may cause the question to be submitted to the
9 electorate at the next primary or general election, occurring
10 not less than ninety days following the filing of a copy of the
11 commission's report with the county board of elections, or at a
12 special election occurring not less than sixty days or more than
13 one hundred twenty days after the filing of the report, at such
14 time as the commission's report shall direct. At such election,
15 the question of adopting that form of government recommended by
16 the study commission shall be submitted to the voters of the
17 municipality by the county board of elections in the same manner
18 as other questions are submitted to the voters of a municipality
19 under the provisions of the act of June 3, 1937 (P.L.1333),
20 known as the "Pennsylvania Election Code." The study commission
21 shall frame the question to be placed upon the ballot as herein
22 provided, and if it deems appropriate an interpretative
23 statement to accompany such question.

24 Section 314. Action During Proceedings.--(a) No ordinance
25 may be passed and no petition may be filed for the election of a
26 study commission pursuant to section 301 of this act while
27 proceedings are pending under any other petition or ordinance
28 filed or passed under the authority of section 301, nor within
29 five years after an election shall have been held pursuant to
30 any such ordinance or petition passed or filed under section 301

1 hereof.

2 (b) For the purpose of this section, proceedings shall be
3 considered as having started (i) in the case of any ordinance
4 upon the final vote of the governing body in favor of the
5 ordinance, notwithstanding the fact that the ordinance cannot
6 take effect until a certain number of days thereafter; or (ii)
7 in the case of a petition, as soon as it is properly signed by
8 five per cent of the number of registered voters required for
9 such petition and written notice thereof filed in the office of
10 the county board of elections and in the office of the governing
11 body, who shall cause the same to be immediately posted in a
12 conspicuous place in said office, open to public inspection.

13 Section 315. Time Optional Form Takes Effect.--Whenever the
14 legally qualified voters of any municipality by a majority of
15 those voting on the question vote in favor of adopting a change
16 in their form of government pursuant to this act, the proposed
17 option shall take effect according to its terms and the

12 submitted by the electors meets the requirements of this act,
13 they shall place the proposal or proposals on the ballot in a
14 manner fairly representing the content of the ordinance or of
15 the initiative petition for decision by referendum at the proper
16 election.
