Section 7. Heating systems.

(a) Any heating system or heating unit installed as part of any of the public improvement projects itemized in section 2 shall be fueled by coal.

(b) Any heating system or heating unit shall be exempt from the requirement of subsection (a) if the Department of General Services determines that the application of subsection (a) to that heating system or heating unit would violate existing or reasonably anticipated environmental laws or regulations or would not be cost effective. The Department of General Services shall report to the House and Senate Appropriations Committees the basis for any determination that a heating system or heating unit shall be exempt from the requirement of subsection (a).

(c) This section shall not apply to the public improvement projects itemized in section 2 for cogeneration facilities at Indiana University of Pennsylvania and for the installation of an oil-fired boiler at the Main Campus of Pennsylvania State University and the boiler's conversion to operate on a mixture of coal and water. This section also shall not apply to any other public improvement project itemized in section 2 if the fuel to be used in that project is specified in section 2.

(d) For the purposes of this section, "coal" includes coal, a synthetic derived in whole or in part from coal, or a mixture which includes coal or is derived in whole or in part from coal.

Section 8. Transfer of prior authorization.

In addition to the amount authorized in section 2(2)(xi), an additional \$5,500,000 previously authorized for land acquisitions is also transferred to the construction authorization contained in section 2(2)(xi).

Section 9. Debt authorization.

(a) The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow, from time to time, in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations provided in the current capital budget, money not exceeding in the aggregate the sum of ~~\$494,025,000~~ \$529,532,000 as may be found necessary to carry out the acquisition and construction of the public improvement projects specifically itemized in a capital budget.

(b) The Governor, Auditor General and State Treasurer are hereby authorized and directed to borrow, from time to time, in addition to any authorization heretofore or hereafter enacted, on the credit of the Commonwealth, subject to the limitations

1 provided in the current capital budget, money not exceeding in
2 the aggregate the sum of ~~\$5,840,000~~ \$9,982,000 as may be found <—
3 necessary to carry out the public improvement projects
4 consisting of the acquisition of original movable furniture and
5 equipment specifically itemized in a capital budget.

6 (c) The Governor, Auditor General and State Treasurer are
7 hereby authorized and directed to borrow, from time to time, in
8 addition to any authorization heretofore or hereafter enacted,
9 on the credit of the Commonwealth, subject to the limitations
10 provided in the current capital budget, money not exceeding in
11 the aggregate the sum of \$43,900,000 as may be found necessary
12 to carry out the redevelopment assistance projects specifically
13 itemized in a capital budget.

14 (d) The Governor, Auditor General and State Treasurer are
15 hereby authorized and directed to borrow, from time to time, in
16 addition to any authorization heretofore or hereafter enacted,
17 on the credit of the Commonwealth, subject to the limitations
18 provided in the current capital budget, money not exceeding in
19 the aggregate the sum of ~~\$1,000,000~~ \$4,378,000 as may be found <—
20 necessary to carry out the acquisition and construction of the
21 transportation assistance projects specifically itemized in a
22 capital budget.

23 Section 10. Issue of bonds.

24 The indebtedness herein authorized shall be incurred from
25 time to time and shall be evidenced by one or more series of
26 general obligation bonds of the Commonwealth in such aggregate
27 principal amount for each series as the Governor, Auditor
28 General and State Treasurer shall determine, but the latest
29 stated maturity date shall not exceed the estimated useful life
30 of the projects being financed as stated in section 9 11. <—

1 Section 11. Estimated useful life of projects.

2 The General Assembly states that the estimated useful life of
3 the public improvement projects heretofore itemized is as
4 follows:

5 (1) Public Improvement Projects:

6 (i) Forest service roads, 10 years.

7 (ii) All other projects, 30 years.

8 (2) Furniture and Equipment Projects, 10 years.

9 (3) Redevelopment Assistance Projects, 30 years.

10 (4) Transportation Assistance Projects:

11 (i) Rolling stock, 15 years.

12 (ii) Passenger buses, 12 years.

13 (iii) Furniture and equipment, 10 years.

14 (iv) All others, 30 years.

15 The maximum term of the debt authorized to be incurred hereunder
16 is 30 years.

17 Section 12. Appropriation.

18 (a) The net proceeds of the sale of the obligations herein
19 authorized are hereby appropriated from the Capital Facilities
20 Fund to the Department of General Services in the maximum amount
21 of ~~\$494,025,000~~ \$529,532,000 to be used by it exclusively to <—
22 defray the financial cost of the public improvement projects
23 specifically itemized in a capital budget. After reserving or
24 paying the expenses of the sale of the obligation, the State
25 Treasurer shall pay to the Department of General Services the
26 moneys as required and certified by it to be legally due and
27 payable.

28 (b) The net proceeds of the sale of the obligations herein
29 authorized are hereby appropriated from the Capital Facilities
30 Fund to the Department of General Services in the maximum amount

1 of ~~\$5,840,000~~ \$9,982,000 to be used by it exclusively to defray <—
2 the financial cost of the public improvement projects consisting
3 of the acquisition of original movable furniture and equipment
4 specifically itemized in a capital budget. After reserving or
5 paying the expenses of the sale of the obligation, the State
6 Treasurer shall pay to the Department of General Services the
7 moneys as required and certified by it to be legally due and
8 payable.

9 (c) The net proceeds of the sale of the obligations herein
10 authorized are hereby appropriated from the Capital Facilities
11 Fund to the Department of Community Affairs in the maximum
12 amount of \$43,900,000 to be used by it exclusively to defray the
13 financial cost of the redevelopment assistance projects
14 specifically itemized in a capital budget. After reserving or
15 paying the expenses of the sale of the obligation, the State
16 Treasurer shall pay to the Department of Community Affairs the
17 moneys as required and certified by it to be legally due and
18 payable.

19 (d) The net proceeds of the sale of the obligations herein
20 authorized are hereby appropriated from the Capital Facilities
21 Fund to the Pennsylvania Department of Transportation in the
22 maximum amount of \$4,378,000 to be used by it exclusively to
23 defray the financial costs of transportation assistance projects
24 specifically itemized in a capital budget. After reserving or
25 paying the expenses of the sale of the obligation, the State
26 Treasurer shall pay out to the Pennsylvania Department of
27 Transportation the moneys as required and certified by it to be
28 legally due and payable.

29 Section 13. Federal funds.

30 In addition to those funds appropriated in section 8 12, all <—

1 moneys received from the Federal Government for the projects
2 specifically itemized herein are also hereby appropriated for
3 those projects.

4 Section 14. Repeals.

5 Clause (8) of part VIII of section 2 of the act of August 14,
6 1963 (P.L.1032, No.451), entitled "An act amending the act of
7 March 31, 1949 (P.L.372, No.34), entitled 'An act to promote the
8 welfare of the people of the Commonwealth; creating The General
9 State Authority as a body corporate and politic with power to
10 construct, improve, equip, furnish, and operate projects, and to
