24 Section 1085. Classification of Violations.--The department
25 shall classify each violation of its regulations on personal
26 care homes into one of the following categories:

28 probability that death or serious mental or physical harm to any
29 resident may result.

1 effect upon the health, safety or well-being of any resident.

2 (3) Class III. A minor violation which has an adverse
3 effect upon the health, safety or well-being of any resident.

4 Section 1086. Penalties.--(a) The department shall assess a
5 penalty for each violation of this subarticle or regulations of
6 the department. Penalties shall be assessed on a daily basis
7 from the date on which the citation was issued until the date
8 such violation is corrected except in the case of Class II
9 violations. In the case of Class II violations, assessment of a
10 penalty shall be suspended for a period of five days from the
11 date of citation provided that, except for good cause, the
12 provider has corrected the violation. If the violation has not
13 been corrected within the five-day period the fine shall be
14 retroactive to the date of citation.

15 (b) The department shall assess a penalty of twenty dollars
16 (\$20) per resident per day for each Class I violation.

17 (c) The department shall assess a minimum penalty of five
18 dollars (\$5) per resident per day up to a maximum of fifteen
19 dollars (\$15) per resident per day for each Class II violation.

20 (d) There shall be no monetary penalty for Class III
21 violations unless the provider fails to correct the Class III
22 violation within fifteen days. Failure to correct the violation
23 within fifteen days may result in an assessment of up to three
24 dollars (\$3) per resident per day for each Class III violation
25 retroactive to the date of the citation.

26 (e) A personal care home found to be operating without a
27 license shall be assessed a penalty of five hundred dollars
28 (\$500). If, after fourteen days, a provider of a personal care

If, through administrative hearing or judicial review of the proposed penalty, it is determined that no violation occurred or that the amount of the penalty shall be reduced, the secretary shall within thirty days remit the appropriate amount to the provider with any interest accumulated by the escrow deposit. The amount assessed after administrative hearing or a waiver of the administrative hearing shall be payable to the Commonwealth of Pennsylvania and shall be collectible in any manner provided by law for the collection of debts. If any provider liable to pay such penalty neglects or refuses to pay the same after demand, such failure to pay shall constitute a judgment in favor of the Commonwealth in the amount of the penalty, together with the interest and any costs that may accrue.

(g) Money collected by the department under this section shall be placed in a special restricted receipt account and shall be first used to defray the expenses incurred by residents relocated under this act. Any moneys remaining in this account shall annually be remitted to the department for enforcing the

(2) Upon the revocation of a license pursuant to this subsection, all residents shall be relocated.

(3) The revocation may terminate upon the department's determination that its violation is corrected.

(4) If, after three months, the department does not issue a new license for a personal care home license revoked pursuant to this section:
