FEBRUARY 3, 1992

REFERRED TO COMMITTEE ON APPROPRIATIONS, FEBRUARY 3, 1992

AN ACT

1 Amending the act of April 9, 1929 (P.L.177, No.175), entitled
2 "An act providing for and reorganizing the conduct of the
3 executive and administrative work of the Commonwealth by the
4 Executive Department thereof and the administrative
5 departments, boards, commissions, and officers thereof,
6 including the boards of trustees of State Normal Schools, or
7 Teachers Colleges; abolishing, creating, reorganizing or
8 authorizing the reorganization of certain administrative
9 departments, boards, and commissions; defining the powers and
10 duties of the Governor and other executive and administrative
11 officers, and of the several administrative departments,
12 boards, commissions, and officers; fixing the salaries of the
13 Governor, Lieutenant Governor, and certain other executive
14 and administrative officers; providing for the appointment of
15 certain administrative officers, and of all deputies and
16 other assistants and employes in certain departments, boards,
17 and commissions; and prescribing the manner in which the
18 number and compensation of the deputies and all other
19 assistants and employes of certain departments, boards and
20 commissions shall be determined," further providing for the
21 powers and duties of the Board of the Ben Franklin
22 Partnership Fund.

23 The General Assembly of the Commonwealth of Pennsylvania

1 hereby enacts as follows:

2 Section 1. Section 2503-B of the act of April 9, 1929
3 (P.L.177, No.175), known as The Administrative Code of 1929,
4 amended December 6, 1982 (P.L.774, No.223) and December 15, 1988
5 (P.L.1239, No.152), is amended to read:

6 Section 2503-B. Duties and Powers of the Board of the Ben
7 Franklin Partnership Fund.--(a) The Board of the Ben Franklin
8 Partnership Fund is authorized to promote, stimulate and
9 encourage (i) basic and applied scientific research and
10 development in Pennsylvania and (ii) scientific and
11 technological education in Pennsylvania, which may reasonably be
12 expected to advance the Commonwealth's economic growth and
13 welfare. In addition, the board shall, upon request, provide
14 advice to the Governor and the executive agencies concerning
15 scientific, technological and engineering matters, which relate
16 to the economic growth and the health, safety and welfare of the
17 Commonwealth and its citizens; shall establish a program to
18 assist Pennsylvania small businesses to enter into exporting
19 activities; and may establish advanced technology centers which
20 shall serve as university-based consortiums between business,
21 universities and government to provide advanced technology
22 research and development, training, education and related
23 activities which show significant potential in diversification
24 of Pennsylvania's economy and the State's economic growth.

25 (b) With the approval of the Governor, the board is
26 authorized to enter into mutually satisfactory contracts,
27 agreements or grants with educational institutions, nonprofit
28 institutions and organizations, business enterprises and other
29 persons concerned with scientific and technological research,
30 and development in the Commonwealth, as well as any State or

1 Federal agency, to foster and support scientific and
2 technological research, development, education and promotion of
3 applied advanced technology activities. The board may, subject
4 to the approval of the Governor, make grants to educational
5 institutions, nonprofit institutions and organizations, and
6 other persons for the same purposes. The board may sponsor and
7 conduct conferences and studies, collect and disseminate
8 information, and issue periodic reports relating to scientific
9 and technological research, development, and education in the
10 Commonwealth, including grants for Governor's chairs to
11 Pennsylvania colleges and universities in the field of new
12 materials; maintain registers and inventories of scientific and
13 technological personnel and facilities, including but not
14 limited to scientific libraries and data centers. It may receive
15 gifts, grants, bequests or devises from any source, including
16 funds from the Federal government.

17 (b.1) With the approval of the Governor, the board is
18 authorized to enter into mutually satisfactory contracts,
19 agreements or grants with educational institutions, nonprofit
20 institutions and organizations, business enterprises and other
21 persons, as well as any Federal or State agency, to foster and
22 support a program to assist Pennsylvania small businesses to
23 enter into exporting activities. The board may, subject to the
24 approval of the Governor, make grants to educational
25 institutions, nonprofit institutions and organizations, and
26 other persons for the same purposes. The board may sponsor and
27 conduct conferences and studies, collect and disseminate
28 information, issue periodic reports and maintain data centers on
29 exporting programs, activities and assistance for Pennsylvania
30 small businesses. It may receive gifts, grants, bequests or

1 devises from any source, including funds from the Federal
2 government.

3 (c) The board may enter into a matching grant program,
4 involving consortiums of college or university and private
5 sector organizations for the purposes of establishing, operating
6 and promoting advanced technology centers throughout the
7 Commonwealth. Such centers shall receive no more than fifty per
8 centum (50%) of their financial support from this board.
9 Applicants for funds provided under this section shall secure
10 financial commitments from profit and nonprofit groups and
11 organizations, including the Federal government or local
12 political subdivisions and shall be required to submit
13 applications in accordance with policies and criteria issued by
14 the board. The board shall utilize adequate financial controls,
15 including a program of audits, to implement the matching grant
16 program. Such centers shall utilize to the extent possible,
17 existing or new private businesses operating or willing to
18 operate in the fields of expertise needed to accomplish the
19 purposes of the center. Eligible purposes which the board may
20 fund under this matching grant program include, but are not
21 limited to:

22 (1) Development and strengthening of joint research and
23 development efforts including facilities for advanced
24 technologies activities, equipment, personnel, land and related
25 activities, which will lead to new technologies which will
26 create or preserve jobs.

27 (2) Providing training and curriculum development related to
28 advanced technology in order to provide a skilled work force to
29 secure employment in advanced technology industries.

30 (3) Technical assistance and technology transfer activities

on an areawide or Statewide basis to transfer research and development activities into the marketplace.

(4) Assistance through small business incubators, including, but not limited to space, services and technical assistance.

(5) Market development, feasibility studies and other activities related to increasing jobs in advanced technology industries.

(6) Staff support for advanced technology councils or other mechanisms to encourage labor, business, university and governmental linkages in promoting advanced technology industrial diversification.

(7) Facilitate establishment of technology parks, which will serve as locations for facilities devoted to research and development and technology-intensive light manufacturing.

(c.1) The board may enter into a matching grant program, involving consortiums of college or university and private sector organizations for the purposes of establishing, operating and promoting small business export assistance centers throughout this Commonwealth to assist small businesses in Pennsylvania which desire to export their products. Such centers shall receive no more than fifty per centum (50%) of their financial support from this board. Applicants for funds provided under this section shall secure financial commitments from profit and nonprofit groups and organizations, including the Federal government or local political subdivisions and shall be required to submit applications in accordance with policies and criteria issued by the board. The board shall utilize adequate financial controls, including a program of audits, to implement the matching grant program. Such centers shall utilize to the extent possible, existing or new private businesses operating or

1 willing to operate in the fields of expertise needed to
2 accomplish the purposes of the center.

3 (d) The Ben Franklin Partnership Fund, together with its
4 statutory functions and duties, shall terminate and go out of
5 existence on December 31, 1998, unless reestablished or
6 continued by the General Assembly. Evaluation and review,
7 termination, reestablishment and continuation of the agency
8 shall be conducted pursuant to the provisions of the act of
9 December 22, 1981 (P.L.508, No.142), known as the "Sunset Act."

10 (e) As used in this section, the following words and phrases
11 shall have the meanings given to them in this subsection:

12 "Small business" means an independently owned and operated
13 for-profit business concern employing two hundred fifty (250) or
14 fewer employes.

15 Section 2. This act shall take effect immediately.
