INTRODUCED BY SCHWARTZ, AFFLERBACH, SALVATORE, JONES, DAWIDA,

REFERRED TO EDUCATION, APRIL 1, 1993

AN ACT

1 Providing the Early Childhood Education Professional Loan
2 Forgiveness Program for Pennsylvania residents who graduate
3 from institutions of higher education and who apply their
4 educational training to positions in approved child-care
5 facilities in this Commonwealth.

6 The General Assembly finds and declares as follows:

7 (1) Parents who work need to depend on daily child-care
8 services which provide a safe, healthy and educationally
9 sound program for their children.

10 (2) There is a growing crisis in child care due to an
11 increasing shortage of child-care professionals which is a
12 result of low wages and poor benefits.

13 (3) Child caregiver turnover is currently approximately
14 33% for child day-care centers in this Commonwealth.

15 (4) Child-care teachers earn one-third of the salary of
16 comparably educated public school teachers.

17 (5) Two-thirds of the child-care teachers in this
18 Commonwealth hold four-year degrees but make less than the

1 average United States worker who never graduated from high
2 school.

3 (6) Research has shown that young children in group
4 settings thrive emotionally, socially, physically and
5 intellectually when they have an adequate number of adults
6 specifically trained in child development and early childhood
7 education with whom to interact.

8 (7) With current salaries at approximately \$11,200
9 annually for child-care teachers, many of those individuals
10 with the same educational credentials as public school
11 teachers have chosen to abandon careers in child care for
12 teaching jobs which guarantee a minimum annual salary of
13 \$18,500 plus benefits.

14 (8) Payment of a portion of student loans for child-care
15 professionals establishes a commitment by the Commonwealth to
16 encourage individuals trained in child development and early
17 childhood education to apply that training in the growing
18 field of child care.

19 The General Assembly of the Commonwealth of Pennsylvania
20 hereby enacts as follows:

21 Section 1. Short title.

22 This act shall be known and may be cited as the Early
23 Childhood Education Professional Loan Forgiveness Act.

24 Section 2. Definitions.

25 The following words and phrases when used in this act shall
26 have the meanings given to them in this section unless the
27 context clearly indicates otherwise:

28 "Agency." The Pennsylvania Higher Education Assistance
29 Agency.

30 "Approved child-care facility." A child day-care center or

group day-care home located in this Commonwealth which is subject to and in compliance with regulations issued by the Department of Public Welfare.

"Program." The Early Childhood Education Professional Loan Forgiveness Program.

"Qualified applicant." A person who meets the following criteria:

(1) Has successfully completed an undergraduate program at an accredited college or university with either a bachelor's degree or an associate's degree in the human services field which includes at least 15 credit hours in child development or related areas.

(2) Has borrowed through the agency-administered Guaranteed Student Loan Programs.

Section 3. Early Childhood Education Professional Loan Forgiveness Program.

Qualified applicants who are selected for the program in accordance with this act shall be eligible for payment by the agency of a portion of the debt incurred by the applicant through the agency-administered Guaranteed Student Loan Programs for the education necessary to successfully complete the specified bachelor's degree or associate's degree programs in Pennsylvania. For each calendar year that the applicant is a full-time professional in an approved Commonwealth child-care facility, the agency may forgive a proportional part of the applicant's loan so that the loan may be entirely forgiven over four years of full-time employment in an approved child-care facility. For a graduate with a bachelor's or associate's degree in the specified areas, no more than \$2,500 shall be forgiven in any year, and no more than \$10,000 shall be forgiven for any

1 applicant. Payments shall be made in accordance with the
2 procedures established by the agency.

3 Section 4. Loan forgiveness awards.

4 Recipients of the loan forgiveness awards shall be those
5 child-care professionals who are working in approved child-care
6 facilities in this Commonwealth. Each child-care professional
7 shall be required to submit such documentation of eligibility as
8 the agency may require.

9 Section 5. Funding.

10 Loan forgiveness awards shall be made to the extent that
11 funds are appropriated by the General Assembly. In the event
12 that funding is insufficient to fully fund all eligible
13 applicants, the agency shall make loan forgiveness awards to
14 those applicants who are renewing previous awards and then
15 provide awards to first time applicants as funding permits.

16 Section 6. Responsibility of agency.

17 It shall be the responsibility of the agency to administer
18 the program established by this act and to promulgate the
19 necessary rules and regulations.

20 Section 7. Effective date.

21 This act shall take effect January 1, 1994.
