30 guarantor of fertilizer shall, on or before July 1 of each year

1 or prior to manufacture or distribution, apply for and obtain an
2 annual license for each guarantor and each facility, located in
3 this Commonwealth. The application for licensure must be on the
4 form prescribed by the department and shall be accompanied by a
5 \$25 application fee. All licenses shall expire on June 30 of
6 each year.

7 (b) Labeling and typical analysis.--The department may
8 require an applicant for a license or a current licensee to
9 submit the labeling that the person is using or intends to use
10 for the fertilizer. The department may also require an applicant
11 or licensee to provide a typical analysis of selected components
12 that may be in the fertilizer.

13 § 6704. Registration of specialty fertilizers.

14 (a) Application.--Each brand and grade of specialty
15 fertilizer shall be registered by the guarantor with the
16 department before being offered for sale, sold or distributed in
17 this Commonwealth. An application for each brand and grade of
18 specialty fertilizer shall be made on a form prescribed by the
19 department and shall be accompanied by a fee of \$25 per each
20 grade of each brand. Labels for each brand and grade shall
21 accompany the application. Upon the approval of an application
22 by the department, a copy of the registration shall be furnished
23 to the applicant. All registrations shall expire on June 30 of
24 each year.

25 (b) Contents of application.--An application for
26 registration shall include:

- 27 (1) The brand and grade.
- 28 (2) The guaranteed analysis.
- 29 (3) The name and address of the guarantor.
- 30 (4) The net weight.

1 (c) Exemption.--A distributor shall not be required to
2 register a specialty fertilizer which is already registered
3 under this chapter by another person, providing the label does
4 not differ in any material respect.

5 (d) Late fee.--If the application for renewal of the
6 specialty fertilizer registration required in this section is
7 not filed prior to June 30 of each year, a penalty of \$25 or 10%
8 of the registration fee, whichever is greater, may be assessed
9 and added to the original fee and shall be paid by the applicant
10 before the renewal specialty fertilizer registration is issued.
11 The penalty shall not apply if the applicant furnished an
12 affidavit that the applicant has not distributed the specialty
13 fertilizer subsequent to the expiration of the applicant's prior
14 registration.

15 § 6705. Labels and labeling.

16 (a) General rule.--Any fertilizer distributed in a container
17 in this Commonwealth shall have placed on or affixed to the
18 container a label setting forth in legible and conspicuous form:

19 (1) The brand and grade of the fertilizer, provided that
20 the grade shall not be required when no primary nutrients are
21 claimed.

22 (2) The guaranteed analysis.

23 (3) The name and address of the guarantor.

24 (4) The net weight.

25 (b) Bulk fertilizer.--In the case of bulk fertilizer
26 shipments, the information required by subsection (a) shall
27 accompany delivery and shall be provided in writing to the
28 purchaser at time of delivery.

29 (c) Other guarantees.--Guarantees for other nutrients shall
30 be expressed in the form of the element. The department may

1 require by regulation that the source of such other nutrients be
2 stated on the application for registration and may be required
3 on the label. The department may require by regulation that
4 other beneficial substances or compounds be guaranteed. When any
5 plant nutrients or other substances or compounds are guaranteed,
6 they shall be subject to inspection and analysis in accordance
7 with the methods and regulations prescribed by the department.

8 (d) Proof of labeling claims.--The department may require
9 proof of any labeling claims made for fertilizer. Any research
10 in support of such claims shall be performed by an institution
11 approved by the department utilizing acceptable scientific
12 methodology.

13 (e) Consumer specified fertilizer formulations.--A
14 fertilizer formulated according to specifications which are
15 furnished by a consumer prior to mixing shall be labeled to
16 show:

17 (1) The net weight.

18 (2) The guaranteed analysis.

19 (3) The name and address of the guarantor.

20 (f) Bulk storage.--Fertilizer in bulk storage that is
21 intended for distribution shall be identified with a label
22 attached to the storage bin or container giving the name and
23 grade of the product.

24 § 6706. Inspection fees.

25 (a) Amounts.--

26 (1) The guarantor whose name appears on the label of a
27 fertilizer distributed in this Commonwealth shall pay
28 semiannually and not later than January 31 and July 31 of
29 each year an inspection fee at the rate of 15¢ per ton. In no
30 case shall the inspection fee paid semiannually amount to

1 less than \$25.

2 (2) On packages of 15 pounds or less, there shall be
3 paid, in lieu of the inspection fee of 15¢ per ton provided
4 for in paragraph (1), annually and not later than January 31
5 of each year, an inspection fee of \$25 for each brand and
6 grade of fertilizer distributed.

7 (3) If the guarantor whose name appears on the label
8 distributes fertilizers in this Commonwealth in both packages
9 of less and more than 15 pounds, the \$25 inspection fee shall
10 be paid for its brands and grades sold in packages of 15
11 pounds or less and the 15¢ per ton fee shall be paid for its
12 packages of more than 15 pounds.

13 (b) Adjustment to fees by secretary.--

14 (1) Notwithstanding the provisions of subsection (a), if
15 the secretary determines following notice to the registrants
16 and licensees that moneys derived from the registration and
17 inspection fees are either greater or less than that required
18 to administer this chapter, the secretary may reduce or
19 increase the inspection fee so as to maintain revenues
20 sufficient to administer this chapter.

21 (2) An inspection fee established under this subsection
22 may not be changed by more than 2¢ in one year and may not
23 exceed 25¢ per ton.

24 (3) The secretary shall announce the adjustment of fees
25 by publishing a notice in the Pennsylvania Bulletin. The
26 adjusted fees shall take effect 60 days after publication of
27 such notice in the Pennsylvania Bulletin.

28 § 6707. Tonnage reports.

29 (a) General rule.--The guarantor whose name appears on the
30 label shall submit, along with the requisite inspection fee, a

1 report in a manner prescribed by the department listing by
2 county the net tons of each brand and grade of fertilizer
3 distributed in this Commonwealth for the period covered by the
4 inspection fee.

5 (b) Multiple guarantors.--When more than one guarantor is
6 involved in the distribution of fertilizer, the guarantor who
7 distributed the fertilizer last shall report the tonnage and pay
8 the inspection fee unless the report and payment have been made
9 by a prior distributor.

10 (c) Late fee.--A penalty of \$25 or 10% of the inspection
11 fee, whichever is greater, shall be imposed for any fee or
12 report not submitted at the required time.

13 (d) Examination permitted.--The department or its authorized
14 representative may examine the records of the guarantor to
15 verify the information contained in the reports filed with the
16 department. Reports containing fraudulent or incorrect
17 information shall be considered a violation of this chapter for
18 which the department may assess any penalty as provided for in
19 this chapter.

20 (e) Confidentiality of information.--

21 (1) No proprietary information furnished to the
22 department under this section shall be disclosed in such a
23 way as to knowingly or intentionally divulge a trade secret
24 of any person subject to the provisions of this chapter.

25 (2) This subsection shall not apply to information
26 furnished to a court or administrative tribunal in accordance
27 with law.

28 § 6708. Inspection, sampling and analysis.

29 (a) General rule.--The department shall inspect, sample,
30 make analyses of and test fertilizers distributed within this

1 Commonwealth and shall inspect the storage of bulk fertilizer at
2 any time and place and to such an extent as the department may
3 deem necessary to determine whether such fertilizers are in
4 compliance with the provisions of this chapter. The department
5 or its agent may enter upon any public or private premises or
6 carriers during regular business hours in order to have access
7 to fertilizer subject to provisions of this chapter and the
8 records relating to this chapter.

9 (b) Laboratory methodology.--The department shall establish
10 by regulation the methods of fertilizer sampling and analysis.
11 In promulgating such regulations, the department shall consider
12 methods such as those adopted by the Association of Official
13 Analytical Chemists International. In cases not covered by such
14 methods or in cases where improved methods are available, the
15 department may issue a temporary order defining the method to be
16 utilized. The method defined in the temporary order shall be
17 effective upon publication in the Pennsylvania Bulletin. The
18 temporary order shall remain in effect for a period not to
19 exceed one year, unless reissued, or until such order is
20 promulgated as a regulation.

21 (c) Deficiency determination.--The department, in
22 determining whether any fertilizer is deficient, shall be guided
23 solely by the official sample obtained and analyzed as provided
24 for in subsections (a) and (b).

25 (d) Retention of official samples.--Official samples
26 maintained by the department and that require imposition of a
27 penalty for nutrient deficiency shall be retained for a minimum
28 of 90 days from issuance of a deficiency report. Upon request,
29 the department shall furnish to the guarantor a portion of any
30 sample that is subject to penalty or other legal action. Such

1 requests must be made within 30 days of notification of sample
2 violations.

3 § 6709. Plant food deficiency.

4 (a) Penalties.--The following penalties shall be assessed
5 for deficiencies from the guaranteed analysis:

6 (1) A penalty payment of five times the commercial value
7 of each deficiency shall be assessed when the analysis shows
8 that a fertilizer is deficient:

9 (i) in one or more of its guaranteed primary
10 nutrients beyond a tolerance of 10% (two unit maximum);
11 or

12 (ii) when the overall index value of the primary
13 nutrients in the fertilizer is below 97.

14 (2) When a fertilizer is subject to a penalty payment
15 under both paragraph (1)(i) and (ii), the larger penalty
16 payment shall apply. Any such penalties assessed may not
17 exceed the retail price of the lot of fertilizer represented
18 by the official sample.

19 (3) Deficiencies beyond the tolerance as established by
20 regulation in a component other than a primary nutrient shall
21 be evaluated by the department and shall be subject to any
22 penalty under this chapter.

23 (b) Payment of penalties.--All penalties assessed under this
24 section shall be paid by the guarantor to the consumer of the
25 lot of fertilizer represented by the sample analyzed within 90
26 days after the date of notice from the department to the
27 guarantor. Receipts of payment shall be promptly forwarded by
28 the guarantor to the department. If the consumer cannot be
29 found, the penalties shall be paid to the department.

30 (c) Deficiencies in mixed fertilizers.--A deficiency in an

1 official sample of mixed fertilizer resulting from nonuniformity
2 shall not be deemed distinguishable from a deficiency due to
3 actual plant nutrient shortage and shall be deemed a violation
4 of this chapter for which the department may assess any penalty
5 as provided for in this chapter.

6 § 6710. Commercial value.

7 For the purpose of determining the commercial value to be
8 applied under section 6709 (relating to plant food deficiency),
9 the department shall determine and publish annually the values
10 per pound of nitrogen, available phosphate and soluble potash in
11 fertilizers in this Commonwealth. The amounts determined and
12 published shall be used in determining and assessing penalty
13 payments.

14 § 6711. Misbranding.

15 No person shall distribute a misbranded fertilizer. A
16 fertilizer shall be deemed to be misbranded if:

17 (1) its labeling is false or misleading in any
18 particular;

19 (2) it is distributed under the name of another
20 fertilizer product;

21 (3) it is not labeled as required in section 6705
22 (relating to labels and labeling) and in accordance with
23 regulations prescribed under this chapter; or

24 (4) it purports to be or is represented as a fertilizer
25 or is represented as containing a plant nutrient or
26 fertilizer unless such plant nutrient or fertilizer conforms
27 to the definition of identity, if any, prescribed by
28 regulation.

29 § 6712. Adulteration.

30 (a) General rule.--No person shall distribute an adulterated

1 fertilizer product. A fertilizer shall be deemed to be
2 adulterated if:

3 (1) it contains any deleterious or harmful substance in
4 sufficient amount to render it injurious to beneficial plant
5 life, animals, humans, aquatic life, soil or water when
6 applied in accordance with its intended use or directions for
7 use on the label;

8 (2) adequate warning statements or directions for use
9 which may be necessary to protect plant life, animals,
10 humans, aquatic life, soil or water are not shown upon the
11 label;

12 (3) its composition falls below or differs from that
13 which it is purported to possess by its labeling; or

14 (4) it contains viable weed seed in amounts exceeding
15 the limits which the department establishes by regulation.

16 (b) Exception.--A fertilizer shall not be considered
17 adulterated under this section if the quantity of the substance
18 in the fertilizer does not ordinarily render it injurious.

19 § 6713. Publications.

20 The department shall publish at least annually, and in such
21 form as it deems proper, such information concerning the
22 distribution of fertilizers and results of analyses based on
23 official samples of fertilizer distributed within this
24 Commonwealth as compared with analyses guaranteed under sections
25 6704 (relating to registration of specialty fertilizers) and
26 6705 (relating to labels and labeling).

27 § 6714. Short weight.

28 If any fertilizer in the possession of a consumer is found by
29 the department to be short in weight, the guarantor of that
30 fertilizer shall, within 30 days after official notice from the

1 department, submit to the consumer a penalty payment of two
2 times the value of the actual shortage.

3 § 6715. Refusal, suspension or revocation of registration or
4 license.

5 The department may refuse, suspend or revoke the registration
6 of any fertilizer or refuse, suspend or revoke the license of
7 any person where the registrant or licensee has not complied
8 with the provisions of this chapter or of any person who has
9 used fraudulent or deceptive practices in the evasion of the
10 provisions of this chapter.

11 § 6716. Stop-sale orders.

12 (a) General rule.--The department may issue and enforce a
13 written or printed stop-sale, use or removal order to the owner
14 or custodian of any lot of fertilizer and to hold at a
15 designated place when the department finds the fertilizer is
16 being offered or exposed for sale in violation of any of the
17 provisions of this chapter. The order shall remain in effect
18 until the law has been complied with and the fertilizer is
19 released in writing by the department or the violation has been
20 otherwise legally disposed of by written authority.

21 (b) Release by department.--The department shall release
22 fertilizer held under a stop-sale order when the requirements of
23 the provisions of this chapter have been complied with and all
24 costs and expenses incurred in connection with the withdrawal
25 have been paid by the person responsible for the violation.

26 § 6717. Seizure and condemnation.

27 A lot of fertilizer not in compliance with the provisions of
28 this chapter shall be subject to seizure and condemnation by the
29 department, provided that in no instance shall the disposition
30 of the fertilizer be ordered by the department without first

1 giving the claimant an opportunity for a hearing as provided for
2 in section 6718 (relating to appeal process) or for opportunity
3 to apply for permission to process or relabel the fertilizer to
4 bring it into compliance with this chapter.

5 § 6718. Appeal process.

6 All appeals shall be taken and hearings conducted in
7 accordance with the provisions of 2 Pa.C.S. Chs. 5 Subch. A
8 (relating to practice and procedure of Commonwealth agencies)
9 and 7 Subch. A (relating to judicial review of Commonwealth
10 agency action).

11 § 6719. Cooperation with other entities.

12 The department may cooperate with and enter into agreement
13 with governmental agencies of the Federal Government, agencies
14 of this Commonwealth and any other state in order to carry out
15 the purpose and provisions of this chapter.

16 § 6720. Rules and regulations.

17 The department shall promulgate and enforce rules and
18 regulations necessary for administration and implementation of
19 this chapter.

20 § 6721. Unlawful conduct.

21 It shall be unlawful for any person to fail to comply with or
22 to cause or assist in the violation of any order or any of the
23 provisions of this chapter or the rules and regulations adopted
24 under this chapter.

25 § 6722. Interference with officer or employee of department.

26 A person who willfully or intentionally interferes with an
27 employee or officer of the department in the performance of that
28 employee's or officer's duties or activities authorized under
29 this chapter commits a misdemeanor of the third degree and
30 shall, upon conviction, be subject to a term of imprisonment of

1 not more than one year or a fine of not more than \$2,500, or
2 both.

3 § 6723. Enforcement and penalties.

4 (a) Criminal penalties.--Unless otherwise specified, any
5 person who violates any of the provisions of this chapter or a
6 rule or regulation adopted thereunder or any order issued
7 pursuant thereto:

8 (1) For the first offense, commits a summary offense and
9 may, upon conviction, be sentenced, for each offense, to pay
10 a fine of not less than \$50 nor more than \$100 and costs of
11 prosecution or to undergo imprisonment for a term which shall
12 be fixed at not more than 90 days, or both.

13 (2) For a subsequent offense committed within three
14 years of a prior conviction for any violation of this chapter
15 or any rule, regulation or order made under this chapter,
16 commits a misdemeanor of the second degree and shall, upon
17 conviction, be sentenced to pay a fine of not less than \$500
18 nor more than \$1,000 and costs of prosecution or to
19 imprisonment for not more than two years or both.

20 (b) Trade secrets.--

21 (1) Any person who uses to that person's own advantage
22 or reveals to anyone other than the department,
23 administrative tribunal or the courts when relevant in any
24 judicial proceeding any information acquired under the
25 authority of this chapter concerning any method, records,
26 formulations or processes which as a trade secret is entitled
27 to protection under the law commits a misdemeanor of the
28 third degree and shall, upon conviction, be sentenced to pay
29 a fine of not less than \$500 or to imprisonment for not less
30 than one year, or both.

1 (2) This subsection shall not be construed to prohibit
2 the department from exchanging information of a regulatory
3 nature with governmental agencies of the Federal Government,
4 agencies of this Commonwealth or any other state to implement
5 the provisions of this chapter.

6 (c) Civil penalties.--

7 (1) In addition to any other remedy available at law or
8 in equity for a violation of this chapter, the department may
9 assess a civil penalty of not more than \$2,500 upon any
10 person for each violation of this chapter. The civil penalty
11 assessed shall be payable to the department and shall be
12 collectible in any manner provided by law for the collection
13 of debt.

14 (2) No civil penalty shall be assessed unless the person
15 assessed the penalty has been given notice and an opportunity
16 for a hearing on the assessment in accordance with the
17 provisions of 2 Pa.C.S. Chs. 5 Subch. A (relating to practice
18 and procedure of Commonwealth agencies) and 7 Subch. A
19 (relating to judicial review of Commonwealth agency action).

20 (d) Certified copy of official analysis.--In prosecution
21 under this chapter involving the composition of a lot of
22 fertilizer, a certified copy of the official analysis signed by
23 the secretary or the secretary's designee shall be accepted as
24 prima facie evidence of the composition.

25 (e) De minimis violations.--Nothing in this chapter shall be
26 construed as requiring the department to report a violation and
27 to institute seizure proceedings as a result of de minimis
28 violations of this chapter when the department concludes that
29 the public interest will be best served by a suitable notice of
30 warning in writing.

1 § 6724. Exchanges between manufacturers.

2 Nothing in this chapter shall be construed as restricting or
3 avoiding sales or exchanges of fertilizers to each other by
4 importers, manufacturers or manipulators who mix fertilizer
5 materials for sale, or as preventing the free and unrestricted
6 shipments of fertilizer to manufacturers or manipulators who are
7 licensed as required by provisions of this chapter.

8 § 6725. Disposition of funds.

9 Moneys received from license fees, registration fees,
10 inspection fees, fines and penalties shall be paid into a

9 amendment or plant amendment.

10 § 6904. Registration.

11 (a) Application.--Each brand and separately identified soil
12 amendment and plant amendment product shall be registered by the

9 may by regulation establish the minimum percentage of soil-
10 amending ingredients or plant-amending ingredients that must be
11 present before a soil amendment or plant amendment may be
12 registered and distributed.

13 (e) Late fee.--If the application for renewal of the soil
14 amendment or plant amendment registration required in this
15 section is not filed prior to June 30 of each year, a penalty of
16 \$25 or 10% of the registration fee, whichever is greater, may be
17 assessed and added to the original fee and shall be paid by the
18 applicant before the renewal soil amendment or plant amendment

17 grade of soil amendment or plant amendment distributed.

18 (3) If the guarantor whose name appears on the label
19 distributes soil amendments or plant amendments in this
20 Commonwealth in both packages of less and more than 15
21 pounds, the \$25 inspection fee shall be paid for its brands
22 sold in packages of 15 pounds or less, and the 15¢ per ton
23 fee shall be paid for its packages of more than 15 pounds.

24 (b) Adjustment to fees by secretary.--

25 (1) Notwithstanding the provisions of subsection (a), if
26 the secretary determines following notice to the registrants
27 and licensees that moneys derived from the registration and
28 inspection fees are either greater or less than that required
29 to administer this chapter, the secretary may reduce or
30 increase the inspection fee so as to maintain revenues

1 sufficient to administer this chapter.

2 (2) An inspection fee so established may not be changed
3 by more than 2¢ in one year and may not exceed 25¢ per ton.

4 (3) The secretary shall announce the adjustment of fees

13 distributed in this Commonwealth for the period covered by the
14 inspection fee.

15 (b) Multiple guarantors.--When more than one guarantor is
16 involved in the distribution of a soil amendment or plant
17 amendment, the guarantor who distributed the soil amendment or
18 plant amendment last shall report the tonnage and pay the
19 inspection fee unless the report and payment have been made by a
20 prior distributor.

21 (c) Late fee.--A penalty of \$25 or 10% of the inspection
22 fee, whichever is greater, shall be imposed for any fee or
23 report not submitted at the required time.

24 (d) Examination permitted.--The department or its authorized
25 representative may examine the records of the guarantor to
26 verify the information contained in the reports filed with the

9 (a) General rule.--The department shall sample, inspect,
10 make analysis of and test soil amendments and plant amendments
11 distributed within this Commonwealth and shall inspect the

14 to determine whether such soil amendments and plant amendments
15 are in compliance with the provisions of this chapter. The
16 department or its agent may enter upon any public or private
17 premises or carriers during regular business hours in order to
18 have access to soil amendments and plant amendments subject to
19 provisions of this chapter and the records relating to this
20 chapter.

21 (b) Laboratory methodology.--The department shall establish
22 by regulation the methods of soil and plant amendment sampling
23 and analysis. In promulgating such regulations the department
24 shall consider methods such as those adopted by the Association
25 of Official Analytical Chemists International. In cases not
26 covered by such methods or in cases where improved methods are
27 available, the department may issue a temporary order defining
28 the method to be utilized. The method defined in the temporary
29 order shall be effective upon publication in the Pennsylvania
30 Bulletin. The temporary order shall remain in effect for a

1 period not to exceed one year, unless reissued, or until such
2 order is promulgated as a regulation.

3 (c) Deficiency determination.--The department, in
4 determining whether any soil amendment or plant amendment is
5 deficient, shall be guided solely by the official sample,
6 obtained and analyzed as provided for in subsections (a) and
7 (b).

9 maintained by the department and that require imposition of a
10 penalty shall be retained for a minimum of 90 days from issuance
11 of the penalty report. Upon request, the department shall
12 furnish to the guarantor a portion of any sample found subject
13 to penalty or other legal action. Such requests must be made
14 within 30 days of notification of sample violations.

30 identity, if any, prescribed by regulation of the department;

1 or

2 (5) it does not conform to ingredient form, minimums,
3 labeling and tolerances prescribed by regulation.

4 § 6910. Adulteration.

5 (a) General rule.--No person shall distribute an adulterated
6 soil amendment or plant amendment product. A soil amendment or

21 (b) Exception.--A soil amendment or plant amendment shall
22 not be considered adulterated under this section if the quantity
23 of the substance in the soil amendment or plant amendment does
24 not ordinarily render it injurious.

25 § 6911. Short weight.

26 If any soil amendment or plant amendment in the possession of
27 a consumer is found by the department to be short in weight, the
28 guarantor of that soil amendment or plant amendment shall,
29 within 30 days after official notice from the department, submit
30 to the consumer a penalty payment of two times the value of the

1 actual shortage.

2 § 6912. Refusal, suspension or revocation of registration or
3 license.

20 legally disposed of by written authority.

21 (b) Release by department.--The department shall release the
22 soil amendment or plant amendment held under a stop-sale order

25 connection with the withdrawal have been paid by the person
26 responsible for the violation.

27 § 6914. Seizure and condemnation.

28 A lot of soil amendment or plant amendment not in compliance
29 with the provisions of this chapter shall be subject to seizure
