## AN ACT

1 ~~Providing for the strengthening and enrichment of children and~~ <—  
 2 ~~families by promoting safe, healthy and nurturing home~~  
 3 ~~environments, for the educational and supportive services of~~  
 4 ~~home visiting programs in this Commonwealth, for the Ounce of~~  
 5 ~~Prevention Program and for integrated community based~~  
 6 ~~delivery of services; specifying program requirements;~~  
 7 ~~designating an oversight board; providing for~~  
 8 ~~responsibilities of the board and the Department of Public~~  
 9 ~~Welfare; specifying criteria for community program grant~~  
 10 ~~funding; requiring training and an independent evaluation~~  
 11 ~~process; and providing for quality assurance.~~  
 12 ESTABLISHING THE OUNCE OF PREVENTION PROGRAM TO PROVIDE GRANTS <—  
 13 TO CERTAIN ENTITIES THAT PROVIDE HOME VISITATION AND OTHER  
 14 SERVICES TO LOW-INCOME, AT-RISK EXPECTANT FIRST-TIME MOTHERS  
 15 AND THEIR NEWBORN CHILDREN AND FAMILIES; AND PROVIDING FOR  
 16 THE POWERS AND DUTIES OF THE DEPARTMENT OF PUBLIC WELFARE.

17 The General Assembly of the Commonwealth of Pennsylvania  
 18 hereby enacts as follows:

1 Section 1. Short title.

2 This act shall be known and may be cited as the Ounce of  
3 Prevention PROGRAM Act. <—

4 Section 2. Legislative intent.

5 ~~(a) Funding.~~ <—

6 ~~(1) The General Assembly finds that family well being is~~  
7 ~~critical to a child's health and development, that parenting~~  
8 ~~is a difficult responsibility and that most of the assistance~~  
9 ~~available to Pennsylvania families occurs after there is a~~  
10 ~~problem and often provides too little, too late. Research~~  
11 ~~shows that comprehensive early home visitation programs~~  
12 ~~prevent child abuse, help develop positive parent child~~  
13 ~~interactions, help brain development of the child, have a~~  
14 ~~long term savings in both public and private health care~~  
15 ~~costs and help avoid future social problems. In addition to~~  
16 ~~addressing child abuse, such programs help to ensure that~~  
17 ~~families' social and medical needs are met and that children~~  
18 ~~are ready for success in school.~~

19 ~~(2) The General Assembly finds that Pennsylvania needs~~  
20 ~~broad implementation of a program to provide support for~~  
21 ~~families which need and desire assistance in establishing~~  
22 ~~healthy relationships and environments for their children.~~

23 ~~(3) The General Assembly intends to appropriate funds to~~  
24 ~~the board to carry out the program.~~

25 ~~(b) Intent. It is the intent of the General Assembly to~~  
26 ~~establish the Ounce of Prevention Program as a collaborative~~  
27 ~~effort that builds on existing community based home visiting and~~  
28 ~~family support resources and will not duplicate the existing~~  
29 ~~services. It is further the intent of the General Assembly to~~  
30 ~~provide the needed intensity and duration of services extending~~

1 ~~beyond those available through Head Start and Early Head Start~~  
2 ~~programs, thus filling a major gap in the existing continuum of~~  
3 ~~early childhood prevention and assistance services.~~

4 IT IS THE INTENT OF THE GENERAL ASSEMBLY TO ESTABLISH THE <—  
5 OUNCE OF PREVENTION PROGRAM TO ENHANCE THE PROGRAMS AND PURPOSES  
6 OF EXISTING COMMUNITY-BASED HOME VISITATION AND FAMILY SUPPORT  
7 SERVICES WITHOUT DUPLICATING EXISTING SERVICES.
