14 No.162), is amended to read:

15 Section 1. [If] (a) Except as provided for in subsection
16 ~~(b)~~ (C), if the owner or occupant of premises served by any <—
17 water utility, as hereinafter defined, shall neglect or fail to
18 pay, for a period of thirty (30) days from the due date thereof,
19 any rental, rate or charge for sewer, sewerage, or sewage
20 treatment service imposed by any municipality or municipal
21 authority [organized by any county of the second class, by any
22 city of the second class, by any city of the second class A, by
23 any city of the third class, by any borough or by any township
24 of the first or second class], such water utility is hereby
25 authorized and required, at the request and direction of the
26 municipality or of such authority, or of the city, borough, or
27 township to which the authority shall have assigned its claim or
28 lien for such service, to shut off the supply of water to such
29 premises until all such overdue rentals, rates and charges,
30 together with any penalties and interest thereon, shall be paid.

1 If such authority or such city, borough, or township shall also
2 supply water to any premises, it is hereby authorized to shut
3 off the supply of water to such premises, as herein set forth.
4 If the rental rate or charge for sewer, sewerage or sewage
5 treatment service is imposed by a municipality as lessee of an
6 authority [organized as aforesaid] and the said lessee shall
7 also supply water to such premises, then such municipality is
8 hereby authorized to shut off the supply of water to such
9 premises as herein set forth without prior request from said
10 authority or without prior assignment of its claim or lien for
11 such services. In no case shall the water supply be shut off to
12 any premises until ten days after written notice of an intention
13 so to do has been mailed to the person liable for payment of the
14 rentals and charges, as well as the owner of the property or
15 property manager, and in addition thereto, there has been posted
16 a written notice at a main entrance to the premises. If during
17 such ten day period, the person liable for the payment of the
18 rentals and charges delivers to the water utility authority or
19 municipality supplying water to the premises a written
20 statement, under oath or affirmation, stating that he has a just
21 defense to the claim, or part of it, for such rentals or
22 charges, then the water supply shall not be shut off until claim
23 has been judicially determined. The statement shall also contain
24 a declaration under oath or affirmation that it was not executed
25 for the purpose of delay.

26 Nothing contained in this section shall authorize any
27 authority or any privately owned sewer or water company to shut
28 off or deny water service to any lessee of a property because a

30 rate, rental or charge.
