INTRODUCED AS NONCONTROVERSIAL RESOLUTION UNDER RULE 35,
OCTOBER 17, 2006

A RESOLUTION

1 Designating the month of October 2006 as "Automotive Career
2 Month" in Pennsylvania.

3 WHEREAS, The retail automotive industry has long been one of
4 the largest employers in our communities; and

5 WHEREAS, Advances in automotive technology and increased
6 reliance on information technology have opened additional job
7 opportunities; and

8 WHEREAS, In a time of economic uncertainty in many other
9 industries, rewarding and cutting-edge positions in automobile
10 dealerships are available now in all areas of operations,
11 including sales, repair, service, finance, marketing,

1 administration, design, Internet service and communications; and

2 WHEREAS, The retail automotive business is the largest retail
3 industry in the United States, already employing more than 1.1
4 million people; and

5 WHEREAS, In Pennsylvania, more than 54,000 individuals are
6 employed by new vehicle dealers alone; and

7 WHEREAS, With employment vacancies existing in the retail
8 automotive industry, it is important to encourage people to
9 explore employment opportunities at vehicle dealerships;
10 therefore be it

11 RESOLVED, That the House of Representatives designate the
12 month of October 2006 as "Automotive Career Month" in
13 Pennsylvania.
