6 corresponding reduction in wages.

7 Section 1302. Establishment of program.

8 The department shall establish a voluntary shared work  
9 program as provided by this article. The department may adopt  
10 rules and regulations and establish procedures necessary to  
11 administer this program.

12 Section 1303. Application for shared work.

13 An employer seeking to participate in the shared work program  
14 must submit a written shared work plan application to the  
15 department for the department's approval. The application shall  
16 be made according to such forms and procedures as the department  
17 may specify and shall include information required by the  
18 department.

19 Section 1304. Evaluation of criteria.

20 The department shall approve a shared work plan if all of the  
21 following are met:

22 (1) The shared work plan applies to and identifies a  
23 specific affected unit.

24 (2) The employees in the affected unit are identified by  
25 name and Social Security number and the employer certifies  
26 that each employee in the affected unit would be eligible for  
27 normal unemployment compensation under Article IV.

28 (3) The shared work plan reduces the normal weekly hours  
29 of work for an employee in the affected unit by not less than  
30 20% and not more than 60%.

1           (4) The shared work plan describes the manner in which  
2 the participating employer treats the fringe benefits of each  
3 employee in the affected unit.

4           (5) The employer certifies that the implementation of a  
5 shared work plan is in lieu of temporary layoffs that would  
6 affect at least 10% of the employees in the affected unit and  
7 would result in an equivalent reduction in work hours.

8           (6) The employer has filed all reports required to be  
9 filed under this article for all past and current periods and  
10 has paid all contributions or reimbursements due for all past  
11 and current periods.

12           (7) The plan is approved in writing by the collective  
13 bargaining agent for each collective bargaining agreement  
14 covering any individual in the affected unit.

15           (8) The plan does not serve as a subsidy to seasonal  
16 employers during the off-season or as a subsidy to employers  
17 who traditionally use part-time employees.

18           (9) The plan specifies an expiration date that is not  
19 more than six months after the effective date of the shared  
20 work plan.

21           (10) The employer is a contributing employer as defined  
22 in Article III or has elected to make reimbursement payments  
23 as defined in Articles X, XI and XII.

24           (11) As a condition for approval, a participating  
25 employer must agree to furnish the department with reports  
26 relating to the operation of its shared work plan as  
27 requested by the department.

28 Section 1305. Approval or denial of shared work plan.

29           The department shall approve or deny a shared work plan no  
30 later than the 15th day after the day the shared work plan

1 application is received by the department. The department shall  
2 approve or deny a shared work plan in writing and shall, in  
3 instances where an application is denied, include the reasons  
4 for the denial. When the department denies a shared work plan,  
5 the decision is final and may not be appealed. Following a  
6 denial, an employer may submit a new shared work plan  
7 application after a 15-day period following the denial.

8 Section 1306. Implementation and expiration dates.

9 A shared work plan is effective on the date it is approved by  
10 the department. The shared work plan expires six months after  
11 the effective date of the plan.

12 Section 1307. Modification of plan.

13 (a) General rule.--An employer may modify a shared work plan  
14 to meet changed conditions if the modification conforms to the  
15 basic provisions of the plan as approved by the department. The  
16 employer must report the changes made to the plan in writing to  
17 the department before implementing the changes.

18 (b) Reevaluation by secretary.--If the original plan is  
19 substantially modified, the secretary shall reevaluate the plan  
20 and may approve the modified plan if it meets requirements for  
21 approval under section 1304. If the modifications cause the  
22 shared work plan to fail to meet the requirements for approval,  
23 the secretary shall deny approval to the modifications.

24 (c) Approval of modified plan.--The approval of a modified  
25 plan does not affect the expiration date originally set for that  
26 shared work plan.

27 Section 1308. Termination of plan.

28 The secretary may terminate a shared work plan for good cause  
29 if the secretary determines that the plan is not being executed  
30 according to the terms and intent of the shared work program.

1 Good cause shall include, but not be limited to, failure to  
2 comply with the assurances given in the plan, unreasonable  
3 revision of productivity standards for the affected group,  
4 conduct or occurrences tending to defeat the intent and  
5 effective operation of the plan and violation of any criteria on  
6 which approval of the plan was based.

7 Section 1309. Employee criteria for shared work benefits.

8 (a) Eligibility criteria.--An individual is considered to be  
9 unemployed for the purpose of the shared work program and is  
10 eligible to receive shared work benefits with respect to any  
11 week in which the department finds that:

12 (1) The individual is a participating employee in an  
13 affected unit subject to a shared work plan that was approved  
14 before the week in question and is in effect for that week.

15 (2) The individual is able to work and is available for  
16 additional hours of work or full-time work with the  
17 participating employer.

18 (3) The individual's normal weekly hours of work have  
19 been reduced by at least 20% but not more than 60%, with a  
20 corresponding reduction in wages.

21 (4) The individual has been continuously on the payroll  
22 of an affected unit for at least three months immediately  
23 before the employer submits a shared work plan for the  
24 affected unit.

25 (b) Denial of benefits.--The department shall not deny  
26 benefits under a shared work plan to a participating employee  
27 based on availability for work or work search requirements or  
28 for a refusal to apply for or to accept work with an employer  
29 other than the participating employer as required under Article  
30 IV. An individual eligible for shared work benefits shall not be

1 subject to the provisions of Article IV relating to partial  
2 unemployment benefits.

3 (c) Work in excess of reduced hours.--The department shall  
4 not pay shared work benefits to an individual for any week in  
5 which the individual performs work for the participating  
6 employer in excess of the reduced hours established under the  
7 shared work plan unless there is a corresponding modification to  
8 the plan pursuant to section 1307.

9 (d) Prior overpayments.--If an individual who is eligible to  
10 receive shared work benefits has a prior overpayment which is  
11 still outstanding, the department shall offset the overpayment  
12 from shared work benefits in accordance with Article VIII.

13 (e) Child support obligation.--If an individual who is  
14 eligible to receive shared work benefits has been identified as  
15 having outstanding child support obligations, the department  
16 shall reduce the shared work benefits as provided in Article  
17 VII.

18 Section 1310. Payment of shared work benefits.

19 (a) General rule.--The department shall pay an individual  
20 who is eligible for shared work benefits under this article a  
21 weekly shared work benefit amount equal to the individual's  
22 regular weekly benefit amount for a period of total unemployment  
23 multiplied by the nearest full percentage of reduction of the  
24 individual's hours as set forth in the employer's shared work  
25 plan.

26 (b) Maximum total benefits.--In no event shall total  
27 benefits paid in any benefit year, either under Article IV or  
28 this article, or both, exceed the maximum amount for which a  
29 claimant would be eligible under Article IV.

30 (c) Period of eligibility.--An individual shall not be

1 eligible to receive shared work benefits for more than 26  
2 calendar weeks during the 12-month period of the shared work  
3 plan.

4 (d) Dependency allowance.--An individual who is eligible for  
5 shared work benefits shall not be eligible to receive a  
6 dependency allowance.

7 (e) Extended benefits.--An individual who has received all  
8 of the shared work benefits and regular unemployment  
9 compensation benefits available to him in a benefit year is an  
10 exhaustee for purposes of Article IV-A and is entitled to  
11 receive extended benefits under Article IV-A if the claimant is  
12 otherwise eligible for such benefits.

13 (f) Ineligibility for other benefits.--While an affected  
14 employee applies for or receives shared work benefits, the  
15 affected employee is not eligible for:

- 16 (1) extended benefits;  
17 (2) supplemental Federal unemployment compensation;  
18 (3) benefits under any other Federal or State program;  
19 or  
20 (4) partial unemployment benefits as provided under  
21 Article IV.

22 (g) Unemployment Compensation Fund.--All shared work  
23 benefits under this article shall be payable from the  
24 Unemployment Compensation Fund under Article VI.  
25 Section 1311. Allocation of shared work benefit charges.

26 Shared work unemployment compensation shall be charged to the  
27 employer's experience rated account in the same manner as  
28 unemployment compensation is charged under Article III.  
29 Employers liable for reimbursements in lieu of contributions  
30 shall have shared work unemployment compensation attributed to

1 service in their employ in the same manner as unemployment  
2 compensation is attributed.

3 Section 2. This act shall take effect in 60 days.
