A RESOLUTION

1 Recognizing the Pennsylvania Burglar and Fire Alarm Association
2 (PBFAA) on its 25th anniversary in the electronic security
3 and life safety industry.

4 WHEREAS, PBFAA became a Statewide association representing
5 electronic security providers in this Commonwealth in 1982; and

6 WHEREAS, The PBFAA mission is to promote the extensive use of
7 professional electronic security services among consumers and
8 authorities and to support reliable life safety and property
9 protection in this Commonwealth; and

10 WHEREAS, PBFAA educates the electronic security industry on
11 maintaining professional standards; and

12 WHEREAS, PBFAA is one of the leading regional alarm
13 associations; and

14 WHEREAS, PBFAA has contributed its support to the development
15 of the National Training School of the National Burglar and Fire

1 Alarm Association; and

2 WHEREAS, General members of PBFAA include full-time companies
3 whose primary business is the installation and servicing of
4 electronic alarm systems; and

5 WHEREAS, Associate and allied members of PBFAA include
6 industry suppliers; and

7 WHEREAS, Public safety members of PBFAA include police
8 officers, firefighters and municipal officers; and

9 WHEREAS, PBFAA provides consumers in this Commonwealth with
10 the highest level of professionalism through its education and
11 training programs; therefore be it

12 RESOLVED, That the House of Representatives recognize PBFAA
13 on its 25th anniversary in the electronic security and life
14 safety industry.
