## A RESOLUTION

1 Designating the month of November 2007 as "Sarcoidosis Awareness  
2 Month" in Pennsylvania.

3 WHEREAS, Sarcoidosis is a disease affecting people of all  
4 ages and races worldwide; and

5 WHEREAS, This disease causes masses of inflamed tissue, known  
6 as granulomas, to form on various organs of the body including,  
7 in rare cases, the brain; and

8 WHEREAS, The formation of granulomas on bodily organs may  
9 cause failure in the lungs, lymph nodes, skin, eyes and liver;  
10 and

11 WHEREAS, Sarcoidosis occurs at a higher rate among African

1 Americans, especially African-American women and young males,  
2 than among other segments of the United States population; and

3 WHEREAS, Many people with sarcoidosis have no symptoms, and  
4 this results in the disease going untreated; and

5 WHEREAS, Currently there is no available means of prevention;  
6 and

7 WHEREAS, Sarcoidosis treatment and research would benefit  
8 from enhanced awareness; therefore be it

9 RESOLVED, That the House of Representatives designate the  
10 month of November 2007 as "Sarcoidosis Awareness Month" in  
11 Pennsylvania to help develop greater public awareness of this  
12 disease.
